BECAUSE of the delicious flavor of chicken, its lightness and adaptability to many different modes of preparation, it occupies a favored place on warm weather menus. Served hot or cold, for dinner or luncheon or buffet supper, it is a general favorite. Economical, too, as every scrap may be utilized—even the bones may be boiled up to make a delicious soup stock.

Roast Chicken

Draw clean and singe chicken. Place it on its back in a dripping pan with two tablespoons of fat. Dredge with flour and place in a hot oven. When the flour is well browned, reduce the heat and baste every ten minutes adding a little water when necessary. Turn chicken frequently. When the breast is tender the chicken is done. If desired the bird may be filled, prior to baking with a bread dressing seasoned lightly with sage, salt, pepper and onion juice.

Fried Chicken

Prepare young chickens dividing them as for stewing; wash and drain but do not dry the pieces. Roll each in flour mixed with salt and pepper. Drop in deep fat and fry until tender.

Chicken Terrapin

1 chicken
Salt and red pepper
2 shallow pans
2 hard boiled eggs
1 cup chicken broth
1 cup cream
¼ pound butter
1 heaping tablespoon flour
2 tablespoons currant jelly

Boil the chicken and giblets; when tender, cool thoroughly; cut into small pieces half an inch square. Put into a saucepan with the seasonings, chopped eggs and other ingredients, rubbing the flour in the butter first. Simmer for about 10 minutes; add the jelly and serve.

Chicken Pie

1 chicken
Salt and pepper
1 tablespoon of flour
Yolk of hard boiled egg
½ tablespoon parsley
¼ pound salt pork
Pie crust

Prepare the chicken as for fricassee; put the giblets in cold water and stew until nearly done. Add the chicken seasoned with pepper and salt and simmer for 20 minutes. Remove with a skimmer and make a gravy of the broth by adding the flour, egg yolk and parsley. Line the sides of a deep baking pan with pie crust; place an inverted cup in the center; put in the chicken in layers covered with strips of salt pork and moisten all with the gravy. Pour on the remainder of the gravy; cover with pie crust, making the edges as firm as possible and cutting a few slashes. Bake slowly for nearly an hour.

Beef Ring With Vegetables

Combine ground round steak with beaten egg, salt and pepper and 1 tablespoon of flour. Pack in greased ring mold and bake in a moderate oven 1 hour. Remove to hot platter and fill with creamed peas and carrots.

Angel Food With Coconut Frosting

Sift 1 cup pastry flour 3 times. Add salt (pinch) to 1 cup egg whites, beat, add ½ teaspoon cream of tartar, beat stiff; add 1¼ cups sugar, then flour, by folding over and over. Bake in ungreased tube pan in oven that is barely warm till batter rises to top of mold, then increase heat gradually until cake is well browned. When done invert pan and when cool remove cake. Frost with white boiled frosting and sprinkle with coconut and decorate with pineapple beneath.

Fried Halibut

Dip halibut in corn meal and fry in butter. Season and serve garnished with broiled bananas, lemon and watercress.

1 quart cream
2 cups sugar

Rub the pulp through a puree sieve and add other cup of sugar. When the cream is partly frozen add the fruit pulp and return to refrigerator trays till fully frozen.

Strawberry Ice Cream

3 pints thin cream
2 cups sugar
2 quarts berries

Boy Scout News

Troop No. 70

Troop 70 took an overnight hike to Camp Oyo, Portsmouth area, and were guests of Troop 26 and Mr. Montgomery, commissioner of that area. A long hike was taken on Saturday evening through the Roosevelt Game Preserve and the scouts had a very enjoyable time exploring the surrounding territory. Many new birds and plants were found and the Cucumber Magnolia trees were blooming in all their exquisite beauty. Portsmouth area has a wonderful Scout Camp of the log cabin type; one which any council could be proud of. This trip was made possible by the efforts of Mr. Ray Rudel, Mr. Howard Terry, committeeman, and Scoutmaster Alva Strait of Troop 70.

An overnight hike has been planned for next Saturday at the troop's last summer's camp site on the Rocky Fork Hunt and Country club grounds.

THE SEC'Y REPORTS

Dear Lookeruter: Why did you neglect to thank Margie Marshall for the goodie present she sent you? . . . Here's a dandy you somehow missed while making the rounds. A local lady, toning Pop Waymer for a grocery order, asked for six rolls of Seminole, and Pop thought she said Jello, and says: "What flavor." . . . And another housewife, ordering the same thing, was asked by the clerk if she wanted it wrapped. "No," she no'd, "I'm in a hurry." . . . Why didn't you tell the people that Irene McKinley describes your pillar as "downright devilish?" . . . Here's a dainty one: Mrs. Buell, up at the gastronomic emporium says she has a chain letter, but is afraid to sell it because they might "persecute" her. . . . They're rare, these people who get scholastic honors, so give Eileen M. Schmid a note. She made Beta Gamma Sigma, honorary commerce frat at OSU. . . . And Charles Brownfield, a West High lad formerly, crashed the same outfit. . . . Elmer Smith, also, should be recorded for having landed that Doctor's job at the Hi Y camp this summer. Make it plain that it's the Wicklow Rd. Elmer. . . . Checked up on that Doctorflinger tip. Will tell you later!

SEC'S REPORT CONT'D

As far as I can discover, West High has produced but two Ph. D.'s, namely Grace Shover, '22, and Miles Robinson, '21. Hollis Barber is a-laboring on one at U. of Wisconsin. . . . Wire some withered onion blossoms to the H. B. M. A. for not giving an ad to that fine Alumni Program for the Jubilee They've blared their ad in such useless programs, one wonders why? . . . You wonder a bit back about Dot Fuller, the little mite. She's at the Tea Room at the Fashion (My, I've been stepping out, heh?) . . . Did you thank the "W" boys for that invite to their banquet last Wednesday, which you couldn't attend? . . . Mr. and Mrs. Frank Howard were in town for the day Sunday. . . . And the Shetrones are away again, to Washington D. C. and Norfolk, Va. The Fred Ruethers are along. . . . You'll scream at this: Mrs. Leo Schneeberger, who was reported here as taking up golf on a Sunday, had to go to church following the announcement. Why didn't you say she'd try on Monday. But then, folks would wonder when she got her housework done. . . . You missed the sad note about George Heitz. His mother died a fortnight back.

IT NEVER ENDS

You should have given those Hilltonia U. B. boys a better send-off in the church league. They're sportsmen all, and their rooters the most gentlemenly of the circuit. . . . You could have gone on that Business Men fishing(?) expedition. Then you would have seen George Painter pull his boat ashore—but so far that the back end filled with water and he sunk. . . . Then too, you could have cheered Jack Shank along. He thought there'd be wading to do, and wore hip boots the day long aboard that boat. Alas. . . . Paul O'Brien is a-talking about a class of '28 reunion, and I told him you'd aid in the round-up. Okeh? . . . I've tried and tried to get Otto Magly's middle name for the Jubilee, but all in vain. You boasted too much about landing it, so don't blame me. . . . Never did find out about that S. T. Rene guy. Guess he went back to Vallerlind, where he thought you came from, to get away from your tiresome whiffle-piffle. . . . Doris Hall left her boyfriend at the ball park Sunday aft., because she had to go home to call up a girl friend. It must be love!

STILL RAMBLIN'

Shall I tell the folks you'll tiptoe down the middle aisle this yr.? Even if I do, the Greenfield Times scooped you, you sap! . . . There is no truth to the rumor, however, that Doctorflinger will fling you pories. . . . You knew that Chas. Welch and Katherine Herzel were to be married, but the less read sheets had it first. . . . Why don't you quote that gent that works at Sherm Edwards more. He's as voluble as Milly and J. Shank put together—which, may I prune to

Council Asks Elimination Of Double Car Fares Here

President Karns to Make Request

To Confer With Railway Light Officials This Week; 125 Residents At Council Meeting.

At Monday night's city council meeting at which approximately 125 Hilltop residents were present, President Frank Karns stated that the matter of the bus service between Sullivant and Broad on Hague, and double fare rates was to be taken up with the Railway Power and Light Company, this week.

Ray G. Hauntz explained to council the service that existed before the installation of the trolley buses was even more effective and serviceable than the present system. Under the present system if a car is missed, one must wait twenty minutes before the next one comes along. The former street car went to the viaduct and served the residents of Wilson road but now stops two blocks short of the viaduct.

Sections of the city five, six and seven miles from the center of town pay but a single fare while Hilltop residents under the present system are forced to pay a double fare. Attorney Don Smith also spoke in behalf of the Hilltop community and expressed his desires for the removal of the tracks on West Broad street, west of Hague avenue, which was to have been done upon discontinuance of the interurban service.

The action taken by the Hilltop met with approval in council; Councilmen Lewis, Millikin, Frank and Daley heartily supported it and stated that all in the council's power would be done to remedy the situation. A petition signed by approximately three hundred Wilson road residents was presented by Ray G. Hauntz which expressed the desires of the extension of the bus system to Wilson road.

A miscellaneous petition was also presented to council desiring the paving of an extension of Westgate avenue from Palmetto street to Wicklow road and that the baseball diamonds in Westgate Park be re-surfaced. It was to be turned over to the F.E.R.A. for consideration. The dirt taken from the excavation of Westgate avenue is to be used on the ball diamonds, according to the plans.

Icemen On Top In Merchants' League

Wednesday night, Claggett's Confectionery defeated Seiller's in a well-played game, the count being 3 to 2, in favor of the Confectionery boys. Hamilton's Gas team had little trouble disposing of Chittum's Garage by the score of 9 to 3. The game between Walter's Ice and the Derby Club was a free hitting affair with the hard hitting Icemen coming out with a 12 to 3 victory.

The Walter's Ice team leads the league with four wins and no loses, while Hamilton's remain but one game behind them, having lost one and won three. The league will play again Wednesday night.

Claggett's Confectionery is protesting the game that Walter's Ice took from them last week because of a bad decision at the plate. The protest has not been acted upon yet at the board.

Westgate-Hillcrest to Battle Monday

Two Games Slated Tonight At Westgate Park; Race for Title Narrows to Four Teams.

In the season's first "crosstial" battle for the first round title gallop in the Hilltop Church Circuit, Westgate Evangelical and Hillcrest Baptist, virtually co-leaders in the loop, will battle it out next Monday evening on diamond No. 1 at Westgate Park.

Other games slated for Monday are: Church of Christ vs. Hoge Memorial, No. 2; Glenwood M. E. vs. St. John Lutheran, No 3; Burgess U. B. vs. Hilltonia U. B., No 4; and Glenwood Tri Mu vs. Sullivant Friends, at State Hospital.

Games Tonight

Two postponed games are on the docket for tonight, both scheduled for Westgate Park. On No. 1 diamond, Burgess U. B. and Glenwood Tri Mu will try to eliminate each other from the chase, while a similar effort will be made by both Westgate Evangelical and Sullivant Friends on No. 2.

Friday's Results

In last Friday's feature attraction, Westgate Darkhorses, forever upsetting the dope, spanked Hoge Memorial before a large throng of Evangelical rooters, 9 to 5. With both teams failing to hit when hits meant runs, Hillcrest beat St. John 6 to 4. Preston's terrific homer and Hoover's spectacular fielding featured. Preston's wallop was the longest ever hit in the local circuit.

Sullivant Ave. remained in the running by defeating Hilltonia U. B., 7 to 4, in a well played game while Church of Christ chalked up its first victory of the campaign at the expense of Glenwood, 5 to 1.

West Baseball Season to Close

Final Games Scheduled for Next Week; Next Year's Team to Finish Season's Slate.

West's luckless baseball nine will meet the Polar Bears today on the North lot. North is a heavy favorite to win as they have an edge in the pitching department. On next Tuesday the East High Tigers will make their appearance on the home lot in an attempt to avenge an earlier season defeat.

Bexley was to have been played last week. The possible next year's team was to have taken the field and if successful may participate in the remaining games to be played.

In previous games West was defeated by Central 4-0 and by Aquinas 6-5 in a ten-inning tilt. The Cowboy sluggers were held to one hit by the Pirate flinger. Bill Burr obtained the lone hit, a single.

Two errors and a balk spelled disaster for the West nine against Aquinas. In the tenth inning Heflin dropped a pop fly at second base. The Aquinas man advanced to second on a balk by pitcher Graves and scored on a single that Burr muffed. The man could have been easily held on third or thrown out at the plate.

West lost to the Aquinas team by a score of 9 to 5, Tuesday, May 28, although outhitting the Terriers, 7 to 3.

Linksters Lose

West High's golf team again went down to defeat, this time at the hands of Bexley's quartet by an 8-4 score. Matthews scored two points and R. Ferguson and W. Ferguson one each.

Coach Wise lost, 2-1, to Smith of Bexley in a match contested in the coachs' league.

Legion Programs Are Memorial Day Feature

Services held at four surrounding cemeteries by the Camp Chase Post No. 98 featured the Memorial services on the Hilltop. Following the parade the following speakers spoke at the designated cemeteries: Dr. A. C. Myers at Galloway; Mose Williams, Memorial Park; Ed Plank, Alton, and James F. Hurd, Wesley Chapel.

Children and local residents donated flowers and helped to decorate the graves.

Puzzle Contest to Close Next Week

Three More Awarded Prizes As "Puzzle That Pays" Contest Nears End.

With the "Puzzle That Pays" contest in its last stages, a large variety of solutions were submitted last week by those who hope to cash in on the valuable merchandise prizes. Next week the last puzzle will appear so there are only two more chances to try for the prizes.

A great many answers were eliminated last week because the name of the merchant in the answer was not mentioned when the telephone or address was used in the puzzle. It must be remembered that correctness, neatness and originality are the factors that determine the winners each week. The puzzle for today will be found on page four.

Prize Winners

The prize winners for last week's puzzle are as follows: L. A. Watson, 100 W. Maple St., first prize, a merchandise order from Dr. F. L. Sulzberger; Lula Laughlin, 58 Whitethorne Ave., second prize, a merchandise order at G. E. Hamilton's Service Station; and Mrs. J. B. Griffin, 640 Chestershire Rd., third prize, a merchandise order at the Clara Mae Beauty Salon.

Intermediate League In Close Games Tues.

The Intermediate Church League played its second set of games Tuesday evening at Westgate Park. Hoge Memorial defeated Burgess Avenue U. B. Tuesday by a score of 4 to 3. B. Richey hurled a no-hit game for Hoge with Burgess scoring on four errors in the sixth.

Hillcrest Baptist and Sullivant Avenue Friends were unable to reach a decision and after playing for ten innings had to leave the score standing six all when darkness intervened. The Hilltop C. of C.-Westgate Evangelical and the Glenwood M. E.-St. John Lutheran games were not reported. All managers are requested to notify the recreation department as to the result of their games each week.

West High Annuals

The senior annuals were distributed at West High school Wednesday.

Recuperating

Dr. Howard Whitehead, who underwent an operation for appendicitis recently in Mt. Carmel hospital, is recuperating at his home, 2239 W. Broad St., and expects to be in his office next week.

Where Can I Get It?

How many times have you asked this question when you wanted a particular item yet did not want to put much money into a purchase. Many people have found the answer by watching the Record Want-Ad columns each week and taking advantage of the many bargains that are offered there.

It is also possible for you to make a little cash by inserting a few cents in a Want-Ad. Make that extra room pay for itself or sell that odd furniture that you no longer have use for or advertise your talents and make some extra money doing part time work.

The possibilities of Record Want-Ads have no limit. Take advantage of them today.

Aged Civil War Veteran, Approaching Ninetieth Birthday, Recalls Camp Chase of Middle 60's

James W. Mullin, who will be 90 years of age next Nov. 22, and who fought in the Civil War, and who served as a guard at the Hilltop's Camp Chase almost 70 years ago, and who has been visiting with his granddaughter, Mrs. Hazel Berenw. 78 S. Richardson Ave., paused a while yesterday, to recall some of his experiences as a soldier, for a Record reporter.

Hale and hearty, his voice still strong and clear, a mischievous twinkle in his eyes, and a pleasant disposition belied the fact that he approached four score and 10. He told of how his company (H, of the 154th O. V. I.), 1000 strong, surprised 4500 of "the rebels" as Mr. Mullin called them, at New Creek in West Virginia one summer's afternoon 70 years ago, and routed them, bringing 250 back to Camp Chase, with as many horses, as captives.

It was the most important battle he fought in, although he saw service during the war in Maryland, Kentucky, Missouri, Ohio, West Virginia and Arkansas. He stayed at Camp Chase for a short while and then was sent to Camp Dennison near Cincinnati. There his term of service expired, but he, not having enough and having "nothing else to do," went to St. Louis with his brother, and re-enlisted.

"We brought 'em back in freight cars," he recalled. And he told of how disease and dirt and lice were rampant. Talking as though it were an incident of yesterday, Mr. Mullin painted a vivid picture of the troublous times that prevailed during the war.

A staunch Republican ever since he voted for his first president, A. Lincoln, he replied to a query concerning his opinion of Roosevelt: "I don't think much of him."

Last winter, he visited 25 towns in Florida, and can tell more of the trip than anyone in the party at the time. He shaves himself each morning, smokes four huge black cigars daily, and keeps Howdy Wolfe at Wolfe's Pharmacy ordering butterscotch candy, of which he is very fond.

He was married in 1867, his wife passing away 12 years ago. He has been in the grocery business 55 years of his life and lives at the present time with a granddaughter, Mrs. Mack Kreckler in Hamilton, O.

He speaks casually of living to be 100 years old, and to talk with him, one feels sure that he won't miss it far. He has three great-great-grandchildren; seven great-grandchildren, and four grandchildren.

Mr. Mullin finds nothing radical about today's "modern generation." "Young people are no wilder than they were in my time," he says. And somehow, you feel that he speaks with authority. Never sick a day in his life, and having escaped injury in the war, he takes life daily, as it comes, with the mature, satisfied air of a soldier and worker, whose labors have been done well, and who now rests peacefully and contentedly, watching the sunset.

And in its glimmering glow, he finds great joy in watching the panorama of current events, which he keeps ever in mind by daily reading of all the papers. From his height of years, he looks down upon it all, amused, interested, hopeful, and ever alive to the latest developments in politics and government. One is confident,—almost as confident as the old gentleman himself, that 10 years hence, he'll still be watching the parade go by.

Arvin Car Radio At Local Radio Store

The new Arvin car radios are far ahead of anything that car owners have seen or heard before, says F. D. Coffman of Coffman's Radio Store, 2388 W. Broad St., local Arvin dealers. In every respect these modern Arvin car radio sets are simplified in design and construction that makes them easy to install quickly and satisfactorily in all make cars.

"All our customers who have heard the new Arvins praise their performance and comment on its beautiful appearance and neat fit in the car."

The Arvin line is complete with seven fine models at a price range from $37.95 to $64.95 and can be installed in any make car year and model.

The local dealer calls attention to the overhead speakers and instrument panel controls as shown in the illustration. There are three Arvin models of this type designed for installation in the new 1935 Ford, Chevrolet, Pontiac, Oldsmobile, Plymouth, Dodge, DeSoto, and Chrysler air stream models.

Other Arvin radios can be installed in any make car—up under the instrument panel and out of the way. The control may be mounted on the steering column or in the instrument panel as desired.

THROUGH A Woman's Eyes

By JEAN NEWTON

THE WOMAN OF FORTY CAN MARRY IF SHE WANTS TO

WE HAVE news from England that spinsters of forty are holding their own. And by holding their own we mean not having a good enough time, thank you, but in getting husbands if they want them!

The news comes in the form of statistics that one out of every 34 English brides today is forty years old or more.

And that does not include widows or divorcees. The figures are concerned only with single women, or, in England where the word is still in good standing, "spinsters."

The actual number of brides over forty recorded was 9,179. "thus giving further evidence," it is commented, "that the woman of forty is still a very vital and engaging personality and can easily hold her own when she chooses to enter the matrimonial market."

That comment, let it be remarked, is definitely a matter of supererogation. We knew it all along. That is, every thinking person knew it.

Our information from England is concluded with the statement that the most popular age for brides is still twenty-two. We might have surmised that too. There is no denying the attractiveness, the delightfulness of the downy cheek and pearl-like contours of twenty-two. But there is no denying either, the value, in marriage, of the developed sense of humor, the perspective, the consideration and understanding, that are the result of more years of life.

We are not holding forth that forty is the ideal age for a woman to marry. But we do affirm without hesitation that the woman of forty can usually "hold her own" as the report says, "if she chooses to enter the matrimonial market"—and there is no reason why she shouldn't.

QUESTION BOX

By ED WYNN . . . The Perfect Fool

Dear Mr. Wynn:

I have often heard that the worst blow one can receive is the kick of a mule. Do you think a mule can kick harder than a kangaroo?

Yours truly,
ANN TIPODES.

Answer: I have never been kicked by a kangaroo, but once a mule succeeded in kicking me, and for the following six months every time I sat down I left "foot-prints."

Dear Mr. Wynn:

A friend of mine has just returned from a trip through the South American tropics and he said that sometimes, while walking along, he would sink 10 and 12 inches in the ground. What struck me rather peculiar was his assertion that farmers lived there and cattle grazed all around. How could cattle exist in mud like that?

Yours truly,
E. QUATER.

Answer: Your friend is right. I have been where he speaks of and I have seen the mud so deep down there that the farmers had to jack the cows up to milk them.

Dear Mr. Wynn:

In the past ten days I have read in the newspapers of thirty-four men committing crimes. I discovered, by keeping tabs on them, that twenty-eight of the thirty-four men ran away to Canada. How do you account for that?

C. KLUSIVE.

Answer: I am surprised, as I thought everybody knew that it was the only place "Toronto."

Nobody's pleasanter to do business with than the man who doesn't intend to pay.

The Little Symphony

(Dedicated to Miss Edith L. Robbins)

She held her violin so lovingly
And gently drew her bow across the strings;
Then, as she played her "Little Symphony,"
My sodden spirit seemed to mount on wings.

Soaring beyond the reach of space and time,
On windy waves of witching harmony,
Waves that were lashing shores of the Sublime,
Waking new worlds of mystic imagery.

New stars were gleaming in a phantom sky,
Along the way, bright vision seemed to start,
New dreams were born.—I felt the music die,—
But wild white fire flamed within my heart.

What power is this, that seems to leap and flow,
One, with the pulse of all humanity?
Whence comes the cunning of the hand and bow,
That gives us glimpses of Infinity?

What is this mystery of wood and string?
Who hears a master violinist play,
Then sees life, still, a dull and sordid thing,
Or dreams, again, that man is merely clay?

Katherine Kelly,
123 S. Ogden Ave.

Work is a tonic, whereas inactivity and worry sign many death warrants.

Faith—Hope—Love

ETHEL TITUS WORTHEN

Faith . . . the arms that reach to heaven
And holding hands with God,
Lifts the longing troubled soul
Above the chastening rod.

Hope . . . the beaming star of life
Shines through the darkest night,
And whispers low "take courage heart
Tomorrow will be light."

Love . . . so wondrously divine!
Though crushed, gives fragrance sweet.
Fulfillment of man's highest quest,
For Love makes life complete.

It always is easier to exploit human weaknesses than to correct them.

West High Jubilee Program June 7-8

Continued from Page One

Blind Bogey Tourney

In addition, there will be the West High golf tournament, an annual event, open to students and alumni. This will be a blind bogey affair and prizes will be awarded for the most threes, fours, fives, sixes and sevens. Also, prizes will be awarded for the lowest scores on two blind holes.

In the evening, reunions of the various classes will be in order. Rooms at the school will be assigned for the convenience of returning alumni. At the program scheduled, four teachers who have attended all of West High graduation ceremonies, will be presented. They are: Margaret S. Flynn, C. L. Leahy, Miss Katherine Burns and Otto H. Magly.

Randall to Speak

Mr. Magly will lead the assembled alumni in an old-fashioned assembly program and present past class presidents to the audience. C. L. Leahy, A. B. Cole and present director of athletics, Harold M. Wise, will indulge in a bit of athletic reminiscence prior to a huge pep rally.

Rev. Frank Randall, a member of the first graduating class at West, will speak in honor of Otto H. Magly and the faculty, and Roland Eckard, president of the 1935 class, and Ernest Hicks, valedictorian, will sketch the achievements and progress of West.

To Honor Randall

Judge Cecil J. Randall, a former president of the Board of Education, and whose efforts in the behalf of West High improvement have been outstanding, will be made an honorary member of the West Alumni association. H. H. Denton, president of the group, will be in charge.

The Board of Education has been invited to attend and Ray G. Haunts, president, will speak. Music will be furnished by the Senior class and a number from the program of 1911 will be presented.

Long Reign of Peace Commemorated

ONE hundred and eighteen years of friendly relationship between two nations was signalized as this tablet, commemorating the signing of the Rush-Bagot agreement between the United States and Canada, was unveiled in Washington. The tablet is located on the spot where the British legation, at which the famous international agreement was signed, formerly stood. The treaty gets its name from Sir Charles Bagot, then minister from Canada, and Richard Rush, at that time acting secretary of state, who signed the treaty in 1817. This memorial was prepared by the International Kiwanis of America. Miss Margaret Maxfield, representing Columbia, and Miss Nancy Jorns, representing Canada, unveiled it. In the rear are: Hume Wrong, counselor of the Canadian legation; William Phillips, undersecretary of state for the United States; and Dr. William J. Carrington of Atlantic City, N. J., president of Kiwanis International.

West Baseball to Close

Continued from Page One

The West team will engage the league-leading Central crew tomorrow morning at Groveport.

West Jr. Baseball

West Jr.'s baseball nine finished a probable third place in the regular Jr. High baseball league, dropping but one encounter to Franklin by a 6-5 score.

Roosevelt was defeated last Monday, 6-5. Four errors combined with a hit gave Roosevelt a four-run lead in the first inning which looked like enough of a margin to win but the "men of Williams" came back with three tallies in the fourth and one in the fifth to tie up the game.

A walk, a hit batsman along with a hit and error made possible two runs on the West Jr. side of the ledger which was not to be relinquished.

Those to receive letters for services rendered to the team are: Palmer, Dawson, Distelhorst, Oakley, E. Hughes, Bradley, Abram, Carter and Bell.

OBITUARIES

Mrs. Lauretta Engel Lorz, 32, of 158 N. Chase Ave., died Monday in White Cross hospital of pneumonia. She is survived by her husband, Francis James Lorz; a 2-week-old daughter, Elaine Anne, and her parents, Mr. and Mrs. Thomas Engel. Services were held at St. Mary Magdalene church Friday morning with burial in St. Joseph's cemetery.

Funeral services for **James D. McGrail**, age 15, of 498 S. Harris Ave., who died Saturday of a sinus ailment, were held Tuesday morning from St. Aloysius church with burial in Calvary cemetery. He was a student of West Junior High and would have graduated in June. Survivors are his parents, Mr. and Mrs. John J. McGrail; two brothers, and one sister.

Westgate-Hillcrest To Battle Monday

Continued from Page One

Two Shut-outs

Behind Don Shafer's excellent hurling, Hillcrest retained its lead by beating Burgess U. B. 4 to 0 Monday night. Wilcox, C. of C., also turned in a shut-out performance, Sullivant Friends being the recipient of the white wash. The score was 5 to 0.

Hoge Memorial was hard pressed by Glenwood M. E., the battle going 13 innings before the Presbyterians turned on the heat and scored three runs to win, 8 to 5.

Westgate remained on the heels of the leaders by hammering out hits at will to beat Hilltonia U. B. 13 to 4. In the finale, Tri Mu beat St. John, 16 to 1, behind the fine hurling of Hailey. The ancient and decrepit Louie Geer, Loren Corder, Leo Phillips, Curt Wilcox, Gozie Layman, etc., just laughed and laughed, because they were old and broken, and couldn't play ball any more. Alas.

"Little Stories for Bedtime" by Thornton W. Burgess

AN ENEMY PROVES TO BE A FRIEND

The things we do and things we say,
('Tis true though hard to believe it so)
Affect the lives of other folk
More often than we ever know.

So it is that friends often hurt each other and in the same way enemies help each other without the least idea of so doing. It is a funny world. It certainly is a funny world. You think only of yourself and straightway do the greatest possible kindness or an equally great harm to some one of whom you are not thinking at all, and never know anything about it.

Danny Overheard Mrs. Hooty Tell Hooty That She Had Seen and Heard Some One Moving Down Below

Just take the case of Mrs. Hooty and Danny Meadow Mouse. Danny always thought of Mrs. Hooty, just as he did of Hooty, as one of the enemies he must always be on the watch for after dark, and Mrs. Hooty always thought of Danny Meadow Mouse simply as a good dinner if only she could catch him. The idea of doing Danny a good turn never in all her life had entered her head. Nor had the idea that she could do such a thing ever entered Danny's funny little head. Yet Mrs. Hooty did do Danny a good turn. In fact, all unknowingly she proved to be a friend.

You remember that Billy Mink had trapped Danny in a hollow log in the Green Forest. Billy couldn't get into that hollow log because the doorway was too small. So he promptly told Danny that he would keep watch until Danny starved to death inside or came out to be caught. Then Hooty the Owl and Mrs. Hooty arrived in a tree close by and Danny overheard Mrs. Hooty tell Hooty that she had seen and heard some one moving down below and that she intended to stay right there until she found out who it was.

Danny at once thought that she was watching for him. But when he had had time to think a little he remembered that he hadn't so much as poked his nose outside that hollow log since the coming of Mrs. Hooty, so of course she couldn't have seen him. Could it have been Billy Mink she had seen? Danny at once became very much interested and crept a little nearer the doorway. He wanted very much to see what was going on outside.

For some time nothing happened. Then he heard Hooty's voice way off in the distance. He crept just a wee bit closer to the doorway and peeped up in the top of the tree where he had heard Mr. and Mrs. Hooty talking. He was just in time to see a great dark shadow sweep silently down. He heard a spiteful snarl and knew then that Mrs. Hooty had tried to catch Billy Mink and had missed him. And he knew, too, that, having escaped, Billy would waste no time hanging about there, but would seek a safer place.

Danny let a little sigh of relief escape. Mrs. Hooty had frightened Billy Mink away and did not herself know that Danny was there. He was no longer trapped. She who would gladly have eaten him had proved a friend by setting him free. Didn't I say that this is a funny world?

The Cold Buffet Supper Is a Summer Favorite

It's easy and pleasant to be hospitable when you know simple and economical ways of preparing meals for your guests. One of the favorite methods of entertaining in summer time is to serve a buffet supper. Sunday evening seems to be the most popular time to serve such a meal.

Among the many advantages of a supper of this sort is that practically everything may be prepared in advance and as economically as one's purse dictates. Attractive service counts for so much in the appeal of food that a little thought expended on this part of the meal—on the selection and arrangement of the dishes and the choice of table linens and decorations will be well repaid.

Probably the basis of such a supper will be a platter of cold meats. Here the choice is wide and may include slices of chicken and tongue and roast beef if your budget is ample. If you are restricted in the amount you may spend there are substitutes, equally appetizing. Veal loaf is one, boiled ham or pot roast sliced wafer thin are others.

Arrange your meat on the platter and garnish it with radishes cut in rosettes, dill pickles cut fan-wise, water cress or slices of lemon stuck with or dusted with red pepper. If you have a very large platter you may arrange mounds of salad around the edge. A well seasoned potato salad is always a favorite and you may alternate the mounds with apple salad if you wish to give color and appeal to your platter.

The salads may easily be prepared the day before or in the morning and put away in the ice box to chill. The meat may be sliced and wrapped in oiled paper, pickles and other garnishes prepared and wrapped in oiled paper so that this part of the supper is all ready to serve.

A plate of assorted appetizers is always appealing. Slices of bread spread with caviar—if you are feeling flush. Bits of dried beef rolled around small ovals of cream cheese and fastened with tooth picks are delicious. Tiny squares of rye bread spread with smoked liver sausage and topped with Swiss cheese are piquant and appetizing.

Remove the crusts from a loaf of bread and cut in two-inch squares. Hollow out a portion of the top and fill with pimento cheese and dip the whole in melted butter. Just before serving pop into the oven to toast until the cheese is melted and the squares are browned. These are very good to serve with a cold meal.

It is a good idea to include a fruit gelatine salad in the menu—particularly if you are not serving a dessert. It gives just the proper touch of sweet without any cloying effect. This sort of salad may be served in individual molds or in one large mold garnished with the following dressing—which is delicious on any type of fruit salad.

4 egg yolks
1-3 cup sugar
3 tablespoons flour
½ teaspoon salt
½ teaspoon paprika
½ teaspoon celery salt
½ cup vinegar
½ cup pineapple juice
½ teaspoon dry mustard
4 tablespoons water
2 tablespoons butter

Instead of serving tomato aspic salad you might serve stuffed tomatoes. These may be stuffed with canned crab meat, lobster or shrimps. Or you may mix these ingredients and blend with mayonnaise, adding chopped celery if desired. Instead of the fish, cottage cheese mixed with chopped almonds and topped with mayonnaise is very good.

Eggs, hard boiled and stuffed are always enjoyed. The yolks should be creamed with butter and spices—chopped herring, anchovy paste or chopped green pepper are delicious creamed with the yolks. Slices of hard boiled egg sprinkled with lemon juice and dusted with red pepper are an attractive and appetizing garnish for salads or meats.

Individual meringues filled with ice cream or fresh fruit are an acceptable dessert to serve with a cold buffet. Frosted cup cakes, fancy cookies, pastries filled with chopped nuts and figs, sliced cake or spice drops are also suggested.

Have your china and silver all in readiness—your flowers arranged, and the assembling of the meal itself is an easy matter. The serving is simple, since everyone helps himself.

It is a good plan to serve a hot drink with this meal as it furnishes just the proper contrast to the cold dishes.

Everybody Likes Sandwiches

For a between meals snack or the nucleus of a buffet luncheon—sandwiches prove their popularity over and over. To be truly tempting they must be dainty and appetizing in appearance as well as in content. Here are some particularly delicious sandwiches.

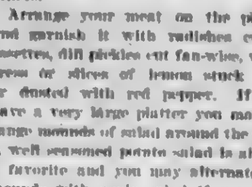
Sandwich Loaf

1 loaf picnic bread, crust removed
2 pkgs. Philadelphia cream cheese
1 small can pimentos
Anchovy paste
1 hard boiled eggs
3 tomatoes, sliced

Slice the bread the long way of the loaf in three slices. Cream the cheese with mayonnaise until it has the consistency of creamed butter. Mix enough to cover one long slice of bread with anchovy paste. Spread and press sliced hard boiled eggs over the surface. Spread another slice with plain cheese and sliced tomatoes. Press all slices together. Cover complete loaf with remaining cheese and decorate the loaf with thin slices of pimento. Chill and slice.

Ribbon Sandwiches

Cut slices of white and whole wheat bread one quarter inch thick and trim off crusts. Spread one slice of white bread with creamed butter, place a slice of whole wheat bread on it. Spread the whole wheat with creamed butter and top with another slice of white. Wrap in damp cloth and press under a weight. Cut in ½ inch slices before serving.



Housewife's Column

Chocolate Frosting

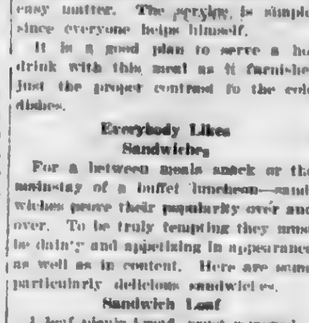
For a delicious chocolate cake frosting mix 1 square chocolate with 2 tablespoons coffee and 2 tablespoons butter. Heat slowly and stir constantly until chocolate is melted. Add ¼ teaspoon salt, ½ teaspoon vanilla and 1 cup sifted confectioner's sugar. Beat until cold.

Open Sandwiches

Hot corned beef sandwiches served on white or rye bread with sliced dill pickle are a masculine favorite. To prepare corned beef, boil slowly in sufficient water to cover, skimming the grease as it rises. Allow 20 minutes boiling to the pound.

Lemon Cream Pie

Blend together 1 and 1-3 cups sweetened condensed milk, ½ cup lemon juice and grated rind of 1 lemon. Pour into 8-inch pie plate lined with unbaked crumb crust. Cover with whipped cream sweetened with confectioner's sugar. To make unbaked crust roll enough vanilla wafers to make ¾ cup crumbs. Cover bottom of plate with crumbs and fill in spaces between with wafers.



Corn Starch Pudding

One pint sweet milk, whites of 3 eggs, 2 tablespoons corn starch, ½ cup of sugar and a little salt. Heat milk to boiling point, add sugar, then corn starch dissolved in a little milk and egg whites. If a chocolate pudding is desired add 1 square melted chocolate. Chill and serve with whipped cream.

DEAR SECRETARY

Thunder, m'lady, and other remarks pertaining to much disturbance in the ozone! Where on earth did you dig up that item that the Business Men's Ass'n. didn't advertise in that Alumni Program? They took a half page, and anyway, they're a lovely lot, and all my frans. . . . Paul O'Brien, of whom you spake last week about the class of '28, was married last Wednesmorning, a note most of the folks will enjoy, because it warn't publicized like most to-do's of such a nature. . . . Bill Boyd and Margie Marshall are both attending night school. . . . Oh yes, the Ross Westlakes are now a trio, and the lad's name is David. He arrove last Tuesday.

FLASH! FLASH!

They are about to install an air-co oling arrangement at Dr. Mathew's office at Hague & Broad, and the system will also operate in Tom Zelkoff's place. . . . Russel Bettker is back as butcher at P. J. Griffin's victual dispensary. . . . John Hipple has ambitions to be a radio singer. . . . Paul Gildersleeve who writes for a Rail-Light Co. sheet, has journalistic aspirations. . . . John Stevens was in a fight—no, a brawl—aw shucks, a tussle, tother eve. Wonder if the argument was over Gardenias. . . . Why wouldn't Mrs. Denton let Harold go out to a committee meeting tother nite? Sall right, Mrs. Denton, he ought not only to have been kept at home, but you should have made him scrub the kitchen floor. . . . Thanx, Loren Corder, for that lovely epistle about that little ball game we had. It would have been nice if we could let it go at that, but the boys are hailing me along the street, and asking the score. They know it better than I do. I lost track. But another game is coming up, and I'll not say a word about it—yet!

ADD PH. D.'s

Despite the fact that I prefaced my information with "as far as I can discover" on the West High Ph. D's last week, one lady called and accused us of catering only to our friends. . . . Then today, a lady called and gave us the name of Howard W. Johnson, '18, who is in government work at Clarion, Va. He too, is a Ph. D., and so is Daphne Alloway McVicker, '12, a writer of note. . . . So surprised, that you'd read about "my friends," so many of whom I've never met. . . . Note to Mrs. Gibson, Dorothy Gibson's mother, I think: Your letter was mailed. . . . Mary Hunter is in California by now. She departed a week ago tomorrow. Harold Park still smokes Old Golds (not an adv.) . . . Mrs. James Hill went a-fishin' with a group a bit back, bragging boastfully about being the first to catch a fish. Then, my frans, she was playing with a cat and didn't see the bobber bob and the boatman had to pull the first catch in on her pole.

Beacon Light Course Slates Blind Bogey

The second blind bogey of the season is to be held at the Beacon Light Golf Course this Saturday and Sunday. It has been announced by Al Marchi, pro at the course. The blind bogey held two weeks ago was won by four players who each received a prize. The winning score was 93 and the prizes were won by E. H. Poll, H. Hntursle, Paul Millikin, and P. O. Wagner.

The prize for the flag tournament on Decoration Day was won by Clyde Johnson with 93 strokes. The best scores handed in last week were by H. J. Bersch with an 87 and P. O Wagner with an 88.

Grocery Changes Hands

Through a deal consummated last week, E. A. Hurst became the owner of the Henery Grocery at 2569 Grace St. Mr. Hurst will have active charge of the business and with his family will move to the Hilltop in the near future.

To Play Saturday

State Hospital-Co-Op Cubs will hook up with Kay Jewelers in a Saturday Afternoon League tilt at the State Hospital diamond Saturday afternoon at 2:30 o'clock.

School To Open

The ninth annual summer school of the St John Lutheran church will open on June 23. It was announced this week by Rev Henry Koch pastor of the church.

19 Soft Ball Tilts On Tap Next Week In Local Circuits

Glenwood Tri Mu Has Leading Role In Senior Church Loop Play; Hillcrest Still On Top.

With 10 reservation ball games scheduled for the next week in three local circuits, soft ball fans of the community will be kept busy, especially with several feature conflicts to choose from.

Two teams of high standing in the senior church loop will be tested tonight at Westgate Park. Hoge Memorial will play the stubborn little Hilltonia nine on diamond No. 2, and Glenwood Tri Mu must hurdle Burgess U. B. if it remains in the gonfalon gallop.

Hillcrest-Tri Mu Monday

In what should be the best game of the season thus far, Tri Mu and Hillcrest will cross bats Monday evening at the State Hospital grounds. Never having defeated a Baptist aggregation, the Methodists are definitely in the race this year and despite the fact that they enter the game as decided underdogs, they will be a disappointed lot if victory does not smile on them.

In other games Monday, Westgate may be troubled by C. of C. on Westgate No. 1; Hilltonia and Glenwood M. E. will fight to get out of the cellar on No. 2; Burgess U. B. should have little trouble in disposing of St. John on No. 3, while Hoge Memorial, somewhat off balance of late, may meet a tartar in Sullivant Friends on No. 4.

Intermediates Tuesday

Tuesday evening, at Westgate Park, the intermediate circuit will swing

Puzzle Makes Last Appearance Today

Four Prizes Given for Last Week of "Puzzle That Pays" Contest.

Today marks the last appearance of the "Puzzle That Pays" contest that has been appearing in the Record since early spring. Each week $6.00 worth of merchandise has been given away as prizes and for a while ten theatre tickets were given away as additional prizes. Hundreds of people have handed in solutions during the course of the contest and a large variety of answers were submitted. Many solutions showed hours of work in preparation and many original ideas were expressed in pen, pencil, scissors or colored paper.

Many times the puzzle was very simple and at times it was rather difficult, but at all times it was a pleasant pastime for both young and old. Today's puzzle contains the names, addresses or telephone numbers of four of the advertisers listed below the puzzle intead of the usual three. Each letter or numeral must be used and used only once to reach the correct solution. Today's puzzle will be found on page four.

Prize Winners

The prize winners for last week's puzzle are as follows: Mrs. F. M. Fenstermaker, 31 S. Powell Ave., first prize, a merchandise order at George Martin's Service Station; Mrs. Grant E. Linn, 3871/2 Lechner Ave., second prize, a merchandise order at Todd's Drug Stores, and Lovetta McHorter, 491 Wrexham Ave., third prize, a merchandise order at the Lewis & Noon Coal Co.

Behind Howison's fine burling, Dexter Washers, local entry in the American Legion loop, won its first game last Monday, defeating Kiwanis, 5 to 3.

Following the close of school next week, the Hilltoppers will be greatly strengthened by the addition of Larkin, Mitchell, Moyer, Ditrick and Emery from the West High squad.

Children's Day

A Children's Day program will be given at the Hilltop Church of Christ Sunday evening, June 9, at 7:30, by the children of the church school.

The program will consist of recitations and songs, and music by the Sunday school orchestra. The public is invited to attend.

City Playgrounds to Be Opened June 24, Director Announces

Three Hilltop playgrounds — Westgate, Holton and Glenwood—will open their summer seasons on Monday, June 24, it was announced this week by Charles Seddon, director of the city recreation department.

Supervisors of the various parks have not been selected, but announcement will be made within the next few weeks. No indications as to the personnel of local supervisors were made this week.

Holton Improved

Holton Park, a much improved site over last year, will not be completed by June 24, but work will continue there through the summer. Retaining walls are being constructed of limestone along the banks of the creek, from the dam at the lake to the viaduct on North Eureka avenue, constructed in 1931.

More than a dozen workmen are on the project, which also includes grading and landscaping.

At Westgate Park, possibilities of further improvement of the four ball diamonds there by F. E. R. A. laborers were evident this week. A petition in council asking for the extension of Westgate avenue from Palmetto street to Wicklow road, has been turned over to F. E. R. A. authorities. It is planned to use soil from this project to resurface the playing fields.

Nothing additional will be done to Glenwood playgrounds, according to present plans. Parks will be open throughout the summer until the Saturday preceding Labor Day.

No schedule concerning the local playgrounds has been released. It is probable, however, that all three will be open five full days per week and until noon on Saturday.

Hillcrest Ooserves Day of Pentecost

Hillcrest Baptist church will observe the Day of Pentecost Sunday morning. Special services have been arranged in honor of this the birthday of the Christian church. A quartet will furnish special music for the occasion and the pastor will preach on, "The Christian Church's First Birthday." Among other features of the service will be the music by a special quartet of canary birds. They will be furnished by Mrs. Jack Worrel, 41 N. Haldy Ave. The ordinance of baptism will also be administered at the service and a group of 17 new members will be presented to the congregation.

Wednesday Is Graduation Day For Jr., Sr. Highs

500 Students to Get Diplomas From West; 3700 In City to Graduate; Sr. Class Is 25th.

With almost 4000 students in senior and junior high schools throughout the city scheduled to receive diplomas at annual graduation ceremonies Wednesday morning and afternoon at the coliseum at the state fair grounds, final classes were approaching for 6000 Hilltop school children this week.

Approximately 500 students at West Jr. and West Sr. High were to graduate, according to school officials, with the number evenly divided between the two groups.

Roland Eckard

Senior High commencement will be held at 10 o'clock Wednesday morning, with Prof. J. G. Lowery, state senator and a member of the department of education at Muskingum college, the speaker. Junior High commencement will be held at 2 o'clock the same day, with Dr. E. E. Lewis, professor of education at Ohio State university, the speaker.

In Jubilee

The Senior class, of which Roland Eckard is president, will be the twenty-fifth graduating class of West High, bringing the total number of alumni to approximately 3500. Eckard heads the committee representing the student body in the celebration of the event, which gets under way this evening at the school. The Parent-Teacher association, the Alumni association, and the faculty are cooperating in the venture.

Many West High Class Presidents Reside On Hilltop; Plans Complete for Jubilee

What has become of all of West High's graduates since the first class received their diplomas in 1911, none can tell. Scattered from coast to coast, they have gone out into the world, to be lost, almost to their alma mater, but only as far as records go.

Of the more than 3000 who have graduated during the past 25 years, 2300 have been accounted for, and with committees still working, all will be found sooner or later if the association's publicity agent reports reliably.

President's March

Space prohibits the listing of them all here, but the class presidents, from '11 to '35, have been accounted for, and from them a cross section of the rank and file of West Alumni can, perhaps, be seen.

Rev. Frank Randall, president of the first class, first Occident editor, and lead in the first class play, is pastor of the First Presbyterian church in Dennison, O. He will deliver the annual baccalaureate sermon to the 1935 graduates Sunday afternoon at the school.

Reed Stockdale, '12, is assistant professor of architecture at the University of Cincinnati. Hubert T. Kidd, '13, is the only president to have died since graduation. Herbert Deems, secretary of the First Federal Savings and Loan of Columbus, was the class vice president.

Lovell W. Rohr, '17, is a physician living at 400 Belvidere Ave. Howard Julien, '18, of 806 Bellows Ave., is ociated with the L. H. Julien Site Improvement Contractors. His successor, Halbert Angell, '18, of 1055 Sullivant Ave., is with the City National Bank and Trust Co.

Officers Named At 2nd Meeting

L. B. Keyser Is President; Expect 2000 Signers On Petitions Asking Car-line Extension.

Tuesday night, June 4, at the Hilltop School of Music, a new organization was formed by the residents living west of Hague avenue and north of Sullivant avenue. The newly formed organization, with 646 names now on the charter rolls, will be known as the Camp Chase Civc association.

Want Car-line Extension

Formed primarily for the purpose of seeking the extension of the West Broad street car line west to the city limits, the articles of organization, however, provide for the consideration of other problems confronting residents of that section and the entire Hilltop.

With petitions now in circulation in that section, Mrs. W. K. Merriman, secretary of the group, announces that over 2000 signatures will be obtained by next Monday night.

Officers Named

The following officers were elected: Leslie B. Keyser, 83 Powhattan, president; Donald F. Smith, 38 N. Huron, vice president; Mrs. W. K. Merriman, 81 Algonquin Ave., secretary; Jean W. Worrel, 41 N. Haldy Ave., assistant secretary; F. K. Dickerson, 3121 W. Broad St., director of publicity.

The following members were elected to the executive committee: Paul F. Kent, 207 S. Westmoor Ave.; Mrs. Harry Waugh, 154 Brinker Ave.; Mrs. Fred Schmidt, 3107 Ellis Pl.; F. H. Dike, 24 N. Roys Ave.

To Meet With Council

The executive committee has been empowered to complete plans for action on the car situation, and after the proper information has been obtained, a date will be set for the association to appear before council with its problem.

Plans call for regimentation of the entire community, with a thorough organization to contact all residents and secure at least 500 residents to appear in person at the council meeting and press their demands for action.

To Make Survey

In the meantime a representative will be selected by the president to meet with city council this week when they make a survey of existing conditions in the community, in order to present a true picture as it exists for car riders west of Hague avenue.

According to Council President Frank C. Karns, who conferred with the Columbus Rail-Light Co. officials late last week, the schedule presented by the company is not in agreement with that presented by the complaining residents. Council, therefore, will view the local situation this week before taking any action.

Although nothing definite has been done, there was discussion this week concerning the organization of a civic group in Valley View addition, which will seek extension of the Hague avenue bus service from Broad street north to the Big Four railroad.

Interested residents of the community point out that much can be accomplished toward the establishment of adequate transportation service on the Hilltop by the co-ordinated efforts of the Southwest League, the newly organized Camp Chase Civic association, the Hilltop Business Men's association, and an organized group of Valleyview residents.

To Investigate Circuit Leaders

According to word from Charles Seddon, director of the city recreation department late Wednesday, games won by both Hillcrest and Westgate thus far in the campaign in the local church circuit may be thrown out. The two teams are tied for the league lead with five victories each.

Charges that players on both squads have engaged in games as members of two and three other teams were being investigated more thoroughly. When asked if the information could be published, Seddon replied: "Publish it, and say we're going to investigate every team in the league. Where did they get their eligibility rules out there (Hilltop) anyway?"

According to department rules, a player may not play with more than two teams competing in recreation department leagues.

Accompanist

Orthella Harris, a 6A pupil of John Burroughs school and a music pupil of Walter L. King, played the accompaniment for the feature song, "My Mom," on the Mother's Day program, and for "Flander's Fields," on Memorial Day at John Burroughs school. Orthella has ability not only as a pianist but also as an accompanist.

Boys' Glee Club

The Sixth Grade Boys' Glee club of John Burroughs school were invited to sing for the superintendents and principals at their meeting in the administration building last Tuesday afternoon.

The chorus work of this group of 40 6A boys has been outstanding on several occasions during the semester.

One of the unique things is their singing and harmonizing part songs without either accompaniment or director. The boys are absolutely on their own power when they appear before an audience.

Their work was enthusiastically received at the principals' meeting last week and the boys were congratulated by Superintendent Collicott and Assistant Superintendent Miss Marie Gugle.

The Glee club sang on the John Burroughs P.-T. A. meeting May 14, and for the Memorial Day program at the school.

The following boys are members of the club:

Irving Beltz, John Beymer, Jerry Dalton, Joe Havranek, Clyde Huston, Miles McFarland, Dean Rector, Bruce Reece, John Rogers, Lloyd Saunders, Merrill Smith, Richard Wright, Robert Wright, Edwin Park, Alvan Maxwell, John Naddy, Billy Colflesh, Richard Jantzen, Harold Beckett, Alfred Converse, Lawrence Cash, Bob Boggs, David Wills, Harold Harper, Montee Ball, Carl O'Neal, Ray Franklin McVey, Robert Carroll, Cecil Pilant.

Robert Thomas, William Paul Leibensperger, Floyd Stoll, Roland Hosier, James Goudy, Elroy Brockmeyer, Fred White, Ulysses Jackson, Webster Junk, Anthony Polboro, Paul Bennett, Donald Leroy Matthews.

Miss Mary A. Phelan is the sixth grade music teacher.

Free Swimming Lessons

Free swimming lessons for men over 18 years of age will be available at Central Y. M. C. A. beginning June 17, tickets for which may be secured at the Central Y. The course consists of six lessons of one hour each and will be held on Monday, Wednesday and Friday from 12 to 1, 5:30 to 6:30 and 8 to 9 p. m. each day. The course ends June 28.

Fighting Fire With "Airfoam"

THIS is a scene at Feltham, England, during a demonstration of the "airfoam" apparatus which extinguishes fires in quick time with a smothering action. A mixture of 90 per cent air, 9.8 per cent water and 0.2 per cent soap produces a foam seven times lighter than water, which excludes air from the seat of combustion and can be pumped to great heights.

Princess at Polls

In Holland a person must vote when he or she has reached the age of twenty-five years, and the law reaches even into the royal family. Princess Juliana, who will succeed her mother as queen-ruler of Holland, has just reached her quarter-century milestone. For the first time in her life she cast her vote for the provincial legislature.

9th Annual P.-T.A. Outing Thursday

To Be Held At Olentangy Park Next Week, Franklin County Children Admitted Free.

The Columbus and Franklin County Council of Parent-Teacher association will hold its ninth annual picnic at Olentangy Park on Thursday, June 13. The gates will be open at 10 o'clock.

Every child in the county will be given a ticket for admittance and drawing of prizes. If any child fails to receive one, he may get it at park gate.

The program will start at 2 o'clock. Many interesting features have been planned, some of which are sport events for both girls and boys, handwriting and spelling contests, manual training exhibits for boys and a home arts exhibit for the girls. There will be prizes for all winners.

There will be a Twilight Sing under the direction of Mrs. H. D. Metcalf.

The drawing will take place at 7:30 p. m. and those holding lucky numbers will receive such gifts as a bicycle, wrist watch, roller skates and pen and pencil sets.

At 8 o'clock there will be a style show in the ballroom. The contestants in this event will model evening, sport, suit and miscellaneous type dresses which they have made. The four winners will each receive an order for a dress, and the four second choices will receive orders for personal gifts. The Dublin orchestra will play during the style show. The winner of spelling contest will receive a cash prize of two dollars, second prize one dollar and every spelling contestant who registers will receive fifty cents worth of rides in the park.

Dancing may be enjoyed in the ballroom later in the evening. A number of chaperones will be in attendance.

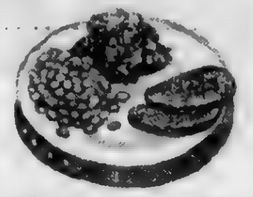
The Housewife's Column

Luncheon Omelet

Serve omelet with corned beef puffs made by mixing canned corned beef with egg and baking in greased ramekins for a substantial luncheon dish.

Cheese Puffs



Remove crusts from loaf of white bread, cut in 2 inch squares, hollow out center of each and fill with pimento cheese. Butter on all sides and toast to a golden brown.

Jellied Ham Molds With Pineapple

¼ cup cold water
1 tablespoon gelatine
2 tablespoons brown sugar
1 cup hot water or hot canned pineapple juice
¼ cup milk vinegar
½ teaspoon paprika
2 cups boiled ham chopped
½ cup canned pineapple cut in small pieces
6 slices canned pineapple

Pour cold water in a bowl and sprinkle gelatine in it. Add sugar and hot water or pineapple juice and stir until sugar and gelatine are dissolved. Add vinegar and paprika. Cool and when beginning to thicken add ham and pineapple pieces. Rinse small molds in cold water and fill with mixture. Chill. When firm unmold on slices of pineapple. Garnish with lettuce or parsley.

A quick supper or luncheon may be assembled if you keep canned baked beans, sweet pickle relish and canned brown bread on your pantry shelves.

Three-Decker Tuna Sandwich

Toast one slice white, one slice whole wheat and one slice graham bread, butter each slice. On graham slice place watercress (or chickory). Dress the cress or chickory lightly with French dressing and cover with finely sliced cucumbers. Put whole wheat slice on top of this and spread on a paste made of contents of one seven-ounce can tuna, ½ cup minced celery, 1 tsp. minced onion moistened with mayonnaise. Top with slice of white toast (buttered side down).

Almond Rolls

1 cup scalded milk
1 cup boiling water
2 tablespoons shortening
1 teaspoon salt
2 tablespoons sugar
1 cake compressed yeast, dissolved in ¼ cup lukewarm water
6 cups sifted bread flour
1 tablespoon melted butter
½ cup shredded almonds, lightly browned
½ cup raisins, cut in small pieces

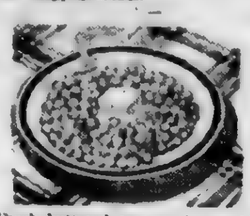
Scald milk in upper part of double boiler, add boiling water, shortening, sugar and salt. Let stand until lukewarm. Add dissolved yeast cake and five cups of sifted flour. Stir until thoroughly mixed, using a knife or mixing spoon. Add remaining flour, mix and turn on a floured board. Knead until mixture is smooth, elastic to touch, and until bubbles may be seen under surface. Put in bowl of double boiler which has been greased and place over warm water to keep temperature of dough about 82 degrees F. Cover, and let rise until double in bulk (two and a half hours). Punch dough down in the center and fold over the sides, then turn completely over and let rise again about 40 minutes, or until dough again doubles in bulk. Remove from double boiler to floured board and knead until glossy.

Roll out in an oblong sheet about one-third inch thick. Brush with melted butter and dust with brown sugar. Cover dough with shredded almonds and raisins. Roll up dough like a jelly roll and cut in slices an inch thick. Put cut side up in greased muffin pans. Let rise to twice the bulk. Keep covered while rising. Bake in moderately hot oven (375 degrees F.) for 20 minutes, or until well browned.

Bran Muffins

Cream 2 tablespoons of shortening with ½ cup of sugar, add 1 well beaten egg and 1 cup sour milk. Add 1 cup of bran and let soak till most of the mixture is taken up. Sift 1 cup flour with 2 teaspoon baking powder, ½ teaspoon soda and ½ teaspoon salt. Add to first mixture and fill greased muffin tins two-thirds full. Bake in a moderate oven 20 to 25 minutes.

Crown Roast of Pork



Fill center of roast with bread dressing, seasoned with sage to which has been added 1 cup of prune pulp. Roast. When done served garnished with stewed prunes and small boiled new potatoes.

Jellied Fruit Salad

Soak 1 level tablespoon gelatine in ¼ cup cold water for about 5 minutes and dissolve in 1 cup boiling water or fruit juice. Add 1-3 cup sugar, ¼ teaspoon salt and ¼ cup lemon juice. Cool and when mixture begins to thicken add mixed fruit—1½ cups full. Chill, unmold on lettuce and garnish with whipped cream.

Fresh buttered peas make an ideal accompaniment to lamb roast or chops.

Stuffed Lamb Chops

Use double loin lamb chops, one to a person. Brown chops in butter with onions. Use same stuffing as for turkey or chicken. Put large spoonful on top of each chop and bake in moderate oven for one hour and a quarter. When half done, add a bit of water and butter to keep from sticking to roaster. Serve on large platter and garnish with fresh mint and watercress.

Prune Waffles

2 cups flour.
4 teaspoons baking powder.
4 tablespoons sugar.
½ teaspoon salt.
2 eggs.
4 tablespoons fat.
1 cup prunes cut in pieces.
⅝ cup milk.

Sift flour, baking powder, sugar and salt together. Add beaten eggs and milk and mix well. Heat fat and add with the fruit to the mixture. Bake on a hot waffle iron. This is excellent served with butter and honey.

Tuna Hot Appetizers

1 seven-ounce can tuna
1 tbs. Worcestershire, A-1 or H. P. sauce
1 egg, slightly beaten
1 tbs. minced onion
½ cup bread crumbs
Salt and pepper

Mix thoroughly, form into little balls, roll in fine bread crumbs and fry in deep fat. Serve piping hot.

Baked Ham With Pineapple Crust

Remove the wrappings from a fine flavor ham and wash the ham with a damp cloth. Do not remove the rind. Place the whole ham in an open roasting or baking pan with the fat side up. Place in a 300 degree F. oven (very low) and bake without covering, allowing 25 minutes to the pound.

One hour before the ham is done, remove it from the oven and take off the rind which will be brittle and easily removed. Pour off most of the fat in the pan.

Over the top of the fat surface spread a mixture of 1 cup brown sugar, 1 cup well-drained grated pineapple, and ½ cup fine bread crumbs. Score the surface of the ham at regular intervals, and complete the roasting in the same low oven.

If the crust has not browned sufficiently, place the ham under the broiler flame for five or six minutes. Garnish with cooked prunes stoned and stuffed with orange sections.

QUESTION BOX
By ED WYNN . . .
The Perfect Fool

Dear Mr. Wynn:
I am a woman forty-three years of age and have never been married. A widower about my own age is madly in love with me and wants to marry me. I love him all right, but he says he is a member of twelve lodges. What I want to know is this: Is it wise to marry a man who belongs to as many as twelve lodges?
Sincerely,
MAY SOONICK.

Answer: There is no harm in it as long as you will be satisfied with him staying away from home twelve nights a week.

Dear Mr. Wynn:
What does it mean when you see a lot of letters after a doctor's name?
Sincerely,
MEDDIE SON.

Answer: That simply means he got to where he is by "degrees."

Dear Mr. Wynn:
Do you think it is really true that women make fools of men?
Yours truly,
IKE ANTBEE LEEVIT.

Answer: Some times they do, but some times it isn't necessary.

Dear Mr. Wynn:
I met a fellow the other day and have since found out that he is an awful liar and is not thought very much of in our community. I am placed in a very embarrassing position. He has asked me to lend him $50, and when I asked him when he would pay me back he said: "I will pay you back in two weeks, on the word of a gentleman." What shall I do?
Truly yours,
IONA TRUCK.

Answer: Tell him you'll lend him the money if he'll bring the gentleman around.

Columbus and makes his home with his recent bride at 49 Clarendon Ave.

Robert John, '29, lives at 1952 Summit St., and is an accountant.

Some Attend College

Eight of the last 10 class presidents, including four leaders of mid-year graduating classes, are in college. Charles Boye, '30; Jack Miles, '31; Edward Nicklaus and Norman Broadway, '32; John Hipple and John Schenz, '33; and Warren Berry, January, '34, are at Ohio State university. George Ward, '34, will be a sophomore at Denison university at Granville, O., next fall.

Joe Thompson, January, '35, is associated with the State Theatre and Roland Eckard, the president of the twenty-fifth class which will receive diplomas next week, will attend the Ohio State university in the autumn.

Jubilee Starts Tonight

Beginning this evening at 6 o'clock, when a reunion of the Otto H. Magly chapter of the National Scholastic Society will be held, the long planned 25th Jubilee will get under way. Following a tour of the building and an entertainment program in the auditorium, the latter by the junior class, a dance will be held under the sponsorship of the West High Alumni association. Bill Weigel's orchestra will furnish the music.

Tomorrow evening, at the school, only alumni are invited. The evening will be devoted to an old-fashioned assembly, a pep rally, introductions, presentations, tributes, and a retrospect. At that time, five of the original faculty will be honored. They are: Otto H. Magly, Clara E. Earnest, Margaret S. Flynn, Katherine Burns and C. Lee Leahy.

Sports In Afternoon

In the afternoon, at 1:30 o'clock, weather permitting, A. B. Cole's Alumni baseballers will tangle with Harold Wise's varsity nine in a seven-inning skirmish. Golf matches are scheduled for the late afternoon on the Broadacre layout.

A silver trophy will be awarded the winner of the alumni championship, which will be determined on a basis of medal play. The annual West High tournament will also be played Saturday afternoon, with a number of prizes being offered. The latter affair is a blind bogey tournament and all have chances at the awards.

Officers of the Silver Jubilee committee, under whose direction the program has been arranged, include: Miles V. Hoover, general chairman; Byron P. Redman (P.-T. A.), Friday night program; W. E. Ferguson (Alumni Ass'n.), Saturday night; Rose Ferguson, treasurer; and publicity, Don Craig.

into third round play. Hillcrest will meet St. John on No. 1; Glenwood and Sullivant Friends are to tangle on No. 2; Hoge and Westgate will play on No. 3, and in the finale on No. 4, C. of C. and Burgess U. B. will clash.

Begin Second Round

On Wednesday evening, the Hilltop Merchant circuit will begin its second round of play of a scheduled three-round season. Walter's Ice will meet Chittum's Garage; Claggett's Confectionery will play the Derby Club and Seiler's Dry Goods will play Hamilton Gas.

After an inactive Thursday evening, church loop play will be resumed on Friday night, with Tri Mu again in the feature role, sharing spotlight honors with Hoge Memorial at the State Hospital diamond. Other games include: C. of C. vs. Hilltonia, No. 1; Sullivant Friends vs. St. John, No. 2; Burgess U. B. vs. Westgate, No. 3; and Glenwood M. E. vs. Hillcrest, No. 4.

Westgate Catches Hillcrest

In the only game played last Friday, Westgate went into a tie with Hillcrest Baptist by defeating Sullivant Friends, 5 to 3, in a well-played game. Monday's games were washed out by a down-pour late in the afternoon, making it the fifth consecutive Monday of wet weather experienced since the opening of the season.

The games will be postponed until Friday evening, June 14. They include: Westgate vs. Hillcrest, C. of C. vs Hoge; Glenwood vs. St. John; Burgess vs. Hilltonia; and Tri Mu vs. Sullivant.

Icemen Cop Title

Walter's Icemen won the undisputed title of the first round of the Hilltop Merchant League on Wednesday evening by downing Seiller Dry Goods in the longest recreation ball game ever played on the Hilltop. The game went 16 innings before the ice totern won 4 to 2, and was replete with spectacular play, especially on the part of the losers.

In other games, Derby Club lost to Chittum's Garage 8 to 6, and Hamilton Gas dropped one to Claggett's Confectionery, 5 to 0.

Show the boss that you want to get in step with him.

OBITUARIES

Mrs. Mary Jermans, 27 Highland Ave., died late Wednesday afternoon at the residence. She is survived by three sons, William, Richard and Charles; two daughters, Miss Ruth Jermans at home, and Mrs. Nellie Elliott, and one sister, Mrs. Elizabeth Donivan. Funeral services will be held this afternoon at 2 o'clock from Glenwood Methodist church and burial will be in Green Lawn cemetery.

Another one of those dizzy Monday mornings. Looks like rain! Rain every Monday since the second one in March. That'll stop the ball game tonight—and wreck the evening. I anticipate the weekly ball games with a great quantity of the stuff anticipation is made of. And so, when it rains, it wrecks my whole evening.

So, I am not an educated man. Educated people are capable of meeting the changing circumstances of life with serene aplomb. I know that to be true because I read something to that affect in a book on education.

This is a column philosophical. A philosopher, according to the engineer, is a guy who reasons and doesn't care where he ends up. So we shall see what we shall see.

I say, rain tonight will wreck my whole evening. I have anticipated playing ball. It disturbs my mental make-up not to be able to do what I've planned, because I've planned to play ball ever since rain washed out last week's game. Therefore I've a lot of power behind my plans for tonight. All that energy is stored up, and I shall play a good game. But if it rains, all that energy will be useless, because it has been concentrated on something that can't be.

Now an educated man is capable of utilizing that energy to some other good. It will not disturb him because he can't play ball. He'll sit down and read a book, or do some other work which will contribute to his and society's welfare. But I doubt if he would have played a good game of ball. His energies weren't concentrated enough.

I say, all of my stored-up energy will be useless tonight because it has been concentrated on something that can't be. Like the process of evolution, this storing-up process is accumulative. Once accumulated, it can't be unwound and directed to another channel. Just as in biological evolution, you can't change a cow into an oak tree without going back to the beginning of things and re-arranging the molecules and genes and all those little gadgets which somehow or other, are responsible for the system we live in today, because they are accumulated in a specific order in tiger swallow-tails, salamanders, cows, oak trees and people. I say, I can't turn back any more than that cow can decide to turn into a water lily.

Now an educated man can unwind his energies and direct them where he will. A marvelous thing, this education! It has its disadvantages, however. A man dare not be too interested in anything, —like writing a book, or discovering the chemical make-up of a chicken liver, or building a faster car, or constructing a more workable mouse trap—because it might rain, and he'd be forced to shift those energies expended in planning and working and anticipating. Now he shall be completely happy in shifting those energies, because he's an educated man, and can meet the changing circumstances with consummate assurance. But we won't have a new book, or the chemical make-up of chicken livers, or a more workable mouse-trap or a faster car.

Now it seems to me that what we need is educated men. We don't need new mouse traps or new cars or new knowledge of any kind. We've enough of such stuff. Why on earth should men be working so assiduously on a cure for cancer when people are still suffering from common colds? All we have to strive for is happiness. I know that to be true because I read it in a book on philosophy. And if educated people are happy, then what we need is educated people.

But I think there should be permitted to exist a little group of people who are not so well educated. I think that any intelligent administration of society would not begrudge a bit of space to some of their more unfortunate brothers—the people who can't stand to have their dreams and hopes smashed. Understand, I don't think they'll do any good, but with the world so wide, there should be a niche somewhere for them to sit and work away at their nonsense.

The world hasn't come to the place yet where society can do away with all folks who are a burden, else one wouldn't even ask for a space for these uneducated

Summer Bible Schools to Begin Sessions Monday

Bible Study, Recreation, Handicraft to Feature Courses At Local Churches.

Opening its four-week semester next Monday morning at 8:30 o'clock, St. John Daily Vacation Bible school, Broad street near Hague avenue, will begin its eighth consecutive term. The school's enrollment will be divided into five departments: Beginners, Primary, Junior, Intermediate and Senior. Enrollment ages are from five to 14. A faculty of eight regular teachers and three assistant teachers will be in charge. Besides the superintendent, Rev. H. E. Koch, the following will serve, John Wolfe, Mesdames R. Bachman, W. Kimmel, H. Frank, and the Misses Cora and Minnie Schilling, Norma Hall, Loretta Geyer, Mary Nuetzel and Elizabeth Summers.

The primary course in all five departments will be Bible study graded to suit the age of the child. In addition handcraft work will be done in all departments. In manual arts each pupil will make something for the Good Samaritan Home for Cripples, Arthur, N. D., and something for itself. The Junior, Intermediate and Senior classes, besides Bible study will learn something of the origin and meaning of some of Christendom's favorite hymns under the tutelage of the pastor.

At the close of each Friday's session a nature study class will be conducted under John Wolfe, for the Intermediate and Senior pupils. This will be in the nature of hikes to Crystal Rock Springs, Scioto river, Greenlawn cemetery. The course will be optional. All who enroll in it will be required to make observations and record the same, then also to make a collection for a herbarium and to estimate the economic value of those plants, trees and birds studied.

There will be no enrollment fee, but a daily offering will be taken in order to train each pupil in the fine art of Christian stewardship. The sum total of this offering will be devoted to the Good Samaritan Home at Arthur, N.

Otto H. Magly, West High Principal, Watches 25th Senior Class Receive Diplomas Wednesday

"Tell the Hilltop community, its organizations and individuals who so kindly remembered me during last week's silver jubilee, that I deeply appreciate their kind expressions by way of letter and in person. I was profoundly impressed by it all."

Such were the words of Otto H. Magly when a Record reporter stopped to interview him after the jubilee finale at West High school last week.

Otto Magly's 25 years of service at West High school were climaxed last week by a gigantic celebration in his honor, and he didn't need to say so for one to know that he was deeply moved.

Letters and telegrams from all over the country, from the rock-bound shores of Maine to the sunny sands of California, and back again to Florida, were received by Mr. Magly. One letter in particular, from James Simpson, gave him, in his own words, "a big kick."

"You came to West High school and assembled a motley crew of lads, and you alone know the headaches and heart-aches given you by these youngsters," the letter read. "I do not doubt"

Otto H. Magly

—and here's where the kick came—"that every male student desired at some time or other, to 'climb your frame.' But the years of bucking up against a hard world have clarified our vision, somewhat, and we look back, glad to have been under your guidance during our high school days." Mr. Magly laughed long and heartily at that "climb your frame" phrase.

Saturday night, an old time assembly was held at the school and he gave a short talk that kept the audience of approximately 1000 alumni rolling in their seats. Bawling them out, so to speak, for loitering in the halls and not getting to classes and the like, many recalled their failings of earlier years.

An oil painting of Mr. Magly, an excellent likeness, was presented to the school by the senior class, while the alumni presented a beautiful silver scroll, mounted on polished black walnut, bearing the names of the teachers who had taught there for 25 years or more. Other names will be added.

Mr. Magly watched his 25th class receive diplomas at commencement exercises held at the coliseum Wednesday of this week. He will spend the summer at Lakeside, returning next September to begin his 26th year as principal of the school.

3000 Attend 25th Jubilee At West

D. W. Craig Named President of Alumni Association; Plaque, Picture, Trophy Presented.

Attracting a crowd of almost 3000 friends and alumni of the school during the two-day celebration, West High's 25th Jubilee was judged a huge success by those in charge following the final program Saturday night at the school.

A capacity house attended Friday's affair, which included a dance in the school gymnasium and an entertainment program in the auditorium. Saturday's program was attended by approximately 1000.

Don W. Craig, '31, defeated Ellmore A. Price, '32, for presidency of the West High Alumni association, according to results of the election released Saturday night. Other officers named include: Helen Miller Sinclair, '15, vice president; Evelyn Griffith, Jan. '35, secretary, and W. E. Ferguson, '12, treasurer.

Saturday evening, Otto H. Magly, principal of the school was presented with a silver covered-dish by the faculty. An oil painting of Mr. Magly was presented to the school by the senior class. The alumni association presented the school with a silver scroll, mounted on black walnut, on which is engraved the names of the five teachers serving on the faculty at West for a period of 25 years. Names will be added as teachers complete their 25 years of service.

Although more than 500 programs, containing a complete roster of graduates, with their addresses, were sold during the week-end, the booklets are still available and may be procured from officers of the Alumni association.

Results of Saturday's sports program may be found on page four.

New Grocery Dept. Manager

Affective last week, Arthur Steiffler, 396 S. Ogden Ave., was named manager of the grocery department of the Giant Market, operated by W. F. Gregg. C. M. Birkheimer, manager of this department since its opening over a year ago, has been made manager of the Gregg Market at 2081 N. High St.

Last Saturday Mr. Gregg opened his third store at 2500 Summit St.

C. & L. E. Hit By Council In Traction-Train Ruling

Southwest League Opens Campaign for Track Removal; Camp Chase Civic Ass'n Continues Efforts for West Broad Car Extension.

City Council struck again at the Cincinnati and Lake Erie Traction Co. at its meeting of Monday night, and at the behest of a strong representation of the Southwest League, passed an ordinancy limiting trailers to one on city streets.

Traction trains numbering five cars are frequent, especially on the C. & L. E. line. The action was the first move of the League since the installation of trolley buses to eliminate the car tracks on Sullivant avenue. Leaders in the organization argue that the taking away of freight revenue from the traction company will ultimately remove the service, inasmuch as passenger service alone will not be a paying proposition.

1214 Signers

Meanwhile, members of the recently organized Camp Chase Civic Ass'n have circulated 15 petitions in the community, asking for extension of the West Broad street car line, and by the end of this week will have called upon every resident in that section. The committee states its survey shows a total of 907 dwellings west of Hague with a possible total of 1800 to 2000 signatures from the estimated population of 3600 adults and children in that section. To date Mrs. W. E. Merriman, secretary, reports 1214 signatures have been secured, and that a follow-up crew will call back at those addresses where signatures were not obtained due to absence of occupants.

Other Projects

Various other projects are being called to the attention of committee members, and these will be given consideration very shortly. These matters include proper care of Westgate Park, elimination of the mosquito breeding grounds there, erection of bleachers and adequate ball diamonds, and postal service for residents on Demorest avenue.

The committee points out that with every resident taking an active interest in the association, many matters can be considered which will improve that community west of Hague avenue.

Will Cooperate

At the Hilltop Business Men's association meeting on Tuesday a resolution was adopted stating that the organization was "ready and willing at all times to cooperate with any group interested in the betterment of the Hilltop, and in improved transportation facilities here."

The business men also voted to ask council to alternate the green with the red on traffic signals west of Hague.

Chairman C. J. Kohn of the Safety committe read a letter from the Public Utilities Commission of Ohio which stated that that group would do all in its power to have warning signals erected on Eureka avenue at the railroad crossings. A traffic survey shows that more than 900 cars pass over these dangerous crossings daily.

Betty Brinson, 6A Pupil At West Broad, Is City's Writing Champion

Betty Brinson, 195 N. Burgess Ave., a student in the 6A grade at West Broad Street school, is the best writer of her age in the city, according to the results of a contest sponsored a fortnight ago which were announced on Tuesday of this week.

Miss Brinson was presented with a gift at a meeting of principals Tuesday afternoon.

The contest has been sponsored for the past 12 years, with the exception of last year, and on every occasion with one exception, West Broad students have been among the prize winners and that time, local contestants received honorable mention.

Sixth grade pupils from all the schools of the city, on a basis of one for every 30 enrolled, compete annually for the prize. Other representatives at West Broad this year included Betty Pickering, Gene Porter, Norma Corn and Dick Anthony.

Writing at West Broad school is just one of the other important things that are taught besides geography, history and arithmetic. Miss Blanche Hicks and Miss Olive Hicks are the instructors, the former having the 6B grade and the latter in charge of the 6A's, in which Betty is registered this year. She will enroll at West Jr. High in the fall.

The subject has the students enthusiastic and the two teachers have aroused an interest in the art which reaches white hot pitch at times.

Seventh High School Graduate In Local Pioneer Family Gets Diploma

Five children graduates of West High school, two from Central High, and four more en route to their diplomas from West High, is the box score for Mr. and Mrs. W. H. Mann, 244 S. Wheatland Ave., pioneer residents of the community and outstanding in activities in negro circles in the community proper and the city.

Wednesday of the past week, Hersiana received her diploma from West High and on the same day, Ruth Geraldine graduated from West Jr. High. Paul is attending school at Highland Elementary and Lily is at West Jr.

Bunky Mann, famed for his baseball ability, was the first to graduate from high school in 1925. He is now head of the bell boys at the Neil House. Best remembered for his baseball ability, he would now be in the big leagues, competent critics say, were it not for his race.

Katherine, Harry and Freda followed Bunk up the steps and past the flag-draped stand where diplomas are handed out. Meanwhile, Dorothy and Jesse were receiving their graduation certificates from Central.

Mrs. Mann told the Record reporter about it all, and take it from the writer, Otto H. Magly and H. H. Reighley have no more ardent booster than the little colored lady down on Wheatland avenue, mother of 12 children, ardent church worker, and writer for the Columbus Colored Advocate. Mr. Mann is a barber with his place of business located on Mt. Vernon avenue.

The Manns have been Hilltop residents for 27 years, all of their children being born here with the exception of Bunk who was three when the family arrived in the community as pioneers from Cincinnati.

Bunky got his baseball playing ability from his father, Mrs. Mann said, for the elder Mann was a star performer in younger days in Cincinnati.

And is Mrs. Mann proud of the record her children have made! Just ask her. But on the other hand, she's been mother and advisor to many of her race in the community and she told us Tuesday of a dozen other lads and lassies who have made good in their particular work, to come back and tell her about it. She's supremely happy, Mrs. Mann is, because of it all. Just listen to her talk, in that quaint, friendly, modest, yet proud fashion of the colored folk, and you'll know it, and know it thoroughly.

Puzzle Answers Range From Cartoons and Photographs to Eggs and Flowers; Solutions Show Much Hard Work

The "Puzzle That Pays" contest is over now. Since early spring it has been appearing in the Record each week and has proven popular right up to the last, judging from the variety of answers submitted. Because there were only three prizes offered each week and so many good solutions sent in it was quite a task to pick out three that surpassed in neatness and originality. At times there were some solutions that would have been considered as prize winners if they had been the correct answers.

It was quite apparent that many spent considerable time in preparing their solutions. There were quite a few clever cartoons handed in depicting the answers in a tricky way that showed originality. A few were printed on cardboard with pen and pencil and were so neat they resembled engravings.

Photographs Taken

Many persons turned to the scissors and colored paper and cloth to manufacture a large variety of booklets, and figures of dolls and animals. One of the best solutions submitted consisted of the photograph of each of the three business houses mentioned in the puzzle that week and each of the photographs were framed. Around Easter time many of the participants in working the puzzle used Easter as a theme and the result was paper rabbits, eggs and chickens, all colored and in various forms, even to the extent of a basket of real Easter eggs.

Poetry and rhyme was not forgotten. All types of poems were sent in including everything from the sublime to the ridiculous with many having art to help explain the disguised thought. For those who were not talented with the pen and pencil the scissors and magazine pictures came in handy. Many of the answers in the puzzle were portrayed with the use of these pictures with the result that the solutions were more of a puzzle to the judges than the original puzzle was to the contestant.

Cellophane Used

A modernistic trend was brought in by the use of cellophane to cover the art work or the object used in portraying the answer. Flowers were not forgotten by any means. Even if they were artificial and in some cases not made by the contestant they served the purpose in many ways and made a good showing.

It is impossible to go into detail on the variety and originality of many hundred solutions but it can be said that the results of the solutions exceeded the expectations of the judges when the contest started, and in view of the interest taken in this contest other contests may be offered in the future.

Prize Winners

The winners in the "Puzzle That Pays" contest last week are as follows: Mrs. Carrie Shade, 615 S. Hague Ave., first prize, a merchandise order at Daugherty's Shade Shoppe; Miss Ruth Craig, 2404 Sullivant Ave., second prize, a merchandise order at the Rivoli Theatre; Mrs. Essie Ept, 160 Nashoba Ave., third prize, a merchandise order at Capretta's Food Market; and Elizabeth Kilbourne, 341 S. Richardson Ave., fourth prize, a merchandise order at Melvin's Hardware Store.

When Looking for the Best . . . the Best to Be Had Is None Too Good.
This holds true in Grave VAULTS (where there is no opportunity for replacement) as well as in any other product—especially when you find that the cost is no greater—that knowledge of what is needed and knowing how to fill that need will permit the manufacture of a grave vault at practically the same cost as other types.
We recommend the LANDON Combination Grave Vault—a vault in which the dangers encountered in other types have been eliminated and which may be bought with the assurance that you are getting what you want—safe protection.

DOUBLE HEADERS ON TAP MONDAY

Bitter Struggle Looms In Hilltop Merchant Loop

Walter's Icemen, First Round Champs, Being Hard Pressed By Seilers, Hamiltons.

With the opening of second round play in the Hilltop Merchant League on Wednesday evening, prospects for a fast and furious campaign for the title appeared excellent.

Walter's Icemen, winners of the first round gonfalon, will be hard pressed by two excellent aggregations in Hamilton's Gassers and Seiller's Dry Goods. The latter squad sent the champs 16 innings before succumbing just one week ago.

Next Wednesday's game will include a skirmish between the same nines and a good crowd will probably be on hand for the battle. It will be played on Westgate No. 3. Other games next Wednesday bring together Chittum's Garage and Derby Club on No. 2 and Claggett's and Hamilton's on No. 1.

In games played Wednesday, Walter's Ice won a 9 to 0 forfeit from Chittum's Garage, Hamilton Gas defeated Seiller Dry Goods, 13 to 0, and Derby Club dropped one to Claggett's, 8 to 2.

On Friday each week they will have an outing at which time they will get acquainted with different things of interest in Columbus as well as the parks. The regular sessions will include games, handwork, music and Bible stories as well as other character building stories. The school is under the direction of the pastor and will be assisted by eight very capable Sunday school workers.

Glenwood M. E.

The Glenwood Vacation Church school will open on June 21 at 2:00 p. m. with registration day to be followed with a picnic.

The regular work of the school will begin on June 24 at 9:00 a. m. Plans are being made for a much larger and better school than before. Reaching a part of the unchurched children of the Hilltop will be a part of the aim of this school this year. For any information regarding the school, all are asked to call the church office. The staff of workers will be under the supervision of Miss Margaret Huffman.

LOOKOUT

Continued from Page One

but hard-working chaps. But I do think they should be permitted to exist unmolested.

I know what will happen. We'll have thrust upon us every once in a while some crazy guy like Einstein, or Galileo, or Newton, or Linnaeus, or some of their ilk. But even then, I think, we should tarry with them. Maybe, some sweet day, some of their discoveries which now seem as dizzy as this morning's weather, may be put to some use by our more educated brethren. Some day, when the changing circumstances of life force the issue, maybe some educated chap will come along and commercialize the knowledge produced by some hard-working slave of the laboratory—yes, the day might even come before the guinea pig blood is dry upon the laborer's fingers.

So, even if it is impractical, I'd like a place for these folks—a place where they can cut, and inoculate, and experiment with, little creatures to their heart's content. It can't do any good,—but then it might.

Rare Black Rose To Bloom Soon In Localite's Garden

Roses, full blown and dazzling in their beauty—thousands of them, are now at their height at Dell Howard's garden at Harris avenue and Grace street.

Paul's Scarlet, American Beauty red rose, American Beauty white rose, the Herbert Hoover, Calvin Coolidge, and in the words of the Captain, a "bunch with foreign names I can't pronounce and don't think anybody else can," produce an affect not equalled by any other garden array in the community.

Yellow, white, red, pink, orange, and intermediate shades, are now in bloom, and are being admired daily by great numbers of folks who pass that way.

Within the next week or so, a black rose, developed in Germany and just brought to this country last year, will be in bloom. Likewise, an array of the latest developments in other colors, purchased last year at the World's Fair, are in bloom or soon will be.

In spite of the fact that he'll graciously clip a bouquet for admirers, the Captain is having trouble with those who insist on going by and tearing the blossoms from the bushes. A girl came past the other day and ripped one off, not seeing Mr. Howard in the garden.

"Do you learn that over at high school?" he queried. She didn't answer. "I say," the Captain shouted, "do you learn that at high school?"

"No," she meekly answered. "Wal," welled the gardner, "I was gonna say if you did, you'd oughta graduate this spring."

Standings Revised By Eligibility Rulings; Investigation Continues

League Leading Tri Mu Squad Meets Sullivant Avenue Tonight; Friends, Burgess U. B. and Hoge Hot On Trail of Leaders.

With one game slated for tonight and eight more Monday evening in the Hilltop Church League, first round activities, furiously jumbled by eligibility rulings by the Recreation Department, is fast drawing to a close, with the Glenwood Tri Mu aggregation leading the pack and bidding to continue to do so.

One Game Tonight

The Tri Mus will hook up with the fast coming Sullivant Friends team tonight on State Hospital No. 2, and their victory string may be stopped.

Double Headers Monday

Monday evening the fur will surely fly. Hilltonia and Church of Christ will meet on Westgate No. 1 in a game of little importance as far as the standings go. Sullivant will attempt to remain in the race by beating St. John on No. 2; Burgess U. B., likewise, will attempt to keep within striking distance of the leaders by defeating Westgate on No. 3. On No. 4, Hillcrest and Glenwood M. E. will tangle. The feature attraction will be played at the State Hospital, where Hoge and Tri Mu will battle it out, the winner, unless another eligibility ruling is forthcoming, being the probable winner of the first round title.

St. John and C. of C. will meet on No. 1 diamond in the second game for both teams. Glenwood M. E. and Westgate will cross bats on No. 2, and Burgess and Sullivant will clash in a most important melee on No. 3.

Expressing himself as thoroughly disgusted with the situation in the Hilltop Church League in regards to eligibility, and taking drastic steps to do something about it, Charles Seddon, director of recreation, brought about a sensational revision in the circuit standings late last week, dropping the co-leaders, Westgate and Hillcrest, to the foot of the ladder, and moving Hoge Memorial and Glenwood Tri Mu to the top.

Five games won by each team were declared forfeited because of the use of ineligible players. Both squads had members playing on three recreation ball nines. Two, according to recreation department rules, is the limit.

Monday evening, at Westgate, St. John and Burgess U. B. played a 4 to 4 tie in seven innings, the game being called at that time to enable the two teams to meet other opponents in the second part of scheduled double headers. The warfare will be renewed at the close of the round.

In the second game, St. John edged Glenwood M. E. 2 to 1 when Dick Raesman stole second and third in the final frame and ambled homeward on an infield out.

In their initial encounter, the Methodists broke into the win column by defeating Hilltonia U. B., 6 to 4. Watts was the leading slugger for the winners.

Hoge Loses

After disposing of Hilltop C. of C. in their first game Monday, Hoge Memorial Presbyterians took a 5 to 4 beating at the hands of Sullivant Friends. Meanwhile, Tri Mu edged Hillcrest 4 to 3 and took the loop lead. Halley decisioned Shafer in a sterling mound duel. All runs were tallied in the initial frame.

In another 4 to 3 decision, Westgate gave Church of Christ its second loss of the evening. In the finale, Burgess U. B. beat Hilltonia, 7 to 4.

The official standings are as follows:

Team	W.	L.	T.	R.	O.R.	Pct.
Glen. Tri Mu.	6	0	0	45	15	1.000
Hoge Memorial	5	1	0	52	17	.833

Hilltop C. of C.	3	4	0	38	39	.471
Hilltonia U. B.	2	4	0	32	25	.333
Westgate Evan.	1	5	0	4	48	.167

WATCH THE BUTT

The current effort being made to educate the public in the importance and technique of building and disposing of camp fires will strike a sympathetic note among many citizens. It is a good work.

The automobile has transformed many a city-dweller into a camper. Governments, realizing this, have built roads that tap scenic wonderlands and virgin forests. Forest services have cleared trails for the hikers. Today, as at no time before, the natural resources for recreation are open to the people's use. And abuse.

The boy in a well-organized camp is not the chief offender. He is taught how to build and care for fires. Enemy No. 1 of the forests is the thoughtless adult who leaves his camp fire smoldering, ready to be spread by a gust of wind, or carelessly flips a cigarette or cigar butt aside.—Greenfield Times.

QUESTING YOUTH'S NEEDS

Fundamentally, the youth of today are just as idealistic, just as courageous, just as loyal as they ever were. What they need, though they are not always aware of that fact, is wise leadership, and one of the main causes of their unrest is that upon looking around the world they do not find enough of that type of leadership. If we of the older generation are wise, we will not waste time in deploring youth's spirit of adventure and change; we will sympathize with it, cooperate with it, and seek to guide it.—Walter D. Head.

Orange Walnut Cheese Salad

This salad combines grapefruit or orange slices and segments with novel and flavorful walnut cheese landscape:

Peel 5 or 6 oranges, removing skin and inner membrane down to juicy meat. Cut one orange in slices. Cut out segments free from membrane for remaining oranges. On lettuce-covered salad plate center a large slice of orange. Arrange 3 groups of orange segments (three segments to a group) around this orange slice.

Moisten cheese with a little orange juice, shape into balls and press walnut halves into two sides. Place one of these walnut cheese balls between each group of orange segments. Garnish orange slices with strips of pimento. Serve with any desired dressing.

Boston Supper Barebit

Melt 1 tablespoon butter, add 1½ cups grated cheese and cook very slowly until melted. Add few grains of cayenne, ½ teaspoon salt and ½ teaspoon mustard. Beat 1 egg, add ¼ cup cream and add very slowly to the cheese mixture, cooking until smooth and stirring constantly. Pour at once over contents of 2 cans of oven-baked beans that have been heated.

The potatoes for baking can be covered with boiling water and allowed to stand until the oven is hot and the planked meat is ready for baking. Then remove potatoes from the hot water and bake. Large potatoes which have been prebaked in boiling water will bake in 40-50 minutes.

Planked Round Steak With Tomatoes

1 tbsp. fat
1 tbsp. chopped onion
2 eggs (beaten slightly)
1 cup milk
2 tsps. salt
⅛ tsp. pepper
1 tsp. Worcestershire sauce
¼ cup chopped parsley
1½ lbs. round steak (ground)
½ lb. pork (ground)
2 cups crushed corn flakes
2 slices bacon
4 or 5 tomatoes

Saute onion in fat. Beat eggs and add remainder of ingredients. Mix thoroughly. Form a flat loaf on a plank, shallow baking pan or platter. Place strips of bacon across top. Bake in a moderate oven (425 degrees F.) about 40-50 minutes.

Cut large firm tomatoes in half. Season with salt, pepper and a little sugar if desired. After meat has been in oven about 20 minutes, place the tomatoes around the meat and bake for another 20 or 25 minutes.

The bran muffins should be ready to slip in the oven when the meat with tomatoes is returned for the final baking of 20 to 25 minutes.

Pears Au Gratin

8 canned or stewed pear halves (sweetened)
Corn flake crumbs
Butter

Drain the fruit, saving the juice. Roll fruit in crumbs. Place in buttered baking dish, cut side up. Dot with butter. Bake in moderate oven until crumbs are brown. Serve with warm sauce. Yield: Four servings.

Ginger Sauce

2 tablespoons butter
2 tablespoons flour
1 cup syrup drained from fruit (add water if need to make 1 cup)
3 tablespoons chopped preserve ginger with ginger syrup

Melt butter, add flour, and mix well. Add syrup gradually, stirring constantly. Bring to boiling point and cook 2 or 3 minutes until flour thickens syrup. Add preserved ginger and syrup. Serve hot with Pears au Gratin.

Spinach Soup

Combine 2 cups finely cooked spinach, liquor from cooked spinach plus water to make 2 cups, 3 cups irradiated evaporated milk and 2 tablespoons butter. Heat over boiling water. Season to taste with salt and pepper.

Tomato Fritters

Beat 1 egg slightly, add 2 cups canned tomatoes and 1 1-3 cups crushed cracker crumbs. Season with salt and pepper. Let stand for 10 minutes. Drop from spoon into plenty of hot fat in skillet. Brown on one side, turn and brown on the other side. Drain and brown paper.

Lace Cookies

One-fourth cup apple butter, 1-3 cup molasses, ⅓ cup butter, 2-3 cup sifted light brown sugar, 1¼ cups sifted pastry flour, ½ teaspoon ginger and ½ teaspoon salt.

Combine apple butter, molasses, butter and sugar and boil for one minute. Cool until lukewarm, then add the dry ingredients which have been sifted together twice. Beat until smooth. Chill about an hour, or until stiff enough, drop from small teaspoon onto a lightly greased cookie sheet, three inches apart. Bake in a moderately slow oven for seven minutes.

The cookies will spread until they are very thin and will be soft and flimsy until cooled, when they are quite crisp. Remove at once onto waxed paper to cool.

Planked Ground Beef

Two pounds ground beef, 1 medium sized onion, grated, 2 beaten eggs, ½ cup milk, mashed potatoes, cooked carrots, cooked peas, 4 slices bacon, salt and pepper. Season ground meat with salt and pepper and grated onion. Blend together with beaten egg and moisten with milk. Bread or cracker crumbs may be added if desired. Form the mixture into a thick steak and cook for 15 minutes in a hot frying pan, turning once so that both sides of the steak are nicely browned. Place this steak on the center of a plank or fireproof platter. Surround with mashed potatoes, piped through a pastry tube, cooked carrots cut lengthwise, and drained peas. Lay slices of bacon over the steak and place under a broiler flame long enough to brown the potatoes and cook the bacon.

Cross Brothers To Be In Charge Of Tent Meetings

The two Friends churches of the Hilltop, Highland Avenue church and Sullivant Avenue church, will hold a tent meeting at the corner of Sullivant avenue and Hilltonia avenue, early in July. The meeting will begin with an all-day meeting on July 4, and continue for two and a half weeks.

The evangelists engaged to hold this series of revival services are the Cross brothers, known as the Ambassadors Male Quartet. Rev. Hupley Cross will be the preacher, assisted by his three brothers as singers. This same evangelistic group held revival meetings in the Highland Avenue Friends church last November.

Government Employes

There are a total of about 700,000 persons on the payroll of the United States Government at the present time. The department employing the largest single part of this number is the Post Office department, which in the fall of 1934 reported 303,208 workers throughout the country employed with the various phases of the work of handling the country's mails. The reports on the executive branches of the Army and the Navy at the same time showed them to be next, with 61,484 employes in the former and 55,845 in the latter. Following these comes the Treasury department, on whose rolls are 51,470 workers, reports The United States News.

CARD OF THANKS
We wish to thank our many friends and neighbors for their beautiful floral offerings and kindnesses and sympathy shown us during the sickness and death of our father, W. E. Cromer. Especially do we thank Mrs. J. E. Hite and Mr. Fred Eppert.
Mr. and Mrs. R. E. Cromer.

A prim maiden lady who had spent all her years in the Bostonian atmosphere went to see some relatives who lived in a nearby state. Shortly after the train pulled out of the station she noticed a slab of granite beside the track which read, "1-m from Boston."
The lady, thinking it was a tombstone that read, "I'm from Boston," added to herself, "How very simple and yet how sufficient!"

The biggest news stories of last year were: the arrest of Hauptmann, assassination of King Alexander and Barthou, Hitler's "blood purge," extradition and trial of Insull, Morro Castle fire, killing of Dillinger, assassination of Dollfoss, San Francisco's general strike.

WIND AND RAIN

Nothing so spectacular as the approach of a sweeping rain-storm over wide, green fields. Gusts of wind, alternately spasmodic and gentle, flutter the limpid sheets of rain, dimming the rugged contours of the hills that stretch away in the background.

Momentarily we watch from sunlit vantage point, and of a sudden are enveloped in the splashing, wind-driven, fusillade of rain drops. These fleeting, evanescent moments, when the storm is still new and robust, provide the ideal time for striking out afoot, across the fields.

It doesn't matter that our enthusiasm succumbs as quickly as the winds subside. Those few brief moments, facing the wind and feeling the slap of rain on the cheek, are productive of a lusty tonic not elsewhere acquired.

SOME WALKERS

Walking is fast becoming a lost art, I suppose. But there are those who use the pedal extremeties for something besides a weight for the accelerator. I would recognize Loren Blum's stride anywhere. Rev. Henry Koch and Rev. H. C. Hutchison walk so furiously fast—as though guilty of wasting a few moments—that I unconsciously nurse a desire to push them along.

Next to Cliff Kohn's, Llewelyn Truman's stroll is the most leisurely, but A. W. Elliott walks so easily it seems he could go on for a week. Tag Draper and I marched off 47 miles in 13 hours one summer's day, but we had to long distance Doc Lose to come and haul us home.

Bill Craft, I think, was the finest hiker I ever knew. Nothing tired him. Fat Harper in the rough country, is nimblest of the heftier ramblers. I have never seen a female worthy of the title "hiker."

GOLF THE SAVIOR

This golf sport, one is apt to believe, may be the savior of the walking game. Lu Rausch and Ed Johnson have purchased a sack of bats and play every Sunday morning. One takes a lusty wallop, and then walks. And then another goodly crack, and walk some more. Then pink and putt and piddle about until the pellet is nestled in a small cup.

I remember my first time on a golf course. Succeeding attempts have been no different, but to tell about the first one sounds better. All I knew was that you were to keep the eye on the ball and swing easily and gracefully, holding the bat firmly but not too tightly. I did everything and was on the green in two. They gave me the putter, and deftly did I crack the ball, but a bit hard perhaps, for it rolled over a little bank into a sand pile.

After consultation with my experienced elders, it was decided that I use the spoon-like instrument to get the ball back on the green. After that recovery was over, I was 100 yards from the green, but in good position. My first hole score was 11—grand total 135.

THE GULLIBLE PUBLIC

Billy Moss and Frances Cruise, at the senior party tother night, passed C. L. Leahy who had a huge bouquet of flowers. "How 'bout some flowers?" chirped Billy, with no mind of getting them. But C. Lee was trying to pass them on and did, a huge armful of them.

Wandering over the building then, the two looked for a place to keep them. And, so conspicuous were they, that folks began to wonder what the flowers were for. "Why," said Billy, weary of trudging about, "we were awarded these for being the best dressed couple here!" So the story got around, and admiring eyes followed them all evening,—the rascals.

BAREFOOT BOY

But back to walking. It was after the party, and that same best-dressed couple was seen making the homeward jaunt via foot Billy with Frances on one arm and his shoes and stockings in the other. "Ah, that thou couldst know the joy, ere it passes, barefoot boy."

Fireman, Hurt In Westgate Temple Fire, Recovering

Arthur Brintlinger, Hurt In Fall Down Steps, Improving At Mt. Carmel Hospital.

Plans for reconstruction of the interior of the fire-ridden West Gate Temple, West Broad at Binns boulevard, were being prepared this week, after a huge blaze early last Friday morning caused widespread damage to the inside of the building.

The fire was believed to have been caused by defective wiring, and was well under way before firemen arrived at the scene shortly after 5 o'clock. A second alarm was turned in immediately.

Two firemen were injured, one seriously, at the blaze. Lieut. James B. Logan, 107 S. Ogden Ave., was overcome by smoke and was taken to his home. Fireman Arthur Brintlinger sustained severe cuts and bruises and a fractured shoulder when he slipped and fell down a stairway. He was reported as improving by Mt. Carmel attaches Tuesday of this week. He lives at 2983 Fremont Ave.

Loss Is Heavy

The entire interior of the Temple was damaged, from the basement to the attic, with greatest destruction in the northwest corner of the structure. The entire interior must be rebuilt, according to Trustee John Rings, and replastered and redecorated.

A meeting of the lodge is scheduled for Monday evening at which time plans which have been developing for the past week will be discussed. Nothing along the line of reconstruction has been started as yet.

Loss from effects of fire, smoke and water will approach $10,000, according to Mr. Rings.

What's So Rare As A Rare June Day?

Scuttling clouds of November skies, March winds blowing, April showers showering; cool September mornings chilling; in fact, everything this June but one of those rare days the poet talks about.

It is altogether fitting and proper, therefore, and righteous altogether, that the longest day of the year be held in June. Perhaps, sometime today, we'll get a smidgen of weather when "heaven tries earth if it be in tune," and the butter cup can catch some sun in its chalice or some leaf or blade can dry off sufficiently to become some happy creature's palace.

It's been everything but January in June, and alas, we're thankful for that little favor from the weather gods.

Today's the longest day of the year, the sun, according to astronomers, having got off to an early start this morning, despite cloudy weather and threats of rain, and figgered to put in a full day hauling sunlight across the sky.

Meanwhile, folks below continued to gripe and moan about the weather. Last year was dry and this year is wet, and everybody is singing the same tune, with slightly re-arranged words.

Sewer Work Progresses, Paving Contract Not Yet Let; Southwest League Awaits Court Decision on C. & L. E.

Sewer projects on the Hilltop are progressing rapidly and according to government officials, efficient work is being done. Nick Cenci is the contractor for the local work.

Excavations in Broad street are rapidly nearing completion, with work centering at the present time on Steele avenue. The line will run into the Broadview addition.

West Broad Pavement

No contract has been let, as yet, for the West Broad street paving, although officials of the city engineering department indicated last week that some announcement should be forthcoming soon from the State Highway department, in charge of letting the contracts.

Meanwhile members of the Southwest League waited impatiently for the court case concerning the Cincinnati and Lake Erie company vs. the City of Columbus. The traction company's franchise, which expired over a year ago, has not been renewed by city council and the latter body has ordered the company's cars off city streets. They have continued operations, however, pending trial of the case. A similar case was won by the company in Springfield.

May Aid Extension

Should the city win its case against the C. & L. E., local residents may get the West Broad car line extension from Hague avenue west to the city limits, Councilman Wyatt Milliken said Wednesday.

Just how soon the case will come to trial is no known. "It may be soon or it may be a long time away," Milliken said.

MESSAGE TO SCOUTS FROM DONAHEY

My Dear Scouts:

As your Senator in Congress, I am happy to extend my greetings and welcome to those of you who will be here to take part in the National Jamboree next August. I know that you are going to have the time of your lives and I hope it will be possible for me to be present so as to meet you personally, and as many of the other 30,000 Scouts whom our President invited, as possible.

You will visit places that you have read about but, perhaps, never hoped to see—the White House, the home of the President; the National Capitol where are centered all government activities; the Washington monument, the tallest masonry structure in the world—and think of the view from its top; the tomb of the Unknown Soldier; the Bureau of Engraving where they print millions of stamps a day and Government bonds; the United States Mint where they make our money; the Smithsonian Institute, showing Colonel Lindbergh's famous plane "The Spirit of St. Louis;" Mt. Vernon, the home of George Washington, and a trip to the National Zoological Park where every sort of animal you have seen in your natural history books — almost, is housed.

There is a thought here for you fellows who are not Scouts. You see the wonderful chances that Scouts do have because everybody knows that this organization does help boys to learn worthwhile things and develop into the kind of men we can be proud of. How about going around to the troop that is nearest to your home and finding out how you can be a Scout, or look in the telephone directory for the office of your Local Council and get in touch with them.

And so, boys of my own State of Ohio, everyone of you ought to make every effort to become a member of the Boy Scouts. And every boy who is now a Boy Scout and can measure up to the requirements should make every effort to attend this great Jamboree. Nor is there a parent of a Boy Scout anywhere but who should urge their son to exert every effort to qualify to be one of his troop to attend if there is any possibility of his earning or securing the funds.

And if Congress is in session when you come to Washington and I am here at that time, it will be my greatest pleasure, as well as what I shall feel my real duty to do all I can to help make your visit here the time of your lives.

Respectfully,
Vic Donahey, U. S. Senator.

Icemen, Gassers Win In Merchant League

Walter's Ice nine defeated Seiller Dry Goods, 1-0, and Hamilton Gas beat Claggett's Confectionery, 7 to 0, in games played in the Hilltop Merchant circuit Wednesday evening.

The feature attraction of the season is scheduled for Wednesday when the co-leaders, Hamilton and Walters, meet on Westgate No. 2. Seiller's will meet Derby Club in the other game, while Claggett's draw a bye.

In games scheduled for the next week, the Icemen hook up with Claggett's and should win while Hamilton's play the Derby Club, and likewise, should chalk up a victory.

LOCAL SPORT BREVITIES

According to Al Marchi at Beacon Light, par hasn't been equalled over the layout in several years.

Intermediate Church League standings are still in a muddle because weekly scores are not reported. Sponsors are requested to call Wolfe at the Record or Thornton at the Recreation department.

Two all-church league teams will again be named this year, with players and managers selected by ballot. The squads will meet in a post-season game, as was the case last year.

R. Wolfe turned in the best relief effort on the mound this year, limiting Sullivant Friends to a single blow in six innings.

Dave Ballard is playing with a paint firm in Wooster, where he is working this summer.

The Tri Mu Crutchmen will really be as such, soon. Wilcox hurt his knee in Monday's fracas with Hoge, and Elliott wrenched a leg in the same game. Both will be out a week or more.

The Hilltop Record will furnish the championship trophy to the 1935 church league title winners.

Linen Suits, $2.95.—Seiller's.

Monday's Games to End First Round

Hoge, Tri Mu Share Top Position; Three Games Scheduled Tonight

Poor Base Running Causes Downfall of Crutchmen As Hoge Takes 4-3 Decision Monday Night.

Bunching their blows in a single inning to tally all their runs, Hoge Memorial's battling Presbyterians turned back the vaunted Tri Mu Crutchmen Monday evening to go into a tie with the latter aggregation for first place as the first round race neared its close in the Hilltop Church League.

The final score was four to three, and but for poor base-running on the part of the losers, the decision might have been reversed.

Games Tonight

Both teams have two games remaining. Hoge meeting Hilltonia U. B. on Westgate No. 1 tonight and tangling with Hillcrest Monday. Tri Mus cross bats with Burgess U. B. tonight and close the round against Hilltonia Monday. In the final game tonight, Hillcrest and Westgate will do battle on Westgate No. 3.

The latter game may be of more significance than the present standings indicate, inasmuch as the Westgate forfeitures, five in number, may be returned after a meeting of the Protest Board. Ed. Howard, manager of the Powell avenue aggregation, has sought a ruling and will get it at the close of the round. Ervie Mawhirter, who is alleged to have played with three teams, according to Howard, broke relations with the third nine before the church campaign got under way.

His name, however, was kept on the eligibility lists of three teams, and whether or not Howard wins his plea, is a matter of doubt.

Must Pay Fees

Teams in the Hilltop Church League who have not yet paid their second round fees must do so not later than Monday, June 24, or games will not be scheduled, it was announced by the Recreation Dept. this week.

In an insipid game Monday, marked by a maximum of bickering and a minimum of baseball, St. John lost to Sullivant Friends, 8 to 3. Westgate had little trouble disposing of Burgess U. B., 6 to 3, while Hillcrest whaled out a 10 to 5 win over Glenwood M. E. Hilltonia was shut out by Church of Christ, 11 to 0, in the finale.

Overcoming a nine run lead with rallies that reached a climax in the ninth frame after two were out, Glenwood Tri Mu retained its top position in the Hilltop Church League Friday night, downing Sullivant Friends, 11 to 10. Gus (Crutch) Layman), with two away and two aboard, smashed a double to center to tie the score. Loren (Crutch) Corder then smote a mighty one to right center to allow Layman to hobble home. Leo (Crutch) Phillips and Lonie (Crutch) Geer started the rally with goodly blows. Ed (Crutch) Holley, who relieved Corder in the third, hurled excellent ball the remainder of the game. Hi Myers was the Sullivant highlight, smashing out three extra base hits to lead the Friend attack.

Second round play, whether it gets under way Friday or one week from Monday, should feature some good games. Bickering, ineligibilities, dizzy schedule making on the part of recreation department officials, and some lurid umpiring have marred an otherwise good round, if there is any otherwise left.

It is hoped that the league will be able to start from scratch with the opening of second round games. With the cooperation of athletic directors in regards to eligibility, the elimination of 7-inning games and double headers (so umpires collect double fees), a reliable schedule of games, a competent staff of umpires (Thornton, Bunn, Crumm, Merchant and Dodds), and the elimination of "home diamonds" for certain teams, may help to improve play in general.

As for the first round umpiring, it, in general, has been on a higher plane than any of other years. But a few particular instances can be cited which mark a new low for dismal officiating. This can be corrected.

The following is the standing to date in the church circuit:

Team	W.	L.	R.	O.R.	Pct.
Glenwood Tri Mu	6	1	59	29	.857
Hoge Memorial	6	1	56	21	.857
Sullivant Friends	6	2	57	34	.750
*Burgess U. B.	4	2	37	33	.667
*St. John Lutheran	4	3	36	42	.571
Hilltop C. of C.	4	4	40	30	.500
Hilltonia U. B.	2	5	32	36	.284
Westgate Evan.	2	5	10	51	.281
Hillcrest Baptist	1	6	13	64	.143
Glenwood M. E.	1	7	31	50	.125

*Played tie game.

Greenfield Is Winner

Playing the All-Stars of Greenfield, O., Sunday afternoon, St. John Lutheran lost a double header, 12 to 8 and 1 to 0. After compiling an early lead in the opener, the locals threw the game away with an orgy of errors in the seventh frame. Shaw decisioned Blesch in a hurling duel in the nightcap.

Rain Postpones Games For Intermediates

Rain caused postponement of Tuesday's games in the Intermediate Church League.

Games scheduled for next Tuesday, June 25, are: Hilltop C. of C. vs. Glenwood M. E., No. 1; Hillcrest Baptist vs. Hoge Memorial, No. 2; Burgess U. B. vs. Westgate Evangelical, No. 3; and St. John Lutheran vs. Sullivant Avenue Friends, No. 4.

Bolt Works 9 to Meet Co-ops

State Hospital-Co-Op Cubs, with a chance to share top honors in the Saturday Afternoon League, muffed the opportunity last Saturday, dropping a rather one-sided engagement to Federal Glass, 9 to 1. The loss placed the locals in third place, with the Bolt Works nine, winning from the Red Bird Juniors, taking the second rung.

Errors at untimely moments hurt the Hilltoppers' chances. The winners scored runs in the first, fifth and seventh, bunching their 11 bingles advantageously. The lone Cubbie run came in the initial frame.

Double Waterproof

Comparative laboratory tests show that O'Brien's Patented Thermolyzed Tung Oil has TWICE as much resistance to water as ordinary paint oils. When dried, ordinary paint oils readily combine with water and turn white. Dried Thermolyzed Tung Oil is practically unaffected by water, even after weeks of soaking. That's why T. T. O. Paint resists snow and rain so well. One of the main reasons why it can save YOU money and worry in painting!

Advice
TO NEWLYWEDS

OLD shoes and rice can be dodged—"lousy" wedding presents can be exchanged—but the **expenses** that pile up at a newlywed's front door! They can't be sidestepped so easily.

A young couple's budget is a delicate thing. It won't stand stretching. Yet no one expects a bride and groom to live, dress and act like a pair of old misers.

Here's where it is advisable to take advantage of every opportunity offered to help solve these new expense problems . . . a home . . . furniture . . . food.

Learn to "shop" The Hilltop Record ads **regularly.** Check their offerings, one against the other, for price, quality, value. Save steps and money **before** you buy. Reading the "big" ads and reading **and** using the want ads is the one sure painless way to live well on a newlywed's budget.

Ask anyone who has been married a year!

Oh! That maid problem. Where is the girl who can cook, wait on table and housekeep perfectly on a few slender dollars per? You'll find her with a Record Want Ad!

Has Hubby an "expensive" appetite? Who cares! You can buy the best at prices that would please a Scotchman if you check the Record food ads.

It's gotta have this and it's gotta have that and the rent has to be as low as a fallen arch. We know it—and so do the realtors who advertise in the Hilltop Record. Get acquainted with them!

Champ Marksman Is Hilltop Patrolman

Patrolman Glen Hooven, 67 N Huron Ave., a member of Cruiser No. 3, patroling the southwest section of the city, won the Kentucky State pistol championship last Sunday, and in competition where only police officers were entered, placed second.

The Hilltop policeman was presented with medals for both achievements. His score in the first event was 370 out of a possible 300 while in the competition with other cops from Kentucky, Ohio, Illinois, Indiana and neighboring states, he was four points higher.

He has been a member of the Columbus Police Dept. for 15 years and has been a devotee of match pistol shooting for the past decade. Last year, at Dayton, he won the Ohio State championship.

Children's Day At St. John Lutheran

The St. John Lutheran Sunday school will sponsor its annual Children's Missionary service Sunday morning at 9:30 o'clock.

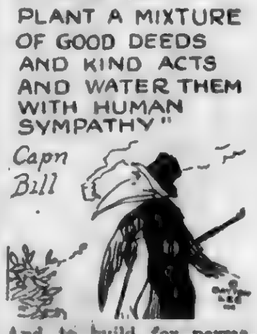
This service is always a combination of the morning hour of worship and the Sunday school study period. There will be no morning worship aside from this hour.

The program this year is based on the theme, "Serving Our Master." The kindergarten, primary and junior department children will present this service of recitations, songs and exercises.

The primary department will sing the following hymns: "I Belong to Jesus," "Here Am I, Lord Jesus," "We Are Little Children." The junior boys and girls will sing, "It May Not Be On the Mountain's Height." The senior choir will sing, "O Love That Will Not Let Me Go."

In addition to these songs by the several departments there will be congregational singing and recitations and special exercises presented by the following children:

Norma Diedrich, Marian Reeves, Maxine Reeves, Virginia Woda, Dorothy Lightner, Betty Eicher, Alice Clark, Shirley Bradford, Georgiana Voss, Pauline Woda, Patty Lauer, Norma Kuhn, Colleen Cheuvront, Betty Brechur, Joan Blank, Janice Judy, Robert Johnson, Richard Walters, Billy Bachman, Norma Worthington, Jean Swinehart, Nancy Frederick, Phylis Weber, Biddy Fleming, Clara Cassell, Donna Carter, Dickie Wolfendale, Charlene Cassell, Betty Keidel, Betty Dickendasher, Katherine Noelenberger, Jean Work, Donna Stern, Donna Beck, Lois Wherle, Lois Scheiderer, Bobby Lehman, Patty Wolfendale, Barbara Bruckelmeyer, James Frank, Teddy Lundberg, Martha Cruea.



From the noon hour on the St. John Sunday school will have its annual church picnic at the Westgate shelter house, Westgate Park.

ARE WE FUSSY?

Yes, we are fussy. As a woman's coiffure must be just right, so we insist on keeping our stores neat and clean. Our meats, fruits and vegetables must always be fresh, of highest quality, and the prices right. Our groceries must be well-known and approved and sold at better than usual prices. If that is being fussy, madam, we plead guilty. Still as long as you like it—and we know you do—we sure aren't going to mend our ways. In fact, we wonder if we are fussy enough about the extra service, delivery, etc., we offer. But that's all right, too, madam. Thank you.

LOSS IN FOREST FIRES

During 1933 the loss from forest fires in the United States decreased about ten per cent of the average loss for the preceding five years. Nevertheless, nearly forty-four million acres were burned over, but of these less than four million were in protected areas. The South suffered heavily because of much unprotected land, while in the Northeastern and Middle Atlantic states the loss was practically cut in half in protected forests. National, state, and private systems increased the number of acres protected by more than eleven million over the previous year.

THROUGH A
Woman's Eyes
By JEAN NEWTON

ROUGE AND LIPSTICK HAND IN HAND WITH ARMIES AND NAVIES

THE "Gloomy Dean" of St. Paul's, the Very Rev. William Ralph Inge, has paid us a great compliment.

The Dean gave a radio address on the subject, "What I Would Do With the World." He has plans, you see for making the world over, the idea being of course an improvement on the present product.

And what do you suppose would be the chief object of his very exalted attention, if he were allowed to rule the world? Why, rouge, lipsticks, armies and navies!

Those are the prime disturbing factors in the present state of things, if the available report of his address is accurate, which the dean would abolish in the effort to improve the world! for rouge and lipstick are aesthetically offensive.

Now we are no shrinking violet. Our best friends would not make that accusation against us. We claim to no greater sense of modesty than is reasonably expected of every person with a sense of proportion. But the idea of speaking of those little accessories of ours, rouge and lipstick, in the same breath with armies and navies—why, it is almost too much for us.

And from the Dean of St. Paul's! Regarding the austere visage of this high distinguished man, I know none of our sex but would question the very idea of his even noticing our existence. And not merely to have noticed it, but to notice so definitely what is merely a detail of our make-up, so to speak, and to elevate it to the position of importance that is assigned to armies and navies, well, to say that we are overwhelmed is putting it mildly.

Forsooth, our little foibles are coming up in the world.

Suggestive Menus For Wedding Luncheons, Dinners

June is the month for brides and with many weddings taking place, or being planned, there is always the question of what to serve at the informal nuptial luncheon, dinner or reception. Below is a practical menu and several recipes. The following serve 25 people:

Ripe Olives Stuffed Olives
Chicken Salad
Stuffed Celery
Hot Rolls Strawberry Preserves
Fancy Ice Cream Molds
White Cake Groom's Cake
Coffee
Salted Nuts Cream Candles

Housewife's Column

Chocolate Macaroons

Beat two egg whites until foamy throughout; add 1 cup sugar, 2 tablespoons at a time, beating after each addition until sugar is blended. Then continue beating until mixture will stand in peaks. Add ½ teaspoon salt and ½ teaspoon vanilla. Fold in 1½ squares melted, unsweetened chocolate, then 1½ cups shredded coconut. Drop from a teaspoon on ungreased heavy paper. Bake in slow oven 20 minutes, or until done. Cool five minutes before removing from paper.

Rice Honey Custard

2-3 cup milk 1½ tablespoons honey
1 egg yolk Few grains salt
1 cup uncooked rice
Macaroons to accompany

Scald milk in top of double boiler; pour over egg yolk mixed with honey and salt. Then return to double boiler stir and cook until mixture thickens. Strain and chill. Make a rice ring, pour custard in the center and serve with macaroons or cookies. To make rice ring: Cook 1 cup rice in 2 quarts of boiling water (to which 3 teaspoons salt have been added) until rice is tender. Turn into colander or sieve and "fluff" over hot water until each grain is distinct and separate. Arrange in ring with spoon (or put into ring mold) and chill.

Casserole Meat Balls

Mix chopped veal with minced celery onion and parsley. Season and form into croquettes, dip in beaten egg and crumbs, then bake.

Sliced Strawberry Jam

4½ cups (2 lbs.) prepared fruit
7 cups (3 lbs.) sugar
½ bottle fruit pectin

To prepare fruit, cut about 2 quarts fully ripe berries in halves lengthwise; large berries in quarters. Measure sugar and prepared fruit into large kettle, mix well, and bring to a full rolling boil over hottest fire. Stir constantly before and while boiling. Boil hard 3 minutes. Remove from fire and stir in bottled fruit pectin. Then stir and skim by turns for just 5 minutes to cool slightly, to prevent floating fruit. Pour quickly. Paraffin hot jam at once. Makes about 10 glasses (6 fluid ounces each).

Strawberry and Pineapple Jelly

4 cups (2 lbs.) juice
7½ cups (3½ lbs.) sugar
1 bottle fruit pectin

To prepare juice, pare 1 medium fully ripe pineapple and chop very fine or grind. Crush thoroughly or grind 2 quarts fully ripe strawberries. Place fruit in jelly cloth or bag and squeeze out juice. Measure sugar and juice into large saucepan and mix. Bring it to a boil over hottest fire and at once add bottled fruit pectin, stirring constantly. Then bring to a full rolling boil and boil hard ½ minute. Remove from fire, skim, pour quickly. Paraffin hot jelly at once. Makes about 11 glasses (6 fluid ounces each).

Strawberry Cocktail

Arrange strawberries in cocktail glasses and pour a little orange juice over each serving. Chill. Sprinkle with Domino superfine powdered sugar before serving.

Lamb Shoulder Chops in Tomato Juice

Select lean baby shoulder lamb chops as desired; salt, pepper and flour, allowing three-fourths teaspoon salt and one-eighth teaspoon pepper for each pound of meat. Put chops in baking dish. Slice onion, green pepper and lemon over chops, allowing 4 slices of onion, 4 green pepper rings and 4 thin slices of lemon for every four chops.

Then pour one can of tomato juice over to cover the chops. Bake in a moderate oven for 1 hour and 45 minutes. Serve hot with baked potatoes or noodle ring.

Chicken Salad

6 cups diced cooked chicken
6 cups diced celery
2 teaspoons salt
½ teaspoon paprika
½ cup lemon juice
2½ cups stiff mayonnaise

Mix one-third of the mayonnaise with rest of ingredients. Chill. Serve in cups of crisp lettuce. Top with remaining mayonnaise. Garnish with strips of pimentos and capers. Serve immediately.

Stuffed Celery

40 two-inch celery sticks
2-3 cup white cream cheese
½ cup Roquefort cheese
4 tablespoons cream
2 tablespoons salad dressing
¼ teaspoon salt
¼ teaspoon paprika

Soften cheeses with fork, add cream, dressing, salt and paprika. Carefully fill celery.

A pastry tube can be used for filling the celery.

Groom's Cake

1 cup butter
2 cups dark-brown sugar
4 eggs
½ cup grape juice
½ cup sour cream
2 teaspoons vanilla
1 teaspoon lemon extract
½ teaspoon salt
2 teaspoons cinnamon
1 teaspoon cloves
½ teaspoon nutmeg
1 cup chopped candied pineapple
½ cup chopped candied orange peel
½ cup chopped candied lemon peel
1 cup chopped blanched almonds
1 cup chopped raisins
1-3 cup chopped citron
3 cups flour
½ teaspoon soda

Cream butter and sugar. Add rest of ingredients. Pour into large loaf pan, greased. Bake 2½ hours in slow oven.

Careful planning is keynote of success in homemaking.

Tuna Hurry-Up Appetizers

Using some of the new very thin whole wheat crackers, paper-thin toast or thin butter crackers, spread with tuna, mashed with the oil in the can. Decorate some with strips of pimento, some with sliced stuffed green olives. When possible to get the very sweet, real Bermuda onions, it is amusing to use very thin slices of onion instead of crackers or toast. This is an economical, quick way of making attractive appetizers. Save any left-over tuna or decorations to use for salads or future appetizers.

Molded Dessert

Dissolve 1 package orange gelatine in 1 cup boiling water. Add 2 tablespoons sugar and ½ teaspoon salt; add 1 cup of orange juice. Pour 1 cup of mixture in bottom of quart mold. Chill till firm. Chill remaining mixture until it begins to thicken, whip until frothy. Fold in ½ cup seeded white grapes and ½ cup whipped cream. Pour onto firm gelatine in mold. Chill till firm. Serve garnished with sliced oranges and sprigs of mint.

DELICIOUS FRUIT DRINKS

DURING the summer when much water is lost from the body by perspiration, more water should be taken in some form. The easiest drink one knows about is lemonade, refreshing, cooling and easy to take as well as make. Keep in the ice chest a jar of the lemon juice boiled with sugar and water to form a fruit syrup. A mixture of grapefruit juice, lemon and orange, is another drink well liked. Having a sugar syrup made up use for sweetening is a great convenience, as it sweetens at once and does not drop to the bottom like sugar and has to be stirred to be dissolved. Those who like honey use it often in preference to sugar, as it is the best sugar to give children, being easily digested.

When company drops in and needs quick refreshment on a hot day, try an orange ginger ale. For each person combine two-thirds of a cup of orange juice, one-third of a cup of ginger ale, pour over a glass of cracked ice and serve at once. For a delightful ice cream soda serve a glass two-thirds full of orange juice and add a ball of vanilla ice cream. Stir rapidly and serve. Orange juice with lemon juice is liked by many as a combination drink. Iced coffee served as an ice cream soda drink is most delicious. Drop in the ball of ice cream and serve at once. One should remember when serving these refreshing drinks that they are not only cooling to the body, delightful to the palate, but are supplying the body with needed minerals and vitamins for health.

Apple Straws

Wash and grate a red-skinned apple. Place in sherbet glass and cover with the juice of an orange. Top with freshly grated coconut, chopped nuts and dates. Omit the topping for very young children and also remove the apple skin.

The line of the nose and the part of the hair have much to do with making a face look oval or round. If your nose is broad and the space between the eyes wide, be sure to part your hair on the side. A center part will only emphasize breadth, making the face look round.

John Brown Memorial

This bronze group, designed by Joseph P. Pollia, was unveiled the other day at North Elba, John Brown's early home near Lake Placid, N. Y., by the John Brown Memorial association. Brown's body was buried at North Elba after his execution for participation in the Harper's Ferry raid.

All the Winner Gets Is a Book

EACH year the students of the Massachusetts Institute of Technology stage their "book rush." Boys garbed in old clothes rush toward a huge greased cylinder placed on the campus. On the top of the cylinder is a slot through which a man inside passes wooden "paddles" which may be exchanged later for the annual Tech year book. There's many a headache after the rush is over. The boys are shown here at the height of the melee.

THE UNKNOWN

By ANNE CAMPBELL

I DO not know which way the road may lead
Tomorrow.
My soul may tremble like a broken reed
To sorrow;
But though unknown the dark untravelled way,
I have Today!

This day is steeped in joy! Each shining minute
Has gladness in it.
No black forebodings steal the skies' clear blue;
The sun shines through,
And golden lies the path that winds this hour
To love in flower.

I have Today! I face it gratefully,
Intending,
No matter where the road that's meant for me
Is wending
To walk it as the saints their hard way trod,
With faith in God!

ROUND THE TOWN

"What do you play 18 holes of golf in?" a local lad queries of Jane Timmons. And alas, she answered "Shorts!" . . . Herb Currier will be home about July 6. . . . Can you beat it, Rajah Shoolcker will middle aisle it soon with Carol Shields, or has the journey already ended. . . . And here's a snicker: (Harold (Gus) Shaefer, and wife, at Eddie Duchin's concert a fortnite back, were arguing. I knew it to be true, because Gus was doing all the talking, which he wouldn't have been doing had he been winning, like he said he was. . . . Esther Owens has purchased a bicycle and now rides places instead of walking. . . . Stanley Hamilton (Hammerhead, they used to say), is back in town from way out west where he became a Dr. of Osteopathy. . . . Dave Ballard, working with a paint Co. in Wooster, will return to Smithville to coach and teach in the fall. . . . Denver McKinley doesn't go to masquerade parties any more. At the last one a lady sez, sez she: "My what beautiful teeth you have" and he's still grinding them down to nubbins. . . . Fan mail: (Rudy Lurn note). "A certain Dutch meat cutter thinks he's smart. But he can't even tell his meats apart. And as to personality and fame, He has very little, so I'll omit his name. . . . And those roses in the Corcoran back yard go most often to places where they make the people happiest For which. Bravo.

AT THE BALL GAMES

You'll always find O. E. Spencer there, with pipe, score card and pencil. . . . And Ed. Ferguson, with his portable chair. . . . W. L. Potts never misses, and generally sees all teams in an evening. Frank Colburn out frequently, but can't say yes or nay, because he's the league president. . . . N. W. Kent is likely in back of the crowd, or in his car at the side lines. . . . And who is that little old man, in gray coat and hat, and white flannel trousers? . . . Mrs. Charlie Weidner seldom misses a Monday evening. . . . The Rausch bros., Paul and Lu, sometimes dragging Ed. Johnson along, are out often. . . . And Larry Persons, and son Larry, always at the feature game. . . . And half a hundred Westgate cheerioters. . . . And the Yum-Yum man does a riproaring trade, he tells me.

Add Eddie Duchin fans: Nina Shank and friend. (I've a letter here from a classmate of Nina's). . . . Martha Swigert, also, and I heard what she said about this scribbler. . . . And Wimpy Siegwald with B. Wolfe. . . . June Stone, complacently lapping a popcicle — popsycle — popcycle, aw shucks, a popsickle, each evening en route home on N. Warren. . . . It's a year of smooth sailing on matrimonial seas for Carrie and Paul Rausch. . . . and the C. C. Hartley's rounded out the first four a fortnite back. . . . Mr. and Mrs. Robert Jones celebrate the first half year July 1. . . . Ruth Mathis doesn't know whether to go to nurse's school next year, or to get married. Alas, what a problem. It's a hard row to hoe either way. . . . Now that guy at Edwards is groaning. Says he doesn't want to be mentioned in the same pillar with Milly, over at Campbell's. But I won't say what Milly said.

WORSE THAN HAROLD?

This Billy Moss is worse than Harold, his brother. Purchasing a bottle of shoe polish at Umbenhaur's tother eve, he dashed madly homeward to shine 'em up. But oo-o-o-o-o-h, he dropped it in front of the Economy store. Yes, and so he took his shoes off right there and daubed them from the spilled juice on the pavement

"When'll They Pave Broad St.?"---"Say Hasn't That Guy Joe Louis Got A Punch?"---Reporter vs. Millikin

Although the letting of the contract for the re-pavement of West Broad street, from Wheatland avenue west to Hague, will probably be announced immediately following the completion of sewer work on the thorofare, a Record reporter accosted Wyatt Millikin, Hilltop member of City Council this week in the hope of gathering a bit of advance information.

But alas, Wyatt had been out to lunch the day before with the boys, and contrary to his usual self, let loose a copious heap of verbiage, the sum and substance of which was that Joe Louis, the Detroit Destroyer the Brown Bomber, would knock Mr. Primo Carnera for a loop somewhere around the sixth round of their battle.

Conversation

Reporter: 'Morning, Mr. Millikin. When they gonna start this West Broad paving?

Millikin: Say, whadaya think of this man Louis? He sure can punch, eh?

Reporter: Yeah, they're sure getting along fast with this sewer project—

Millikin: Say, I told those fellas at lunch yesterday that this Carnera was a big ham and would go down plenty hard about the sixth round.

Reporter: I reckon they'll get that paving started as soon as they're through on the—

Millikin: But I told those fellas that if they put Carnera, Louis, Baer, Braddock, Schmeling and Sharkey in the same ring with Jack Dempsey, he'd lick 'em all before supper.

Reporter: Yeah, Dempsey sure could punch. Well, don't know any news this week, huh?

Millikin: Naw, nothing this week. You can see what they're doing out there in the street.

It will be remembered, two years ago, out of a field of some 100 prognosticators, Wyatt picked the exact score of the Cowboy grid team's win over East High's Tigers.

And so, we left him, as he turned to a customer, commenting that Louis was tough, but not tough as Dempsey.

The ceremony was read at 3:30 o'clock in St. Paul's Evangelical Congregational church by the pastor, Rev. F. S. Robinson. The church was decorated with palms, ferns, and colorful summer flowers.

At the first strains of the wedding march played by Mrs. F. S. Robinson, Mrs. Eldon Rector, who attended the bride as matron of honor, and Miss Edna Ruth Rector, who attended as bridesmaid, walked to the altar.

The matron of honor wore a floor length gown of white lace, and carried a bouquet of yellow roses. Her accessories were a white picture hat and white slippers. The bridesmaid's gown was of pale green lace and she wore a white hat and slippers to match. Her flowers were pink roses.

Mary Cornwell was flower girl and her frock was white organdie and she carried sweet peas.

The bride, who walked to the altar on the arm of her father, wore a gown of white satin and lace fashioned along princess lines. The high neckline and across the shoulders was trimmed with tiny rosettes. Her long veil was of tulle and lace and she wore white slippers and carried a bridal bouquet of white roses and baby breath. She was met at the altar by the groom, who was attended by his brother, Mr. Eldon Rector, as best man. Ushers were Mr. Richard Martin and Mr. Fred Rector.

Hoge, Tri Mu Tied In Church Loop Race

Crutchmen Must Beat Burgess To Remain In Race

Hoge Has Hilltonia to Hurdle; Bitter Struggle Looms As 9's Await Postponed Tilts.

With the opening of second round play in the Hilltop Church League scheduled for next Monday, and all teams again starting from scratch, a fast and furious lap is in store for local soft ball fans.

No less than four, possibly six teams, have chances at the coveted title. Westgate, Hillcrest, Hoge Memorial, Glenwood Tri Mu and Sullivant Friends, in the order named, will present their strongest teams since entering the league. Hilltop Church of Christ, heretofore the loop doormat, has turned in some excellently played games during the first round, losing three of its four by one run margins. Burgess U. B. also may provide some entertaining evenings for the so-called favorites, the Brethren running high during first round play.

Only St. John Lutheran, Glenwood M. E. and Hilltonia U. B. seem to be, at this stage, the only teams definitely out of the championship picture, although the former will be strengthened with the addition of Contillier, a hard hitting catcher.

With Reese back on the mound for Hillcrest, the Baptists, despite the loss of Hysell and Preston, will prove formidable. Hoge's team will probably remain intact, but title hopes depend on a better brand of pitching.

Errors have played too big a part in the Church of Christ campaign, although the team's pitching, next to that of Hillcrest and Tri Mu, has probably been the best in the circuit.

Tri Mu, favored for the first round title, which depends on three games yet to be played, will be stronger with Dart Stewart at third base, Bailey's pitching has been the league's best.

Games Monday

Sullivant Friends and Hillcrest Baptist and Glenwood Tri Mu vs. Hilltop Church of Christ will provide the feature games Monday, with three others also scheduled. They are: Burgess U. B. vs. Glenwood M. E.; Westgate Evangelical vs. St. John Lutheran and Hoge Memorial vs. Hilltonia U. B.

According to indications this week, a full 10-team circuit will again operate through the second round, although Glenwood Tri Mu has not yet made definite announcement. It is probable, however, that the Crutchmen will again be in their pitching.

Hoge, Tri Mu Win

Monday evening, both Hoge and Tri Mu remained in the running for the first round title, the Presbyterians taking advantage of numerous Hillcrest errors to down the Baptists, 8 to 2, while Shafer hurled well; and Tri Mu toyed with Hilltonia to pound out a victory by an identical score.

Bunching its blows in the third inning to score thrice, Church of Christ defeated St. John Lutheran to cop a first division berth. The losers scored both runs in the third frame on C. of C. errors. Burgess U. B. assured itself of third place in the standings by beating Sullivant, 4 to 2. Infield errors by the losers were costly. In the finale, Westgate Evangelical hit hard to beat Glenwood M. E., 15 to 3.

Bitter Game Looms

Should Tri Mu beat Burgess U. B. in a postponed battle, and should Hoge Memorial defeat Hilltonia, one of the bitterest games ever played in the local circuit will then be on the books, with the Crutchmen and Hoge furnishing the fireworks and the first round title as the stakes. The game will probably be played at the close of the second round, if it is necessary.

Last Day Monday

Monday, July 1, is the final day for payment of fees by Hilltop Church League teams, it was announced by Recreation department officials this week. Teams not paying before the deadline will not be permitted to enter the second round of play, the department definitely stated.

Icemen and Gassers In 13-Inning Battle

Hamilton Gas recreation ball nine practically clinched the second round title in the Hilltop Merchant League Wednesday evening at Westgate Park when they took the Walter Ice aggregation into camp in a 13-inning thriller. The score was 2 to 1.

Belsle and List engaged in a sterling mound duel all the way, and only a low throw by Todd in the final frame after a batter had reached second when his hit bounced off the pitcher's shins into the crowd, broke up the game.

In the league's other game, Derby Club pulled a surprise and defeated Seiller Dry Goods, 2 to 1. MacFadden out-pitched Whetstone to gain the decision.

Hospital Nine To Play At Stadium

Bolt Works to Meet Kay Jewelers On Hospital Diamond In Saturday Afternoon Loop Tilt.

The second round of play in the Saturday Afternoon League will get under way tomorrow afternoon with the local State Hospital nine hooking up with the Red Bird Juniors at the Red Bird stadium.

On the State Hospital lot, Columbus Bolt Works and Kay Jewelers will furnish the entertainment. Games are slated to get under way at 2:30 o'clock.

Resting in third place, two games from the league leading Federal Glass nine, the Hilltop aggregation must win to remain in the race.

Last Saturday's games were washed out by heavy rains and will be played four weeks from tomorrow as a part of double headers.

WASHERS LOSE BID FOR LEGION TITLE

Blow Up Tuesday In Title Game After Spectacular Win Monday.

Hilltop's entry in the American Legion baseball tournament lost its bid for title honors Tuesday afternoon at the State Hospital diamond, dropping a 13 to 7 game to Franklin Post.

Poor fielding contributed to the final score, although the locals had trouble in solving the slants of Hoover, Franklin hurler.

Hurls Two-hitter

Monday afternoon, behind the splendid two-hit hurling of Herman Mitchell, the Dexter-Washers went into a tie with the Franklin squad by defeating Camp Chase, 8 to 2. The Washer pitcher won his own game with a homer.

LOCAL SPORT BREVITIES

Six teams in the Church League are uniformed: Burgess U. B. and Hillcrest have blue and yellow jerseys, Westgate's are red and black, Hoge's red and white, Tri Mu's are white and St. John's black and white.

Coach Harold Wise, West High, fishing with George Williams, West Jr coach, last week, landed four black bass, better than 14 inches at Stockport.

It was a technicality which kept Westgate from winning the five games forfeited earlier in the round. Through no fault of Mawhirter or the Westgate team, Ernie's name was kept on the third eligibility list at the recreation department. Were it not for this Westgate would have been undisputed champion of the first round.

All of which should not detract from the play of Tri Mu and Hoge. Both have excellent teams, and whichever wins will be worthy of the title champion.

Managers of teams having postponed games are asked by recreation department officials to arrange for play-offs as soon as possible.

The Burgess U. B.-Tri Mu game will be played next Friday evening. Hillcrest and Westgate will tangle tonight.

Woody Owens, manager of the Dexter-Washer nine in the American Legion League, is seeking out-of-town games for his team.

Charlie Contillier's double with two aboard in the tenth inning gave St John Lutheran a 10 to 9 win over R. & H. Optics at Westgate Park Sunday afternoon.

Games next Tuesday in the Intermediate Church League are: C. of C. vs. Glenwood M. E.; Hillcrest vs. Hoge; Burgess U. B. vs. Westgate Evangelical and St. John Lutheran vs. Sullivant Friends.

According to an announcement made Monday by the Recreation department, no more names can be added to church eligibility lists through the remainder of the season. This rule will be strictly adhered to.

Bill Burr's three-hit hurling featured Day's Hotel Garage victory over Ideal Cleaners Tuesday afternoon.

Westgate Intermediates defeated Sullivant Friends Intermediates Tuesday evening, 12 to 9.

AN OLD COUPLE

By ANNE CAMPBELL

TWO with hair as white as snow
Closely sit together.
In their hearts the banked fires glow.
Bitter is the weather;
But the joy of summer days
Still is mirrored in their gaze.

As two trees that through long years
Toward each other bending,
Nourished both by smiles and tears,
See the sun descending,
So do these two, wondering,
Face the end, and closer cling.

Long the journey from the day
They joined hands, light-hearted.
Hard sometimes, the winding way
Since the journey started,
But it's been a worth-while pull!
Sharing made it beautiful!

More Than a Hundred but Going Strong

MRS. ANNA HOKANSON, now well along the second century of her life at one hundred and four, keeps in trim by doing the milking on the farm near Puyallup, Wash., where she makes her home. The centenarian credits her long existence to the healthful farm life she leads.

Wit and Wisdom

Mrs. Eastend—You'll not find me difficult to suit, Norma.

Norma (the new maid)—I'm sure not, ma'am; I saw your husband as I came in.

Ice Skater—This is a very large skating rink you have here.

Manager—Yes, it has a seating capacity of ten thousand.

A small boy stood in the entrance to the cobbler's shop watching the man at work.

"What do you repair boots with, mister?" he suddenly asked.

"Hide," replied the cobbler sharply.

"H-e-e, eh?" asked the lad.

"I said hide," replied the cobbler impatiently.

"What for?" the boy insisted.

"Hide! The cow's outside," sighed the man.

"Don't care if it is. Who's afraid of a cow, anyway?" said the youngster defiantly.

Tomatoes Stuffed With Cabbage

6 fresh tomatoes
2 cups finely shredded cabbage
3 tablespoons vinegar
½ teaspoon salt
1 finely chopped green pepper
½ cup mayonnaise
dash of paprika
dash of pepper

Cut off thin slice from stem end of each tomato and remove pulp. Salt inside, invert, and chill 30 minutes. Crisp cabbage by allowing it to stand in ice water. Drain and dry. Add vinegar and seasoning 10 minutes before serving. Drain again. Toss lightly together with green pepper, cubed pulp of tomatoes and mayonnaise. Pile lightly into tomato cups. Garnish with green pepper rings. Serve on crisp lettuce. Serves six.

Tomato-Cauliflower Puree

Cook one medium head of cauliflower until it is tender, and press through a sieve. Press the contents of one No. 2 can of tomatoes through a sieve also and add with the contents of one can of consomme and one cup of water to the cauliflower. Bring to boiling. Saute one tablespoon of minced onion in two tablespoons of fat for a few minutes. Add three tablespoons of flour, stir until smooth, and thin with a little of the hot soup. Then add to the soup, and cook until creamy. Season to taste. This serves six persons.

Tomato Timbales

Bring two and one-half cups of canned tomatoes, one and one-fourth teaspoons salt and one-eight teaspoon pepper to the boiling point. Mash well but do not strain. Add three-fourths cup of bread crumbs and four slightly beaten eggs. Pour into buttered custard cups or ramekins and set in a pan of hot water. Bake in a slow oven, 350 degrees, for 30 to 40 minutes or until set. Turn out of molds and serve surrounded with creamed peas. Makes eight, individual servings.

German Scalloped Tomatoes

3 cups sliced, peeled onions
6 tablespoons melted butter or margarine
2 teaspoons salt
1 tablespoon granulated sugar
2 tablespoons flour
1 No. 2½ can tomatoes (3½ cups)
½ cup soft bread crumbs

Saute the onions in 4 tablespoons of the butter until tender and a delicate brown. Combine the salt, sugar and flour, and add to the tomatoes. Arrange the tomatoes and onions in alternate layers in a greased 1½-qt. casserole and top with the crumbs mixed with the remaining 2 tablespoons of melted butter. Bake in a moderate oven (350 degrees F.) for one hour. Serves six. To serve two or three, make half this recipe.

Creamy Asparagus On Toast

2 small cans asparagus tips

4 tablespoons butter or margarine
2 cups bottled milk or 1 can evaporated milk and 1 can water
4 tablespoons flour
2 teaspoons chopped onion
½ teaspoon prepared mustard
1 teaspoon salt
⅛ teaspoon pepper
½ teaspoon paprika
6 slices buttered toast

Scale, wash, and break off the edible part of each stalk of asparagus. Cook until tender. Or if canned, heat in top of double boiler. Meanwhile, melt the fat, add the flour and cook until smooth. Then add the onion, salt, pepper and paprika and the milk, a little at a time while stirring. When smooth, add the sliced hard-cooked eggs. Arrange the asparagus on the buttered toast, pour over the sauce and serve at once. Serves six.

Baked Asparagus

2 tablespoons butter
2 tablespoons flour
2 cups milk
¼ cup grated cheese
½ teaspoon pepper
1 cup soft bread crumbs
1-3 cup dried buttered crumbs
4 hard-cooked eggs
1 teaspoon salt

Cook asparagus until tender, drain, and cut in one-inch pieces. Make a sauce of the butter, flour, milk, seasonings, and soft crumbs. Put a layer of asparagus in the bottom of a baking dish, add sauce and hard-cooked eggs, chopped, repeating until the dish is filled. Sprinkle with the dried buttered crumbs, mixed with the cheese, and bake at 375 degrees F. for 30 minutes or until golden brown. Serves six.

Place in bowl of cracked ice or ice water and whip with rotary egg beater until fluffy and thick like whipped cream. Fold in remaining ingredients. Turn into mold. Chill until firm. Unmold. Serve in slices. Makes 12 servings.

Strawberry Whip

1 cup warm water
1 cup strawberry juice
1 cup crushed strawberries

Strawberry Fluff

1-3 cup quick cooking tapioca
½ cup sugar
½ teaspoon salt
2 cups crushed strawberries
1 tablespoon lemon juice
1 egg white, stiffly beaten

Place water in top of double boiler and bring to a boil over direct heat. Combine dry ingredients; add gradually to water and bring to a brisk boil, stirring constantly. Place immediately over rapidly boiling water and cook five minutes, stirring occasionally. Remove from boiling water. Add berries and lemon juice. Fold a small amount into egg white, add to remaining tapioca mixture and blend. Chill—mixture thickens as it cools. Garnish with whipped cream. Serves eight.

2 tablespoon chopped brazil nuts
½ cup crushed pineapple (drained)
½ cup canned pears (chopped)
½ cup canned apricots (chopped)
1 orange (sectioned free from membrane)
½ cup strawberries cut in quarters
½ cup mayonnaise

Whip the cream or the evaporated milk until almost stiff. To whip evaporated milk, chill milk in double boiler, chill and whip. Add the lemon juice and continue beating until very stiff. Fold in the mayonnaise lightly, then the nuts and fruits. Place in the freezing pan of an automatic refrigerator and freeze. Cut in squares and serve on crisp lettuce with additional mayonnaise thinned with whipped cream. This makes five servings.

Fresh Fruit Refrigerator Cake

1½ cups sweetened condensed milk
½ cup lemon juice
24 vanilla wafers
1 cup quartered cherries, whole raspberries or sliced strawberries

Blend together the sweetened condensed milk and lemon juice. Add the prepared fruit. Line a narrow, oblong pan or spring form cake pan with wax paper, and cover with the fruit mixture. Add a layer of wafers, alternating in this way until the fruit mixture is used; finishing with layer of wafers. Chill in refrigerator for six hours or more. To serve, turn out on small platter and carefully remove wax paper. Cut in slices and serve plain or with whipped cream. Decorate slices with whole cherries or berries or serve plain. Eight servings.

Orange Coconut Pie

1 cup orange juice
2 tablespoons lemon juice
3 tablespoons grated orange rind
2 tablespoons melted butter or margarine
3 eggs, separated
1 baked 9-in. pastry shell
½ teaspoon orange extract
½ cup shredded coconut

Combine the flour, salt, and one cup of sugar in a double boiler. Add the orange and lemon juices and the orange rind. Cook over hot water, stirring constantly, until smooth and thickened; cover and cook for 10 minutes. Add the butter and the well-beaten egg yolks gradually, stirring constantly; cook two minutes longer and cool. Pour into the baked pastry shell. Beat the egg whites almost stiff with a hand beater or an electric beater at high speed; then add the remaining six tablespoons sugar gradually, while continuing to beat until stiff enough to peak. Next add the orange extract and arrange by spoonfuls over the top of the pie. Sprinkle with the coconut. Bake in a very slow oven of 300 degrees F. for 30 minutes. Serves six.

Michigan Avenue Traffic Light Tests Watched With Interest

Those concerned with the progress of traffic control have watched with interest Chicago's experiments with Michigan avenue, its busiest thoroughfare. The lights, instead of being timed simultaneously, are adjusted so that a motorist can proceed at an even rate of speed with few stops and those very short, for the cycles are shorter than in the old system. All timing may be changed arbitrarily to favor rush traffic. The amber light following the red is shorter than that following the green to prevent as much as possible "jumping" the signal. Perhaps the most radical innovation is that the traffic moving in one direction is timed independently of that going in the opposite direction. This makes it possible for cars to make right and left turns on to the main street from intersecting, dead-end streets while stopping only one lane of traffic. Right and left turns off the main boulevard are also made easier and less annoying. Pedestrians have complained of being marooned on islands in the center of Michigan avenue because of the sudden changing of their signal, but it is believed that the total time consumed is less than before and that even enfeebled persons would have plenty of time to cross if they started with the first flash of the pedestrian signal.

Public Health On High Level

Despite the economic upheaval the general level of public health has been exceptionally high. The United States Public Health Service reports also that the death rate for 1933 was the lowest in the history of the country. Tuberculosis, a depression bugbear, caused fewer death in 1933 than ever before. The work of relief agencies has been credited with this condition, together with the fact that during that year there were no widespread epidemics.

Thirteen Clocks In One

In New Orleans, Louisiana, there is a clock which is really thirteen clocks in one. The center dial gives the time in New Orleans and around this are twelve smaller dials which show the corresponding time in different parts of the world. The cities named on the dials are: New York, Philadelphia, Chicago, Melbourne, Hong Kong, Calcutta, Saint Petersburg, Constantinople, Berlin, Paris, Liverpool and London, and Valparaiso. The times of some of these smaller dials are not absolutely accurate.

The annual world consumption of iron ore is 100 to 125 million tons. At this rate the present supply will last about 200 years according to conservative estimates.

"Helping with the dishes all summer," says coed Cora, "has more to do with wanting to rush back to college in the fall than the desire for a higher education."

World's Fair Attendance

The Chicago World fair attracted a total of 38,000,000 visitors in the two years of its operation. Sixty million dollars was spent within the grounds of the exposition and several hundred million more in Chicago hotels and shops.

Airplane Takeoff and Landing

An airplane takes off and lands against the wind. In order for an airplane to take off it is necessary that it create a lifting action. In taking off against the wind, the wind aids in creating the lifting action. In landing it is necessary to check the speed of the plane and by landing into the wind this is possible.

Airedale Terrier Not Fierce

The uncontrolled ferocity has been entirely bred out of the Airedale Terrier, as has also most of the hound attributes, and today we have in the animal a compact, well-knit active dog of great brain power; a general utility dog, incomparable as a guard and a most excellent companion, faithful and true.

Cascades and High Sierras

The Cascades and High Sierras are two separate ranges of mountains to the west of the Rocky mountains proper. They may be considered a part of the same system of mountain formation, but the actual chain of the Rocky mountains is farther East.

THE BURDEN BEARERS

By ANNE CAMPBELL

A SHIPBUILDER chooses his wood
From trees that grow
At the top of the highest hill,
Where fierce winds blow.
The trees that have weathered the storms
Make ships that sail
In the trough of the heavy sea,
And breast the gale.

Perhaps for the timber God needs
To sail life's sea,
He looks to the turbulent hill
Where winds blow free.
And the heaviest burden falls
On souls made strong
By the cruel beat of the rain
When nights are long.

"Little Stories for Bedtime" by Thornton W Burgess

NANNY MEADOW MOUSE IS WORRIED

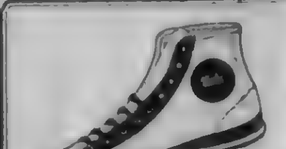
NANNY MEADOW MOUSE was worried. Yes, sir, Nanny Meadow Mouse was worried. Nanny is a home body. In the first place, most of the time she has a family to think about and care for. There are babies in Nanny's snug little home most of the time. What with helpless babies and headstrong, half-grown children eager to get out in the Great World and show how smart they are, and fully grown children already setting

Sometimes Danny Meadow Mouse Laughs at Her and Tells Her That the Older She Grows the More Timid She Becomes.

up homes of their own, Nanny has real cause for worry. You see, no one knows better than she what a lot of dangers surround a Meadow Mouse and how necessary it is that a young Meadow Mouse who would live to a good old age be carefully trained.

One of the first things to be learned is the foolishness of taking unnecessary risks. The most precious thing anybody possesses is life. To risk this for something which at best is nothing more than pleasure is the most foolish thing in the world. Nanny will risk her own life for her babies any time, but she is far too wise to risk it for any other reason.

"If you lost your life you've lost everything," is a favorite saying of Nanny's, and when you come to think of it, it is exactly so. Sometimes Danny Meadow Mouse laughs at her and tells her that the older she grows the more timid she becomes. That doesn't trouble Nanny at all. She simply smiles and says nothing. She knows it is true, but she also knows that this added timidity is because of increased knowledge of the dangers of the Great World, and that the more timid she is the less likely is she to feel careless. "A Meadow Mouse cannot be too timid," says Nanny, and in that she is more than half right.



Danny Meadow Mouse is different. He doesn't have the care of those babies all the time on his mind as does Nanny. So he has more time to think about himself and the things he wants to do. Then, too, the sharp little wits in that funny little head of his have brought him through so many tight places that he has come to think himself quite as smart as anybody else and quite able to take care of himself no matter what happens, which shows that he isn't as wise as Nanny, though it wouldn't do to tell him so.

The day that Danny took it into his head to visit the Smiling Pool had been a very trying one for Nanny. Danny hadn't told her where he was going or that he expected to be gone long. The half-grown children had been very trying that day, for they had persisted in taking foolish risks whenever Nanny's back was turned. They kept her worried. They kept her so worried that she didn't have time to think of Danny. But when the Black Shadows began to creep out over the Green Meadows and Danny had not returned, it popped into her head that something dreadful must have happened to him. She began to worry. The later it grew the more she worried.

by john wolfe

Nothing in the community surpasses the rural but stately splendor of the Asylum grounds for picturesque placidity at sundown. The towers and steeples of the buildings, jutting out over the rim of the hill, against a background of luxuriant, salmon-pink clouds, fast purpling in the twilight, silently overlooking broad, fertile and productive fields below, suggests a feudal estate matched only by those of long ago of which we've read.

Receding into the night, the picture goes a-glimmering, but the soft stillness of the place is far-reaching. Riding out of the screeching grind of a furious downtown traffic, the sudden contrast is striking, and the clean air washing, wave-like, across the fields, refreshing.

Dave Ballard, it was announced, following our note here last week, will be in charge of the commercial dept. at Kenton High school next year. . . . Marye Krejci, who'll be bound for Yarrop soon, will teach in a Columbus Jr. High next fall. . . . His S. S. class had a surprise for N. W. Kent Sunday last, when his birthday was. There was a cake, et all, and Ray Evans played music on the peculiariest gadget ever I saw. Sort of an egg-beater-like arrangement, which sort of whistled when he sort of shook it. . . . Giff Markeson, not lamped in a long, long spell, flew to Athens Saturday in his plane. He returned Sunday morning. . . . His paw is living at W. Jefferson now, operating a filling station. . . . Afton Ellmore Price is reading Les Miserable, a 5-vol. work. He's working at the OSU library. . . . The reason, says newlywed Geo. Williams, I didn't ketch enny feesh was because I was kept busy taking them offen Harold's (Wise) hook.

BIDDY BITS

Mrs. Pink Renner used to walk up town daily. . . . S. W. Six's telephone No. is RA. 6006. . . . And the Millikin Hdwe. is 1904, the date of its founding. . . . Here's a botsey-totsey told by a local copper: Answering a call for a radio cruiser, they went to the door of the home and a lady answered "Lookee hyar," she says, "I sent my boy to the store for some lean pork chops," and displaying some fat ones, she sez, "Lookee what they sent me." . . . And answering a call on Highland avenue the officers were told by a man that the next door neighbor's rooster had attacked him and his wife, and they wanted the creature shot—the rooster, we mean. . . . Martha Lind's stories she tells periodically are gathered from the salesmen that drop in at Seiler's.

Clara E. Earnest told him once that he'd never amount to anything. In school, his thoughts were afar off when they should have been on such vital things as the feudal system. The Venerable Bede, and Charlamagne.

Today, tis said, he sells more suits than any one in Columbus. He quit his job in mid-depression once, without the slightest intimation of a place to go. He was at work the next morning.

Not long since I stopped at Bond's, where he's now employed. Five other clerks were idle, but four men awaited their turn in his corner. His name is Fred Knight.

Gracebelle Day is in London, Eng., her next stop being Paris. Then back to Scotland. Word from her says she's a bit homesick. . . . Never saw Dr. C. Fry not hauling some boys down town or home from there. . . . And E. H. Matheny seldom misses a morning giving a lift to friends and neighbors. . . . Whatever became of Jean Nunnery (sp.)? . . . And did you know that Delbert Walters is married? . . . Babe Momberg and Hip McClain are brothers-in-law—they married sisters. Hip not so long ago. . . . Mrs. Jim Hill's new cat is named "Mickey." . . . Geo. Williams will attend OSU this summer.

Page Spears and Kohn and Allen and Sharoyer, man the life boats, etc. . . . Lydia Addison thinks this pillar awful, Betty Holt reads the darn thing "occasionally" when her attention is called to it, June Stone merely scans it, and Dr. Durflinger wonders if I think Doctor-flinger clever (yes and no).

May Award Church Title This Summer Sports Writer Says

Second Round of Play Starts In Church League; 1st Round Champ Undetermined.

Winner of the first round title in the Hilltop Church League remained a mystery this week when Charles Seddon, city recreation director, once again reversed himself in another of his famous announcements. Westgate Evangelical, Glenwood Tri Mu and Hoge Memorial are the possible champs, depending entirely upon the mood and mode of thought prevailing at headquarters at any given time. It is thought, however, that a decision will be reached sometime ere the League play-off in Sept.

St. John Threatens

Lashing out furiously in a vain attempt to stop Westgate's winning streak, Monday night, as the second round in the Hilltop Church League got under way, St. John Lutheran went down, but stubbornly, to the Dark Horses, 4 to 3 in 12 innings. It was a hard fought and well played game, Blesch hurling well after the winners had scored thrice in the initial frame.

Wolfe's Error Costly

Wolfe's error at first base in the 12th stanza permitted Glb Davis to reach first with what proved to be the winning run. Mason bopped a double to center and Riggs was purposely passed. Mawhirter's weak grounder to short was bobbled and Davis plated to end the game.

Riggs performed best for the winners while R. Wolfe's spectacular fielding in right field four times stopped budding Westgate rallies.

Former Hilltopper Gets Hole-In-One

Dr. N. A. Palestrant, former Hilltop resident, now of 5 E. Long St., playing at Beacon Light Sunday, scored a hole in one.

The shot was made on the No. 6 hole of 130 yards with a No. 4 iron.

Dr. C. V. Wolfe took last week's low scoring honors at Beacon Light with an 84.

Al Marchi, pro at the course, announced Sunday that a blind bogey tourney would be held this week end, Saturday and Sunday, July 6 and 7.

Hillcrest Wins

In a slow game, Hillcrest inaugurated its second round of play by beating Sullivant Friends, 7 to 5. Speedy Kent, on the kopje for the winners, twice passed Hi Myers with mates aboard to aid materially in the triump. Myers was the Friends fielding and hitting satellite, while Toy and Kent did well with the hickory for Hillcrest.

Meanwhile Hoge Memorial completed its first round of play and opened second round campaigning by beating Hilltonia U. B. in a double header. The scores were 11 to 2 and 10 to 2.

What! A Triple Play!

Burgess U. B. had little trouble, behind Perkins' fine pitching, defeating Glenwood M. E., 7 to 0. But the losers pulled the first triple play ever negotiated in the Hilltop circuit in the fourth frame. With men on second and third, Logan smashed a hot liner back at Watts, Methodist pitcher. It bounced off the big fellow's wrist but straight up in the air. He caught it then while the runners were making haste for home, and "Watts to Curliss to Walker" completed the pretty play. Curliss led the winners at bat and field with some heavy stickwork and spectacular defensive play.

Halley Pitches Shut-out

Ed Halley's around work a homer by Darl Stewart and a triple by Gox Layman were the features of the Tri Mu Crutchman victory over Church of Christ, 6 to 0. Stewart's four ply wallop was the first of the year on the Hospital diamonds. Tommy Crompton, who started the game at second and finished behind the bat, was the C. of C. star, while Womer in center field, also turned in some nice catches.

Game Tonight

Last Friday evening, Westgate was awarded a forfeit from Hillcrest when the Baptists failed to put in an appearance. In the only game slated tonight, a first round affair, Tri Mu will meet Burgess U. B.

Undergoes Operation

Rev. J. A. Vincent, 371 S. Eureka Ave., pastor of Immanuel Baptist church underwent a major operation Tuesday morning at White Cross hospital. His condition is reported good.

Local Grocer, With Penchant for Being Named President, Adds Two More to List

Ray G. Haunts, 44 Blane Blvd., prominent Hilltop business man, has a penchant for being elected to the presidency of a great variety of organizations.

Last week he was installed as president of the Columbus Lion's club, one of 2602 in the world, and the fifth largest in the United States.

Two weeks ago, at its annual meeting at Indianapolis, he was elected president of the Asparagus Tips, a club composed of 90 food merchants from all parts of the world. He has been a member of that group for the past 12 years.

In addition, Mr. Haunts is president of the Board of Education, a past president of the Hilltop Business Men's association and for two terms head of the Columbus Grocers' association.

To Mexico City

The annual convention of the Lion's Club will be held this year at Mexico City and the local grocer was named delegate to that gathering which will be in session from July 22 to July 27.

Ray G. Haunts

He, with his wife and daughter Dorothy, will make the trip.

The Asparagus Tips is an interesting organization, and Mr. Haunts is the only Columbus member. To remain in good standing, each member must write a letter or some sort of a greeting to all of the others at least once each year. In addition, each member, on his birthday, receives a present from the organization.

Starting in 18 years ago with his father, business has grown and through the years he has established for himself and fellow workers an excellent reputation.

One meat cutter, his father and himself comprised the clerking force at that time but today, 10 clerks are on the payroll. Prior to Haunts's opening of the grocery, he worked for the Pennsylvania Railroad.

N. W. Haunts, father of Ray, was a grocer, and operated a store at Hague and Broad where Piggly-Wiggly Kroger store now stands. He sold out to Dorsey and went in with his son, where he remained for three years, when R. G. took over sole ownership.

3-Game Series to Decide Champion

Walter's Icemen and Hamilton Gassers To Do Battle for Merchant League Title.

One of the hardest fought recreation ball series ever played on the Hilltop will be held at the close of the second round in the Hilltop Merchants League, with Walter's Icemen and the Hamilton Gassers furnishing the fireworks.

The two squads, winners of the first and second rounds respectively, have line-ups replete with stars known through Columbus recreation ball circles, and if the last game played is any indication, close and hard fought games are in store.

Walter's won the first round meeting, 8 to 2, but Hamilton's, with Homer List on the mound, took the second round engagement, 2 to 1 in 13 innings.

An effort is being made by League President G. K. Hardy to match the ultimate champions of his circuit with either the church loop champs or an all-star squad from that circuit, the latter team to be selected by vote of the 10 managers and umpires regularly working the church games.

Swimming Lessons To Start at Pool

Additions to Life-saving Staff Announced By Crues; Carnival Day Sunday.

Charles Crues, manager of the Hilltop swimming pool, announced this week that Charles A. Arbaugh, swimming instructor at the Central Y. M. C. A., has been added to the staff at the local swimming center. He has been associated with the Central Y for the past three years as coach of the swimming and polo teams.

He was the organizer, also, of the first water polo tournaments in Columbus at the various out-door pools.

Also, Ralph Burden, a member of the Y. M. C. A. swimming team and a water polo player of note, will serve on the life-saving staff.

Arbaugh will be in charge of all athletic activities and will be in charge of swimming classes. Participation in these classes is free to ticket holders or to general admission patrons. Morning and evening classes are held.

The pool will open on Sunday at 10 o'clock. Carnival day is scheduled and there will be swimming, water polo, clowning and diving.

Tiller In Hospital

Donald Tiller, 435 Columbian Ave., football player at West High last fall, is in White Cross hospital, recovering from an operation performed because of an injury, said to have been sustained while playing football last October.

Democrats Plan Meeting July 10

Lowrey F. Sater to Be Principal Speaker; Vocal and Instrumental Music On Program.

The Tenth Ward Men and Women's Democratic club will meet in regular session on Wednesday evening, July 10, at the Glenwood shelter house, it was announced this week by Charles Middleton, committeeman of the ward. The meeting will get under way at 7:30 o'clock.

Attorney Lowrey F. Sater will be the principal speaker and an entertainment program of instrumental and vocal music will be featured. All candidates are invited to attend.

The program follows:

Piano solos, Miss Lucille Powell; vocal solos, Mrs. Grace Weins; vocal selections by William McEwan, noted Scot singer; Irish reading by Miss Elizabeth Gordon; Robert and Nancy Lou Bailey, aged 3 and 4 respectively, will present some vocal numbers. They will be accompanied by Mrs. Fannie Baily.

Charles Middleton is general chairman of the meeting.

Vesper Services

Young people of Franklin county churches will hold a vesper service in the amphitheatre at Riverside Park Sunday evening at 7:30 o'clock. Rev. Dr. Roy Burkhart of the First Community church in Grandview will be the speaker.

Plans Completed For Grocer Picnic

Ford, Radio, Washer, Refrigerator Announced As Prizes; Affair Slated for July 24.

Plans have been completed and prizes announced for the annual Central Ohio Independent Retail Grocers' Picnic which will be again held at Olentangy Park on Wednesday afternoon and evening, July 24.

The affair is being sponsored by the Creasey Co. and tickets will be available at all local independent grocers beginning today.

Prizes include a Ford car, a Gruno refrigerator, a A-B-C Spinner Washer, and an 11-tube Gruno radio. Besides, 50 baskets of food will be given away. Prizes for the winners of the bathing revue total more than $100.

Montana Meechy and his band will furnish the music for round and square dancing and a ball game between the Triangle squad, a member of the Industrial League, and a nine of all-stars, will be features.

There will also be games and contests for the children.

Rice Returns From Four Day Cruise

Cliff J. Rice, of the Westgate Electric Shop, returned this week from a four-day Great Lake cruise to Mackinac and Escanaba aboard the liner S. S. Secaudbee. The trip was made by 500 Philco radio dealers of the east central section of the United States.

Announcement was also made this week that a new Dodge truck had been added to the fleet of four now operated by the Westgate shop. The new car is finished in red.

"Automobile" Service

An "Automobile Hour" will feature the evening service at Hillcrest Sunday. A New Testament will be presented to the person driving a car the greatest distance to the service.

Hoge, Westgate Win

Hoge Memorial defeated Hillcrest 5 to 1 and Westgate beat Sullivant Friends 5 to 0, in Intermediate Church League games Tuesday evening.

News Notes From Hilltop Playgrounds

Activities at local playgrounds swung into a full schedule this week with the exception of Holton Park, where work is hampered by P. W. A. laborers. A full time schedule will not get under way there until Aug. 3, according to the contractor in charge. A retaining wall of limestone is being completed along the creek banks. Vieman Lyday and Marie Colburn are in charge at the playground.

City recreation department officials have promised to complete three tennis courts at Holton, as well as improve the ball diamond, ruined by work on the P. W. A. project. Work is expected to get under way next week.

Resurfacing of the courts at Westgate is also on the Recreation department program.

A baby bathing revue is on tap at Westgate for this evening. A pet show was held last Friday night, with Bruce Ruce's Ming Toy Fu, a chow dog, winning top honors. Second place went to Julia Grassbaugh's Prim, an English bulldog, while Billy Walkemeyer's Mickey, an English setter, took third place honors. Judges were Richard Messerschmidt and Kenneth Stumpf.

A district tennis tournament, scheduled to get under way about Aug. 1, will be held at Westgate Park, according to Glen Hitchcock, supervisor. Hilltop tennis players over 18 years of age are eligible to compete. Registrations will be taken throughout July.

There will be competition in singles for men and women, doubles for men and women and mixed doubles.

An orchestra is being organized at Glenwood and a call has been issued to instrumentalists to lend their aid.

A demand is being made for a supervisor for girls at Westgate Park. As yet none has been named and it was learned that none will be assigned. Meanwhile, Glen Hitchcock is wondering what on earth he'll do with the sewing classes.

Tonight will be "community" night at the Glenwood playground. Members of the junior and senior dramatic clubs will provide the major part of the entertainment. The public is invited to attend.

Hilltoppers interested in taking part in dramatics are asked to get in touch with one of the supervisors.

A handcraft meeting will be held at Glenwood every Tuesday at 2 o'clock. Baseball practice will get under way at 3 o'clock. Monday and Friday at 4 o'clock a session of mixed games will be held.

E. H. Jackson is aiding at Wesgate Park. He will have charge of dramatics.

At the first meeting of the Glenwood Tennis club, Monday afternoon, Anne Louise McDonough, 204 Whitethorne Ave., was elected president. Other officers include: F. L. Bidwell, 1988½ Sullivant Ave., vice president; and Paul A. K. Murnane, 2050 Floral Ave., treasurer.

Local tennis players wishing to join the club should get in touch with Byron Stouder, playground supervisor and club advisor.

The organization has selected Monday evenings for meetings and Wednesday and Friday for match play.

Power Line Planned for Hilltop By C. R., P. & L.

Preliminary Work Gets Under Way; New Feeder Line to Eliminate Troubles Here; To Erect Substation at Wilson Rd. and Crystal Springs. Dr.

Preliminary work on a new electric "feeder" line for the Hilltop section was started early this week by the Columbus Railway Power & Light Co. The project, designed to eliminate troubles which have kept the community in darkness on many occasions through the past several years, will cost approximately $360,000.

According to officials of the company, the new transmission line will originate in the Pickaway generating plant 12 miles south of the city, following Jackson pike to Frank road, and then through private property north to Wilson road and Crystal Springs drive.

New Sub Station

A new sub-station, with a 40,000 volt output, will be constructed at Wilson road and Crystal Springs drive, it was reported. The station will care for the entire west side.

Company officials say that the project is the largest of the year and Columbus labor will be utilized exclusively. The payroll will amount to approximately $45,000.

Plan Branch Line

A branch line will break off from Jackson pike east to Canal street, connecting the present lines from the Groveport generating station. Lines will run from there to the Mound street and Canal street sub-stations.

The new "feeder" will provide a direct transmission line to the Hilltop and all points west and northwest to Upper Arlington.

Republicans Plan Picnic July 14

No Campaign Speeches to Be Permitted, But Candidates Will Be Guests of Honor.

Honoring the candidates of the coming municipal campaign the Eleventh Ward Republican club will entertain them at Maple Shade Park on Sunday afternoon, July 14.

Cancelling their July meeting the club members will picnic together on the above date, with Mrs. Fred Schmidt, 3107 Ellis Pl., acting as chairman of the picnic details. Harry Englehard, 45 N. Ogden Ave., has been appointed chairman of entertainment committee, according to Moses M. Williams, president of the club.

The Nature Trail

By JOHN WOLFE

PRODIGALITY OF NATURE

Mid-summer, and to the rambler, fields and woodlands have taken on a characteristic raiment. Gone are the sallow, faint greens of early spring, and in their places have come the lusty, robust greens of vegetation in full development, and in certain instances, the dark brown-tinged green which indicates the approach of senility.

We usually associate seed-time and harvest with the autumn season, but in nature, the season is now at hand. And for those who marvel at the "economy of nature," let them take to the fields now, and uphold their stand.

There is little, if any, economy, as we know the term, in the natural program. Nature does everything in an astonishingly bountiful manner. Count the seeds (not the flowers) in a field of dandelions. Number the seeds (not the berries) on a mulberry tree in full fruit. I noticed a tree the other day, the fruit was so ripe it had fallen to the ground. In six square inches, I picked up 50 fruits. Count 10 seeds to the fruits, a very conservative number, and then multiply several thousand times, and you will approximate the number of potential mulberry trees the single tree produced.

What then, would be the number of trees if all fully developed—and if their progeny likewise developed to maturity. The number is incomprehensible. In an extremely short time, the vegetation of the earth would be dominated by the mulberry tree.

But, as we can readily see, it is not.

More than 99 per cent of the seeds never get a chance to develop. In an oak woodland, one million seedlings that had already sprouted, were watched over a period of years. But five of the million ever developed to the stage where the plant could be regarded as a sapling. Probably one of that group of five attained its full stature as a tree.

I doubt if a reason can be given for this "over-production." The facts of the case are that those living things which were unable to produce "seed" so bountifully, just can't be found living today. We find evidences of their presence, however, in the rocks. They were just unable to survive.

Yet, with this remarkable prodigality, we find in nature an orderliness not surpassed by the starry heavens. Observed in the light of the long time, the unsuccessful seedlings are a minor part of the picture.

The oak forest, now magnificent and strong, standing over the hills, took several centuries in its development, and million upon millions of seedlings were unable to take part in the development, because they were subjected to conditions, too adverse for them to survive.

The productivity of nature, then, is subjected to a vast number of vicissitudes, and only the fit survive. It is not that the seeds are not fit, alone, but they may not be disseminated in favorable locations. Some fall on stony ground, others by the wayside, and still others fall among thorns and thistle, and others fall on good ground and do grow and flourish.

From the lichen encrusted rock face to the stately magnificence that is the beech forest, it is a long journey. It is not likely that an oak forest will develop in an open field. There the sunlight is too bright, and acorns deposited there are like the sower's seeds that fell by the wayside. But deposited in the shade of a pine woods, the acorn will germinate and grow, and finally, shade out the pine woods. Likewise, the beechnut, dropped by bird or animal, in the field or in the pine woods, will find the conditions unfavorable. The deeper shade of the oak forest is required for germination, and then, it too, will ultimately shade out the oak forest.

And so we have two great principles of the natural world—its astonishing prodigality and that combinaton of circumstances which permits only the fit to survive.—and on these two rocks, as it were, the whole biological world is founded.

Out of these comes a mysterious orderliness, because nothing else can come of it. Out of these come beauty, and peace, and some semblance of a Wisdom that passeth understanding. Out of these man has emerged, to do and go as he pleases. But he is on his own, and Divine Right to rule lies in his ability to obey implicitly the ancient and inexorable laws of Nature. Should he break the commandments in one of a thousand ways, then he shall break his own domination of the earth.

Man can build his own damnation or his own heaven. The knowledge is stored in the vaults of Nature, and that knowledge is a master key to doors of happiness and misery alike. Improper use of the knowledge gained from nature will open the wrong door, but on the other hand, application of nature's wisdom to world problems, in the far-reaching light of the long time, will perhaps, open portals of happiness, hitherto undreamed of.

TIME FOR A PICNIC

Now when city week-ends seem sultry and the open road beckons the picnicker you'll want to be prepared to hop in the car at a moment't notice and make for woodland or shore. Perhaps you prefer a cold snack, or you may be one of those seasoned picnic-hounds who insist on broiling steaks or chops over a glowing bed of coals. Either course involves a certain amount of beforehand preparation. If sandwiches and a thermos of coffee are your idea be sure your pantry shelf is well stocked with sandwich spreads, pickles and olives and that your ice box holds a variety of cheese, and there's a loaf of sandwich bread in the bread box.

Cheese and Date Filling
½ cup white cream cheese
½ cup chopped dates
4 tablespoons soft butter
½ teaspoon salt
2 tablespoons cream
Mix ingredients with a fork, spread on buttered slices of bread, cover with additional slice and press together firmly.

Chicken Sandwiches
Put 1-2 cup chicken, 2 olives, ¼ green pepper, 1 hard-cooked egg through food chopper, add 1½ teaspoons chili sauce and 2 tablespoons mayonnaise. Mix well and spread on buttered rye bread.

Liverwurst Sandwiches
½ cup sliced pickles
1 small onion
½ cup liverwurst
Few drops lemon juice
3 tablespoons mayonnaise
Put the pickle and onion through the food chopper. Work the liverwurst into a paste and add the pickles, onions, lemon juice and mayonnaise. Spread thickly between buttered slices of rye bread.

Cold Stuffed Eggs
Cook until hard the quantity of eggs required. Remove the shells and cut into quarters. Take out the yellow leaving the white quarters intact. To every 6 eggs, mix into the yellows ½ teaspoon anchovy paste and 1 teaspoon butter and work until completely smooth. Season with salt, pepper and a dash of cayenne pepper. Fill the quarters of the eggs with this paste and shape to the original form.

Stuffed Eggs With Ham
Hard-cook eggs and cut in two. Mash yorks, add deviled ham and mayonnaise. Fill whites and lay tiny strips of cooked ham crosswise on each egg.

Potato Salad
Peel and cook the needed amount of potatoes. Chop fine when nearly cool. Add mayonnaise to the slightly warm potatoes as the heat increases the absorption of the dressing. Add hard-cooked eggs cut in quarters, onion chopped fine and a few capers.

ENTREE OR MADE DISH

THOSE who plan meals are often confronted by the problem of what to serve to add variety, zest or to fill a vacant place in the menu. Something is needed that is different, tasty, while at the same time it fits in with the other dishes which compose the meal.

In bridge, when in doubt, lead trumps—in food planning, when in doubt, add a dish which appeals. The following are a few which may be useful; they may be varied by using different fruits or vegetables.

Orange Fritters.
Take one and one-fourth cups of pastry flour, two teaspoons of baking powder, one-fourth teaspoon of salt, mix well and add four tablespoons of evaporated milk and seven tablespoons of water, one beaten egg—beat until smooth, or about two minutes. Take two seedless oranges, remove all fiber and dip each section into the batter. Have deep fat hot enough to fry a cube of bread a golden color in 1 minute, then drop in the fritters a few at a time; cook for five minutes, drain, sprinkle with sugar and serve.

Lobster Croquettes.
Take two cups of chopped cooked lobster, mix one-fourth of a teaspoon of salt, the same of mustard, a dash of cayenne and add to the lobster. Prepare a white sauce, using two tablespoons of butter, three of flour, one-half teaspoon of salt and a cup of milk. Add the cooked white sauce to the lobster, mold into balls when well chilled and fry in deep fat, using a hotter fat than the above. Forty seconds for the browning of the bread is the right amount. Serve with tatar sauce.

Mushrooms on Toast.
Cook mushrooms in butter for five minutes, add cream and seasoning and pour over well buttered toast. Serve at once.

A Baffling Beetle

Air-breathing beetles which, apparently, can live for months under the water without coming to the surface, are described by scientists of the Smithsonian institution in Washington as a species of strange insects whose ways of life are so obscure that they are little known, even by professional entomologists. These insects are found in the cold rapid brooklets flowing through dark laurel thickets in the Great Smoky mountain. The adult beetles of this species show no special breathing mechanism which is not possessed by beetles which spend all their existence in the free air and to whom any extended immersion would no doubt be fatal. These beetles have no gills, so far as can be ascertained, by which oxygen is extracted from water.

Way Found to Stretch 'Shrinking' Food Dollar

Thousands of Hilltop housewives, who have been wondering what they could do to fight increasing food costs, will be very much interested in a statement made today by C. J. Rice of the Westgate Electric Shop, local Westinghouse Refrigerator dealer.

"Food costs for the average family can be cut as much as twenty per cent," said Mr. Rice, "by taking full advantage of the savings offered by a first-class electric refrigerator. In fact, some Westinghouse owners report that they are saving more than twenty per cent . . . by following a few simple 'economy' rules, which every housewife could easily do."

According to Mr. Rice, these Westinghouse owners buy practically all of their food at week-end "special" prices; they buy in larger quantities and make additional savings; they use "left-overs" to make many delicious and inexpensive dishes; and they eliminate wasteful food spoilage, as well as spend much less for refrigeration.

"There is nothing theoretical about this— it is being done every day," he stated. "And, with average savings of two to three dollars a week, certainly every family can now afford to have a good electric refrigerator."—Adv.

Where Cancer Is Unknown

One of the many puzzling facts about cancer is that this widespread disease is apparently unknown in the district of Lahul, India.

There You Are

An English nobleman, when asked to define a gentleman, shrewdly replied: "A man who never uses the word."

Cane and Beet Sugar

Cane and beet sugar have the same chemical formula, and chemists have no test by which they can tell whether a sample of sugar came from cane or beet.

Electric "Roto-Rooter" Removes Every Obstruction From Drains and Sewers

The local offices of the Electric "Roto-Rooter," located at 240 Columbian Bldg., 35 E. Gay St., provide a service through the Electric "Roto-Rooter," an ingenious device which removes all obstruction from sewers or drains, whether it be roots or other debris.

Rotary knives operated by a flexible steel cable are passed through the sewer from the clean-out trap in the basement to the main sewer regardless of length. Knives of various sizes are used, all of which are rotated at the rate of 100 revolutions per minute, thus reaming any sewer or pipe as clean as when new, and removing all obstructions of every nature.

St. John will meet the powerful Hillcrest Baptist team on No. 1 next Monday, with Westgate and Hoge Memorial scheduled for No. 2. On No. 3 Hilltop C. of C. and Glenwood M. E. will hold forth with Sullivant Friends and Hilltonia U. B. clashing on No. 4. Tri Mu will round out the evening's schedule at State Hospital with Burgess U. B. furnishing the opposition.

Church League Standings

Pending a decision on the Westgate games, thrown out earlier in the season, the following standings are official for the first round of play.

Team	W.	L.	T.	R.	O.R.	Pct.
Hoge Memorial	8	1	0	75	25	.888

Independance War Started In Ohio

The War of Independence found its beginnings in Ohio. In 1774 Governor Dunmore of Virginia took up arms against the crown because of his attempt to deprive Virginia of her claims to a portion of Ohio, which was then mainly occupied by the Indians under the control of the British. One of the greatest battles was fought October 10, 1774, at the junction of the Ohio and Kanawha rivers. There General Lewis with 1,500 men defeated the Ohio Federated Indians under Cornstalk.

In 1863 there were only two newspapers published by Negroes in the United States. Today there are some 250 periodicals published for or by Negroes.

The LOOKOUT

By J. N. WOLFE

POLICE! POLICE!

Gerald (Red) Tallman was a recent occupant of a lower berth on a train en route to Fat Harper's graduation at West Point.

Red couldn't sleep. He rolled and tossed, and rolled some more, but could not get that shut-eye.

Suddenly the curtains parted and stealthily a hand crept in and took Red's shoes. With a bound and a leap, the Red-head was in the aisle, ready to tear up jack—ready to manhandle the thief.

And there he was, in the middle of the aisle, face to face—with the porter.

OOP! OOP!

It happened a long time back, but it's worth recalling. Mrs. Chester Boyer, wearing a luxuriant fur coat, stepped out of the house to amble up the street for something or other.

But on her feet were un-mated shoes—a house slipper and a street shoe and she was wearing brown and gray hose.

And Dick, sitting on the porch, let loose, in that basso profundo of his: "Hey Mom, lookit yer feet!"

Dave Ballard was in town over the week-end. . . . Mr. and Mrs. George Melvin (Edith Boyer) will spend their two-week vacation in Norfolk, Va., late this month. . . . Mr. and Mrs. Virgil Green (Helen Major) are vacationing in California, Virg., who is principal of the Clarksburg school, just returned from a week's sojourn in New York, with Randy Riegler. . . . It's Washington state, not California, that Chuck Shanely is located. . . . Cpl. Sam Toy and Sgt. (Roody) Baesman will leave for Camp Perry Sunday. . . . Jimmie Hawthorne is the new Economy Drug clerk. . . . Janice Munyan will switch from journalism to elementary education at OSU next fall. . . . Did I ever note the fact that Bill West is in California? . . . A card from Dale Jenkins says all is well at the YMCA camp where he's a worker. . . . It was Anne Raether, I think, who used the adjective "luscious" to describe a dress, an automobile and a man. Oooomp. . . . Two of my better stooges have written a column you'll all love. It's titled: "Things which ought to appear, but most of them better hadn't." . . . And goodness, gracious—Denver Jividen was listed therein. . . . Sorry Mrs. Lind, but last week's mention was not intended as a reflection on your character, and we humbly apologize.

OBITUARY

Rosie, Bob Nowell's English bull, succumbed last week, with four of her children. Survivors include two unchristened pups. . . . Kitty, the Griffin clerk, paid a visit with friends in Yellerbud, O., last week-end. . . . Mike Sheskey came home with the milk man tother morning (by request?) . . . Mr. and Mrs. Bud Hummel (Ferne Mead) made the wedding trip to Kaintuck via motorcycle. . . . Pat Griffin is harvesting a bumper crop of wheat. . . . Mrs. Goldie Dee has acquired a Dobermann Pinscher (a variety of dwag, they tell me). Its tail was bobbed Monito. . . . There isn't a dandelion in Snider's yard, cor. Steele and N. Ogden. (Say doesn't that guy get the sensational stuff?) . . . Thank you, very much, H. M.

Walter Dean's name of "Bum" was given him 26 yrs. ago by an old meat delivery man, with whom he used to ride on his route. Walter would get so forlorn and dirty about the slaughter house that the man just called him "little bum." And the name stuck.

MISCELLANEOUS

Mrs. Crulse refuses to talk now, but she knows a host of goodies for the pillar. . . . Rudy Lurs, the Kent Butcher, fixes the grandest plates of cold meats. All you do is lug yer platter out. . . . It's out of our territory, but don't you think that the Godman shoe factory would look so much better and fit in with the civic center to a T if the billboard were torn down and the place landscaped? . . . And J. Bodensieck says these loud-speaker trucks and autos are sufficient evidence that Col's. is still a small town. Right? . . . Donald Bachman, the coiner's boy, is a-laboring on a Fairfield Co. farm this summer.

Improvements At Westgate Park Get Under Way

Supervisor for Girls Appointed; to Operate Full Time; New Improvements Scheduled.

Following a conference with Service Director Lucks this week, Paul Kent, chairman of the park improvement committee of the Camp Chase Civic association, indicated that progress has been made relative to the betterment of Westgate Park.

According to Kent, Westgate avenue will be cut through to Sullivant yet this summer and the dirt from this project used to rebuild four ball diamonds at the south side of the park. At the present time, three diamonds are in use, the fourth never being constructed.

To Install Lights

Lights will be installed immediately throughout the playground and at the shelter house, enabling community groups to make use of the park in the evenings.

Water will be piped to the south side of the park where the four new ball diamonds will be constructed, and the grounds will be kept properly policed and weeds kept under control.

Promise Full Schedule

Due to a request of the committee, a supervisor for girls has been appointed at the park. Miss Elizabeth Weiland, a recent graduate of West High, began her duties on Monday of this week. She will be on duty daily between the hours of 1 and 5.

Within the next few days, the park will begin a full day schedule of operation. Hilltop parks are at present open from one o'clock until dark, each day.

To Have Tennis Courts

Sometime this summer, with the use of FERA funds, eight new tennis courts will be constructed at Westgate. The courts will be clay-surfaced, and Director of Recreation Charles Seddon has promised to make them comparable to the best city courts now available.

Full time caretakers will be provided and as in the case at Franklin Park courts, a small fee of 10 cents per hour will be charged for their use. The money thus accruing will be used in the upkeep of the courts.

Library Hours Change July 15

The summer hours of the Hilltop Branch Library will begin Monday, July 15, when the library will open daily except Sunday at 9 a. m. and close at 5:30 p. m., and Saturday from 9 a. m. until 9 p. m.

In place of the closed evening hours the new schedule will enable patrons to use the library in the mornings during the summer months.

The Hilltop branch will be closed entirely for two weeks, Aug. 19 to Sept. 3.

Banquet Tuesday For Baseballers

West American Legion Teams to Be Honored At Camp Chase Clubrooms Next Week.

Announcement was made W. 'nesday by American Legion officials that the annual banquet for boys participating in the games of the West Legion baseball league would be held on Tuesday evening, July 16, at 7:30 o'clock in the Camp Chase Post clubrooms, 2493½ W. Broad St.

Each team manager has been asked to get in touch with his players and have a full turn out. Legion members, interested in the tournament, will also be present and a speaker of note will address the boys.

Legion officials promise those present an interesting evening.

Some of the local leaders of the tournament who will attend include: Pete De Weese, department child welfare, American Legion; Ben Ratner, district chairman, American Legion junior baseball and Bob Billups, of the Franklin County Council, American Legion.

Larry Scales is general chairman of the affair. He is assisted by Roger Myers, John Amicon and Bob Billups.

To Meet Tuesday

The regular meeting of the Camp Chase Civic association will be held at the Hilltop School of Music, Powell avenue and West Broad street, on Tuesday evening, July 16. A full attendance is urged inasmuch as plans for the mass meeting before city council July 22 will be announced at that time.

J. Byron Crouse

Mr. Crouse and his wife, musicians and song leaders, are in charge of music at the tent meetings being sponsored by the Highland and Sullivant Avenue Friends churches at Sullivant and Hilltonia avenues.

Bandits Boost Batting Average

Third Attempt to Rob Gene Todd Successful Monday; Two Failures Recalled.

For the first time in three attempts, bandits attempting to relieve Gene Todd of money and valuables, were successful Monday evening at his drug store, 2407 W. Broad. In boosting their batting average, the crooks took all of the day's receipts including a goodly amount of cash from electric and gas bills of Todd customers. The holdup occurred about 10:15 o'clock.

On two other occasions, attempts to hold up Todd have been unsuccessful. In 1931, a lone bandit was apprehended after a chase through Hilltop alleys. Another time, in 1930, an attempt was made while Todd was putting his car in the garage for the night.

Closing Up

Monday evening, Herbert Nettleship, a clerk in the store, was taking out window decorations and Todd was counting the day's receipts when two well-dressed men entered the door.

Todd started for the back of the giving orders to "stand where you are," store, but stopped at the second order. Both men were armed. They took all the paper money.

The men made their getaway, although police put in an immediate appearance after the hold-up, which, was apparently well planned. The two had called earlier in the evening and purchased coca-colas.

The loss was covered by insurance by Shank & Saunders.

Death Takes Nieces Of Hilltopper At Zanesville, Malta

Word was received in Columbus late Wednesday evening of the sudden death of two nieces of Mr. and Mrs. O. E. Spencer, 140 N. Burgess Ave.

Hazel Newsom, aged 16, of Malta, was drowned while swimming near her home. She was the daughter of Mr. and Mrs. William Newsom. While parents of the other niece, Mr. and Mrs. William Koch of Zanesville, hurried to Malta, another niece, Emma Koch, suddenly took ill, and succumbed before her parents would arrive back from the scene of the drowning.

Miss Koch graduated from high school this year.

Miss Newsom's body was found about midnight, Wednesday.

Installation of R. R. Flashers

To Be Made Following Allocation of Federal Funds For Crossing Improvements By State Highway Department.

Flashers for the dangerous Harper road crossing, where several lives have been taken in accidents during recent years, will be installed just as soon as the State Highway department allocates the $9,000,000 provided by the federal government for such purposes, it was learned this week.

According to officials of the State Utilities Commission, Pennsylvania railroad officials in Cincinnati have asked that installation of the flashers be deferred, until such a time as the federal funds are allocated. The cost of installation is approximately $3000.

Following a request of the Hilltop Business Men's association for the warning signals, C. J. Kohs, chairman of the Safety Committee, conferred with the commission which in turn wrote the Pennsylvania division superintendent in Cincinnati.

No definite announcement concerning the date of the Highway department's allocation of funds was made.

11th Ward Picnic Scheduled Sunday

Lemonade and Ice Cream to Be Furnished Free; Games and Contests On Program.

Plans for the basket picnic of the Eleventh Ward Republican club have been completed, and Sunday, July 14, is the date set for the outing.

Moses M. Williams, president of the club, announces that arrangements have been made for the use of Maple Shades Park, one mile south of Sullivane avenue on Demorest road, and all Republicans will be admitted free to the park as guests of the club.

Harry Englehard, 45 N. Ogden Ave., has prepared a program of games and contests for the children, with many prizes to be awarded the winners. In addition, swimming, horseshoe pitching and baseball will be available for those who wish to participate.

Mrs. Fred Schmidt, 3107 Ellis Pl., states lemonade and ice cream will be provided those in attendance, and urges all Republicans and their friends to bring a well-filled basket for the Sunday evening meal. Those wishing transportation should call Mrs. Schmidt not later than Saturday evening.

All Republican candidates of the coming municipal campaign will be guests of the club, but no campaign speeches will be permitted at the outing.

Opens Market

A. E. Quellette has opened a grocery, meat market and confectionery at 216 S. Wayne Ave. Honest, courteous and prompt service is being featured.

Hillcrest, St. John In Final Programs

Two of Four Local Bible Schools To Complete Work With Special Exercises.

Two Hilltop Bible schools, St. John Lutheran and Hillcrest Baptist, will close sessions tonight and Sunday with special programs and displays.

At St. John, the program will get under way at 7:30 o'clock. Songs, pantomimes and exercises by the six classes will be featured. Following, there will be a display of class book work, manual arts and nature study.

Beneficiary of the handcraft work this year is the Good Samaritan Home for Crippled Children, Arthur, N. D.

At Hillcrest

The Hillcrest church will present the boys and girls of its Daily Vacation Bible school in a program of music and Bible story dramatization Sunday evening. The school has been in session since June 17 and the program Sunday will consist of things they learned during that time. A display of the handwork made during the school will also be made at the close of the service. Each of the three departments will have numbers on the program.

The Glenwood school will hold closing exercises at the church next Friday, July 19.

West Broad Cars to Be Re-routed Through to High

Service In Vogue Six Years Ago To Be Restored; Women Protest Present Routing.

Monday evening, sitting as a utilities committee, city council voted to approve a plan whereby West Broad street cars will be re-routed to continue on Broad street to High and north to Spring street. The present routing turns north at Front to Spring street and east on Spring.

The planned routing is a restoration of the one in vogue six years ago, at which time the present routing was made amid strong protests of West Side and Hilltop residents. Heavy traffic conditions at Broad and High caused the change at that time.

Traffic at Broad and Front, however, has become increasingly heavy, and the change back to High street, where, according to Council President Karns, adequate police protection will be available, will relieve the Broad-Front situation.

Protests Made

According to information available, the Columbus Railway, Power & Light Co. has verbally agreed to make the change and will present a written request next Monday evening. It is thought that the new routing will take affect immediately following council's approval Monday.

Numerous complaints from West Side and Hilltop residents have been forthcoming, it was reported by Karns Monday, asking for a restoration of the service to High street. Women, who are forced to wait for West Broad cars late at night at the Front street corner, have also objected.

Refused Once

A committee representing the Camp Chase Civic association conferred with Rail Light officials last Friday morning requesting the service and learned at that time that the company had approached a councilman on the subject six months ago, only to be flatly refused.

Tuesday evening, of this week, the executive committee of the association passed a resolution urging the appointment of the president and vice president, both attorneys, as a committee to confer with the city attorney concerning the case against the Cincinnati and Lake Erie Traction Co. The case is scheduled to come up in federal court early in September.

To Hold Mass Meeting

A mass meeting before city council on Monday evening, July 22, is being planned, and at that time the group will request from the city fathers an improved bus service and an eight-minute, co-ordinated service west of Hague avenue.

15 Days To File Before Primaries

Candidates for municipal offices in the September primaries have fifteen more days, until July 27, to file necessary petitions, officials of the election board revealed this week.

Final date for registration and transferring for the primary is Aug. 19. Absent voting will be done between Aug. 18 and Sept. 1.

Hilltopper Named Workhouse Guard

Edward S. Carroll, 381 S. Ogden Ave., was appointed workhouse guard Wednesday by Safety Director Pealer. He will take up his new duties immediately. He succeeds Hugo Wachenswants, whose death occurred this week.

Dr. C. E. Sharp, Hilltop Physician, Is Inventor of Motorized "Nurse-Bed"

A motorized nurse bed, controlled by either cords or push-buttons, enabling the occupant to change positions with a minimum of effort, has been invented and patented by Dr. C. E. Sharp, Hilltop physician, with offices at 2263 W. Broad St.

The bed, planned for crippled, convalescent, aged and sick persons, is designed to aid in the prevention of bed sores, static conjestion, and overexertion. By pulling a cord or pushing a button, the patient may attain any desired position.

The original bed, designed by Dr. Sharp, was made in laboratories at the Ohio State university. Perfection of his idea resulted and two models are now available to the public. Dr. Sharp is busy at the present time introducing his invention to hospitals and other similar institutions.

Born and raised in Franklin county, the Hilltop physician has worked on his idea for several years. He is past 60 years of age. His first model was patterned after the old-fashioned cradle, and had no motor.

Dr. Sharp is the father of three sons, all of whom are interested in or are practicing medicine. The oldest son is located in Zanesville.

The local inventor graduated from the Starling Medical college at Sixth and State streets in 1898, and was awarded the Dr. Loving prize of $40 for the best thesis. He served in the World war for a year and a half, six months of which time he was an army surgeon in France with base hospital No. 64, A. E. F., at Verdun. Following the war, he returned to Columbus, where he has always practiced his profession.

Mary Jane Scully Becomes Bride Of William H. Johnson

Wednesday evening, July 3, at 7:45 o'clock, Miss Mary Jane Scully became the bride of Mr. William H. Johnson, son of Mr. and Mrs. C. C. Johnson, 354 Cliffside Dr.

The service was read in St Aloysius church before an improvised altar of ferns and palms, and the nuptials were exchanged in soft candle-light provided by two seven-branch candelabras placed on either side of the altar. Rev Father Rudolph E. Schwarz officiated. Preceding the ceremony Miss Helen Grafer presented a half-hour program of organ music.

For her wedding the bride chose a floor-length gown of white stitched organdy. The sleeves of the gown, made in three tiers, were full, and a Queen Ann's collar framed the bride's face. A deep purple velvet bow at the waistline formed the only color contrast. A large brimmed white hair braid hat, white satin slippers and white gloves completed her ensemble. The bridal bouquet was of "Patrician" white carnations.

Miss Betty Bignert, as maid of honor, wore a frock of Marian blue organza, of which the only trimming was a narrow band of pleating from the high neck-line to the waist in front. Her accessories were a white rough straw hat, white gloves and slippers and she carried a bouquet of "Chief Kokomo" carnations. Mr. Harold Johnson attended his brother as best man, and ushers were Mr. Earl Brown and Mr. Robert Scully, brother of the bride.

Following the ceremony Mr. and Mrs. T. A. Scully, parents of the bride, were hosts at a reception for relatives and friends at their home, 401 Sullivant Ave. With her gown of printed chiffon, Mrs. Scully wore accessories of blue, and Mrs. Johnson, mother of the bridegroom, was dressed in a gown of pink lace.

Watch the Sky For Coming Events

The close-sounding call of a siren anytime during the next few days is a signal for you to look up and study the skies—if you would have a treat that will be long-remembered. For the signal will be the famous "Siren of the Air"—never before seen in these parts.

And it will draw attention to a huge aerial billboard, the like of which you have never dreamed of. According to statistics, it's 200 feet long and six feet high—and it takes the best efforts of a gallant Curtis Fledgling airplane to tow it through the clouds.

Yes, it's a big story that this giant sky-sign tells—and it's just as big a story to relate how it gets up over head where you'll be seeing it soon.

Mr. Terry Snyder, manager of the Cussins & Fearn's store at 649 W Broad St., is responsible for the following facts. Cussins & Fearn's is sponsoring this historic flight, so Mr Snyder should be correctly informed. He says the sign is so big and heavy that it is born aloft in two huge windcones, after the manner of a parachute. When the "Siren of the Air" is 1500 feet off the ground, the sign is then launched by pulling a ripcord—and unfurls quickly so that all who look may read.

Mr. Snyder is also responsible for the information that the airplane employed in this exciting exploit has a wing-spread of 40 feet, and is powered with the same type of motor that was used recently in Mississippi by the flyers who created a new world's endurance record. It was secured through John Cornell of Port Columbus, and is a development of the Riblet Aviation Corporation. According to Mr. Snyder this very unusual feature does not indicate a change in Cussins & Fearn's basic advertising policy. In Mr. Snyder's own words, "Newspapers will always be the solid rock on which our publicity is based. In this particular instance, however, the Good Will Sale Event which starts today at Cussins & Fearn's is so big and unusual that we sought unusual ways of exploiting it. The earth didn't seem wide enough to hold the story—so we took it to the skies. It's a stunt however, pure and simple. The main story will be told in the paper."—Adv.

Mars Temperature Means 40 Below Zero

Atmospheric Blanket of Mars Very Thin, Writer Says; Existance of Life Improbable.

Mars is 141,560,700 miles distant from the sun. Accordingly, notes a writer in the Chicago American, it receives a great deal less heat than Venus or the earth. Science estimates that the mean temperature of Mars is about 40 degrees below zero Fahrenheit. Conditions appear much less favorable for supporting life than on Venus. The atmospheric blanket of Mars is very thin. Around its North and South poles are heavy ice caps which appear to spread further downward toward its equator as winter sets in. The planet is believed to have very little water.

Only about half as big as the earth, Mars presents nevertheless a beautiful sight in the heavens. It shines not unlike the ruddy glow from a fire, dominating the sky with its brilliance. Through a telescope it looks like a round disk, with swirls of greenish blue and yellowish lines spreading across a large part of its surface.

Astronomers have found many likenesses between the earth and Venus so far. An observer, looking at the two planets from another, would find they were almost exactly alike as to size. Venus is held to be roughly about 327 miles smaller in diameter than the earth. The mass of Venus is practically the same as that of the earth. The force of gravity is not much different between the two, it being only about 15 per cent less on Venus. Mars, being only about half the earth's size, and with a density of about three-fourths that of the earth, has as a result a vastly lesser gravitational force.

Clothes From Away Back

The Norfolk jacket, for example, is a facsimile of the chain-mail hauberk girt in by the sword-belt. And the frock coat is none other than the old-time wafenrok, a long garment falling below the knees and slit up behind for wearing on horseback, which was worn over the armor in the age of chivalry. Every modern cap, too, that has a peak is a descendant of the peaked helmet which was seen on hundreds of battlefields down to Cromwell's day.

CHURCH TEAMS IN GOOD GAMES

Merchants May Have Eight 9's In 3rd Flight

Second Round of Play Nears Close; Hamilton Gas, Walter Icemen Favorites to Cop.

If there is a third round of play in the Hilltop Merchant League, eight teams may go to the wire for the final dash, according to O. K. Hardy, league president. Although no announcement was made as to who the new entrants are, petitions have been submitted Hardy said Wednesday.

Meanwhile the second round of play neared a close with Hamilton Gas practically assured of championship honors. Idle Wednesday, the Gasmen remained at the top of the heap with but a single game with Derby Club remaining.

Meanwhile, Walter's Icemen hammered the Derbyites hard after a slow start and won in easy fashion Wednesday, 7 to 2. Preston, with two triples, Dempsey with one, with the sacks loaded, and Todd with two blows, led the attack. Hardy argued well for the losers.

In the other scheduled game, Seiller's and Liggett's fought tooth and nail, with the former being finally returned the victor, 7 to 2.

Halley Turns In Second Consecutive Shut-out; Hard-Fought Race Looms

Hoge, Tri Mu and Hillcrest Remain Undefeated; Brethren Turn In Triple Play; Westgate and Sullivant to Feature Monday's Card.

The much to be respected Burgess U. B. recreation ball team took the Hilltop Church League situation in hand last Friday evening, and behind Perkins' splendid hurling, beat the Tri Mu Crutchmen, 3 to 2. The game was played in 50 minutes. The defeat eliminated the Methodists from the first round title chase.

Green Is Star

Green, Perkins' battery mate, and third sacker Lacy were outstanding performers for the Brethren, all of whom had plenty of difficulty solving Halley's buzzers after the first frame. All the U. B. tallies were accounted for in the first stanza when Link, a pick-up substitute for the losers, dropped a fly in right field with a trio aboard.

A ninth inning rally fell short for the Crutchmen when Phillips lofted to Logan with the winning marker on second base. Gus Layman's three for four was the best club work for either team.

Decision Retracted

Meeting in a second round tilt on Monday evening, the decision was reversed when Ed Halley turned in his second consecutive shut-out while Jack Williams contributed a mighty double to score Cordes with the lone Crutchman tally.

The game, played in 44 minutes, was featured by sensational fielding and the pitching of Halley and Logan. Not a Brother reached third base for the losers.

Another Triple Play

The second triple play in as many weeks, and likewise in the history of the loop was pulled by the Brethren. With Eisele on third, Wilcox on second and Taylor on first, Halley smashed a hot one to Curliss who threw to Green to force Eisele at home. Green then tried to catch Halley at first, but Kimball threw back to the catcher to nab Wilcox as he tried to count. Halley tried to take second on the throw home, but Green's toss nailed him easily. The U. B. catcher had two put-outs and an assist on the play.

Hillcrest Wins

St. John Lutheran, again playing acceptable ball, just couldn't cope with the Hillcrest dreadnaught, and dropped a hard-played game, 4 to 1. Shafer, Kent and Reese hurled for the winners, limiting the Lutherans to four hits. R. Wolfe turned in the best defensive work for the losers in right field while Kent and Whetstone got seven blows between them to shine offensively for the winners.

Reese, making his first 1935 appearance, fanned two and forced a third to foul to the catcher in his first inning of labor. He gave up one hit.

Sullivant Edges Glenwood

With Hunt leading the attack, Sullivant Friends broke into the win column by defeating Glenwood M. E., 8 to 2. Church of Christ came back from last week's dose of Halley-itis to beat Hilltonia, 10 to 2.

In the finale, Westgate was forced to forfeit to Hoge Memorial. Due to a misunderstanding, the Dark Horses failed to put in an appearance.

Games Monday

Monday's feature melee will find Sullivant Friends and Westgate doing battle at Westgate Park on No. 4 diamond. On No. 1 diamond Hoge may find St. John rather stubborn, but could repeat their first round victory. Burgess U. B. and Hilltop C. of C., both just beginning to assert themselves, will provide a good game on No. 2, while Hillcrest should find Hilltonia easy picking on No. 3. At the hospital, Tri Mu will spank their little brothers, Glenwood M. E., rather handily.

Co-Ops To Meet Jewelers Squad

Three Games From First Place, Locals Given Little Chance To Overtake Leaders.

Three games out of first place, and with but a meager chance to overtake the leading Federal Glass nine in the Saturday Afternoon League, local State Hospital-Co-Op Cubs will swing into action tomorrow afternoon on the local diamond with Kay Jewelers furnishing the opposition.

The game is scheduled to get under way at 2:30 o'clock.

Defeat Foresters

Last Saturday, the Hilltoppers overcame a five run lead to decision the Catholic Order of Foresters, 8 to 6.

Tuller's three-base knock with the sacks clogged, featured the game, although Shewey, Co-Op left fielder, changed out a trio of safeties in five excursions to the plate.

Farm Land Protection

More than $12,000,000 is being spent in thirty-one states of the United States to protect 27,500,000 acres of farm land from the twin foes of wind and water, reports The United States News.

Decision Delayed

Decision on the Ernie Mawhirter eligibility case in the Hilltop Church League will be made next Monday, Director Charles Seddon, who is conducting investigation of the situation, announced this week.

At a three-hour meeting of church representatives Monday evening, with various officials including Seddon and Leo Cyndil of the recreation department, the case was brought up and thoroughly discussed. Final disposition of the case will rest with the department head, it was unanimously voted by Hilltop representatives.

Green Peas In Main Dishes

Creamed Peas With Eggs

3 hard-cooked eggs, sliced
1½ cups cooked green peas
1½ cups milk
6 slices bread
½ teaspoon salt
⅛ teaspoon pepper
1½ tablespoons flour
1½ tablespoons butter or margarine
6 thin slices of bacon

Melt the butter, add the flour, and cook until it begins to bubble. Add the cold milk gradually, stirring vigorously. Add the peas, salt and pepper. Toast slices of bread, and place the white sauce and peas over them. Heap the hard-cooked eggs, sliced thin, in the middle of each slice. Cut the slices of bacon into one-half inch pieces and fry them until crisp. Sprinkle the bacon over the peas, and pour one teaspoonful of bacon fat over the eggs of each serving. Garnish with parsley. Serves six.

Baked Peas

6 slices bacon
1 pint fresh peas
1 cupful cream
1 teaspoonful salt
½ teaspoon pepper
½ cup bread crumbs

Cut the bacon in small pieces and brown, add the peas which have been cooked and drained, the cream, salt and pepper. Put in a casserole and cover with the bread crumbs and bake for twenty minutes in a hot oven of 400 degrees F. Serves six.

Vegetable Salad Ring With Meat or Fish Salad

1 package lemon flavored gelatin
2 cups hot water
2 tablespoons lemon juice
1 teaspoon salt
½ cup chopped green peppers
1 teaspoon grated onion
½ cup chopped celery
¾ cup finely shredded cabbage
6 stuffed olives (sliced)
½ cup grated carrots
½ cup chopped cucumber

Add the hot water to the gelatine and stir until dissolved. Add lemon juice, salt and grated onion and allow to cool. When cool, combine with vegetables and pour into a ring mold which has been wet with cold water. Chill until firm, turn out on a cold dish and fill center with meat or fish salad. Garnish with watercress and radishes. Five servings.

Sour Milk Chocolate Cake

2 cups sifted pastry flour
1 teaspoon baking soda
½ teaspoon salt
½ cup butter or other shortening
1 cup sugar
2 eggs, well beaten
2 squares (2 ounces) unsweetened chocolate, melted and cooled
1 cup sour milk
1 teaspoon vanilla

Sift flour once, measure, add baking soda and salt and sift together three times. Work butter with spoon until creamy. Add sugar gradually, beating after each addition until light and fluffy. Add eggs and chocolate. Add flour alternately with milk, a small amount at a time, beating until smooth after each addition. Add vanilla. Turn into two greased round layer pans and bake in moderate oven (350 degrees F.) 35 minutes. Frost with soft chocolate frosting and garnish with pecans if desired.

Soft Chocolate Frosting

1 cup confectioner's sugar
1 egg, slightly beaten
Dash salt
2 squares (2 ounces) unsweetened chocolate, melted
½ teaspoon vanilla

Add sugar gradually to egg, and beat until smooth and light. Add salt and chocolate and blend well. Add vanilla. Cool before spreading. Makes enough to cover tops of two 8-inch layers.

Coconut Macaroons

½ cup Eagle Brand sweetened condensed milk
2 cups shredded coconut

Mix Eagle Brand sweetened condensed milk and shredded coconut together. Drop by spoonfuls on buttered baking sheet about one inch apart. Bake in moderate oven (350 degrees F.) until a delicate brown. Remove from pan at once. Makes two dozen.

SHORT CUTS TO SUMMER MEALS

Dishes that may be prepared early in the morning before the kitchen has become over-heated are of paramount interest to the efficient cook. The fact that such dishes have been prepared early in the day does not mean that they need to be served cold for many of them are the type that may be kept in the refrigerator and heated just before serving.

Ham Baskets

Combine 1 cup chopped raisins, 2 cups cooked rice, 1-3 cup chopped pickled chili peppers or other pickle, 1 beaten egg, 1 tablespoon Worcestershire sauce, paprika and salt to taste. Spread prepared mustard on one side of 12 slices of ham, place some prepared mixture on each slice and bring ends together and fasten with tooth picks. Fry in skillet until brown or broil under the flame. May be made with thin slices of raw or broiled ham.

Russian Goulash

2 pounds veal
2 pounds pork
4 medium onions
3 green peppers
2 pounds sauer kraut
4 teaspoons paprika
2 pints sour cream

Cut the meat in cubes and brown. Chop onions and green peppers and add to the meat. Then add the sauer kraut, paprika and 1 pint of the sour cream. Cook for 3½ hours. Just before serving add the second pint of sour cream. This dish may be kept for a day or two in the automatic refrigerator and warmed thoroughly with the second pint of cream just before it is to be served.

Ham Mold

Soak 1 tablespoon gelatine in 2 tablespoons cold water, dissolve in 1 cup boiling water, add 2 cups chopped cooked ham, 1 teaspoon mixed mustard, few grains cayenne, ½ cup beaten cream. Mold, chill and unmold on lettuce. Serve with mayonnaise dressing and horseradish.

Corned Beef in Aspic Jelly

1 can corned beef
1 package aspic-flavored gelatine
1 cup boiling water
1 tablespoon lemon juice
½ tablespoon Schmers sauce
1 cup cold water

Dissolve the gelatine in the boiling water and add the cold water, lemon juice and tabasco sauce. Chill until the gelatine begins to thicken but not until it is set. Remove the corned beef from the can and cut into ½-inch slices. Arrange layers of aspic and slices of corned beef in a rectangular mold. Chill until firm.

Lima Bean Salad

Cook 2 quarts of shelled limas in a small amount of boiling salted water until tender. Drain, cool the beans, add French dressing and let stand for 30 minutes then arrange in nests of lettuce leaves and serve with cold meat.

Here are some especially delicious sandwiches—some of them hearty enough to appease the most ravenous out-door appetite.

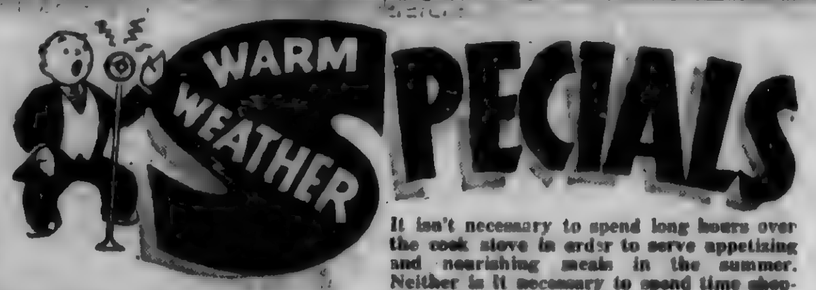
RASPBERRY SHORTCAKE

Two cups flour, 4 teaspoon baking powder and 2 teaspoons sugar, sifted together. Cut in 1-3 cup shortening and add ⅔ cup milk gradually until the dough is soft enough to handle. Toss on a floured board as droll to ½ inch thickness. If individual shortcakes are desired, then cut with a biscuit cutter. If a large cake is wanted divide the dough in two parts, roll out and bake in cake tin. Butter each half liberally and top with raspberries mixed with sugar. Whipped cream may be added if desired.

Lemonade

Take half a pound of loaf sugar and reduce it to a syrup with 1 pint of water; add the rind of 5 lemons and let stand 1 hour. Remove the rinds and add the strained juice of the lemons; add 1 quart of charged water and pour into tall glasses filled with ice. Add 1 thin slice lemon to each glass.

In government, business, and science the men of high faith and uncompromising ideals are measured by the dozens and not by the thousands.



Food Bills Slashed By New Refrigerator

"I wonder how many people know that there is one sure way of beating today higher food costs," said C. J. Rice of the Westgate Electric Shop, local Westinghouse dealers, in a statement today.

"The trouble with most people," Mr Rice continued, "is that they see only two solutions to the problem presented by rapidly increasing food prices—that of cutting down on their standards of eating; or sacrificing on other things so they can continue to eat as before. Actually, there is a third and better way of meeting the situation—one that has been successfully used by thousands of thrifty housewives, right in their own homes, with their new Westinghouse Streamline Refrigerators."

According to Mr. Rice, savings as high as twenty per cent of the total food bills have been reported by Westinghouse owners who have followed a few simple "economy" rules. First they buy practically all of their food at the "bargain" prices which prevail at the "week-end sales" . . . they build their complete, week's menus around these "specials" . . . and they buy in larger quantities whenever additional savings can be made that way. Secondly, they deliberately plan on having "left-overs" which they can use for some later meal—perhaps in a tasty salad, a delicious dessert, or an appetizing meat dish . . . at a big saving in costs.

"It takes a mighty fine refrigerator to keep perishables for a week or ten days," said Mr. Rice, "but the new Westinghouse will keep them perfectly . . . in the hottest weather . . . and, at a cost of only a few cents a day." Mr. Rice feels that the popularity of the new Westinghouse is principally due to its dependability and economy, although another thing that women like is the new Revolving Shelf and Built-in Food Compartments—"they just about double the food storage capacity by making every bit of shelf space instantly accessible for everyday use."—Adv.

It isn't necessary to spend long hours over the cook stove in order to serve appetizing and nourishing meals in the summer. Neither is it necessary to spend time shopping for food that might otherwise be spent in recreation.

Check this list of quickly-prepared foods, spend a couple of minutes phoning your order, and let our efficient delivery system do the rest!

In 1934 no gold coins were executed and before that there had been only four different years that gold coins were not issued. The total value of coins minted in the United States from 1793 to December 31, 1934, amounted to $6,121,484,081.91.

I have won every argument I ever had with myself.

Columbus Sought Way to Sail Around the Globe

The fourth voyage of Columbus was undertaken in 1502 for the purpose of finding a strait which would lead to a complete circumnavigation of the globe. He was 62 years of age and his health was none too good. He was accompanied by his brother, Don Bartholomew, and his young son Ferdinand. The journey was filled with disappointments.

When Columbus reached the West Indies he sent a messenger ashore at San Domingo to wait on Ovando, the governor, with a request that his squadron might shelter in the harbor until an impending storm had passed. He asked also for a vessel to replace one of his own which was defective. Both requests were ungraciously refused.

In his search for the strait, the explorer sailed along the coast of Honduras, Costa Rica, or the rich coast, so-called from the gold and silver mines found in after years among its mountains, and in the spring of 1503 he was near the entrance to the present Gulf of Darien. He experienced every kind of hardship that it is possible to imagine—shipwreck, mutiny, and scarcity of food.

Towards the close of the year he was at Jamaica, whence he sent a message to Ovando, asking for assistance. Two ships came to his relief, and one historian relates that the Indians wept at his departure, still believing him to be a visitor from another sphere. He was taken to San Domingo, and sailed from there on the twelfth of September, 1504, on his last trip home to Europe. Storms swept the Atlantic, and poor Columbus was confined to his bed most of the way with the gout, but on the seventh of November he arrived in Spain.

Taming Wild Elephants Old Business In India

Of the many mighty denizens of the wilds, the elephant is the mightiest. But mightier still is man's wit. Even as early as 2,000 years ago, writes V. S. Tuta, in the Illustrated Weekly of India, man in India had reduced to subjection this irresistible master of the wilds.

In ancient India, the capture of wild elephants was one of the commonest sports for Rajas and ryots alike, and very often, the power of the Raja was reckoned by the number of elephants he possessed.

Wonderful are the ways by which they used to conduct the capture. The pit method, which is fast disappearing with the progress of man, was of a very wide application in those days. The pits used to be eight feet square, rounded off towards the bottom, from which, with the aid of tame elephants, the animal was raised and tamed. Nowadays this method has been deemed to be rather inhuman, and usually the capture is effected by the keddah method, more popularly known as the "Mysore system."

The essential process is that of erecting stockades, suited to the purpose. The stockades are generally built either near salt springs, which are very frequently visited by herds of elephants, or just near the main elephant paths. The former are known as "pong stockades," and generally have only one enclosure. The latter have two gates, with the path through the center of the enclosure.

BITS OF FUN

A teacher in a primary school had recited to her pupils the words of "The Old Oaken Bucket." Desiring to impress upon them the meaning of the words, she requested that they each draw a picture illustrative of what she had read.

One little one presented a sheet of paper upon which was a large circle, three smaller circles, and a large number of dots.

"What is this large circle?" asked the teacher.

"That's the well."

"And these three smaller circles?"

"Those are the old oaken bucket, the moss-covered bucket, and the iron-bound bucket."

"And what," continued the teacher, "are all these dots?"

"Those are the spots that my infancy knew."

Good-Will Worth Its Weight In Gold

Terry Snyder, manager of the Cassing & Pearn Co., 649 W. Broad St., stated that the life blood of their business is the Good-Will of all of their customers. "We can't tell you in words all that it means to us," he said, "nor can we measure its value, but we do appreciate and in order to express this appreciation in the most practical way we know of, we are holding a mammoth Good-Will Sale—a sale which makes the customers' Good-Will mean something to Him as well as to us.

"We are sharing our profits and have made such drastic cuts for the special event that thousands of dollars of savings will go into the pockets of our customers. We have practically forgotten our profits to bring these savings to you. That's what we mean when we say that Good-Will is worth its weight in gold to our customers."

Details and special prices appear in an advertisement in this paper today.

SECRETARY'S REPORT

Dear Lookerouter: A lovely letter from Helen McInnis, a former Hilltopper. She's living at 3587 Cleveland Ave., now. . . . A note from "would be friend," which addresses you as: "Dear John." Goodness. . . . A card from Dale Jenkins. He says to write soon. . . . Dave Ballard called. He'll be assistant coach at Kenton next year, where they play football. Which he likes. . . . Irene McKinley foned. Says she'd like you to check that story about her going riding in the rain with a guy which carried an umberell. We know nothing about it, do we? . . . You'd snort if you heard what Roody Baesman says Lydia Addison compared your pillar to. But she's a regular reader. . . . And somebuddy (I couldn't discover whom) told Mendel Thompson you are as windy as ever on the ball diamond. . . . And those Westgate ladies who rassed you so are still looking for a letter to their minister. Haint you ashamed? . . . And Paul Fulton's beard, after two day's growth, is the roughest ever I saw.

LETTER

You and some other of your readers will like this paragraph from a letter you received: "I enjoy your column in the Record very much. Have never seen anything in it to offend, therefore think it very exceptional for that sort of a column. So often columns of this sort are sometimes objectional. My best wishes and congratulations." But we oughtn't to brag, ought we?

ADD BALL FANS

You should have mentioned Herb Deems in your list. He's a regular. . . . And O. E. Spencer not only attends every night, but walks out most of the time. . . . That chap, big as a mountain, dressed in white, with a huge red W on the front of his sweater, is Mr. Walters, backer of the Icemen. Herb Davis attends feature attractions only. . . . Cap Waddington, the rabid Tri Mu booster. . . . Ernie Dahland seldom misses. . . . And Cy Williams is out somewhere every night, north, east, south and west. . . . And T. C. Weir, when in town, follows his Hoge team assiduously. . . . A. J. Corcoran and W. W. Wiley, the latter with his eternal pipe. . . . Bob Blesch, sr., with his perpetual admonitions. . . . Occasionally Rev. Magann, but others infrequently, although Rev. Hutchison was seen two weeks. . . . And you forgot to say that Chawlie fetches Mrs. Weidner when she shows up every week. . . . And Bill Haydn Jones, who's paid many a quarter to see worse displays of baseball.

ALL ABOUT DAWGS

The Dr. Sharp canine is called "Jon." . . . And Markins' Ching Fu Pooh Mingu, or some such title, dines daily on kidneys. . . . Sandy, the Layman purp, has his ancestors recorded on paper. But he's illiterate, you can lick him up by the tail. . . . Paul Kent's pooch is named Chan. . . . But the king of them all, Raymond (The Great), of noble lineage in a thousand directions, still roams high, wide and handsome. Tother day he was seen walking complacently down the street with Mrs. O'Conner. . . . And Duke, the Allen pet, approaches his 20th birthday.

LOCAL POETS

They have contributed frequently to a variety of magazines and all have had their verse in local papers. Mary Rutan Byerly is Mrs. Harry Byerly of Midland avenue. . . . Virginia Eaton is Mrs. Harry Eaton of South Roys avenue, and Katherine Kelly and Ethel Titus Worthen are both Hilltoppers. . . . E. Weakley is Mrs. C. A. Weakley of Belvidere avenue. . . . Ferne Parsons Norris is Mrs. Orville Norris, also a Belvidere avenue resident, and Ada May Dyer is also known in music circles. She lives on Hague avenue. . . . Now, there are some items you didn't know before, sent in by "Ex-Hilltopper."

MISCELLANEOUS

Mr. Snider says you got that dope about his dandelion digging from Markins, across the street. But the latter is too busy surveying that sewer project along Steele avenue to be gossiping thataway. . . . And incidentally, Mr. Snider follows that project with interest. I'm told he goes out each morning to see how they're doin'. . . . That

Principals At Local Schools to Be Returned

Few Changes Expected In Faculties Of Local Schools; Five-Month Contracts Probable.

All five principals of Hilltop Public schools will be back on duty when classes are resumed Sept. 2, it was indicated this week when the Board of Education took under advisement a list of approximately 1500 teachers, principals, substitutes, librarians, and assistant superintendents.

Otto H. Magly will return to West High; Dr. H. H. Leighley will be located at West Jr., with Miss Ruth Buchmyer as vice principal. Miss Blanche Kern will again be vice principal at the senior high.

Harriett A. Judd will be in charge at West Broad; Matilda Stuart will be at Highland, and H. L. MacMillan will be at John Burroughs.

Five-month Contracts

Columbus teachers will receive contracts for five months beginning Sept. 2, in all probability. Class instruction will end on June 10, 1936.

Mary Smith was again appointed librarian at West High at the Monday session of the board.

Although approximately 300 substitute teachers will probably be approved by the board soon, many of them to each regularly in Columbus, few new faces will be found on Hilltop faculties next year.

Hoge Memorial School to Close

Special Program to Be Held At Hoge Sunday Morning; Final Classes Held Today.

Hoge Memorial Presbyterian and Glenwood M. E. Daily Vacation Bible schools will close four weeks of activity with special programs at the respective churches today and Sunday.

At Hoge Memorial, a feature program will be held on Sunday morning at 10:30 o'clock. A special offering will be taken to cover expenses of the school and a display of the handwork will be held in the church gymnasiums. Mrs. Earl Tingley has been the school's superintendent.

Songs and recitations will be the features of the service.

Named Queen

Evelyn Gibson, 78 S. Richardson ave., was named queen for the Florida float in the Elk's Parade held Thursday.

Broad-Hague Hardware to Sponsor Second Annual All Church League Soft Ball Game

One of the finest soft ball attractions ever scheduled on the Hilltop will take place early in August when two selected teams from the ranks of the Hilltop Church League players clash on a diamond yet to be named.

The game, to be sponsored by the Broad-Hague Hardware, will be played as soon as the two squads have been selected by vote of the ten managers. Ballots were sent out this week and the contending teams will probably be announced in next week's issue of the Record.

To Use National Rules

"National soft ball rules will be in vogue for the tilt. Under these regulations, a team of 10 men is used, the extra player roaming at will through the sector between the outfield and the inner defense. The inseam pellet, a much livlier sphere than the familiar outseam ball, is used and rules prohibit the scoring of a run from third base on a passed ball. If the plans materialize, the game will be the first ever played in the community under national regulations.

May Play At Hospital

Due to the fact that the State Hospital diamonds are more adequate for inseam play, an effort will be made to secure the No. 1 layout there for the game. The tilt will be played under the supervision of an All Church-League arbiter, selected by vote of the managers.

Final arrangements will be completed when the opposing managers have been selected early next week. The official balls, and umpire fees, will be provided by the Broad-Hague Hardware.

More Sports

Church and Merchant League recreation ball results and other sports notes of Hilltop interest will be found on Page Five.

Fireman Hartung Is Reinstated

Dismissal By Safety Director Held "Unwarranted" By the Civil Service Commission.

Holding his dismissal from the fire department as "unwarranted," the municipal civil service commission reinstated Arthur H. Hartung, 2440 Sullivant Ave., as city fireman Tuesday. Hartung had been dismissed twice in three months by Safety Director W. S. Pealer.

Last March he was dismissed on charges of drinking and appearing on the street without his uniform during sick leave. He was disabused and the commission substituted a 30-day suspension in reinstating him. In June, he was again dismissed for appearing 12 minutes late for duty. The commission substituted a five-day suspension and again reinstated him.

Candidates

File Petitions With Board Of Elections For Participation In August Primaries.

Wyatt L. Mifflikin and Samuel J. Willis, Hilltop residents, have filed their petitions for re-election to offices of city councilman and city auditor respectively.

As the Record went to press this week, other candidates, if any, had not announced their intentions of filing. The deadline is Friday (today) at 6:30 p. m.

Floyd Green, whose mayorality aspirations were suddenly squelched by the Republican convention choices, will not run for the office, he told a Record reporter last week.

Ray G. Haunts, president of the Board of Education, will announce his decision upon his return from Mexico City, where he will be a delegate to the Lion's convention. The convention is being held July 22 to 27.

Couple Celebrate 53rd Anniversary

Mr. and Mrs. M. F. Gooley, 2008 Fairmont Ave., observed their 53rd wedding anniversary last Saturday, July 13. They were married in New Holland in 1882, and among the many callers Saturday were Mr. and Mrs. Gooley's brother and wife, Mr. and Mrs. T. C. Gooley of New Holland.

The Hilltop couple have made their home in the community for more than 50 years.

Three Hilltoppers to Be Registered

Madge Markins, Jean Mellsop and Jack Williams, West High Grads, Pass Pharmacy Tests.

Two of the three Hilltoppers who were successful applicants for registration as pharmacists, were women, it was announced Wednesday of this week by M. N. Ford, secretary of the Ohio State Board of Pharmacy.

The successful applicants included: Madge Markins, 180 N. Ogden Ave.; Jean Mellsop, 28 N. Burgess Ave., and Jack Williams, 86 Haldy Ave.

The three are graduates of West High, Miss Mellsop graduating with the class of 1930; Miss Markins graduating in 1931, and Mr. Williams receiving his diploma in 1930.

All are also graduates of the Ohio State university, Miss Mellsop and Miss Markins receiving degrees this year but has since attended the unipast June. Williams graduated last rerality preparatory to entering the medical school. He has been an assistant in the pharmacy department for the past two years.

The election of delegates to the district American Legion convention to be held at Newark on Aug. 4, and to the state convention, to be held at Dayton, Aug. 24, 25 and 26, will feature the business session of the Camp Chase Post No. 98, American Legion, at its regular meeting tonight.

Through the courtesy of Charlie Powers, manager of the Broad Acres Golf Course, the meeting will be held under the floodlights at the course located just west of the Big Four viaduct on West Broad street. The session will get under way at 8 o'clock.

Members desiring to play a round of golf prior to the meeting are asked to report early. Refreshments will be served after the meeting.

Rev., Mrs. Magann to Take Vacation In California

Rev. and Mrs. S. Talmage Magann will leave for Santa Barbara, Calif., early Tuesday morning, July 23, it was announced this week. Rev. Magann, pastor of the Hillcrest Baptist church, has been invited to serve as vacation supply at the First Baptist church at Santa Barbara during the first three Sundays in August.

This church is one of the largest of the denomination in the state, having an assistant pastor and two missionary representatives in the field.

Mr. and Mrs. Magann will take 10 days for the trip, stopping at points of interest en route. They will return to Columbus Tuesday, Aug. 27.

In the meantime, mid-week and Sunday evening services will be omitted. Sunday morning services will be announced each week. Mr. Magann will conduct both services at the church Sunday, July 21.

Tent Revival Meetings To Close Sunday Night

Revival Tent meetings, which have been in progress at Sullivant and Hilltonia avenues since July 4, will come to a close on Sunday evening, July 21. The meetings have been sponsored by the Highland and Sullivant Avenue Friends churches.

Sunday morning services will be held at the churches with the final tent meeting scheduled for Sunday evening. Rev. Cross will preach at both morning and evening services.

Twins? No, Never! But They Look Alike

Evelyn May Bruss and Vivian McGee are two cute blondes, with big blue eyes, and of the same weight and height. They'll attract the admiring eyes of all as they walk down Broad street, and what's more, they'll be taken for twins as sure as you're alive.

But they're not, for Vivian, daughter of Mr. and Mrs. Charles McGee, is a Hilltop resident. Evelyn is the daughter of Mr. and Mrs. Herman Bruss of Pittsburgh, who are visitors here this week.

And just a minute men—Vivian will be three in October. And Evelyn will be four in December.

Rausch Brothers Are Among Youngest Hilltop Business Men

Forced to shift more or less for themselves since an early age, due to the death of their father, Paul and Lutrell Rausch, proprietors of the Broad-Hague Hardware, are managing mighty successfully.

Lu was 10 and Paul was 14 when their father, George Rausch, was drowned in a successful attempt at saving two boys who were helpless in the river below the Third street bridge, 14 years ago. Mr. Rausch, a foreman with the R. H. Evans Construction Co., was working on the bridge at the time and lost his life when he heroically answered the boys' cries for help. Charles and William Franks were the rescued lads.

The Carnegie Gold Medal, awarded for heroic service at the risk of life, was awarded to Mrs. Rausch in honor of her husband's bravery in 1919.

Aided by their sister, Bertha, now Mrs. Don Lear of 238 N. Burgess Ave., and their mother, Mrs. Barbara Rausch, 95 S. Hague Ave., the boys managed to do odd jobs of every sort. At one time, according to Paul, they supplied practically all of South Ogden avenue with ice.

Mechanically minded, and masters with the carpenter's tools, they turned out great numbers of model airplanes, boats, motors and the like from a workshop they outfitted in their basement.

And the reason they are in their successful business today, they say, is because of an airplane they built while wet kids at home. The plane was constructed in the basement and upon completion, they couldn't get it out of doors.

"Which is probably the outstanding reason for our being here to tell the tale," Paul explains.

Both boys were born in Marysville, coming to Columbus 20 years ago Paul, at that time was eight and Lutrell was four. They graduated from West High school, the former with the class of '25 and the latter in 1929.

While yet in Highland Jr. High, Lu worked as a clerk at the present store, then owned by Burrier & Barrell. W. H. McClelland and Harry Elder later took it over, keeping Lu as a clerk. Paul, soon after, purchased an interest in the concern.

After the younger Rausch had bought a share, the two brothers took over full control in February, 1932, and since that time have established themselves among the leading merchants of the community.

Two summers ago, Lutrell was the leader of the excursion to the World's Fair for ten Hilltop boys and girls, winners of a contest sponsored by the Hilltop Business Men's association.

News Notes From Hilltop Playgrounds

In the sack race for boys, Bob Richter, Oscar Spang, Charles Rose and Jack Hirsh were the winners. Lauretta Miller, Norma Teagarden and Rinna O'Donnell won for the girls.

In the three-legged-race for girls, Fern Harrington and Sara Jane Styh teamed to win while Henry Leherlton and Mike Early composed the best boys' team. Alice Valentine and Phyliss Rodgers won the girls' wheelbarrow race as did Jack Hush and Bob Hush for the boys.

In the bean guessing contest, Violet Schoonover won for the girls and John Freeborn won for the boys.

Ruth Stevens, a graduate with the 1935 class at Central, has been added to the volunteer staff at Westgate Park. She will be on duty from 1 to 5 each afternoon.

Twenty-four entries were made in the Glenwood Pet Show last Friday evening, with Harold Gibbons' black and tan rat terrier taking first prize for the best dog. The title prettiest dog went to an eskimo spitz owned by Patty Rice. A prize for the oldest entry went to a gander owned by Henry Shulton. "Powder Puff," a kitten, won the prize for the smallest entry. Mrs. Irene McKinley's English Setter, brought by Catherine Donahue, won the last prize, for the largest pet. Judges were Walter Andrews, Harold Ell and Harry McCub.

A full time program will get under way at Holton Park next week when contractors complete the projects there.

A horseshoe tournament will be held at Westgate soon. Registrations will be taken next week.

A tennis tournament will get under way at Glenwood on Monday, with two classes of competition being held. Juniors 15 and under and intermediates 18 and under will vie for honors. Those wishing to enter should register with Byron Stouder.

A great number of contests were run off at the Blue Valley Creamery picnic at Glenwood last Friday afternoon. Various classes, determined by ages of the contestants, participated in the events.

In the 50-yard race for boys, Ira Blackwell, Dan Brown and Bob Miker were the winners. In the same race for girls, Ida Morgan, Delores Davidson, Mildred Belle and Jane Morgan took top honors.

Glenwood and Westgate tennis teams were to have met in a dual meet yesterday at Westgate.

Grocer's Picnic Set For Next Wednesday Afternoon, Evening

All is in readiness for the annual outing and picnic of the Central Ohio Independent Grocers and customers at Olentangy Park, Wednesday afternoon and evening, July 24.

The affair, sponsored by the Creasey Co., will be one of the largest ever held and preparations are being made to handle huge throngs throughout the day.

Many Prizes

Among the many prizes to be distributed to lucky ticket holders are: a Ford car, a Gruno refrigerator, an A-B-C Spinner washer and an 11-tube, Gruno radio and approximately 50 baskets of food will be distributed.

A bathing review will also be held and $100 in prizes will be awarded to winners of this event. It is not too late to enter and those desiring to compete are asked to get in touch with Max Gutkind, chairman of the event.

Reduced Rates

Reduced rates will be available to children throughout the afternoon for all amusements at the park. A ticket good for 50 cents in rides may be purchased near the park entrance for a quarter. The low rates will prevail until 5:30 o'clock.

Montana Meechy, whose band of cowboys will furnish the music for the dancing in the evening, will also give some demonstrations in the afternoon of knife throwing and lariat work.

There will be a personal appearance of some radio stars, including Eddie and Dave, Bob French and others. Completing the afternoon program will be a ball game between the Triangle nine and the Tasty Bread squad.

Drawings At Nine

Drawings for the various prizes will get under way promptly at 9 o'clock, officials said this week. Tickets will be available at local stores throughout the week and up to picnic time on Wednesday. Many of the local merchants will be closed from 2 o'clock on on Wednesday afternoon.

Mother Succumbs

Mrs. Florence Campbell, aged 76, of Bidwell, O., mother of C. H. Campbell, succumbed at her home last week following a stroke. Funeral services were held Saturday with burial at Bidwell. Mrs. Campbell had many friends on the Hilltop.

New Homes, Improvements Under Way In Community

BOSS AWAY

Record Publisher Takes Sudden Vacation; "Doesn't Want To Be Bothered."

The Boss is away. R. D. Hastings, publisher of the Record, stopped around on Monday morning about 8 o'clock to let his hirelings know, and then just disappeared. His only statement was: "I don't want to be bothered."

What his plans were or how long a period they covered is probably known only to himself. Reports had it that he spent Monday in Greenfield. Tuesday morning he was out on the Beacon Light golf course. Other information has been hard to get.

But here's the paper, same as ever!

Hilltop Officer Shot In Battle

Bullet Lodges In Side In Scuffle With Quartet of Hoodlums Near Lancaster Sunday.

Detective Sergeant George Ruder, 450 Catherine St., shot in the side below the heart Sunday afternoon on State Route 22 near Lancaster in a gun battle with hoodlums, was improving this week, according to reports.

Following a report that a hit-skip driver had headed south following an auto collision at 22nd and Mound streets, Detectives Ruder and Wertz started for Lancaster. En route four youths were seen walking along the road. They aroused Ruder's suspicions and he turned around and stopped to question them.

Three fled, but one drew a revolver and threatened the Columbus officer. Ruder struck the lad as he fired, the bullet lodging in his side. The youth, Schultz by name, fled, but was wounded when Wertz opened fire. All four were later captured and held for authorities at Allentown, Pa., where they are wanted for questioning concerning the murder of a night watchman several years ago.

Following the shooting, Werts drove Ruder to Circleville where he was treated at the Berger Hospital. He was later removed to Mt. Carmel Hospital in Columbus, where he is improving rapidly.

Boys Pass Tests

John Brown, Reginald Ashburn, Robert Evans and Donald Holmes of Boy Scout Troop 162, Oakley Avenue Baptist church, passed second class cooking tests last Friday when the troop held an out-door meeting. Leon Gadson, at the last court of honor, was promoted to junior assistant scoutmaster.

Seven Dwellings Being Constructed

To Start Westgate Projects In August; West Broad Paving May Start In Fall.

Home construction, public work projects, and reconstruction work are giving an appearance of boom times on the Hilltop again, a general survey of the community showed this week.

A total of seven dwellings are under construction at the present time. One is being built on North Westgate, three on South Huron, two in the addition west of Hague avenue and south of Sullivant and one on Fairmont avenue.

Improve Parks

Meanwhile, work at Holton Park is nearing completion. A retaining wall of limestone, constructed in step fashion, now lines the banks of the stream that furnishes an outlet for the lake.

Work at Westgate Park will not get under way until late in August, according to an opinion expressed by Charles Seddon, city recreation director, this week.

F.E.R.A. funds will be used there and the official approval of Washington authorities has not yet been forthcoming.

To Pave Westgate

If the approval is forthcoming, and it is expected, Westgate avenue will be paved through to Sullivant avenue, and a variety of improvements made at Westgate Park, including the installation of four new diamonds and eight tennis courts.

Reconstruction of Westgate Temple, the interior of which was destroyed by fire a month ago, is under way and will be completed soon.

Sewage work, well under way, will continue for some time to come, although work is proceeding according to schedule, according to Nick Cenci, contractor on the local job.

West Broad Paving

Although the contract for the paving of West Broad street from Wheatland avenue west to Hague has not been let, City Council in Monday's session granted the State Highway department permission to supervise the work.

That work too will probably begin in the early fall, with the sewer work preventing an earlier start on the project.

Pending the court decision on the Cincinnati and Lake Erie Traction Co., Camp Chase Civic association is preparing to fight hard to bring about the cessation of the company's travel on city streets.

Have Franchise

Although the franchise for operation on Sullivant and Town streets has expired, it was pointed out that the franchise for use of West Broad street has 10 years yet to run.

Monday night at Council meeting, 25 members of the association, cooperating with the Southwest League, will meet with the city fathers to seek approval of extending the West Broad car line to the viaduct.

Meanwhile, traction trains continue to operate within the city limits, receivers for the C. & L. E. having been granted an injunction following the

$5000 For Repairs

Release of $5000 for repairs at the Columbus State Hospital was approved by the state emergency board Tuesday of this week. The money, allotted to the department of public works, will be paid from the emergency fund and will be replaced at the expiration of the 90-day referendum period on appropriations for capital improvements.

Before and After— Use Record Want Ads

Vacation time is coming and even now, for many, it's all over.

But before and after your trip, you'll find Record Want Ads useful. Perhaps you need a cooking kit, or camping equipment, from trailers to pup tents. An ad stating your wants will bring results.

Or perhaps you've some camp equipment in good condition which you do not need. Someone will take it off your hands and bring you a few extra vacation dollars. The cost of a Record Want Ad is just a few cents. And the returns are so substantial.

CLUB MEETING

The Hilltop G. O. P. club will have a get-together Monday evening, July 22, at 8:00 o'clock at the home of Mr. William Davidson, 274 Highland Ave. At this time several candidates will be present and entertainment will be held. The committee in charge is composed of Clarence Jennings, chairman, David C. Cook, Grover Kimbrough and Mr. Davidson.

W. C. T. U. PICNIC

The West Side and Hilltop organizations of the W. C. T. U. will hold a picnic Wednesday, July 24, from 10:30 to 4:00 p. m. at Glenwood shelter house. Each person is requested to bring sandwiches, covered dish and table service.

Evidence Is Seen Of Increased Prosperity

Optimistic Statement Is Based On Heavy Buying At Cussins & Fearn Good-Will Sale.

According to Mr. Terry Snyder, local manager of the West Broad Street branch of Cussins & Fearn Company, business daily is showing evidence of the return of better times! He bases this statement, he asserts, on the fact that since the Good-Will Sale of The Cussins & Fearn Company has been in progress his store has been crowded with eager buyers! "You can't tell me," he continued, "that people haven't money to spend when real values are offered them! This isn't just a mere opinion. I have facts to back me up! Among the many customers attracted to our store during this Profit-Sharing Event, I am especially gratified to note that the average amount of their purchases is higher than usual! They are not only buying for today—but for the future—buying now, while their dollars buy more.

"Now that just couldn't happen if people were broke, or without income. Whether or not people have as much money to spend as they ever had, I don't know. But, I do know that most of them go where they get exceptional values for what they do spend! Many of our Profit Sharing, Good-Will Specials have been snapped up so quickly that I have already had to ask our Columbus Warehouse to rush an additional supply."

Mr. Snyder added that this is typical of the heavy buying all over Ohio at all the 22 Cussins & Fearn stores. All of them are experiencing the same rush of business which he obtains at his store! Increased prosperity has certainly returned to Ohio if his business is any criterion.

St. John, Glenwood Give Hoge, Tri Mu Hard Games Mon.

Managers Hardy and Wilcox Are Batting Heroes in Two Hard Fought Soft Ball Battles.

Tri Mu, Hoge and Hillcrest, co-leaders in the Hilltop Church League, emerged unscathed but, in the case of the former two, badly scared in Monday's games to retain their enviable standings for the second round.

Only a ninth inning rally by the Crutchmen enabled them to trim their little brothers by a 5 to 4 score, and only Manager George Hardy's pinch double in the seventh frame with the bases full permitted Hoge to edge St. John, 8 to 2.

In the final headliner, Hillcrest hammered Hilltonia hard behind Reese's brilliant hurling, 11 to 0. Speedy Kent got a homer for the winners and pitched the final three innings without giving a hit. Reese, during the first six stanzas, gave up two flukey safeties.

Watts Slugs Homer

Watts, who toiled on the mound for Glenwood Juniors, drove out a long homer to place his squad in the lead, 4 to 3, as the Crutchmen advanced in the final half of the ninth. Herron, who assumed the pitching burden for the losers, opened the ninth by passing Davey. Constance erred and Taylor was safe. Williams was purposely passed and Manager Curt Wilcox boomed a hit down the third base line to count Taylor with the winning tally after Ours had singled Davey home with the tying run.

St. John led Hoge, 1 to 0, until Hardy's timely crack in the seventh. The loquacious Presbyterian leader, pinch hitting for Cash, busted one of Blesch's offerings down the left field foul line to clear the sacks. Holstein scintillated in right field for the winners, while Courtillier's offensive work and Blesch's hurling stood out for the losers.

Westgate Beats Sullivant

Meanwhile Burgess U. B. and Westgate Evangelical went into a tie for second place by defeating Church of Christ and Sullivant Friends, 9 to 1 and 7 to 1, respectively. The losers dropped down into second division with St. John, Hilltonia and Glenwood.

Next Monday evening, the position of two of the leaders will be seriously challenged when Burgess U. B. meets Hoge Memorial on No. 4, and Westgate looks up with Tri Mu at the Hospital. St. John or Hilltonia will leave the cellar by arriving at a decision on Westgate No. 2; Glenwood M. E. and Sullivant will meet on No. 1, and Hillcrest will round out the evening's card by playing C. of C. on No. 3.

Games Next Friday

Another set of games will be played next Friday and in all probability attendance records will fall, for the long-anticipated battle between Hoge and Hillcrest is scheduled for Westgate No. 1. Playing to what will amount to an empty house elsewhere, Church of Christ will meet St. John on No. 2; Glenwood will tangle with Westgate on No. 3; Burgess and Sullivant will provide the fireworks on No. 4, and Hilltonia will visit the Crutchmen at the Hospital.

A unanimous decision of a special protest board returned the five forfeited games of Westgate Evangelical Monday, and as a result, the Dark Horses were declared champions of the first round of play in the Hilltop Church circuit.

The announcement was made by Director Charles Seddon shortly after noon on Monday, after a half hour session of the committee. Ernie Mawhirter, key figure in the case, was absolved of all blame and the games in which he had played, previously forfeited, were returned. The decision gave the Howard-managed nine a clean slate of nine victories and no defeats.

On Three Lists

Mawhirter had previously been declared ineligible because his name appeared on three eligibility lists in the department files. The investigation revealed, however, that he had requested to be taken off the list of the Central Ohio Paper Co. Manager Purcell of that team, however, neglected to make the change.

The committee, composed of Director Seddon, Rev. A. E. Anderson, pastor of the North Church of Latter Day Saints; Dr. Walter Reeves, president of the South Church League; Leo Uridil of the Recreation department, and Frank Colburn, president of the Hilltop Church League, decided that

Headed For Title?

Wilcox is manager of the Glenwood Tri Mu Crutchmen, who, behind the exceptional hurling of Ed Bailey, appears to be the aggregation to beat to cop second round honors in the Hilltop Church League.

The Tri Mu leader covets in center field and is lead-off batter for a power house attack, which contains such dangerous offensive guns as Leo Phillips, Jack Williams, Loren Cagler, Louie Geer and the ever-to-be respected Gosie Layman.

Hamilton Gas Is 2nd Round Winner

Hamilton Gassers won the second round title in the Hilltop Merchant League Wednesday evening with a 4 to 0 victory over the Derby Club. A six team circuit will probably start the third round of play next Wednesday.

Walter's Icemen, winners over Claggett's Confectionery, Wednesday, 9 to 4, were the runners up. They copped the first round championship.

In the final game, Seiler's was forced to forfeit to the loop's newest entry, Bradley A. C.

Cabbies to Meet League Leaders

State Hospital Co-Op Cabs, riding in third place in the Saturday Afternoon circuit, will endeavor to preserve already slim pennant hopes Saturday at the State Hospital diamonds when they meet the league-leading and undefeated Federal Glass nine. The game will get under way at 2:30 o'clock.

Getting four hits and pitching well, Fuller led the local Terrors to a 5 to 4 victory over Kay Jewelers last week. Trailing 3 to 2, the Hilltoppers took the lead in the seventh by counting twice. Both teams tallied in the eighth. Two of Fuller's blows were of the two-base variety.

Westgate Is Winner

Westgate defeated Hilltop Church of Christ and Sullivant Friends beat Hillcrest in Intermediate Church League games played Tuesday evening. The Burgess U. B.-Hoge Memorial score was not reported.

Preston and Hysell Declared Eligible

the case was a purely technical one, and should be over-ruled.

In another decision Monday, the committee ruled that players Preston and Hysell, of the Hillcrest Baptist team, would be eligible through the second round to play with three teams. The two players, declared ineligible during the first round, caused the Hillcrest team, winner of five games, to be dropped to the foot of the standings.

It was stressed, however, by the committee, that the ruling in no way would set a precedent. Extenuating circumstances in the case caused the ruling to be made and no other players will be granted permission to participate on more than two teams.

Preston and Hysell are affiliated with the Williams Meats and American Education Press nines.

Want Poles Out

Although the Hilltop Business Men's association has asked for the removal of telephone poles on West Broad street, nothing has been done about the project. The association will delay further action until the paving of the stretch gets under way, at which time, it is thought, it will be convenient to move the poles.

Last week more than a score of men were placed to work on the new substation of the Railway Power & Light Co. being constructed at Wilson road and Crystal Springs Dr. The station will care for the entire west side and will have a 40,000 volt output.

"Mere Man" Suggests Way to Fight High Food Costs

In this day and age, when every woman is sorely vexed at the speed with which food prices are constantly advancing, it takes a lot of nerve for a man to step into the picture and make some constructive suggestions on how she can economize and save money on her food bills. Yet, that is exactly what happened today—and, strangely enough, the suggestions have a great deal of merit.

C. J. Rice of the Westgate Electric Shop, local Westinghouse dealers, is the courageous individual referred to. In a statement today, he said: "The average housewife passes up an awfully good 'bet' toward economizing, by not taking greater advantage of the 'special' prices which prevail on most foods at the 'week-end sales.' I'll grant that everyone buys—but only for their immediate requirements; whereas if they were to buy for the entire week at this time, they could save as much as ten and twelve per cent on their food bills."

Another great potential source of savings, according to Mr. Rice, is through buying in larger quantities—bigger cuts of meat, larger sizes of canned goods, and fruits and vegetables enough to last for a week or more. "In this way," he explained, "you can save another five to ten per cent—all of which is mighty important in this day of modest incomes and high food prices."

When asked how a family could safely keep a week's supply of perishable foods without spoiling, he replied: "The new Westinghouse Streamline Refrigerator will keep foods for more than a week without spoiling . . . in the hottest weather . . and, at a cost of only a few cents a day. Moreover, the new Westinghouse holds a tremendous amount of food; because the storage space has been worked out by experienced home economists, and the Revolving Shelf and Built-in Food Compartments make every square inch of shelf space instantly accessible and usable."

Mr. Rice submitted figures showing that approximately twenty per cent could be saved on food bills by following his complete suggestions. As he put it—"Why, that is more than enough to pay for a new Westinghouse; yet some folks claimed that they couldn't afford to buy an electric refrigerator." —Adv.

THE IMPORTANT THING

It is to be regretted that play in one of the best soft ball leagues in Columbus—the Hilltop League—has been marred by the unfortunate incident of last Monday evening.

The affair was not a happy one, but only biased thinking will permit it to cast a reflection upon one of the leading churches of the Hilltop, or the men in charge of athletics at that church. Not defending poor sportsmanship, we nevertheless are of the opinion that players George Hardy and Frank Holycross and Umpire McVay have made worth-while contributions to sport in the community. It was in the heat of a hard-played game that the unfortunate happening arose.

And the important thing, it seems to us, is to realize that the affair became so tense as to disturb the normal balance of human behavior. The incident itself, we believe, is sufficient cause for all —players, fans, umpires alike—to try a bit harder to maintain a cool and balanced judgment in the warmth of athletic competition.

Obviously some sort of disciplinary action must be taken, and judgment has been made by the proper authorities. But the important thing, we repeat, is the realization of a greater need for careful conduct. Retaliation and a desire to "get" somebody need not prevail as a mode of thought in the present situation.

Ed. Johnson is looking for a chap to make a New York trip with him, last wk. in August. . . . Madge Markins is head of the Drug dept in an Akron (O.) store. . . . The Ralph Welch's returned to Rochester (N. Y.) Sunday night. Sam Toy, the corporal, was home for a few hrs. visit Sunday. . . . The Charles Davis's were last heard from in Whitefish, Montana. . . . There is no truth to that rumor that Mr. Snider, of the firm Snider & Markins, Lawn Trimmers and Dawg Raisers, was out to that ditch digging on Steele at Harris before the foreman arrove Monday. But he WAS their early. . . . They are VEAL kidneys which the Markins dawg eats, too, —not just any ole kinda kidneys. . . . Ask Arleigh Brenkey if it rained on that camping trip he just came back from?

ILLITERATE? A MORAN!

And that Layman purp, Sandy, recorded here last wk. as being illiterate, is just a plain moron. When he first came to the house, he ambled upstairs, through the bedroom, and out the window onto the porch roof. But he didn't stop there—he just kept on walking—naturally hitting the ground.

But wait a minute. That wasn't enough, so he up and did the same thing over again.

J. Blevins and wife are in California. . . . Rev. Davis has missed but two of the ball games. . . . Mr. and Mrs. J. Ricker will live on the north side. . . . George Pekras is recovering from a sprained ankle sustained two weeks back. . . . Dr. Durflinger is ill at his home. . . . I have witnesses proving that Cliff Kohn offered me 25 bucks to keep his name outa here! . . . But No. No, a thousand times no. . . . Reports have it that Jack Shunk lets Lon Saunders sweep the sidewalk in front of their joint—sometimes. . . . Mrs. Ed. Howard bakes good cakes, and that ice cream Gib Davis buys so often for the Westgate ball team and friends—my, but it's good.

Song Service

A special song service at the St. Paul Evangelical church Sunday evening will feature solos, duets, quartets and congregational singing.

Hamilton Cops 1st Tilt From Icemen

Hamilton Gas, champions of the second round in the Hilltop Merchant League, and Walter's Icemen, winners of the first round title, met in the first of a three-game series for the league hunting Wednesday evening, the Gassers taking the decision, 3 to 0.

Homer List, on the mound for the winners, was touched for three extra base wallops, but they came in separate innings. The second game will be played next Wednesday at Westgate No. 1. There will be no third round in the league.

Democrats Plan Picnic April 11

Hilltop Organizations to Participate In First Annual Outing Of Twelfth District.

Democrats in the Hilltop are planning to attend the first annual picnic of the 12th Congressional District of Democrats at Edgewater Park, Sunday, Aug. 11. A call for girls at the picnic has been made by Mrs. Percie Wiley, general chairman of the picnic committee. The bathing review will be in charge of Thomas Graham, of the committee.

Mrs. Wiley said Saturday that tickets for this gathering are to be offered to all Democratic organizations over the state and a large turn-out is expected. There will be swimming, boating, and many forms of entertainment besides the bathing girl review. Mrs. Wiley is arranging a large committee to manage the picnic on which the various constituencies of the organization will be represented.

There is picnic headquarters at 335 Deshler-Wallick Hotel from which tickets are being circulated, and where officials of the organization meet to plan their picnic. The affair has the endorsement of the various Democratic wings in Franklin county which comprises the 12th district.

Sunday's games will be played against New Sanitary at the local pool. The Hilltop pool will also be the scene of Tuesday's tussle with Shawnee.

Those on the senior team include: Lawrence Michaelis, Dude Grubbs, Ralph Burden, Charles Arbaugh, Ralph Waldo, Bob Rainey, Bob McGill, Harold Beach, Dana Deshler, John Cunningham and John Early.

Season tickets at the local pool have been reduced in price for the remainder of the summer.

Committee Chosen For Picnic Aug. 1

Officials of the Tenth Ward Women's Democratic club have announced the committee in charge of the picnic to be held by the group at Olentangy Park on Thursday, Aug. 1, by the Franklin County club.

Mrs. Melvin Hayes is general chairman. She will be assisted by Mrs. Katherine Bach, Mrs. Tom Ferry, Mrs. Catherine Kauffman, Mrs. Mabel Whitmer, Mrs. Cora Wilkins, Mrs. Siegle, Mrs. W. B. Bender, Mrs. Margaret Tanner, Mrs. Minnie Wihl, Mrs. Margaret Steinhauer and Mrs. Olive Worrell.

Attending Conference At Wooster College

Six young people of Hoge Memorial Presbyterian church are in attendance at the Presbyterian Young People's conference being held at Wooster college this week.

Those in attendance are: Miss Betty Jordan, 127 S. Westmoor Ave.; Miss Muriel Sayre, 142 S. Wayne Ave.; Miss Mary Creager, 32 Binns Blvd.; Miss Doris Chenoweth, 282 S. Terrace St.; Arthur Corcoran, 96 S. Ogden Ave.; Mr. Arthur Corcoran, 96 S. Ogden Ave.; Ave. The conference will last all this week.

Sprains Ankle

Manager George Pekras of the Rivoli Theatre is able to be about the theatre this week after nursing an injured ankle for a week as the result of a pebble turning when he stepped from the curb on West Broad street, last week, tearing the ligaments and spraining his right ankle.

Attending Convention

Dr. Arthur E. Boose of 2405½ W. Broad St., and Dr. Robert L. Shook of 17 S. High St., are attending the National Osteopathic convention at Cleveland, O., this week.

Date Is Set For Clash Of All Star Teams

Game to Be Played Friday, Aug. 16, At Hospital Grounds; to Use National Rules.

Line-ups to Be Announced In Next Week's Issue of Record; Broad-Hague to Give Prizes.

State Hospital diamond No. 1 will be the scene of the Hilltop Church League's allstar battle, sponsored this year by the Broad-Hague Hardware. The game, according to present plans, will be played on Friday evening, Aug. 16.

Through the courtesy of Ray McVay, manager of the State Hospital Co-Op Cab entry in the Saturday Afternoon League, the playing of the game on the spacious hospital diamonds was made possible. McVay's squad will forgo a workout that evening in order to permit the all-stars to perform.

Harry Thornton will officiate the game, he being the choice of the managers for the job. Homer Merchant, last year's selection, was the only other ump to corral a vote.

To Announce Teams

Final tabulations have not been completed and the two contending squads and their respective managers will be announced next week, or, if completed before Friday, the names of successful candidates will appear in the Broad-Hague sports bulletin board.

With two managers yet to be heard from, only an outfield and one infield position and a catching post are in doubt.

Two pitchers will be used by each squad and the inseam ball will be put in play. Under national regulations which call for the livelier sphere, four outfielders are used.

Paul and Lu Ransch, proprietors of the Broad-Hague Hardware, announced this week that four prizes would be given participants in the frac.

A regulation Louisville slugger bat will be given the player making the game's last hit. To the participant socking the first home run, a Wilson catcher's or first baseman's glove will be awarded. To the player getting the first walk, will go a box of Tommy Armour golf balls, and the hurler pitching the least number of balls in one inning, to retire the side, will receive a regulation inseam ball.

Charles Hauer Suffers Injuries

Well-Known Hilltopper Has Arm Almost Sawed Off In Accident; Recovering At White Cross.

Charles E. Hauer, 39 N. Wayne Ave., well-known resident of the Hilltop, is in White Cross hospital recovering from severe injuries to his right arm sustained Monday, July 15.

The accident occurred when he was working on a milling machine at the Automatic Reclosing Circuit Breaker Co., on Indianola avenue. The large bone of the arm was sawed clear through but the leaders were protected by the small bone and he is able to move his fingers.

Mr. Hauer was 60 years old last Apr. 1, and hospital attaches said his physical condition was splendid and if all goes well he will be able to return to his home soon.

Parents Invited To Playground

Westgate and Helton Parks to Have All-Day Program At Westgate Next Friday.

An all-day program, featuring a variety of stunts and exhibitions, will be presented at Westgate Park next Friday afternoon and evening by representatives from Helton and Westgate playgrounds.

Invitations have been extended to parents, whose children frequent the two parks and an effort is being made to have either the mayor or recreation director on hand for a short address.

The day's program will include athletic events, dramatic stunts and skits, handcraft exhibitions, and similar features. Glen Hitchcock is the supervisor at Westgate, assisted by Elizabeth Welland and Ruth Stevens. Vieman Lyday is the Helton supervisor, along with Marie Colburn.

Ruder Improving

Detective Sgt. George Ruder, 450 Catherine St., shot in the side in a gun battle with hoodlums near Circleville last week, is improving, according to reports late this week.

Tri Mu, Hillcrest In Tie For Lead

Burgess U. B., Hoge Memorial Hot On Trail of Leaders As 2nd Round Is Half Over.

Hoge Memorial vs. Hillcrest Baptist, feature game in the Hilltop Church League for tonight, has been postponed by recreation department officials until later in the season. The Hoge team met Wednesday evening at the home of T. C. Weir for purposes of reorganization and will resume activities Monday night in regular league games.

In a game promising almost as much action, but with not quite so much at stake, Burgess and Sullivant will meet on No. 4. Other games will be: St. John vs. Church of Christ on No. 2; Westgate vs. Glenwood on No. 3, and Hilltonia vs. Tri Mu at the State Hospital.

Hillcrest will also participate in Monday's feature, Burgess U. B. furnishing the second half of the fireworks on Westgate No. 1. Hoge Memorial will meet Glenwood on No. 2; Church of Christ will cross bats with Sullivant and Westgate and Hilltonia will meet on No. 4. At the State Hospital, Tri Mu will play St. John (they haven't forgotten) Lutherans.

Ruth Stars

Burgess U. B. provided the biggest upset of the second round Monday evening by taking the measure of Hoge Memorial in a bitterly fought struggle. The final score was 5 to 3, with Ruth, erstwhile Hoge player, subbing for the Brethren, cracking out a double to score two runs and later plating himself.

With Hillcrest brushing off Church of Christ 8 to 4 and Tri Mu beating Westgate 6 to 0, first place became shared between the Baptists and Methodists.

Bailey, in fine fettle, limited the Dark Horses to three hits, with only one man getting as far as third base. It was the first time in the history of the circuit that Ed Howard's crew sustained a white-washing. Eisele's three base wallop with the bases full featured.

Sullivant Friends were hard pressed by Glenwood M. E., but managed to win 8 to 7 and St. John rallied in the eighth and nine frames to edge Hilltonia 5 to 4 and emerge from the cellar.

DOLL SHOW

A doll show will be held at Glenwood Park tonight, at 7:30 o'clock. Prizes will be awarded.

Zelkoff Installs Air Conditioning

New System Re-conditions and De-humidifies Air At Broad-Hague Restaurant.

A new air-conditioning system, which cools and de-humidifies the air, has been installed at the Broad-Hague Restaurant according to Tom Zelkoff, proprietor, who announces that the feature will go into operation for the first time today.

The system, the only one of its kind on the Hilltop, has been installed by the General Electric Air-Conditioning Co., and by means of cold water from a 75-foot well in the rear of the restaurant, will recondition air in the restaurant and also in the offices of Dr. Mathews in apartments above.

The system is another step taken by Mr. Zelkoff in improving his dining establishment for his patrons, an addition having been constructed to his place recently.

Paving Funds Delayed

P. W. A. funds which were to be used for paving West Broad street, from Wheatland to Hague, have been delayed in Washington, according to reports this week and the project may not be started until September, it was learned.

Bridge, Fishing and Gardening Are Hobbies of Merchant, Here 17 Years

Vacant lots on West Broad street have become built up, the old frame Umbenhaur store has been replaced, an addition has been built to his own store, and his stock in trade has tripled since Fred Raether first took over the Economy Variety store in the early spring of 1918.

Born the son of a minister in North Lima, O., his mind just didn't operate along theological lines, although he attended the seminary at Woodville, O., and is at present a regular church goer at the St. John Lutheran church.

He came from picking potato bugs off his father's crop of spuds to Columbus where he worked for three dollars a week and paid $3.50 board, his grandmother furnishing the extra half buck.

After that era in his life he became associated with the Columbus Merchandise Co., and worked there for five years. For the next 17 years he was with the Schoedinger-Mar Co., later bought out by Frank P. Hall.

He worked in the kitchenware department and had charge of equipping such kitchens as those of the Chittenden Hotel, Dunn-Taft and the Athletic Club.

Brown Turner, then owner of the present Economy Store, talked Fred into taking over the business, arguing that a Hilltopper should own and operate the store.

Fred took it over, and for the past 17 years has been supplying Hilltop residents with a vast array of trinkets and gadgets and such household items as clotheslines, skillets, paint, rubber heels, oil cloth, electric light sockets, ball bats, rolling pins, and other things that wives occasionally find useful.

He is a past trustee of the Hilltop Business Men's association, and also a past member of the Hilltop Chorus.

Bridge and fishing and puttering in the garden at his home are numbered among his favorite hobbies and nothing tickles him more than to land a fine bass with pole and line while Clyde Shetrone casts and casts with a variety of artificial baits, never to get a strike.

He has two brothers, Carl, a Hilltopper, affiliated with the Prudential Life Insurance Co., and George, a cabinet maker in Denver. He resides with his wife and two of three daughters, Lucille, a school teacher at Fostoria, and Anne, a student at Capital university, at 141 S. Ogden Ave. Another daughter, Mrs. Ray G. Hill, lives at Norfolk, Va.

All of the original stock in the store when he took it over, is gone, Fred says—except some hardtack candy which he still tries to sell. But he didn't let us sample any of it, so maybe he's kidding about that.

1600 Names On Petition To City Council Monday

Colburn Acts On Players, Umpire

Following the Burgess U. B.-Hoge Memorial soft ball game Monday evening at Westgate Park, when an untimely and unfortunate incident occurred, President Frank J. Colburn of the West Church Athletic association submitted his recommendations to Recration Director Charles Seddon in the following letter:

Mr. Chas. E. Seddon, Pres.,
Columbus Church Athletic Assn.,
Department of Public Recreation,
Columbus, Ohio.

Dear Sir:

As a witness to the controversy arising during and after the ball game between Hoge Memorial and Burgess Avenue U. B. teams, of the West Senior Church League, played Monday evening, July 22, I regret to have to take the following action:

1.—That players Mr. G. Hardy and Mr. F. Holycross, of the Hoge Memorial church team, be suspended from any further competition either as a player or manager in the West Church League, for the remainder of the current season.

2.—That Umpire Mr. R. McVay be suspended from officiating any contests in the West Church League for the remainder of the current season.

Respectfully submitted,
Frank J. Colburn,
Pres. West Church Athletic Assn.

Hilltop Pool In State Contest

"Learn-To-Swim" Campaign Being Sponsored By Franklin Co. Chapter Red Cross.

Much interest is being shown in the "Learn-to-Swim" Contest which is being inaugurated at the Hilltop and other swimming pools in and around Columbus as part of a state-wide contest conducted by the Ohio Water Safety association.

Franklin County Chapter, American Red Cross, the Swimming Pool association, and the Columbus Dispatch are affiliated in the local project, with the purpose of teaching as many people as possible to swim. Cities of 25,000 population and over are entered, and, at the close of the contest the last of August, a large swimming meet will be held in Cleveland, at which time a silver cup will be presented to the city showing the most points per thousand population.

All non-swimmers are invited to enter this contest, for with the splendid pool facilities of Franklin county there is every reason to believe the county can be in line for the winner's cup.

Resolution To Extend W. Broad Tracks Adopted

City Fathers Also O. K. Plan to Turn Cars At High Street; To Begin Soon.

The Camp Chase Civic association, sending representatives to City Council Monday evening, established itself as being wholeheartedly back of its civic projects when it presented a petition containing 1600 names of Hilltop residents favoring the extension of the West Broad car line from Hague avenue west to the viaduct at the Big Four tracks.

Council immediately went on record as favoring the improvement, although the action will have no bearing whatever on the speed with which the project is consummated.

Nevertheless, as soon as the final court decision is rendered, much of the red tape will be out of the way, and if a favorable verdict is made, work on the project will get under way at once. The case is to come up in September.

Council also Monday night passed a resolution requesting the Columbus Railway Power & Light Co. to turn its West Broad cars at High instead of Front. The change is expected within the next few days, according to reports.

The following letter, in response to a query regarding the time of the hearing on the C. & L. E. question, was [illegible] Donald F. Smith from City Attorney John L. Davies.

Donald F. Smith,
Attorney at Law,
2405½ W. Broad St.,
Columbus, Ohio.

Dear Sir:

Your letter of the 10th received. The city has filed an application in the Federal Court to require the Cincinnati & Lake Erie Railroad to abandon its operations within the City of Columbus. The issue is now made up on this question and only recently the court fixed the hearing for the latter part of September. No definite date could be fixed at this time.

I trust this gives you the desired information.

Yours respectively,
John L. Davies.
City Attorney

Yards and Yards Of Names

When Mrs. W. K. Merriman, 80 Algonquin Ave., and Mrs. Bessie M. Waugh, 151 S. Brinker Ave., officers of the Camp Chase Civic association, presented the petition of residents west of Hague avenue, asking for street car service in that section, the council members were treated to the spectacle of a petition reaching for yards and yards across the council chambers, and carrying over 1500 signatures. Sheets, containing the names, were glued together.

Tall Hollyhock

Mrs. H. S. Stoecker, 106 Belvidere Ave., reports a hollyhock 11 feet in height in her yard. It is the tallest reported in the community.

Women In Andorra Work Side By Side With Men

Women of Andorra, that vest-pocket republic tucked in the mountains between France and Spain, work side by side with their men. The necessity of wringing a livelihood from its soil exacts every ounce of effort from those it sustains. These women of Andorra are neither large, muscular nor masculine. They are small and lithe, with fine, sharp features. Their bodies are of the compact, sinewy fresh of mountaineers, and they are trained to their work from childhood, the National Geographic society reports.

They are always clothed in black. In the fields they wear long black dresses that set off their slender forms, and black shawls and scarfs over their heads. On Sunday for church their costume is the same, but the black of their cloth seems newer.

But this is not true of their younger daughters. Girlhood is the time of bright colors, of the dance, of the promenade on the days of the fiesta. And likewise of work. In Andorra it is not bright colors, prettiness or coquetry that win the man; it is a reputation for being a worker. And so the Andorra girl who would marry well sets out most industriously to acquire it.

Nothing else will pep up a room quite as much as a vase filled with a big bunch of gladiolas.

Speaking of the Forgotten Man, the depression doesn't seem to have forgotten anybody.

MICE OR MEN

The results of balloting on the selection of two all-star church league teams is being announced today, and the selection of a now suspended player on one of the teams will give rise, we suppose, to a certain amount of adverse criticism.

Although most of the balloting was completed prior to the individual's suspension, the result is still a commentary upon the man's ability along the line for which he was honored. Sportsmen will view it as such.

There is, however, a danger involved. The selection can be played upon by the individual in such a manner as to make himself appear somewhat of a "hero." On the contrary, the opportunity is at hand for him to vindicate himself, to some extent, in the eyes of those whom he has represented in the church league, on past occasions.

We trust the decision of Messrs. Paul and Lu Rausch—to let votes stand as cast, will prove a happy one. With that decision League President Colburn and Recreation Director Seddon have concurred. It is for all concerned to likewise be men, not mice.

FIRST AND LAST

It was after a ball game and they were telling Mrs. Chawlie Coutillier about it. "Bill played a good game at first," they explained.

"What was he matter with him," she queried.

"What was the matter?" they asked back.

"Yes," she yessed. "You said he played a good game at first—what was the matter at the last."

Notes: Mary Baker, the West Jr. teacher, is the proprietor of Mary's Market, the vegetable stand at Morse Rd. and the 3-C near Westerville. . . . Grandpa Tracy was going to take his two-wk.-old granddaughter to the circus last week and buy her peanuts and pink lemonade, but Mrs. Bud Tracy says "No." . . . Olive and Jim Matheny will spend a week's vacation in Sugar Grove Hills. The total expense will be $5, and they will get as close to nature as they can. . . . Miss Bachmeyer, the West Jr. vice principal, had to return from Florida a bit back for an operation. She has been in ill health for the past seven months. . . . Lydia Addison has signed for an office job in Chicago. She has been employed here by the Liquor Commission. . . . Ray Ogden does the plaster-work, etc., for Shank & Saunders. G. Donley is a helper. . . . Was it ever noted here that Fred Brobst had taken unto himself a wife? It happened last winter. . . . Whatever became of John Feder? . . . Is Carol Hackbarth, W. H. S. '28, the anti-vivisectionist? . . . Opie Reed is with the Dunn-Taft Fur Dept. . . . And did they holler about putting the Godman Shoe yard in lawn? Where we gonna park our cars? they roar. . . . Whatever became of Herb. Suver?

Norman Line, the lad from Rochester, will take over the construction of this pillar next week. As you are grinding this off, I shall be bound for some virgin wilderness of Canada, 700 miles away, with C. C. Hartley, whose huge 46-page historical progress edition of the Greenfield Times rolled off the presses yesterday.

Crimson sunset behind the pine-timbered forest, and sweet-scented evening winds across the water of the lake. Lingering twilight—til 10 p. m. and after—of the north country. Roaring silence of the deep forest. Taker away, Norm., and lemme go!

Who took her brother to the dentist last week, because she was so scared? . . . Jack Shank shot the last nine at Dublin last week at one under par. He's looking for new games, having mastered golf and bridge. There's no incentive to play any more, he weeps. When you're perfect, you're as far as you can get. . . . Things interesting to see, but which I never will: Cliff Kohn and Dude Grubbs in a half-mile swimming race. . . . Roy Riggs arguing with an umpire. . . . Milly Spankling Dr. Darflinger. . . . 'F. C. Weir and N. W. Kent, shoulder to shoulder and toe to toe, over a close decision at home plate. . . . Rev Hutchison hitting a home run

A. J. Thatcher, County Auditor, Taken By Death

Funeral Held Wednesday For Hilltopper; Third In Office To Die In Week.

A Republican will probably be appointed to succeed the late Arthur J. Thatcher as Franklin County auditor, it was indicated this week following funeral services Wednesday afternoon for the Hilltop man, whose death occurred early Monday morning after an extended illness.

Arthur J. Thatcher

The Board of County Commissioners, Republican two to one, will appoint Thatcher's successor.

Mr. Thatcher, who lived at 2936 Crescent Dr., with his wife, a son Newton, and a daughter Ruth, had been confined to Mt. Carmel hospital since last May, when he suffered a serious heart attack at hiff office. Months prior to that he had been ill, and a California trip last winter had apparently aided him in his recovery fight.

Auditor of Franklin county since 1923, he was re-elected last fall. His death Monday was the third in the office in six days, Henry J. Kline, aged 55, of 470 Hilltonia Ave., succumbing Sunday to a heart attack, while Louis J. Guthke died last Wednesday. Both were deputy auditors.

Was 70 Years Old

Auditor Thatcher was 70 years of age on June 7, and was born in Toledo.

More Prizes For All-Stars Offered

To the list of four prizes already offered by the sponsors of the All-Star Church League ball game, additional awards were announced this week.

Glen Hamilton, of Hamilton's Service Station, Sullivant at Hague, will give five gallons of gasoline to the player getting the first two-base hit. For every pilfered sack, C. H. Campbell, of Campbell's Pharmacy, Hague and Broad, will award a banana split, and to the slugger pounding out the most hits, Cliff Rice, of the Westgate Electric Shop, will award a surprise gift.

Broad-Hague Hardware last week offered prizes for the last hit, the first homer, the first walk and for the least number of pitched balls to retire a side in one inning.

Other sports notes are to be found on page five of today's issue of the Record.

To Re-decorate St. John Church

Services for Next Month Will Be Conducted In West Broad School Auditorium.

Services of the St. John Lutheran church and Sunday school, Hague avenue and Broad street, will be conducted in the auditorium of the West Broad Street school, opposite the church building, during the next three weeks, it was announced Wednesday.

The interior of the church is being re-decorated by the Charles L. Bryant & Sons Co. of this city, and work will get under way immediately.

Services Sunday will be held at the usual time, 8 o'clock, with Prof. Max Stoner in charge. Rev. J. Bodendieck will preach the following Sunday, Aug. 11, while Rev. Koch is vacationing in West Virginia.

Rev. Koch will leave today for Steubenville, his home, from where he will proceed to Washington and Baltimore, meeting Rev. Carl Scheidt, a former Hilltopper, at the latter city. They will then go to the cabin of Dr. C. B. Rhodes, professor of history at Capital university, located in the mountains of Virginia.

Democrats To Have Bathing Girl Revue

The largest bathing girl review of the season is being planned by the committee arranging the first annual picnic of the Twelfth District Democratic Club, and a number of Hilltop Democrats are aiding Mrs. Percie Wiley, general chairman. The picnic is scheduled for Edgewater Park, southeast of the city.

Max Gutkind has been placed in charge of this event. Girls desiring to enter may apply to Mr. Gutkind at 5 W. Brewer St., or at picnic headquarters, 835 Deshler-Wallick Hotel. The picnic will start with a parade from a downtown point, to the grounds. Bathing, boating and other sports are planned, as well as political features.

Gov. Martin L. Davey has accepted an invitation to be present and speak.

No Meeting For B. M. Until September 10

The Hilltop Business Men's association will not hold a meeting in August, continuing a policy of having no meetings during July and August each year.

The next regular session of the group will be held on Tuesday evening, Sept. 10.

On First Vacation In Seven Years Former Hilltopper Visits Friends

J. W. Dinsmore was in town this week, renewing friendships made many years ago when he was taking the lead in the community in build new buildings and found the Hilltop Building & Loan Assn., now the First Federal Savings & Loan of Columbus.

It is Mr. Dinsmore's first vacation in seven years. Since he left the Hilltop, he has lived in Winter Haven, Fla., where he is proprietor of a filling station and store. He came to Columbus a fortnight ago, and will return to Florida, Aug. 13—if he can find a driver. Mr. and Mrs. Dinsmore were chauffered north by a chap who lives in Mansfield, and a good driver desiring to make the one-way trip to Florida can find his transportation by getting in touch with the former Hilltopper.

While on the Hilltop, Mr. Dinsmore, with a number of other residents, founded the Hilltop Building and Loan and also built the business houses located on the southeast corner of Wayne and Broad.

Prior to living here, he was for 13 years dean of Berea college, and for five years after that, president of the Coshocton Bank.

He was born in Pennsylvania, he says, but at the age of seven months he moved west because he didn't like it there.

Hilltop Cop Is Improving After Serious Mishap

John Graham Given Chance To Live After Being Run Down By Street Car.

Traffic Policeman John Graham, 317 S. Warren Ave., well known on the Hilltop, lay near death at Mt. Carmel hospital late this week following an accident Monday afternoon at Broad and High streets, in which a southbound street car split a switch, turned west, and bore down upon him.

Thrown under the car, Graham suffered a fractured skull and loss of considerable blood. He had just gone on duty and had signalled for north and south traffic to proceed when the accident occurred. The car swerved at the switch, bore down on him, and knocked him underneath before the motorman, Henry Monoco, was able to apply the brakes. Graham was rushed to the hospital in a taxi.

Quizzed by police for an hour concerning the mishap, the motorman was released.

Attaches at Mt. Carmel hospital Thursday morning said that Graham's condition was "much better." Although he had staged a desparate fight earlier in the week, he had been given little chance to recover. He is suffering from a skull fracture and loss of blood.

Ruder "Coming Fine"

Attendants described Detective Sergeant George Ruder, shot in a gun battle two weeks ago, as "coming fine." A bullet lodged in his side in a fight with hoodlums, who were captured.

Hutchisons Will Leave On Month's Vacation Monday

Rev. and Mrs. H. C. Hutchison, 2303 W. Broad St., and son, Mr. Joseph S. Hutchison, will leave Monday morning, Aug. 5, to spend their vacation with Rev. Hutchison's brother Rev. William Hutchison of Cleveland, at Vinal Haven, Me. They will be gone during the month of August.

The session of Hope Memorial Presbyterian church of which Rev. Hutchison is pastor, has arranged the following supplies for the morning services: Aug. 11, Young People in charge; Aug. 18, Rev. Ivan Wilkins of London, O.; Aug. 25, Rev. Robert House of Pataskala, O.; and Sept. 1, Rev. Arthur Walters of the Boulevard Presbyterian church in Grandview.

Broad St. Cars Now Turn At High Street

Starting last Sunday, Broad street cars now turn north at High street. For the past six years, the turn has been made at Front street, and then east on Spring.

The change was made following numerous protests by West Side and Hilltop residents.

MORGAN PASSES DENTAL EXAMS

West High Graduate Is Only Hilltopper to Make Grade.

Evan Dwight Morgan, graduate of West High school, was granted a license for the practice of dentistry Monday when results of the examinations, given by the Ohio State Dental Board were announced. Morgan was the only Hilltopper listed among the 92 who passed.

He graduated from West High in 1929, and received his degree from the Ohio State university this past June.

Gibbon Takes Over Giant Dairy Dept.

Effective last week the dairy department of the Giant Market is under the management of William H. Gibbon. This department, specializing in cheese and dairy products, will handle more than 57 varieties of cheese, according to Mr. Gibbon, and to the already large variety of products has been added a line of delicatessens.

Assisting Mr. Gibbons, who also operates the meat department in this market, is a personnel of Hilltop people consisting of Charley Corcoran and Betty Corcoran, both of 124 N. Powell Ave., and Mrs. Helen Browne, 2248 Sullivant Ave.

Five WPA Projects On Hilltop Are Approved

Mayor To Speak

Mayor Henry Worley will be guest speaker at the Field Day program sponsored by Westgate and Holton Parks, Friday evening at 7 o'clock. He will speak on improvements planned for the vicinity in the very near future, Charles Seddon, director of recreation announced.

Westgate, Holton In Field Events

Exhibits, Dramatics and Competitive Events Slated For This Afternoon.

Westgate and Holton playgrounds will enjoy their second annual field day this afternoon and evening when Holton supervisors and children will visit Westgate for a day of competitive events, exhibits and dramatic skits.

Under the direction of Carl Grant, several stunts will be in order and athletic activities will be in charge of Glen Hitchcock and Vieman Lyday, playground supervisors.

The affair will get under way at 1 o'clock today, and extend through the evening until closing time. Parents have been invited to attend.

Last Friday afternoon, Westgate tennis players defeated Glenwood, 6 to 0, taking all of six matches.

Franklin County Fair Dates Set

To Be Held At Hilliards Aug. 14 to 17; "Best Show In History" Promised.

"The best show in history" will be no exaggeration in describing the 22nd annual Franklin County Fair, opening Wednesday, Aug. 14, at Hilliards for three days. The 4-H Club exhibits will be enormously increased, there will be a greater night horse show, and the harness races will be classier than ever, while exhibits of farm products, live stock and other lines have been definitely stepped up.

Alder is secretary, and C. H. O'Brien is treasurer. The directors are: J. S. Fladt, Charles E. King, Frank S. Kirkpatrick and W. W. McKitrick, all of Columbus, and the following Hilliards men: E. A. Lisk, C. H. O'Brien, Robert Reece, Charles F. Roberts, C. H. Turner, Ray Van Schoyck, Alford Walker, and F. G. Winterringer. George B. Burley is a director from Galloway.

Committees Named

Honorary members are O. C. Belt and Harry Shepard, of Columbus, and John Taylor of London. The ground committee is Ray Van Schoyck, Robert Reece, F. C. Winterringer, C. A. Turney and Arch A. Alder. Besides the 4-H Club division, in charge of J. S. Whonseller, county agricultural agent, and Nellie Watts, home demonstration agent for girls' work; the horse show and the speed program, the fair has ten departments. They are: horses, cattle, sheep, swine, poultry, farm products, fruits, plants, flowers; machinery and implements; women's work, and vocational agriculture.

The fair board has decided to maintain the same admittance price as for the past few years. This is 25 cents per person, or conveyance, day or night. The same charge will be made for grandstand admittance.

He was a resident here for 35 years and for a long time was associated with the Dusenbury brothers in their many ventures.

Another brother, John W. Park, 194 N. Harris Ave., and a sister, Mrs. John F. Bailey, also survive.

A new process of replacing new soles on shoes by cement and eliminating all nails is being used by the Beaver Shoe Repair Shop at 2304 W. Broad St. A machine is used to put equal pressure on all parts of the sole. The finished job has the appearance of a new shoe.

In Business Here Three Decades, Hardware Merchant Is Genuine Community Booster

He sought a shelter house at Westgate Park—he fought to make Westgate and Holton Parks public recreation centers; he for years worked toward the end of bus transportation on Sullivant avenue; and for many years he has battled—at last successfully—for sewer relief in the community.

He has served eight years as a city councilman, and was one of the original boosters for Columbus' civic center. For 25 years he has taken the part of the people in their desire for better street car service on the Hilltop.

Wyatt Millikin, one of the community's oldest merchants, will run again for city council this year. But he'll not attend a galaxy of political meetings to further his campaign. "I've been a councilman for eight years now, and people ought to know whether or not I'm the right man for the place," he insists.

Off on a Madison county side road—back in the woods—Wyatt Millikin was born. He trudged to school two miles each day over a mud road. He got through the sixth reader.

At the age of 20 he came to Columbus to go to school, but took a job at four dollars per week with the Rail-Light Co., and he didn't go. Later, he attended the Parson's Commercial school in the mornings, working in the afternoons. He graduated and received his diploma.

With capital of $65, he started his hardware store at Oakley avenue and Broad street, in 1904. May 1, 1909, he moved to his present location.

There are a great number of things Wyatt Millikin has done for the community, many of which you can't learn from him. He makes no boast about what has been done, but points rather proudly to the fact that 2020 Eleventh Ward voters favored him at the last election. "It's my business to do what I can as a councilman," Wyatt reasons, "and if that many people from the home ward think that I am doing my business, what's the need of forever pointing out accomplishments?"

He aided in establishing the location of West High and John Burroughs schools, but the major share of the credit should go to Judge Cecil J. Randall, he thinks. "They should put up a bronze plaque in honor of the judge at West High school," he says. "It was Randall who actually got the school located where it is."

At the request of the late Dr. Hamlin, he ran successfully for council in 1919. In four years, he was out eight, and then returned for four more years. Friends filed his petition for re-election at the coming campaign. He was defeated for mayor in 1923 when J. J. Thomas was returned for his second term.

With his wife and son, Arthur, he resides at 53 S. Warren Ave. Arthur, an honor graduate of West High school, will matriculate at Wittenberg college in Springfield next fall.

Local Banks Loan For Improvements

Washers, Radios, Home Improvements May Be Financed Through Federal Aid.

Under regulations of the Federal Housing Act, home owners or tenants may borrow sufficient money from the federal government to finance such improvements in their homes as the construction of a breakfast nook, the purchase of a radio, refrigerator, or washing machine, it was explained this week by J. H. Kirkpatrick of the Westgate Electric Shop.

"An individual may borrow as much as $2000, or a corporation or owner of a group of apartments may borrow as much as $50,000, at five per cent interest.

According to the original act, only home owners could make such loans, but under a recent revision, tenants also are able to make improvements through the federal loan.

The dealer is contacted and his estimate on a radio, washer, or some such item is obtained. He fills out the application for a loan and takes it to the Ohio National Bank, where it is approved in a day. The improvement is installed and the first down payment is made in 30 days with the balance due in 36 monthly installments.

How to Mark on Steel

A satisfactory way of marking steel tools is to warm the metal so that a thin coating of wax can be applied, and scratch through this wax with a sharp-pointed tool to give the letters or figures desired; then apply nitric acid of about 1.20 specific gravity to the marking on the wax. This can readily be done by moistening a strip of blotting paper in the acid and laying it over the figures to be etched.

How Mt. Everest Was Named

Mount Everest was named for Sir George Everest, British surveyor and geographer (1790-1866), who completed the trigonometrical survey of the Himalayas in 1841 and first fixed its position and altitude.

By JOHN WOLFE

FLOWER COLORS

To the amateur botanist, and also the professional, color in plants has always presented an array of interesting problems. Talking to H. C. Shetrone one recent day as we inspected his rock garden, he suggested that at the moment, he could think of no plant family that had all of the primary colors represented among its members, as well as white.

And at first thought, the selection of a family with the required variety of color is difficult, but upon reflection, we are apt to conclude that perhaps the opposite is more nearly correct. In the long time that plants have been inhabitants of the earth, a great number of color gradations have been evolved, and topping that off, artificial changes can be made to occur by disturbing normal physiological reactions. The hydrangea, for instance, can be made to flower blue or pink, depending entirely upon the acid content of the soil in which it grows. Or exposure to bright light will cause a light pink to become a deep red, especially in fruits and leaves.

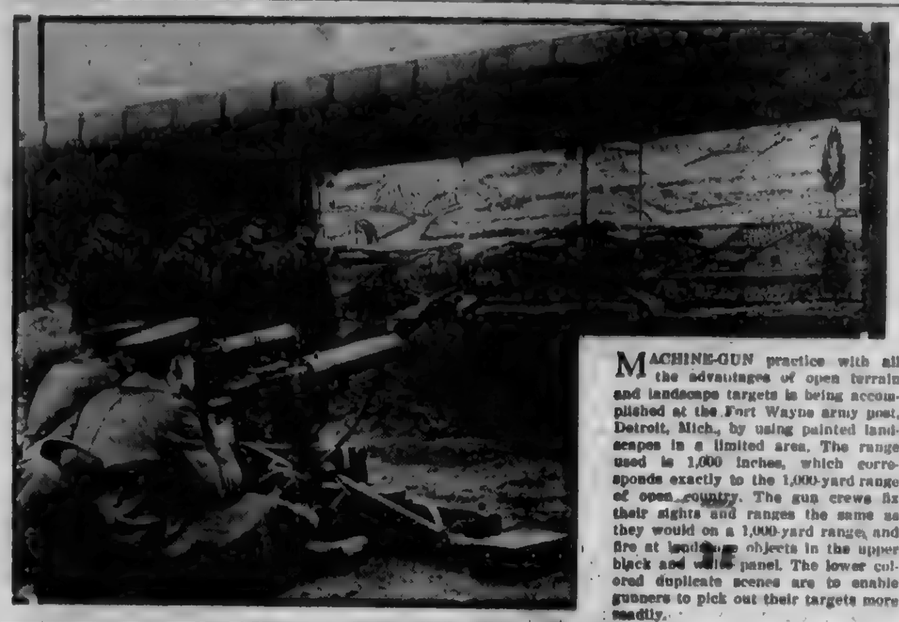
The Sunflowers, the Mints, the Figworts—to mention a few in Ohio, all have a variety of color, including the red, blue, yellow and white. Should the entire plant kingdom be taken into the picture, I doubt if we could find many families of the higher plants which do not have a great variety of color in their flowers.

Orchids and Water Lilies and other families with tropical representatives have not only the above colors, but every gradation between.

Although not to be attributed directly to flowers, much of the scenic beauty of the mountainous western United States is caused by plants, namely the lichens. Here we have most brilliant coloration in the fungal portions of the plant. Green, of course, is due to the algal symbiont, but the reds, yellows, blues, whites and intermediate shades are to be seen in abundance.

Elsewhere, on prairie stretches in the autumn, and in alpine meadows in the spring, flowers of every hue are to be seen. At the height of their respective flowering seasons, flora of these particular habitats are especially colorful, and there may be a wide range of coloration in any one family.

Even in the vegetative portions of the very lowest of green plants, the Blue-Green Algae, there is to be found variation in color. The so-called red snow of the arctic regions is caused by the presence of vast numbers of plants of blue-green algae, one cellled, and red in color. There are many examples of blue and yellow algae.



But back to green, vascular plants to be seen on any ramble through woods and fields. Over waste fields now are the white and yellow flowers of the ox-eye daisy. Soon golden rod will be at its height. The great variety of blues presented by the asters over the autumn landscape is always a welcome sight, and the pink, or purplish red of the Iron-weed is the best red of the sun-flower family we can think of for the moment, except for the huge, red, cultivated sunflower.

Over a number of habitats, no doubt, in almost any family, one could probably find all of the colors he knows, in each of many, many families.

We are familiar with the white and yellow water lilies, and many, perhaps, more acquainted with the deep reds and blues of tropical species to be found in back-yard pools throughout the north.

In our own limited range, where practically the same kind of habitats as far as climate is concerned exist, the wide range is not so noticeable. But could we gather specimens from all sections of the world and from every conceivable environment, the sight, I think, would open our eyes to the infinite variety of coloration evolved down through so many millions of years.

Machine Gunners Fire at a Painted Landscape

MACHINE-GUN practice with all the advantages of open terrain and landscape targets is being accomplished at the Fort Wayne army post, Detroit, Mich., by using painted landscapes in a limited area. The range used is 1,000 inches, which corresponds exactly to the 1,000-yard range of open country. The gun crews fix their sights and ranges the same as they would on a 1,000-yard range, and fire at landscape objects in the upper black and white panel. The lower colored duplicate scenes are to enable gunners to pick out their targets more readily.

Co-operation Will Make Safe Traffic

Citizens' traffic squads have been organized in several cities of the Middle West during the past year, and are meeting with considerable success in helping to reduce the number of traffic accidents. In general, they are composed of about 35 persons, nominated and elected from among the residents of the city and representing widely diversified fields of activity. They are all deputized, although they make arrests only rarely, their principal use being to warn drivers and make reports of conditions. In this work the squad cooperates with the public school safety councils and the school patrols. In one place it has, in cooperation with other organizations, provided life guards and reduced the number of deaths by drowning, opened 40 school yards for summer playgrounds, and in other ways reduced the fatalities among the children to one in 1934. Personal injuries to children have been reduced from 52 to 28.

New U.S. Prison Is Unsurpassed

The United States Government has built on Alcatraz Island, a desolate rock island in San Francisco Bay, a new prison to replace the old one, which stood there for nearly a century. The new building is considered the most formidable prison in the world. It is designed to hold only the most desperate criminals, with serious offenses and previous prison records behind them. The island is separated from the mainland by one and a half miles of water, the current of which would make swimming impossible, patroled constantly by boats. In all possible places tool steel, which no file can scratch, has been used in the building. The locks can be opened only electrically and mechanically by two men working together from widely separated places. Electric instruments will reveal the presence of guns or knives in possession of either prisoners or visitors. Forty guards are in charge, brought from other Federal prisons. They are aided by machine guns, tear gas, barbed-wire entablements, and a radio which can summon two hundred police cars to the shore of the bay in five minutes, reports Popular Science.

New Business to Assist Broadcasters

Because persons are never able to hear themselves as others hear them, but only as the sounds of their voices vibrate within their own heads, a new business is being developed to assist radio broadcasters in their work. Most of the radio programs are recorded as they are given on phonograph records so that they may be played over studied, and criticized later. Singers are able to detect defects in their programs, orchestras are able to discover flaws in their technique, comedians can study the timing of their jokes. Not long ago a football team had records made of all the broadcasts of the games it played during the season. After each one the players could listen to a description of the announcers and sports commentators.

Tri Mu, Hoge In Feature Game Tonight

5 Teams Retain Hopes As Season Passes Mid-Way

Brilliant Games On Tap Tonight, Monday; All-Star Line-ups Announced By Managers.

With the Hilltop Church League title for the second round open to any one of five teams, a galaxy of crucial games line the home stretch which the contending squads enter with games tonight.

Featuring this evening's card is the Glenwood Tri Mu - Hoge Memorial scuffle, to be played at the hospital grounds. A Hoge victory will further muddle the race, while a Tri Mu triumph will make the Crutchmen decided favorites to vie with Hillcrest for top honors.

Other Games

Other games on the docket at twilight tonight finds Sullivant Friends and St. John Lutheran pitted against each other on diamond No. 2 at Westgate. On No. 1, Church of Christ will meet Hilltonia, and on No 3, another crack game is carded, with Westgate and Burgess furnishing the fireworks. They should be profuse. In the finale, Hillcrest plays Glenwood on No. 4.

Monday Features

Two more crucial games loom Monday evening, with Sullivant Friends, always a nemises of the Crutchmen, meeting Tri Mu at the hospital while Westgate and Hillcrest will do battle on No 2 at Westgate. On No. 1, Burgess will play Hilltonia. Glenwood and St. John are scheduled for No. 4 with Hoge meeting C. of C. on No. 3.

Friday night, before slim crowds, Glenwood Tri Mu took the lead by edging Hilltonia, 3 to 1, while Hillcrest was idle. Burgess U. B. remained on the leaders' trail by taking a seven-inning, 3 to 1 decision from Sullivant. Green smacked out four safe wallops, to lend the attack.

In the final game, St. John lost to C. of C., 2 to 1, in a game in which not an earned run was tallied. Dart, however, out-pitched Bleech while Morgan scintilated at short-stop for the winners.

Glenwood forfeited to Westgate by non appearance.

Monday's Results

Leaders remained bunched as a result of games played Monday, despite the fact that two of them tangled in the first of a series of important games.

Hillcrest remained a half game behind Tri Mu with a 7 to 4 victory over Burgess U. B., whose streak of sensational play was abruptly stopped. Shafer, after a wobbly start, hurled invincibly for the Baptists, while Logan was touched rather frequently.

Tri Mu stayed at the top with a 7 to 1 win over St. John. Halley's brilliant hurling featuring. Dick Bateman, speedy St. John catcher, smashed out four robust blows off the Buzzer Ball man, stole a base, and scored the only St. John run.

Hitting rather hard and frequently Westgate bounced back into form against Hilltonia with a 17 to 0 triumph, while Sullivant Friends turned in a shutout win at the expense of Hilltop C. of C., 5 to 0. Westgate's sluggers set a season record for high scoring, topping Tri Mu's 16 against St. John.

In the finale, Hoge Memorial had difficulty in subduing Glenwood, rallying in the late innings to overcome a 6 to 1 lead and emerge on the long end of a 9 to 6 count.

CABBIES IN SPLIT WITH BOLT WORKS

Win 3 to 2 In Opener But Drop Nightcap 13 to 3 in Games Saturday.

With Emerson and Lattimer engaging in a pitcher's battle, State Hospital Co-op Cubs decisioned the Bolt Works nine 3 to 2 in the first game of a double header last Saturday. The finale was won by the Bolt team, 13 to 3.

The two squads, fighting for second place honors, remained stationary as a result of the split, with the Boltmen still a game ahead of the McVay managed aggregation.

The Cubbies will meet the Red Bird Juniors in a game Saturday beginning at 2:30 o'clock.

Coach Wise Plans For Grid Season

First Meeting Called for Saturday, Aug. 31; Two Rehearsals Scheduled for Labor Day.

With the first game just six weeks away, and the first gridiron rehearsal just one month hence, Coach Harold Wise sounded the first note of fall this week when he announced preliminary plans for the 1935 campaign.

The first meeting will be held on Saturday afternoon, Aug. 31, with two full practice sessions slated for the following Labor Day Monday. School will open the following day, Tuesday, Sept. 3, and probably two rehearsals will be on tap then.

Equipment will be given out at the first meeting, state high school athletic association rules forbidding actual workouts that early.

The season's inaugural battle will be held at Zanesville on Sept. 13.

Coach Wise announced that Claude Chrisman will again be the line coach and assistant mentor, with George Williams in charge of the reserves.

Hilltop Water Poloists Lead Senior Circuit

Local Aquatic Stars Trim Erstwhile Co-Leaders 19 to 0 in Tilt Here Sunday.

Taking undisputed lead in the Columbus Water Polo League by defeating Shawnee Hills at the local pool Sunday afternoon, the Hilltop squad looked anxiously toward the title this week. Shawnee, up until Sunday, had shared top honors with the local contingent.

Prizes Awarded To Doll Show Winners

There were 15 entries in the Glenwood playground doll show held last Friday evening with first prize being awarded to beautiful Shirley, belonging to Rose Mary Tonti. Second prize went to Eva, inherited property of Gloria Anne Braden, while Elaine Waddington's Mary, took third place honors.

Next week, eliminations in horseshoes will be completed at Glenwood. There are three divisions, and those desiring to compete should get in touch with one of the park supervisors.

The Hilltop Juniors, having tasted of the bitter drops that once, also fixed up another victory, Sunday, trimming the Shawnee Juniors, 24 to 3. It was the third win of the season for the locals.

Tuesday afternoon, the senior team continued its winning ways by swamping Grandview, 21 to 6. The juniors took their second loss in five starts by dropping a close one to Grandview juniors, 7 to 4.

Hamilton Gas Nine Cops Title In Merchant League Wednesday Night

Hamilton Gassers, backed by Glen Hamilton, proprietor of the Hamilton Service Station, Sullivant and Hague avenues, and managed by Frank Holycross, won the championship of the Hilltop Merchants' League for the second consecutive year Wednesday evening with a second consecutive victory over Walter's Icemen. It concluded the championship series between the two squads, which would have gone to another game had the Icemen won.

Wednesday's victory was a lucky one for the winners, who scored both runs in the sixth frame on two hits and an error by Hysell. Hysell had contributed a single to aid in scoring the Walter run the inning previous.

Arrangements are being made for the winner of the church league all-star game to play the Merchant champs in the near future.

The following is the roster of the winning team: Goodal, Eschelman, Mawhirter, Salyer, List, Marshall, Ripple, Kaiser, Evans, Davies, Bonner, Hamilton, Ruth, Biegler.

The League of Nations reports an increase in the visible gold supply of $154,000,000 during the first three months of 1935. The United States got most of the increase, Union of South Africa was second and France third.

Suggested Cold Plate Menus

MEALS have to be very tempting during these days. They have to look cool and be cooling in their effect. So many housewives decide on a cold plate dinner or luncheon and meet with the approval of family or guests. Here are some suggested menus with hints on their preparation.

Iced Tomato Juice
Sliced Cold Tongue and Chicken
Potato Salad Watermelon Pickle
Buttered Whole Wheat Bread
Cake Crumb Pudding
Iced Tea

Cake Crumb Pudding

Two cups dry cake crumbs, 1 cup stewed fruit and 1 cup cream, whipped. Rub fruit through colander to remove stones, and sugar and make smooth. Mix crumbs and fruit well and fold in whipped cream. Turn into a shallow pan and let stand on ice for several hours to chill and become firm. Cut in squares and serve with more whipped cream, slightly sweetened and flavored with vanilla.

Menu No. 2

Chicken Loaf Potato Chips
Beet and Artichoke Salad
Small White Bread Sandwiches
Sunshine Cake Iced Tea or Coffee

Chicken Loaf

Two cups diced cooked chicken, 1 cup soft bread crumbs, 1 tablespoon chopped parsley, 1 tablespoon chopped green pepper, 1 tablespoon chopped celery, ½ teaspoon salt, ¼ teaspoon paprika, 2 eggs, 2-3 cup milk, 3 tablespoons chicken fat, melted. Mix ingredients. Pour into a buttered baking dish or loaf pan. Bake for 35 minutes in a moderate oven. Chill and slice.

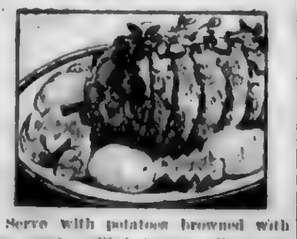
Beet and Artichoke Salad

Prepare as many small beets as there are persons to be served. Boil the beets, cool, skin and hollow out the centers. Fill the centers with highly seasoned French dressing. Let stand 2 or 3 hours in the refrigerator. Sprinkle outside of the beets with French dressing. Mix the beets scooped from the centers with equal parts of cress, which has been washed and dipped in French dressing, add finely minced onion, chopped sweet pickle and a tablespoon of chopped celery. Blend with mayonnaise and chill in the refrigerator. Have ready a can of artichoke hearts, drain off the juice and dress with French dressing. When ready to combine with the salad arrange the salad bowl with lettuce leaves. Fill the center of the bowl with the artichoke hearts and arrange the beets, stuffed with the chopped mixture around the heart. Sprinkle the contents of the bowl with chopped watercress and hard-boiled egg.

Cold Plate

Serve very thin slices of canned or fresh cooked corned beef with slices of tomato spread with cream cheese mixed with mayonnaise. Top each pile of tomato slices with finely chopped watercress.

Tapioca Pudding



Prepare minute tapioca pudding in the usual way and add raspberries. Cool in sherbet glasses and top each glass with fresh whole berries.

Stuffed Tomato Salad

Hollow out tomatoes and fill with cooked rice and chopped chicken livers mixed with mayonnaise. Serve cold on lettuce and top with additional mayonnaise.

Boneless Veal Roast

Serve with potatoes browned with the roast, grilled tomato slices and brussels sprouts.

Sapphire Cake

1 cup sifted cake flour
1 cup sifted sugar
¼ teaspoon salt
6 egg whites
½ teaspoon cream of tartar
7 egg yolks beaten until thick and lemon colored
½ teaspoon lemon extract.

Sift flour once, measure, add ½ cup of sugar and sift 4 more times. Add salt to egg whites and beat with flat wire whisk. When foamy add cream of tartar and continue beating until whisk leaves a faint line when drawn across surface of the egg whites. Add remaining sugar gradually and continue beating until texture is very fine and even and egg whites are stiff. Fold in egg yolks and lemon extract. Then sift small amount of flour over mixture and fold in carefully, continuing until all is used. Pour batter into ungreased tube pan. Bake in slow oven 30 minutes; then increase heat slightly and bake 35 minutes longer. Remove from oven and invert pan for 1 hour or until cold.

Menu No. 3

(Jellied Salmon)
Potato Chips
Savory Green Bean Salad
Buttered Rye Bread
Ginger Ice Cream Iced Tea

Jellied Salmon

1½ tablespoons gelatine
¼ cup cold water
2 cups boiling water
4 tablespoons lemon juice
1 tablespoon sugar
½ teaspoon salt
1 No. 1 can salmon
2 hard cooked eggs
½ cup diced celery
2 tablespoons shredded green pepper
6 stuffed olives cut into halves lengthwise.

Soak the gelatine in the cold water 5 minutes. Add the boiling water and stir until gelatine is dissolved. Add the lemon juice, sugar and salt and pour a portion of the gelatine mixture into a large mold. Set in a pan of cracked ice and water until firm. Then arrange the salmon in 2 pieces in the center. Arrange the eggs cut in slices or quarters, the celery, green pepper and olives around the salmon and pour over the remaining gelatine. Chill until firm. When ready to serve, turn out on a platter and garnish with slices of cucumber, mayonnaise and radish roses.

Savory Green Bean Salad

Cook green beans until tender. Prepare enough to make 2 cups, add 2 tablespoons chopped green pickle, 1 onion minced fine, 1 canned pimento, minced, ½ cup mayonnaise which has been blended with 1-3 cup chili sauce. Mix, chill and serve in lettuce cups.

Ginger Ice Cream

1 cup evaporated milk diluted with 1 cup hot water
1 tablespoon flour
½ teaspoon salt
1 egg
2 cups evaporated milk
2 cups cream
1 cup sugar
½ cup ground preserved ginger
2 tablespoons syrup from the preserved ginger.

Mix sugar, flour and salt and add to well-beaten egg. Combine with the scalded milk, stirring to keep smooth. Add the sugar and ginger (cut fine) and cook until thickened. Cool. Add ginger syrup, evaporated milk and cream and freeze in a mixture of 1 part salt to 5 parts ice.

Immigration Quota

Congress, in enacting the national origins law, fixed an arbitrary limit of 150,000. That number was to be distributed among the European countries according to a complex ratio, based upon the total number of immigrants and their descendants from the beginning of governmental records as related to the total population at the times of the 1920 census. What the share of each country was to be was determined by a careful analysis of the first census of 1790, the records of immigration since 1820, and estimates of the number of descendants both of the population recorded in 1790 and of subsequent arrivals. A provision was included in the law that no country should have a quota less than 100. This raised the final quota figure to 154,714, or slightly in excess of the maximum aimed at.

Why Mail Is Addressed "R. R."

Rural mail service was formerly the letters R. F. D. Officials of the known as "Rural Free Delivery" hence Post Office department advise that this same service is now officially designated as Rural Delivery and that the correct method of addressing such mail would be R. R. or Rural Route.

Why Word In Dictionary Angers French Vintners

Revising the big dictionary is not an easy task, writes the Paris correspondent of the London Daily Telegraph. The French academy, which has been finding suitable definitions for the many words it wishes to include officially in the French language, has come into conflict with the vine-growers of Burgundy.

The "Immortals" have admitted the word "pinard," which is slang for cheap wine, into the dictionary. They have defined it as "a military term for every kind of wine." Had the academicians left the definition at that, no one could have been annoyed, but they also wrote: "Pinard is a wine obtained from a vine called 'pinot.'"

The word "pinot" represents to Frenchmen the choicest vines of Burgundy. The local vine-growers are therefore indignant that it should be connected with the regular terms of abuse for wine.

Why, asks the Chamber of Commerce of Beaune (Burgundy), has the academy gone to such lengths to connect the vulgar term "pinard" with any other word? If, however, it insists on connecting it with something else, why should it fall on the noble term "pinot?"

Theatre passes always have two holes punched through them and the nickname for passes (Annie Oakley) is an allusion to the accuracy of Annie Oakley's aim, for she often made a

The LOOKOUT

By NORMAN C. LINE

I am only pinch-hitting this week. Johnny Wolfe (the regular Lookeronter) is up in the wilds of Canada by this time I presume. At least he should be in the vicinity of Bellville, Kingston or the Thousand Islands. For a full week before he left, his trip was the main part of his talk. After stopping in every service station on Broad street and Sullivant avenue he finally gathered enough maps to satisfy his wandering desires. He finally decided to go to the Thousand Islands via New York state and scout around the islands awhile then go across into Canada to do some fishing. After trying to lure some of the finny inhabitants into his boat he intends to drive around Lake Ontario to Niagara Falls and thence back to Columbus to tell you all about it. I might add that he is taking this trip with Carl Hartley and John planned this itinerary without consulting Carl. When they get back we shall see just where they did go.

HERE AND THERE

That pet coon that Bert Ray has is called Charlie. It is only a youngster and bites only once in awhile. His dog Jack is the cutest little thing. When he stands up and puts his front paws on my shoulders he can look right over my head. . . . Speaking about pets that poultry market on Sullivant near Wheatland has two chicken hawks in the front window. . . . Street car motormen are funny people. Either they have the jitters and their foot gets on the clanger or they clang on purpose whenever an automobile gets in front of them. . . . Sort of miss seeing that street car inspector standing (or sitting) by the ditch digger waving at all the street cars. . . . The First Federal Savings and Loan is about the coolest office on the Hilltop without any artificial means to cool it.

ANOTHER SHARE YOUR WEALTH PROGRAM

One Hilltop chap has a good suggestion of what do do when out with the girl friend, short of funds and yet desire some refreshments in the form of ice cream. He walks confidently into the ice cream parlor and orders one chocolate dope or sundae and two spoons. After the order is served it is only a matter of dividing the helping evenly. This chap has tried it twice now (much to the surprise of the waitress each time) and it has worked. Although he admits he had plenty of money with him each time and in the end ordered another dish for his girl friend. He only wanted to see if it would work so he could use it in emergency.

It happened in a public library (not the Hilltop branch). A man went in and asked for the book "Jesus On the Warpath." The librarian after looking in vain for it finally gave up and gave him the next best she could find which was "Christ of the Indian Road" by Stanly Jones.

At another time a woman rushed in to get a book for her pastor who was waiting for it. She wanted "Entombed With An Infant," and in the rush of getting the book she was given "In Tune With the Infinite."

Mrs. Buell has found her banty hen. It seems it just strolled away and a banty-loving Hilltopper took charge of it. . . . It wasn't long after she advertised for it that she got it back either, so you see it pays to advertise even in this paper. . . . Joe Berman, the lad who runs the shoe store, enjoys his nocturnal strolls. . . . Chet Brady did nine holes two under par at Beacon Light course a while back. . . . He is the first one to crack par out there in three years (besides Al Marchi, the pro). It is a pretty good trick to conquer old man par on that course. Most of Columbus' best golfers have played there and not even come close. . . . Haven't been able to find any flashers at the Pennsy R R. crossing on Eureka yet. Cliff Kohn suggests that Anne McDonald run out with a red flag every time a train comes a shooting by. Anne works at her father's lumber company at the crossing there and as yet she hasnt taken up that very humane suggestion.

Since all this sewer digging has been agoing on one does not know how many detours will have

Important Tilts Scheduled For Church League

Hillcrest-Tri Mu Battle May Decide Second Round Title Monday Night.

With the standings for the second round in the Hilltop Church League still muddled, prospects for an undisputed champion at the close of regular games Monday evening, are slim.

In what is probably one of the important games of the season, Tri Mu and Hillcrest will meet in what may possibly decide the title at the State Hospital. If the game is not played there, No. 1, at Westgate will receive the assignment.

Other games scheduled for Monday include: Burgess U. B. vs. St. John Lutheran on Westgate No. 2. These squads will engage in a double header, the first game, a nine inning affair, being the regularly scheduled second round melee. The second game will go seven innings and will be a play-off of the first round tie between the two squads.

Hilltop C. of C. will meet Westgate at No. 1 or at the State Hospital, and Hoge will cross bats with Sullivant Friends on No. 3. On No. 4, Glenwood and Hilltonia will vie for collar honors.

Friday's Results

Last Friday evening darkness was the victor in the game between Glenwood Tri Mu and Hoge Memorial leaving the score at 1-1 at the end of eleven innings, the last of which the ball could hardly be seen. Leach banged out a double and scored on Boyer's single for the Presbyterian's only run and Phillips scored on two errors for the Crutchmens only tally.

Hillcrest had little trouble disposing of Glenwood M. E., 26-1 in a free hitting contest on the part of the winners. St. John came back into the win column by tripping up Sullivant Avenue Friends 9-3, while the Church of Christ was taking the long end of a 6-1 decision from Hilltonia. Westgate set Burgess U. B. down without a counter with the score being 9-0.

Thornton, Merchant To Officiate At All-Star Game

Harry Thornton and Homer Merchant, the choice of Hilltop Church League managers to do the guessing at the all-star church team game next Friday evening, took all of the votes cast by the 10 managers.

Thornton will be at the plate, while Merchant will watch the base lines.

The game is scheduled to get under way at 6:15 o'clock, with the team managed by Hardy having the field from 5:45 until 6 o'clock for practice. The Apelites will work out from 6 until 6:15.

A resume of the final results of the nine ballots cast for the team will be found in next week's issue of the Record.

These events will start at 4:30 o'clock, according to Charles Middleton, ward committeeman, in charge of the affair. Prizes will be given to the contest winners, and also to the fattest woman and the youngest married couple.

Free refreshments will be served and those attending are asked to take a well-filled basket and enjoy the basket supper at 6 o'clock. All Democratic candidates are invited, and according to Mr. Middleton, will be introduced to the audience.

CIVIL WAR VETERAN SUCCUMBS MONDAY

Mr. Case had made his home in Columbus for the past year and a half at the Eureka avenue address, following the death of his wife.

Storm Wet Hilltop But Damaged Little

Wednesday's torrential rain drenched all of the Hilltop and a good share of those who were wending their way to work but did apparently little property damage when considering the proportions of the storm.

Firemen were called twice to homes which were struck by lightning at 104 N. Westmoor Ave., and 169 S. Westgate Ave., with about $10 damage at each house. A few limbs of trees blown down and a few cellars flooded was all that was reported.

Many Hilltoppers on their way to work got stranded on the Sullivant avenue hows when flooded streets in the bottom blocked their progress because of danger of short circuiting the motors.

Motorist Financial Responsibility Law Effective August 20

The motorist responsibility law passed by the last state legislature and designed to make every driver of a motor vehicle financially responsible in case of accident, will become effective Saturday, Aug. 20.

This law, passed in an effort to make the highways safe for motorists by eliminating the financially irresponsible driver, defines proof of responsibility in three ways. This proof may be shown either by an insurance policy, a deposit of $10,000 in cash with the state or a surety bond for $11,000.

In this state last year there were 90,000 automobile accidents and 2000 deaths. There are 28 other state in the union which have similar laws making the operator of a motor vehicle financially responsible in case of accident.

Funeral Services For Auto Victim

Held Saturday At Warren, Pa.—Companions In Hospital Severely Injured.

Funeral services for Ronald Fouche, Jr., 15, of 194 N. Oakley Ave., were held Saturday afternoon at Warren, Pa., where the body was sent by Wylie E. Shroyer. Burial was made in Oakland cemetery at Warren.

Young Fouche was fatally injured Thursday afternoon, Aug. 1, when an automobile in which he was riding overturned on the Groveport pike, two and a half miles south of the city limits.

He died in Mt. Carmel hospital a short time after the accident from a fractured skull.

Richard Evans, 35 S. Terrace St., one of his companions, suffered a fractured skull and was reported as improving slowly in Mt. Carmel hospital yesterday. George Ansel, 159 N. Oakley Ave., driver of the car, was not injured.

According to officials the auto driven by Ansel, overturned when it struck a soft gravel shoulder.

Fouche is survived by his parents, Mr. and Mrs. Ronald Fouche; a brother, Donald, and a sister, Geraldine.

Rev. Shields Accepts California Pastorate

Word was received last week by E. D. Hastings, 86 S. Ogden Ave., that Rev. and Mrs. Richard E. Shields and family are now residing in Piedmont, Calif., where Rev. Shields recently accepted a pastorate to the Piedmont Community church.

Rev. Shields was a former pastor of Hoge Memorial Presbyterian church, leaving here in 1926 to accept a charge at Mountain Lakes, N. J. From New Jersey he went to Winnetka, Ill., and for the past several years has been general secretary of the Community Churches of the United States.

Rev. Shields and family expressed a desire to be remembered to all friends of Hoge Memorial and to their many friends of Columbus and the Hilltop. Their new residence address is 7 Highland Ave.

Correction

The butter price in Schoonover's poultry market ad in last week's issue of the Record was a typographical error and should have read 28c per pound.

Glen Hamilton Is One Of Pioneer Merchants On Sullivant Avenue

Glen Hamilton, proprietor of the Hamilton Service Station at Hague and Sullivant avenues, is one of the youngest, yet one of the oldest merchants in the southwest section of the Hilltop.

His station, established 13 years ago, was the first west of Sullivant and Central avenues. Few other business houses were in operation and Hague avenue was the city limit for Columbus. To the west and south were cultivated fields.

Born on a farm south of Harris avenue, which his father still owns, educated at Highland Avenue Elementary and West High schools, and in business here all of his business life, Glen is a 100 per cent Hilltopper.

He came out of West High school and joined the army, being stationed at the University of Cincinnati for two months and later at Camp Shelby in Hattiesburg, Miss. He was there when the armistice was signed. He came home to go to work.

He is a director in the Southwest League, which is waging a good fight for improvements in that section of the community. Glen thinks that Sullivant avenue will become an important business thorofare, especially after the Main street bridge is constructed. He is of the opinion that National Highway No. 40 will eventually follow Sullivant avenue out of the city.

In his own words, "always nuts about autos," he got started in his present business at the suggestion of a friend who dealt in gasoline. He ventured a guess that there should be a service station on the Hilltop at the location near Hague and Sullivant. Glen took him up, and made a go of it.

Too fragile to make the teams while in high school (he weighed 120 and they called him "Slim") sports have since been his hobby. He has backed the soft ball nine known as the Hamilton Gassers in the Hilltop Merchants' league for the past two seasons. Both times his team, under the management of Frank Holycross, has come through with the title.

This year, his champions will take on the winners of the all-star church league game, under his sponsorship.

Glen is married, and has a five-weeks-old son, Jack, and a six-year-old daughter, Betty Lou. They live at 2804½ Sullivant Ave.

The American Legion Camp Chase Post No. 98 Rifle club has been granted a charter by the National Rifle association, the national governing body of the sport of rifle shooting, according to an announcement made last week. The club has a charter membership of thirty and was organized in June of this year.

The purpose of the club is to promote civilian marksmanship in the small-bored rifle, high-powered rifle and the revolver. Instruction will be given to all members and to youths under 18 years of age if they expect to join the club when they are eligible.

Teams will be organized within the club for competition and a team to represent the club in city, state and national competition. For the time being other rifle clubs in and near the city that have ranges have offered the use of their ranges to the Camp Chase club.

I Enjoy CANNING with my New ELECTRIC RANGE

THE SPACIOUS OVEN HOLDS NINE FULL QUART JARS AT ONE TIME

I've always been a person who enjoyed a well stocked cellar, but how I used to dread canning season. That was before I got my Electric Range.

Here's how easy it is: I merely wash my fruit and place it in clean jars, add sugar, screw lids on lightly and place in the oven, nine full quarts at a time.

When I've shut the oven door and set the temperature control I forget that batch till time to take it out. The intense even heat sterilizes the jars and preserves the contents perfectly.

Don't delay. Learn all the advantages of Electric Cookery. We will show you the smart Range models on our floor and explain our convenient purchase plan.

Hilliards Fair to Open Wednesday

Day and Night Session With a Large List of Premiums Offered.

With a greatly-increased list of exhibits, including more live stock and farm products than ever offered before, and nearly a hundred more 4-H Club exhibits than last year, not to mention a night horse show which has many added events, Franklin county's 22nd annual fair is to be opened next Wednesday at the fair grounds, Hilliards. It goes on for three days, with day and night sessions. Price of admittance remains at a quarter, Frank E. Kirkpatrick, president of the fair board announces.

More than $6,000 in cash prizes, besides many ribbons and cups will be awarded to winning exhibits in the thirteen departments of the fair which include horses, cattle, sheep, swine, poultry, farm products, fruits and flowers, machinery and implements, women's work, 4-H Club work, vocational agriculture, horse show, and speed program.

The races which are offered each afternoon include pacs and trots with purses of close to a thousand dollars daily, and each day there is a pony race. The board has posted a cash award for the horse which can break the track record of 2:04. The race track was completely rebuilt last year and now ranks with any of its length in the state.

The night horse show, which has become a center of interest for society, as well as for all central Ohio horse lovers, this year will have a total of 24 events, eight each evening, starting on Wednesday, Thursday and Friday evening of the fair at 7:30 p. m. These events will include classes for ponies, model hunters, three and five gaited saddle horses, ladies' class, roadsters, novice hunters and hunters. These events, put on under high-power lights, are some of the most spectacular at the fair.

Dancing, shows, and a complete line of restaurants and refreshment places are included in the fair's recreative scheme.

Democratic Picnic Sunday, Aug. 11th

Political Leaders Bathing Revue, Games and Parade On Program

Congressman Stephen Young, of Cleveland, Governor Martin L. Davey, State Chairman Francis Pavey and other noted national political leaders are booked to speak Sunday at Edgewater Park during the program of the first annual picnic of the Twelfth Congressional District Democratic Club. A bathing girl review, a program of games and activities for adults and children, and the serving of lunch in characteristic national style by Hungarians, Italians, Negroes and other groups who are organizing will be features.

The picnic, under the general chairmanship of Mrs. Porcia Wiley, is a state-wide event with constituencies from every district coming to Edgewater park for the event. Mrs. Myron Pollock is in charge of the general group, Mrs. Grace Marting is in charge of the Italian division, and Mrs. Mollie Miller is in charge of the Italian group, while Mrs. Mabel Waller heads the negro division, and James Lundy that of the Greeks. Thomas Graham is in charge of entertainment, Homer Bernlohr of concessions, and Mr. Myron Pollock is in charge of the political program for the day.

An automobile will be given away during the picnic. A parade from downtown Columbus to Edgewater Park will form on North High street between the Union Station and Goodale street, and move at 10 o'clock north through High street to Main, east on Main to Parsons and north on Parsons to Edgewater Park.

Why It Was "Old Ironsides"

The name was an affectionate one conferred on the staunch frigate after her great exploits during the war of 112. Her first great triump in that war was her victory over and capture of the British Guerriere on August 19, 1812. Later she fought and took another British frigate, the Java, off the coast of South America. Before the war was over she had beaten and taken two other frigates in battle, the Cyane and the Levant.

How "Cutlass" Has Progressed

The long weapon known as a "cutlass" was a curved sword with a blade usually about 27 inches long and one inch wide. It was formerly used on men-of-war as a sidearm.

Important Tilts In Church League

Continued from Page One

Monday's Results

Hillcrest Baptist continued their winning ways and defeated Westgate 4-3 in the feature game on last Monday night's quintet of games. It was only after a closely fought game that the Baptists were able to come out ahead and keep their hold on first place in the league standing.

For the second time in this round darkness crept in and would not allow St. John's Lutheran and Glenwood M. E. to break a 12-12 deadlock. Glenwood Tri Mu disposed of Sullivant Avenue Friends 4-0 and Burgess U. B. had little trouble downing Hilltonia U. B. 12-2. Hope Memorial ran into a snag in their game with Hilltop C. of C. but finally managed to take the game 3-2 in the ninth when Swisher clouted out a four-sacker with one mate aboard.

OBVIOUSLY UNFAIR

It seems to me, now that the soft ball season has drawn to a close, that a certain feature of the summer campaign has been obviously unfair. I refer rather abruptly, but not maliciously, to the playing of all games by the Glenwood Tri Mu entry on a single diamond.

It makes no difference to a good ball team what diamond a game is played on, is their argument number one. I should like to use the same one and suggest that ample opportunity is therefore presented for competition to take place on a par with the other nine teams in the circuit. In addition, statistics will reveal that the home lot is advantageous. Not one ball team in one thousand will win more away than at home.

I am not detracting from the glory and the power that is a champion's. May they drink deeply of the sweetness that is victory and is to a winner. But I think the cup would have been more bountifully filled and far more palatable had the competition been on absolutely even terms.

I am not saying that the Tri Mus would have lost in playing on all diamonds as did all other teams. I am suggesting, however, that had that been the case, the race would have been more fairly conducted. I merely state that partiality has been shown in such high places and that such a thing should not exist. The team itself, is not to blame. But, it seems to me, those who are responsible for the condition, have been a bit unfair.

I believe the demands of certain of the Tri Mus, to play all games at the State Hospital, are a bit exorbitant. And I think that the attitude smacks of a selfishness no more to be desired in the circuit than some of the more spectacular unfortunate incidents of the past.

A number of the Tri Mu players are older men, with families to support. It is held that their livlihood should not be jeopardized by being forced to play on the rougher Westgate fields. I think someone exaggerates the playing conditions at Westgate. And I know that several other teams have as many men who support dependents. None have been injured. To threaten to quit the league if their wish to play on a certain field is not granted, is on a par with other poor sportsmanship of the past, familiar to fans and players in the organization.

And finally, to present as an argument the fact that Hospital authorities would not permit another team or teams to play on the extra diamond is ridiculous to the extreme. I am not personally acquainted with Dr. Herbst, who kindly permitted the church league to make use of the field, but I know from meeting him and contacting his teams on the playing field, that he is too fair-minded to make such a ruling. I doubt if he knew that such an argument was presented to the division of recreation. In the course of a round of play, all teams saw action on the field. If that is true, why then would it be logical to say that two teams other than the Tri Mus and their opponents are unfit to engage in a baseball game there?

Yet just a word. If it means anything to receive roses from this obscure corner, then let them fall on the uncomplaining teams who have taken Tri Mu's share of the poorer playing fields. Those teams are made of the stuff of which the world needs more. I have in mind the gentlemen from Hoge Memorial, Burgess U. B., Glenwood M. E., Sullivant Friends, Hillcrest Baptist and Hilltonia U. B. especially, who more times than was their share, played on the very poor field at Westgate No. 4. There were no refusals to play! There were no bickerings! That, one likes to think, is the stuff of champions. And there are champions, you know, who never won a game!

West Draftsmen Prepare Defense Of Fair Laurels

To Enter 250 Drawings At Ohio State Exposition; Meet Today At the School.

West senior and junior high school drafting students, winners of a great majority of the prizes awarded at the Ohio State Fair last year, will meet this afternoon in the drafting rooms at West High school with C. S. Kennedy, instructor, to complete plans for a defense of the laurels.

The West entries in 1934 won the state sweepstakes in the junior and senior high classes and placed Ed. Killian as the champion of the junior division and Robert Marsh as champion of the senior division. These students have graduated, but the West entries will be increased from 160 to more than 250.

Some exceptionally fine drawings have been made by the students under the direction of Mr. Arthur Miller, Mr. Trout and Mr. Kennedy. More than 150 plates will be entered by senior students while nearly 100 have been completed by the juniors.

Prizes offered by the fair management include cash awards of $1.50, $1 and .50 for first, second and third respectively. Ribbons are also presented and the sweepstakes winners are presented with a trophy.

There are 49 different drafting classes and approximately 1500 entries will be made from all sections of the state. Ten judges will view the drawings and determine the winners sometime within the next 10 days.

May Not Install Harper Rd. Lights

R. R. Warning Signals May Be Omitted Because Thoroughfare Is Not a State Road.

Warning signals for the Pennsylvania Railroad crossing on Harper road, where several have been killed in recent years, may not be installed, it was learned this week.

The installation is in the hands of the state highway department which supervises the allocation of federal funds for the purpose. The Pennsylvania Railroad officials have been awaiting the announcement of the program by the Highway department, but it may be that Harper road will not be included on the program because it is not a state highway.

In case the signals are not installed there, City Attorney John Davies has said that the only alternative will be to have council order the incoming and outgoing trains to slow down until the crossing is passed.

Council, however, will not take this step until all possibilities of having the flashers installed have been exhausted.

May Have Additional School System Changes

Hilltop Teachers Promoted By Board Action Friday; Schools to Open Sept. 2 Under Present Set-up, But Shake-up Is Intimated.

Further moves toward the reorganization of the Columbus public school system were intimated this week by Board of Education President Ray G. Hauntz following a drastic shake-up in the principalships last Friday afternoon. Mr. Hauntz refused to elaborate on the intimation.

The sudden change was made by the board last Friday afternoon after a week of secret sessions. The new set-up places H. M. Emswiler, principal of Starling, at Central High as acting principal, while W. B. Skimming, former East High head, was placed at the Central avenue school.

Miss Ilo Maddux, principal of Bellows Avenue elementary, was shifted to Ohio Avenue, and Miss Mathilda Stuart, Highland elementary head, placed in temporary charge of the Bellows Avenue school. She will also retain her principalship at Highland Avenue.

Other changes involving local teachers included the promotion of Miss Dorothy King of John Burroughs to the principalship of Chicago Avenue school, and the naming of Charles Vance of West Jr. High, principal of Fourth Street school.

Asst. Superintendents Out

Assistant Superintendents Marie Gugle and Charles Fullerton were relieved of their jobs, the former being shifted to East High as principal and the latter moved to Crestview Jr. High as principal.

According to Mr. Hauntz, "the reorganization was made "for the betterment of the schools," and his statement is being interpreted that the action was brought about by the need for younger leaders in the Columbus educational set-up. Certain of the higher offices are now being held by those who will retire in the near future.

Further reorganization is in the offing, according to the board president, who said this week that the positions of Miss Gugle and Mr. Fullerton will be filled early in the fall. "The present set-up, however, will start the fall term on Sept. 2," he said.

Mention Reighley, Mahaffey

This was taken to indicate that the assistant superintendents would probably be named from persons now in the school system.

Evan Mahaffey, principal of South, and Dr. H. H. Reighley, principal of West Jr. High, have been named as possibilities, but Mr. Hauntz said that no names had been brought before the board and would not be until Aug. 26. Both men, however, are highly respected as executives in the school system. Dr. Reighley is in Illinois with his family this week and could not be reached by a Record reporter.

Under the contemplated plan, one of the new superintendents will be in charge of high schools and junior highs and the other will supervise the elementary schools.

Mr. Hauntz would not comment upon what the set-up at West High would be if Dr. Reighley is appointed assistant superintendent. He has been in favor of the double principalship there, although the remainder of the board would probably take advantage of the opportunity and place a single head in charge if the principal of West Jr. is promoted.

Dr. Reighley, it was learned, was considered for the Central High school principalship, but Emswiler was finally named. This action would further strengthen the theory that Dr. Reighley is slated for another position, if not immediately, then in the near future.

Worley Boosters In Rally Thursday

Eleventh Ward Democrats To Meet At Hillcrest Baptist Church August 22.

The Democrats of the Eleventh Ward will hold a Worley-For-Mayor meeting in the auditorium of the Hillcrest Baptist church on Thursday evening, Aug. 22, at 8 o'clock, it was announced this week.

The mayor and members of his staff will be on hand to discuss the administration of the past few years. Ray Elay, committeeman of the ward, will preside, and Committeewoman Mayzella Scott will be vice-chairman. The following have been selected to serve on the reception committee:

Chairman, Mrs. Lena Ferrell; Fred Sulzberger, George Rings, Mrs. Dollie McCormick, Mrs. Martha Merriman, William Palmer, Grover Amerine, Mrs. Helen Dildine, Agnes Murdock, Frank Cussins, William Maier, Russell Holycross, John Hauntz, L. W. Wallace, Marie Thompson, Gertrude Gallagher, Mrs. Rose B. Wade, Leonard Hager.

Officers Graham, Ruder Improving

Occupy Neighboring Rooms At Mt. Carmel Hospital; Have Many Visitors Each Day.

Two of Columbus' most popular police officers, recovering from injuries at Mt. Carmel hospital, will be at their homes again within the fortnight, it was learned this week.

Detective Sergeant George Ruder, who was shot in the side a little less than a month ago in a gun battle with hoodlums, is recovering rapidly, although the wound in his back, where the bullet emerged from his body, is requiring more time to heal than was expected.

He was visited by relatives Wednesday of this week, including Mrs. Belle Castle of Denver, Colo., and Mrs. Ellen Bowers and Mrs. Ramona Bowers of Athens, O.

Officer John Graham, 317 S. Warren Ave., was also reported as getting along very well. He may be able to return to his home next week.

Graham was almost fatally hurt when a street car split a switch at Broad and High two weeks ago and ran him down.

Occupying rooms side by side, the two local officers are visited frequently by friends and fellow officers. More than 50 cops were on hand one evening, it was reported.

Horseshoe Champions Named At Holton Park

Clarence Weisert, 222 N. Burgess Ave., copped high honors in the senior horseshoe tournament at Holton Park, with Carl Hibbs, 91 N. Terrace St., runner-up.

In the intermediate division, Herb Weisert, 222 N. Burgess Ave., won first place and was trailed by Ed. Geyer, 244 Eldon Ave. The junior championship was won by James Neal, 2530 Ridge Ave. Leo McComb was runner-up. He lives at 350 N. Burgess Ave.

How Electric Clocks Keep Going

By harnessing them to a current that flows for a certain length of time one way and then reverses and flows the other way a similar length of time. If the alternating is exact, it is stated, the clock can neither gain nor lose time.

HOLLYHOCKS

O hollyhocks of all flowers most despised (by some)
Long relegated to unsightly places, you have come
Into your own estate.
And former years forgot;—
Of menial service, hiding empty cans
And ash heaps was your lot.
You reared your head unaided and unsung.
But sun and rain has blessed your work begun
Now stately and serene you rise in splendor,
While fellow flowers bow in sweet surrender;
O hollyhock, in 'Joseph's Coat' arrayed,
Or buttoned close, erect, stand unafraid:
Oh, flower, so neglected by the ways,
Has won thru faithful service, lasting praise.

How to Cut Bottle Neck

To cut the neck or bottom from a bottle, secure a piece of wire 1-8 to 3-16 inch in diameter and bend it to conform to the curvature of the bottle so that it extends over one-half the circumference. Scratch the bottle with a file and heat the wire to a low red or black heat. Place it under the scratch and slowly rotate the bottle through a partial revolution, alternately toward the right and left until the glass cracks along the line of the wire, then continue the rotary motion, but more in one direction than the other until the crack makes a complete circuit.

Tri Mus Given 2nd Round Title; All Star Game Slated Tonight

Starting Teams Announced For Hospital Tilt

Halley and Shafer Named to Oppose Each Other On Hill; Game Starts at 6:15.

Arrangements for the church league all-star ball game, slated for 6:15 o'clock this evening at the state hospital diamonds, have been completed and the opposing managers have announced their respective line-ups.

Ed. Halley, the Tri Mu buzzer ball man, and Don Shafer, Hillcrest's speed ball artist, will be on the firing lines, with Joe Swisher, Hoge's brick-wall catcher receiving for Halley and Si Whetstone taking Shafer's deliveries at the opening gun. Layman will probably succeed Whetstone and Glass will follow Swisher at the backstop posts.

In the absence of Blesch, Speedy Kent will be in reserve for Apel's Jugheads, with Corder and Logan ready to go in for the Bottlenecks should Shafer falter.

For the Apelites, Williams, Kent and Toy will cavort in the outer pastures, with the versatile Tinker Leach playing the combination infield and outfield position known as the short field.

For the opposition, Holstein, Fulton and Keating will patrol the far sectors, with probably Mawhirter in close.

Jughead Infield Good

With Bill Curliss at third, Earl Preston at short, Howard Reynolds at second and Roy Riggs at first, the Jughead infield presents a rather formidable defense, with the middle two lads capable of hitting hard and often, while the corner guardians will also punch out their share of smaller wallops.

Opposing this group will be Harold Todd at third, Hi Myers at short, Graschel at second and Wolfe at first, a quartet which, led by the gigantic Myers, may greet Halley rather hilariously.

All in all, and on paper only, it looks like the Bottlenecks have the best defense and a short range hitting squad while the Jugheads have the well-known power-house attack almost throughout the line-up, which should be an important factor in the final result. Fortunatley, however, games are decided with bats, not typewriters.

Backing up the Jughead inner wall will be the big bat of Leo Phillips, who will probably make his presence known ere the battle is over. For the Bottlenecks, Loren Corder, also with a big bat and a still good throwing arm, will have something to say.

Harry Thornton and Homer Merchant will do the officiating, with the former laboring at the plate and the latter on the paths.

O. E. Spencer and R. E. Wolfe will be the game's official scorers.

Winners Play Gassers

The winning aggregation will meet the 1934-35 champions of the Hilltop Merchant League, the Hamilton Gas nine on next Friday evening, Aug. 23. As in the case in tonight's game, prizes will be given away to participants in the fray.

Awards will be made to the batters getting the first hit, the first two-base, three-base and four-ply wallops, and also to those getting the second, fourth, sixth, seventh, eighth, ninth, tenth, eleventh and twelfth blows, regardless of distance.

The inseam ball will be used and the game will be played on Westgate No. 2 diamond. Glenn Hamilton, backer of the Merchant champs, is sponsoring the affair.

An effort will be made to obtain Ray McVay to do the officiating.

A complete prize list will be announced in next week's issue of the Record.

The following are the starting line-ups and batting orders of the competing teams:

Jugheads	Bottlenecks
Kent, rf	Graschel, ss
Curliss, 3b	Todd, 3b
Riggs, 1b	Wolfe, 1b
Leach, sf	Shafer, p
Reynolds, 2b	Keating, cf
Toy, cf	Myers, 2b
Preston, ss	Fulton, lf
Williams, lf	Mawhirter, sf
Swisher, c	Whetstone, c
Halley, p	Holstein, rf

Umpires: Thornton, at the plate; Merchant, on the bases.

About all we get out of some parties is the relief of taking off our shoes when we get home.

Prize List For Game Tonight

The following prizes will be awarded participants in the all-star church league game tonight.

First home run—Regular soft ball fielder's or first baseman's mit from Broad-Hague Hdwe.

First triple—Flashlight. Broad-Hague Hdwe.

Most hits in game—Surprise award. Westgate Electric Shop.

Every stolen base—Banana split. Campbell's Pharmacy.

Crutchmen Win From Hillcrest Monday Evening

One Game Remains Before Title Can Be Decided; Methodists Hold the Advantage.

In a decision Tuesday evening, the protest board of the division of recreation awarded Glenwood Tri Mu a forfeit over Hoge Memorial in the Hilltop Church League. The decision gave the Tri Mu team the championship of the second round.

The protest was based on the fact that a suspended player on the Hoge team was on the field during the melee played Friday evening, Aug. 2. The score was tied at one when darkness stopped activity in the eleventh inning.

The board could have ordered the game replayed, inasmuch as nothing was done which influenced the final score of the game. The decision rendered eliminated automatically two other teams from a chance at the title.

The decision is interesting in that it marks the second consecutive year that a championship has been determined via a protest route. At Tuesday's meeting, Dr. Walter Reeves, president of the South Church League; Rev. A. E. Anderson, president of the North Church League; and Jess Dilley, president of the Industrial Board, voted for Tri Mu. Frank Colburn, president of the West Church League, and Leo Uridil, sitting in for Director C. E. Seddon, did not vote.

Monday evening Tri Mu assured itself of a tie for the title when Hillcrest was bumped 3 to 1. Halley again was the big facor, fanning Hysell and Preston with men on second and third and being the master in the pinch throughout.

St. John completed its ninth double killing in five games, but Perkins and Logan had too much on the ball and Burgess took two from the Lutherans, 7 to 1 and 5 to 1. Curliss got five hits for the winners.

Glenwood M. E. and Hilltonia U. B. battling to get out of the league basement, went 12 innings to no decision. Each squad tallied four times.

In a slug-fest, Hoge beat Sullivant 9 to 6, while Erlenwine got four for four for the losers. Church of Christ went down before Westgate, 7 to 2, in the evening's finale.

The Standings

*Defeated Westgate via forfeit.
**Defeated Glenwood via forfeit.

But a single game now remains on the Church League schedule for 1935, the Hoge-Hillcrest and Tri Mu games being now cleared off the slate. Tri Mu and Westgate will meet Monday for the league championship. The game will be played at Westgate or at the Hospital grounds, or perhaps, at a neutral field. Some think it would be unfair to have the Crutchmen play at Westgate inasmuch as they are unused to the conditions there.

Re-elected

Following some question concerning the eligibility of George Hardy to manage one of the all-star church league teams, a new set of ballots was mailed out to the ten managers this week by Lu. Rausch of the Broad-Hague Hdwe.

Eight were returned and Hardy again topped the list in a closely contested race, with Hill, Layman and Howard in close order behind.

Cowboys Will Play 9 Games

Four Are Nocturnal Jousts; Opener Is Scheduled With Zanesville on Sept. 13.

West High's 1935 Cowboy gridiron machine will meet nine opponents this year, according to the final schedule released recently by Coach Harold E. Nine.

Four of the nine will be night affairs. The complete schedule follows:

Sept. 13—At Zanesville (night).
Sept. 20—At Dayton Steele (night).
Sept. 27—At North (night).
Oct. 4—Coshocton here.
Oct. 11—South here.
Oct. 18—At Middletown (night).
Oct. 25—Central here.
Nov. 1—Aquinas here.
Nov. 8—Open.
Nov. 15—At East.

The Cowboys will have their initial fall workout on Sept. 2, the first day of school. The first meeting is scheduled for Saturday afternoon, Aug. 31, at which time equipment will be given out.

Why Gas Meter Is In Yard

Gas meters often are placed conspicuously in the front yards of farm homes. It is because some farm homes are close to the road and some far back. The farmer has to maintain his own service pipes and the company charges him at the point the gas leaves its line and enters the farmer's line. The farmer usually gets his gas from a high pressure main line that chances to pass along the highway in front of his home, so a regulator to reduce the pressure is used with the meter.

Water Poloists At Local Pool Are Title Bound

Have Three Games Remaining While Maintaining a Two-Game Lead in League.

Hilltop pool water poloists, with 11 consecutive victories to their credit and but three games remaining on their schedule, look forward to an important game which may cinch the championship, Monday, Aug. 19, with Shawnee.

The game will be played at the Hilltop pool. Shawnee is at present in second place, two games behind the locals. A victory for the Hilltoppers will assure them of the trophy, symbolic of the title. The cup is presented each year by the Outdoor Swimming Pool association.

This afternoon New Sanitary will be met at the New Sanitary pool. A win would assure the Cruea swimmers of a tie for the crown.

The season will close on Aug. 22 with Grandview showing at the Hilltop pool.

The following is the standing:

Team	W.	L.	Pct.
Hilltop	11	0	1.000
Shawnee	9	2	.810
East Side	6	3	.667
Grandview	2	7	.222
Olentangy	1	7	.125
New Sanitary	1	9	.100

How Chinese Found Use For Ugly Rhinoceroses

The ancient Chinese had some strange uses for the rhinoceros, according to a study reported by an archeologist of the Freer gallery of the Smithsonian institution. One form of torture was to wrap a political prisoner in the hide of a freshly killed rhinoceros. As the hide dried, it contracted and slowly crushed the victim. Thus, one record from the year 681 B. C. tells of a prisoner wrapped in a rhinoceros hide and sent to an adjacent state. According to the record he arrived at his destination "with his hands and feet protruding from the ends of the roll."

Another use the ancient Chinese had for rhinoceros skins was for covering funeral cars. Also, the armor of the bronze age warriors was made of it.

Some archeologists have believed the ancient tribes employed rhinoceros horns for drinking cups, but according to philological study, they hardly could have been used for this purpose. Early records speak of "seu kuang" which held as much as seven "sheng"—almost four quarts. But although the word "seu" in late times is used to indicate the rhinoceros, no horn of any of the Asian varieties of this animal could have contained that quantity.

Why Guide Rails Are Used

There is a little "island" formed by extra rails over a trestle or bridge on the inside of the other rails. The arrangement forms a protection against a street car or train going off the bridge. The inner rail will tend to straighten and guide the errant car or street car off the rails until safely across the bridge.

Why Sailors Don't Wear Belts

Bluejackets in the United States navy wear neither suspenders nor belts with the blue trousers, says a bulletin issued by the Navy department. The trousers are made waist-tight fit. In the days of sailing ships when it was necessary to go aloft to furl or unfurl sail, it was not desired to have any loops or articles of clothing which might be caught on the marline spikes

Question: How Far Will a Dollar Stretch?
Answer: Just as Far as You Want It To!

THIS picture was made with the aid of one of those phoney rubber dollars you may have seen in the novelty stores. But REAL dollars—honest-to-John shopping dollars—will stretch, too! You can make them cover more purchases than you ever thought possible if you know how and where to spend them most economically!

Making a dollar go farther is just another name for thrift, and thrifty shoppers are usually ad-shoppers. They know what they're going to buy—where to buy it—how much to pay—before they leave their front doors. They plan their shopping tours with the help of the Hilltop Record.

Each week the stores of the Hilltop offer values that can be matched with values in any other part of the city. Thrifty Hilltoppers have learned to do their shopping on the Hilltop and use the Hilltop Record as their guide.

Antiques Highly Prized By Old-Time Egyptians

Modern antique hunters have nothing on the ancients, some of whom treasured their own antiques which were more than 1,000 years old before the Christian era. A fragment of an Egyptian alabaster goblet found at the University of Michigan archeological excavations on the site of old Seleucia, in Mesopotamia, throws this sidelight on the lives of the ancients.

The bit of alabaster cup or goblet was found in the level of Seleucia inhabited from about 140 B. C. to 43 A. C. On the fragment are inscribed, in Egyptian hieroglyphics, the words: "The Majesty of the King of the Upper and Lower Egypt, the Lord of the two Lands." The broken edge of the piece ends the inscription abruptly, but it is thought that these followed the name of one of the pharaohs of the eighteenth dynasty in Egypt, which lasted from 1600 to 1400 B. C.

Undoubtedly the goblet was part of gifts sent from the unknown pharaoh to his fellow ruler in Seleucia, and even centuries later the fragments were treasured by the Seleucian householders, who believed them to be potent charms.

Good Samaritan Aids Helpless Birds

THEY were just three baby sparrows in need of protection when Frances A. Urban, fourteen-year-old high school girl, saw them flopping about helplessly in her back yard in Hollywood, Calif., and decided to befriend them. At her home, the girl placed them in a cage near a window. A day later she heard a flutter and saw a grown sparrow, then two, beating wildly against the screen. Suspecting the visitors were the birds' parents, she placed the cage in the yard and opened the door. One of the grown birds flew in with worms and fed them. Each day, now, they are taken into the yard to be fed in that fashion. The girl plans to release the birds as soon as they are able to fly.

Housewife's Column

Fruit Salad

Chill sliced bananas, halved grapes, grapefruit, or orange slices, halved peaches and pears. Arrange on lettuce leaves and serve with mayonnaise.

Fried Smelts

Dip smelts or other fish in corn meal and fry in butter. Serve with parsley potatoes and halved tomatoes topped with grated cheese and broiled. Garnish with lemon slices.

Angel Food Cake

Sift 1 cup cake flour 4 times. Beat 1 cup egg whites and ¼ teaspoon salt with wire whisk. When foamy add 1 teaspoon cream of tartar and continue beating until eggs stand up in peaks. Fold in 1¼ cups sifted granulated sugar. Fold in ½ teaspoon vanilla. Then sift small amount of flour over mixture and fold in carefully, continuing until all is used. Pour into ungreased angel food pan. Bake cake in slow oven 50 to 60 minutes. Begin with moderate oven and after 30 minutes increase heat and continue baking. Remove cake, invert pans for 1 hour or until cool.

"Little Stories for Bedtime" by Thornton W. Burgess

DANNY FINDS A REFUGE

AS DANNY MEADOW MOUSE anxiously looked this way and that way for a place to hide from Buster Bear, a sharp, squeaky voice almost in his very ear made him jump. "What are you doing over here, Cousin Danny? Aren't you lost?" said the sharp, squeaky voice.

Danny turned quickly to find a little round hole in the ground between

"Now," Said Whitefoot, "You Have Nothing to Worry About From Buster Bear."

the roots of the tree, and just inside was the trim little head of his cousin, Whitefoot the Woodmouse.

"Oh!" cried Danny. "Buster Bear is trying to catch me and I don't know what to do."

"Come in here," replied Whitefoot promptly.

Danny didn't need a second invitation. He darted in just as Buster Bear reached the tree on the other side. Buster promptly tried again the trick by which he had so nearly caught Danny. He reached a great paw around the trunk of the tree and brought it down swiftly. But he was too late. There was no one under that big paw. Buster watched and listened, but he saw nothing and heard nothing. Then he walked around the tree to investigate. There was no sign of Danny Meadow Mouse. But between the roots of the tree was a little round hole.

"Huh!" grunted Buster Bear and began to dig furiously.

Now Buster Bear's claws are long and stout and when he sets out to dig he makes things fly. But Whitefoot the Woodmouse knows all about those great claws of Buster, and when he made that little round hole he made it right under the big roots of that tree. It didn't take Buster long to find out that it was quite useless to try to dig out Danny Meadowmouse. You see, those big roots were in the way. So after a minute or two of useless digging Buster gave up. It was foolish to waste time there when he might be hunting for and finding sweet little beechnuts. So, grumbling deep in his throat, Buster walked off and once more began to rake over the leaves in search of beechnuts.

Meanwhile Danny Meadow Mouse had followed his cousin, Whitefoot the Woodmouse, along a little tunnel among the roots that led him, some distance from Danny, where he had entered. It was a very safe little tunnel, Danny said as much as he scampered along after Whitefoot. Whitefoot was pleased but he didn't say anything. He just scampered along and Danny followed. After a while they came out in the heart of a big, hollow stump.

"Now," said Whitefoot, "you have nothing to worry about from Buster Bear. Tell me what happened, and what you are doing so far away from home."

Check Heater for Trouble

Before you start the fires in your old furnace this Winter, have the plant cleaned out and inspected for cracks. Loose joints and cracks in the firebox are responsible for smoke escaping into the living quarters. When the cracks are small they can be filled with cement. If they are large, the old firebox should be replaced.

Unsatisfactory operation of your steam or hot water heating system may be due to faulty air vents on your radiators, or it may be that one or two of the radiators are too small. Any defects in the heating system should be detected at this time. The answer to all your heating problems is to call in a heating engineer. Without cost or obligation he will make a complete inspection and recommend repairs or replacements.

State Fair Opens Mon. August 26th

Early Entries Being Made By Exhibitors; Opening Day Named Ladies' Day.

During the past week thousands of prospective exhibitors throughout the United States have received copies of the premium list and rules covering entries in the 1935 Ohio State Fair according to Earl H. Hanefeld, state director of agriculture. This year, the fair will be held in Columbus the week of Aug. 26th to 31st. Early entries indicate that it will be one of the most successful ever conducted.

Director Hanefeld has announced the re-establishment of an old-time custom, that of admitting ladies free on the opening day. Twenty-five years ago, it was the general practice not only of the state fair but of the county fairs as well to designate one day of their fair week as "Ladies' Day." The rules of the state fair require that all exhibits must be in place by 8:30 Monday morning. The opening day of the fair is an ideal time to view the exhibits because of their freshness. The board of agriculture had this in mind when they designated Monday as ladies' day.

In addition to announcing Monday, Aug. 26, as Ladies' Day at the Ohio State Fair, attention is called to the fact that all children under 12 years of age will also be given free admission to the grounds. Tuesday, Aug. 27, will be officially known as County and Independent Fair Managers' Day. Wednesday has been set aside for Township Trustees and Clerks and County Commissioners and Engineers. On this day, the Ohio State Fair Road Show will attain its greatest proportions. By tradition, Thursday is Governor's Day. The governor and his official family will make an official inspection of all departments of the fair. Friday is known as Press Day and at this time newspaper men throughout the state will attend as the guests of the fair management.

Ears are a great aid to a smart coiffure. If they are small and shell-pink, expose them in their entirety, brushing your hair back from your face. If they are less than perfect, show at least half, with the hair allowing the lobes to show. But, remember, consider ears seriously in arranging your evening coiffure.

How Truffles Are Grown; Where They Thrive Best

Truffles range from the size of a filbert to that of a potato. Although white truffles are somewhat in demand, it is the black or queen truffles of England and France which are in most demand, those of Perigord being considered the finest. These are of varying size, and have a gray or seal-brown or nearly black skin, which is pebbled, or warty, with small angular protuberances. The firm interior, with such a texture as has an immature puff-ball, is dark brown, somewhat mottled by reason of its chambered structure, and reticulated with the white films of hyphae.

Truffles are practically never cultivated in spite of various attempts. They thrive best in limestone soils, and in such light, moist, but well-drained woodlands as are frequented by the various species of trees near which the truffles prefer to exist—possibly on their decaying roots. The tubers are entirely subterranean, occurring either deep in the ground or close to the surface, ripen in winter and are dug out, either laboriously by the unaided man with a sharp spud or by the aid of dogs and pigs.

Why It Is Called "Red Sea"

The Red sea takes its name from a peculiar reddish color at certain seasons of the year in parts of the sea, due to marine plants, or to reddish animalcules, called by sailors "whale fred," which float on it like a scum. Or, to the reefs of red coral which abound in many parts of it.

CONGRATULATIONS

Laying aside their crutches, they picked up their bats and did hit. And as a result the 1935 church league soft ball trophy, donated by the Broad-Hague Hardware, now reposes in the possession of the Glenwood Tri Mus. We offer congratulations, with best wishes for success in city final competition.

We believe that the league enjoyed a splendid year. Despite continued peculiar decisions of the city protest board, a worthy team copped the title. Next year, perhaps, some arrangements can be made whereby such poor judgment can be avoided insofar as protests are concerned. But it is too early to go into that now.

Without casting any reflections on the champions this year and last, and without going into any lengthy review of bad decisions of the past, let it be said, nevertheless, that such extremities as the board has resorted to in settling controversies, need not be tolerated in the Hilltop circuit.

Harold, oh Harold, fetch me a smidgin of football.

Again, nothing produces such jittery despair as blank paper in a typewriter when feuilletonistic thoughts are far-flung and few and babble of our beloved bourgeoisie is at a premium.

Whoever has written so much as letter has experienced the hopelessness of grasping for something which is present but can't be touched. In the last moments of complete dejection, thoughts become vortiginous, and sweep through the mind in such a fury that a flurry of flying fingers over the keys records but a fleeting glimpse of what might have been, in its fullness, preeminent workmanship. Once having flown by, unrecorded, they are gone forever.

Robert Draper never writes his thoughts on paper. Once having hurdled the obstructions of an untraversed brain path, his ideas are his own and will return when necessity calls, he says.

But like a bird on the wing that we see on a ramble, when it returns we see it in a different environment, and the picture is a different one.

I have never learned just what makes a column interesting. Names, some say, but the week I mentioned the most people, no less than five allowed that I had "lost my curve ball." At another time, in a state of vacuity such as this, a stretch of copy was brought forth which fetched three compliments via phone. That broke all records.

Adam Addison was in town over the week-end. Says he likes Akron. . . . Rose Ferguson is on the substitute teachers' list for next year in Columbus. She taugh seven and one-half years at Milo a while back. . . . A dozen or so will attend Mr. and Mrs. Sam Toy's annual bean feed a wk. from Sat. . . . Herb Nettleship and eight other lads (too numerous to mention) were questioned by police tother eve. Somebuddy thought they were planning a kidnapping. Goodness. . . . Note. There's more tu cum on that above item, but outa the kindness of my heart, I'll refrain. . . . Larry Potts and a trio of fellers left for northern wilds one midnight this week with enough food to last a year. They intend to fish. . . . Herb Davis' wife met a bear face to face while they were up in the wilds. . . . Jack Shank met his wife while playing ring around the rosie—no it was drop the handkerchief. The game broke up when she always dropped the thing behind Jack and he reciprocated, etcetera.

Almost finished now. . . . Don Craig has worried himself to a mere shadow about the entrance to that apartment over Weber's Confectionery. Where is it? . . . And did you know that Leo Phillips, the copper, was in professional baseball as a pitcher before he came to Col's? But his wife didn't like all that traipsin around. . . . Yep, finis! No more to do. Good!

Playgrounds To Be Closed Next Week

McKinley and Holton to Conclude Season This Week; Westgate, Glenwood Open Until Friday.

Playgrounds throughout the city will conclude their summer seasons next week, it was announced Wednesday by Charles Seddon, director of the division of recreation. Two of the West Side centers, McKinley and Holton Parks, completed their respective programs Thursday. Glenwood and Westgate will remain open another week.

Thursday was playground day at Olentangy Park. Games and contests were featured and finals in a number of events were run off. Free rides were offered the kiddies between the hours of 1 and 3, while between 4 and 6, dramatic eliminations were held. Holton was the west district representative.

Seddon expressed himself as being well pleased with the program presented through the summer, despite financial handicaps which forced him to utilize volunteer help. F. E. R. A. workers were also discontinued, although through a special grant, another two weeks were added to the season.

"Nature study, handcraft and dramatics were added this year, and next summer, even more attention will be paid to the subjects," Seddon declared. A nature trail, with trees and shrubs marked with waterproof labels will be laid out at Westgate Park this fall, it was reported this week.

Hilltop policemen George Ruder and John Graham, confined to Mt. Carmel hospital with serious injuries as a result of a gun battle and a traffic mishap, are having a high time in their adjacent rooms, reports were this week.

Despite the seriousness of their respective conditions, their improvement is being registered daily, if the number of wisecracks tossed back and forth can be a barometer. They accused each other of having their name placed in last week's Record, and the battle still rages.

Neither will be able to be out for some time. Official reports say Ruder is "just the same" and Graham "is getting along fine."

Ed Halley's Hurling Too Much For Darkhorses

Corder, Layman Bat Well For Winners; Davis, Mawhirter, Graschel Star For Losers.

Behind the brilliant pitching of Ed Halley, Glenwood Tri Mu won the Hilltop Church League championship Monday evening at Westgate Park by defeating Westgate Evangelical in a well-played ball game, 2 to 0. It was the second year in a row that Westgate had made a vain bid for the title.

Halley limited the Dark Horses to five blows and didn't pass a batter. Only in one frame did the Powell avenue lads succeed in placing two men on the paths, and then two were down. The Tri Mu speed ball artist fanned four.

Graschel, doing the mound work for the losers, likewise turned in a splendid effort, aided by sensational support by Mawhirter and Davis in the outfield. Four of Tri Mu's five safeties and two of their three walks were rung up in the first three innings. After that, but three Crutchmen saw first base, Elliott getting the only safe crack after the third.

After Layman had lifted to Davis, Phillips smashed a long double to right in the first stanza. The copper scored when Loren Corder planted a clean single short of the same spot. In the second inning, the game's final marker was chalked up when Stewart was safe as Riggs dropped Mason's throw. He went to second when Halley grounded to Riggs and scored on Gosie Layman's one-ply smash to center.

To Pave Route 40 From Wheatland To Hague

Workmen began preliminary operations on the West Broad paving project early Thursday morning following final approval late Wednesday of the contract.

The West Broad street paving project, extending from Wheatland avenue to Hague avenue, was awarded to B. F. Patterson, contractor, late last week, according to an announcement by officials of the Ohio State Highway department this week.

The work will get under way immediately, Mr. Patterson said Tuesday, and the area will be paved with asphalt after the fashion of the remainder of the highway from Wheatland east to High street.

The contract was forwarded to Patterson a week ago. He was to have signed it Wednesday of this week. Following approval by the attorney general, work was scheduled to get under way no later than Saturday of this week.

The pavement will be 60 feet of asphalt, with 10-foot brick gutters and approximately 100 men from the Columbus relief roles will be employed on the project. None of these men can work over 30 hours per week, however.

The job will cost approximately $50,000 and funds will be furnished by the federal government. There will be no cost to local tax payers.

Shank & Saunders, Hilltop's Damon and Pythias

F. F. (Jack) Shank and L. E. (Lou) Saunders, the Damon and Pythias combination among Hilltop business men, are just a couple of hillbilly country boys—to use Jack's phraseology—who chanced to get out of the hill country and into the flare of city lights.

A chance conversation, for Jack, and an envy of Jack's abundant leisure time after the selling season was over, for Lou, took them into the selling business—on the road. They've been more or less together for almost a quarter of a century.

From the time he took over his father's store at the age of 19 until the present day, Jack has never had a salaried job. It was in that store that he got his chance to leave home. A salesman for the Mishwaka Rubber and Woolen Mfg. Co., having taken an order, was chewing the fat with the 18-year-old lad, who, having nothing else to say, and for no reason in the world, told the salesman that he was planning on selling the store.

It was suggested that he try for a selling job with Mishwaka. It never entered Jack's head as a serious proposition, but he wrote a letter. The company wired him to come for an interview, and before the week was out he was headed for the darndest case of nostalgia in the mountains of West Virginia that ever came up the pike.

"Just a country boy, fresh out of eight grades at school," packed up bag and baggage and went home, swearing he'd never work away from the old fireside again. But he went back, after a spell, and this time to North Carolina and Virginia and later in Tennessee and Alabama.

After the selling season which ended in early spring, he'd spend his days at home, reading in the shade of the front lawn trees. And Lou, wondering how on earth men could do such things and still eat, made inquiries. Eventually he tied up with the same firm. They worked for 19 years, finally coming to Columbus, where they got into the selling business again—this time real estate with Harry Butler. They agreed, after a while, that they'd split the profits of their sales, regardless of who made them. It worked, and there was born the Shank & Saunders firm.

A peculiar combination, this, but a successful one. Not a vacation in nine years for Jack. He takes his—often without notice, a couple of days a week, maybe out on the golf course. Lou may slip away, down the river's bend, into the hills at Middleport, for a week or so. The business goes on. Never a hitch in the machinery.

Walk in the Shank & Saunders establishment any Tuesday, or series of Tuesdays. You'll never find one there all the time. They have a system, without system, it seems. They're happy in their work, think the other one is the best partner in the world, are contrasts in every way you can imagine, and work together like four wheels on a wagon. Such a combination is hard to beat.

Jack has a brother in Iowa and a sister back home on the farm. Lou has a sister at his old home in Middleport and another in Columbus.

Mr. and Mrs. Earl Holycross of Toledo, O., are the house guests of Mr. Holycross' parents, Mr. and Mrs. E. E. Holycross, 238 S. Hague Ave.

"FRIENDLY" SHOES

When a customer of ours steps out in a pair of Friendlies we like to know his feet look well — in case he's asked where he got his shoes.

Then, too — we know little points of fit — around the ankle, across the instep help make him a satisfied customer. Stop in and see our new line. We have them in wingtips, straight tips and plain toes — in black and tan.

Church All-Stars, Merchants Play

Continued From Page One

to 5 score. The game, a free-hitting affair, was witnessed by approximately 500 fans. The affair was sponsored by the Broad-Magee Hardware.

Ed. Halley, Tri Mu's ace hurler, was touched for 16 blows during his nine innings of toil, while Shafer, although giving up 12 hits, was master in the pinches at every stage of the game but one—in the second inning.

The commanding ambition Halley started in the opening frame when, singles by Gerschel and Wolfe, a triple by Al Myers and an error by Preston on Leach's throw-in accounted for three runs.

The Jughands came back in their half of the second when Leach and Toy singled and rode home ahead of Earl Preston who drove a mighty wallop to deep left for the circuit. The wallop went whistling high and handsome over Fulton's head.

In the third, Keating duplicated Preston's drive to center field, after Gerschel had singled to start the canto. It was also a robust wallop.

Curlins tripled to lead off the third frame for the Apollos, and scored when Myers fumbled Riggs' grounder. The final Jughead tally came in the fifth when Preston singled after two were down and plated from first when Keating dropped Williams' long drive.

Curlins' error gave Mawhirter a life in the Bottleneck fourth, and the West side hall-hawk was driven around by Logan and Gerschel with one-ply wallops. Four consecutive hits, including a double by Todd, and an error by Phillips produced three more in the fifth. The final score was made in the sixth when Keating and Wolfe singled, the former registering when Joy dropped Shafer's long hoist.

Tinker Leach, with seven put-outs at the short-field position, was the loser's defensive star while Preston led the attack. For the winners, Mawhirter's play in short-field stood out, while Keating, Gerschel and Myers did the heavy blasting.

The Bottleneck defense was somewhat crippled with the injured Holstein out while the Jughead offense was impaired by the absence of Speedy Kent.

An extremely wet outfield and a slow infield was no aid to the support recorded either pitcher, both of whom, in addition to hurling an unfamiliar game, handled their positions in creditable fashion.

How Star's Distance Is Shown

The distance of a star from the earth is obtained mathematically by measuring its parrallax. The method is in reality a triangulation in which the base line is the radius of the earths orbit. All modern observations are made with improved instruments, but even so there may be a small degree of error.—Washington Star.

Why Balls Are On Cow's Horns

There are sometimes balls on the ends of the horns of cattle. The balls are lead balls of considerable weight. They are used to train the horn to grow the way the breeder believes it should. Often the horn has a tendency to turn upward and these heavy balls are placed on the horn to correct the tendency. The weight of the balls over a period of time will force the horn to take the right shape. At Wild West shows, shiny brass balls sometimes are placed on the horns of the cattle purely for ornamental purposes, and sometimes to prevent bad goring should a bull attack some fallen rider.—Kansas City Star.

SECRETARY'S REPORT

Dear Lookerouter:

Now that the baseball season is over, I suppose we can settle down to work again, . . . That was poor journalism, but goodness of heart—you not publishing the story about reconstruction and redecoration at the Hillcrest church so the pastor would be surprised when he got back. . . . But Mrs. Gillilan says thanx. . . . Wish you'd explain about those telephone poles on W. Broad. Can they be removed after the street is paved, without tearing up the street again? . . . Lots and lots of people didn't know about the W. Broad paving, by the way, until the Record carried the story last Friday morning. Sometimes you ARE exclusive! . . . Gosh, but you should see those mammoth "lunches" Jim Hamilton lugs to work with him. He's a railway postal clerk. . . . The last time I heard from M. Krejci, she was in Germany, but if Mr. Hitler hasn't jugged her, she's about home by now. . . . Why, oh why did you miss that obit? Duke, the Allen canine, 2 decades old, was struck by an auto a month back, and they eased his agony with chloroform. . . Herb Deems & family arrived home from Atlantic City and points east. . . . Ask Rudy Lurs about that batch of eggs he wouldn't buy because he didn't know where they came from. Bob Nowell, Allen, and Lefever, among others, too. . . . They're planning a huge meeting of all the young people's S. S. classes on the Hilltop, for the early fall.

Cliff Rice returned Wednesday from an Apex convention in Cleveland. . . . Lu Rausch is on a vacation, but nobuddy knows where. . . . The Harold Eigenseers are Hilltoppers now, moving here a fortnight back. . . . Edna, the new Campbell clerk is a registered pharmacist. She passed the state exams a month ago. . . . Milly, erstwhile chatterer and soda dispenser there, is doing fine at Moue's down the W. Brd. pike. . . . Christine McKenzie spent her vacation in Cincy. . . . The Harold Wises and the Ray Faulling returned early this week from a Michigan fishing expedition. . . . Gwendolyn Blair will teach at Stewart Avenue school this fall. . . . Carl Sherburn returned from far north in Canada with plenty of fish Saturday. . . . It'll be just a year next Sunday for Rev. and Mrs. Magann, and he will preach a sermon on: "Our Matrimonial Meditations at Reno." They visited America's marriage junk-yard while vacationing this summer—for a vacation only.

I guess it was a scream, seeing Marjie Marshall in that run-away motor boat at Buckeye Ocean tother wk-end. It went zooming and sliding over the water, and only because it skimmed past a dock and George (her brother) jumped in, did M. come out to tell the tale. . . . "Fetch four bucks when you come down tonight," one local lass told her b. f. a nite last wk. "I've bought some dishes." YouRe right, twas Wimpy Siegwald. . . . Here's a tip: Chas. X. Apel, the AAPO potentate, will be ousted within a fortnite. Charges of serving too long in one office will be brought against him by the lads. . . . Tommy Crompton is arter yer scalp. He says to throw a bunch of blossoms of some sort to the Church of Christ baseballers. They played in gully No. 4 at Westgate four times. . . . The Ray Hills are home again. . . . They'll take up their Chillicothe residence before the people read this. . . . Virgil Broghten, Jim Hastings and Bob Wyan will go to Nova Scotia with the naval reserves in late Sept. . . . Dave Randall will attend OSU this fall.

More trouble for Herb Nettleship, the Todd drug clerk. He and a crew of fellas went fishing up in Mich. and pitched camp right in a nest of hornets. Alas. . . . What on earth does "Tri Mu" stand for? . . . "If this country goes to war," says Bill Boyd, "they'll have to come after me, cause I hain't mad at NObody."

Special paragraph: Tommy Crompton is the proud paw of a boy who arrived Sunday nite—and proud is the word. "I'm tired of playing on a second division church team," says Tommy, "so I'm out to get my own players. Watch us go next year with Robert Allen in the lineup."

W. Broad Paving To Be Completed Oct. 15-Patterson

Merchants Along Route Await Completion of Improvement; Business Slows Down.

Work on the West Broad street paving project, in full swing this week, will be completed by Oct. 15, it was indicated Wednesday by Contractor B. F. Patterson.

The area on Broad street torn up when the sewer line was installed from South Wayne to North Burgess avenue, was being capped with a layer of concrete this week. Asphalt will be placed over the entire surface from Wheatland to Hague, with a five-foot brick gutter on each side.

New catch basins are being installed throughout the area, in addition to those already in place, which will aid in the removal of water during heavy rains.

Curbing throughout the stretch will be re-placed and re-dressed.

Business Hurt

Hilltop merchants from Wheatland to Hague, experiencing a let-down in business for the past six weeks during installation of the sewer lines, are anxiously awainting the completion of the paving project. One business man said this week that his business had amounted "to practically nothing" for the past month.

Ban Parking On West Broad Street

Parking of cars on the north side of of West Broad street, from Wheatland avenue, west to Hague, has been prohibited by an order from Safety Director Peuler's office. The ban will continue through the period required to complete the paving project.

Church All-Stars Beat Merchantmen

Shafer's 4-Hit Hurling Backed Up By Heavy Hitting By Mates; Keating Stars.

Don Shafer's sensational hurling, and the heavy stick-work of Hi Myers, Ed. Keating, Jack Logan and Harold Todd featured the Church League All-Star attack on the Merchant League champions, Hamilton Gas, last Friday evening at Westgate Park, the churchmen coming out on the long end of a 6 to 2 score.

Homer List, on the hillock for the losers, was hit hard, 11 safe blows being gathered off his delivery. His support, however, was wobbly at times. He passed five.

Shafer, on the other hand, was accorded fine aid in the field and was master of the situation at all times. Only four hits were struck off his offerings and only eight balls were hit past the inner defense.

For the losers, List, Salyer and Ripple performed the best, while Myers and Gruschel scintilated around the keystone sack for the winners.

Prizes were awarded the participants by Paley's Drug Store, Claggett's Confectionery, Broad-Hague Hardware and the game's sponsor, Hamilton's Service Station.

Board of Education Meets Again Tuesday

The board of education will hold another meeting on Tuesday afternoon, Sept. 3. At last Monday's session, a wage hike for janitors was tabled for purposes of further study.

Cowboy Gridders Meet Tomorrow

Managers Called for 1 o'Clock This Afternoon; Coach Wise Announces Preliminaries.

Serving a warning that all those candidates who are not in condition will find the going very hard, Coach Harold E. Wise announced his preliminary plans for opening the 1935 football season at West High, this week.

With the opening game but two weeks away, hard drills will be on tap immediately, with the first session scheduled Monday morning at 9 o'clock. Another will be held in the afternoon with a late morning and late afternoon rehearsal planned for Tuesday, the first day of school.

Managers will meet at the school this afternoon at 2 o'clock, and report tomorrow at 3.

As in other years, Monday evening rehearsals will be open to the public. Other drills will be behind locked gates.

Prospects for the year are not promising. A weak team last year—probably the weakest since Wise's first year here—lost the large share of its talent and weight with the graduation of Burr, Focht, Randall, Hoffman and the brilliant Francis.

Gridders Harken to Coach Wise's Call

More than 100 aspirants to gridiron glory will answer Coach Harold E. Wise initial call for football candidates, it was thought this week.

The first meeting is scheduled for 4 o'clock tomorrow afternoon at the school, when a short lecture will be on the program and equipment will be given out. Drills will probably be held on Labor Day with another pair probably on Tuesday, the opening day of school.

Ends will be the Cowboy foreman's greatest worry, although other positions are by no means filled. Ballenger, Brandenberg, Cooley, Ballard and others will aid in filling the gaps. Tiller, a reserve end of great promise, will be lost for the year due to an operation he underwent this summer. Backfield timber includes Wolfe, Richardson, Ditrick, Brewer, Maxwell, Moyer, Mead, Larkin, Hatton, Kimbral.

Other candidates who may come through are: Slosher, Mitchell, Bellar, Coffman.

Military Funeral For Albert Tonti

Albert P. Tonti, 36, of 636 S. Richardson Ave., World War veteran and clerk at Fort Hayes barracks, died Wednesday in Grant hospital from heart disease. Saturday from St. Aloysius church by Camp Chase Post, American Legion, of which he was a member. Burial will be in St. Joseph's cemetery.

Bantamweight Grid Candidates Called

Woody Owens, who coached last year's city champion Hilltop Bantamweight gridders, has issued the first call for players for this year's squad. The initial meeting is scheduled for 9:30 o'clock on Saturday morning at the John Burroughs school ground.

A loss of eight men from last fall's crack squad, scored upon but once during league competition, will handicap the team. New players wishing a try-out are asked to report.

Gasoline Ignited

To Confine Activities to Concert Singing This Fall; Closed Membership Planned.

The Hilltop Business Men's Association Male Chorus, winners of many contests and eisteddfods, will appear in no competitive events this year, it was announced this week by O. H. Campbell, secretary. The organization will devote all of its time to rehearsals for a season of concert presentations.

Letters which were sent out to members this week outlined a plan of procedure for the coming year which calls for a limited membership of 36 voices, nine in each part. Last year's entire membership will open the fall season, but a balanced chorus is the aim for the near future.

W. Hadyn Jones will again direct the group, which will hold its first rehearsal on Monday evening, Sept. 9. The initial concert of the season will be presented at the Thursday evening session of the Ohio Methodist Episcopal conference at the Third Avenue M. E. church on Thursday evening, Sept. 26. This is the conference's import meeting and Dr. Merton S. Rice of Detroit will be the speaker.

Tentative concerts are scheduled for later in the season for Xenia and Jamestown.

E. H. Gildersleeve is president of the chorus.

Pendleton, 832 Martha Ave., who was drowned Saturday afternoon, Aug. 26, when he fell into a private swimming pool at 1542 Sullivant Ave., were held Monday afternoon from the Wylie Shroyer funeral home. Interment was in Memorial Burial Park.

The pool, which discontinued summer operation a week before the accident, was to have been drained Saturday evening, according to reports. The boy was reaching for a bit of paper which the wind had blown to the water and fell in. His playmate, Russell Heiner, screamed for help, but James Rickets, 282 Brehl Ave., arrived too late to save the lad. Firemen worked for 50 minutes in an effort to revive him.

Hillcrest Baptist church, corner Eldon and W. Broad, has undergone a complete re-decoration under the supervision of Guy Lawyer, 479 S. Harris Ave., during the pastor's vacation trip through the West during the last few weeks.

The project, a complete surprise to Rev. Magann, was finished early this week. Rev. Magann and wife returned Wednesday and found that the auditorium had been given three coats of paint, a new lighting system had been installed, and the gallery class-rooms had been re-modeled.

"License"

Ohio law provides that one must have a license to direct funerals within the state. All funeral directors who were in business when the law was passed were granted a license, but it is compulsory now to serve two years apprenticeship with a master funeral director.

The embalmer is different. Besides serving his two years, he must graduate from embalming school and pass the state examination. There are funeral directors who cannot embalm for burial. They must hire an embalmer and therefore cannot render personal service.

When choosing a funeral director, this can were needed funerals by calling a man who is a certified embalmer and funeral director. He can personalize his service from the call to interment. The State Board will tell you that Spears Funeral Home is "Eminently Qualified."

TANTALIZING AROMAS FILL THE SUMMER AIR . . .

IT'S PRESERVING TIME!

Now is the time to anticipate your winter needs, to stock up on jellies, jams and conserves to banish cold weather ennui. Here are some delicious preserves.

Cherry-Orange Jelly

1½ cups cherry juice (about 1½ pounds ripe cherries)
1½ cups orange juice
3½ cups sugar
1 cup bottled pectin

Measure the juices and sugar into a large saucepan. Stir. Bring to a boil. Add the pectin, stirring constantly and bring again to a full rolling boil and boil for ½ minute. Remove from fire and let stand 5 minutes. Skim and pour quickly. Cover the hot jelly with a film of hot paraffin and when the jelly is cold add ¼ inch hot paraffin.

Green Tomato Pickles

One peck green tomatoes, 1 cup salt, 4 cups sliced onions, 3 green peppers, 4 pound mustard seed, ½ pound whole cloves, ¼ pound black peppercorns, 1½ quart cider vinegar, 3 pounds brown sugar, 2 cups water, 4 tablespoons ground cinnamon, 2 tablespoons ground allspice, 2 teaspoons ground cloves, 2 teaspoons ground nutmeg, 1½ teaspoons mustard.

Cut tomatoes in slices, sprinkle with salt and let stand over night. Rinse once, put alternate layers tomatoes, onions and mixed peppers in a large kettle. Put the ground spices in a cloth bag, set in kettle, add other ingredients and cook till tender and rich in color. Store in covered crock and leave the spice bag in the pickle.

Keep a Supply of

Cool Beverages

The tinkle of ice in a tall glass does much to dispel the torrid discomfort of a hot summer night.

Fruit Ginger Ale

Cut in the pieces the pulp from 2 large oranges and 2 lemons. Add ½ cup chopped preserved ginger and some of the syrup. Sprinkle with 1 cup powdered sugar and set in the refrigerator to ripen. Put a heaping teaspoon in each glass; fill with ginger ale.

Blackberry Punch

Stew 1 quart blackberries with 1 cup water and squeeze out the juice. Add 1 cup sugar, juice 1 orange, 4 tablespoons lemon juice and a few grains of salt. Chill, dilute with equal amount of pleasant water and pour over ice cubes.

Lemon Ale

6 cups granulated sugar
4 cups water
1 cup mint leaves
4 cups lemon juice
8 quarts ice water
4 quarts ginger ale

Mix the sugar and 4 cups of water and boil 2 minutes. Add the mint leaves and cool. Add the lemon juice and strain into a punch bowl over ice cubes of a large piece of ice. Add ginger ale and serve.

Inspiration for Delectable Dishes

Milk, cheese, eggs, butter—these foods that appeal to the clever cook for their food value and taste.

Cottage Cheese Dressing

1 cup cottage cheese
1 teaspoon salt
½ teaspoon sugar
2 tablespoons lemon juice
2 tablespoon olive oil

Rub cheese through sieve, add salt, sugar, lemon juice and milk well. Add oil slowly until well blended. Serve on plain head lettuce, grapefruit or crisp cucumber.

Ham or Chicken Omelet

Make a plain omelet and just before folding over sprinkle chopped cooked ham or chicken over the eggs. Allow 1 cup meat to a 4 egg omelet.

Spanish Eggs

Cook 8 eggs until hard, remove the shells and cut the eggs in half lengthwise. Meanwhile make a sauce as follows. Fry 2 strips of bacon until crisp then break into small pieces. Cook 1 small chopped onion in the fat 3 minutes, then sprinkle in 2 tablespoons of flour. Stir briskly and add 1 chopped green pepper, 1 cup finely shredded celery and 2 cups canned strained tomatoes.

Simmer 20 minutes, add the bacon, 1 teaspoon shredded parsley, ½ teaspoon salt and ¼ teaspoon pepper. Pour the sauce hot into a serving dish

Delicious Meals Vary With

Bakery Goods

When an off-check invites you to play, you'll want to be down there spending the fortune to the fairest possible manner. Within the many delicious breads, cakes and pastries are successful lines suited. Here for example is a quick dessert.

Strawberry Shortcake

Place four lady fingers in individual service plates. Heap with strawberries that have been crushed and covered with sugar. Top with two additional lady fingers, more crushed berries and a spoonful of whipped cream. Dot the top with three whole berries that have been dipped in powdered sugar.

Buffet Sandwiches

If you are giving a buffet party arrange trays of meat, ready sliced—rye, white, white-raisin and whole wheat. Have a platter with sandwich spreads and cold meats and a generous and varied selection of such condiments as mustard, chili sauce and chopped green peppers. Then invite your guests to make their own sandwiches according to individual taste.

Ice Cream Cake Sandwich

Choose a firm white or chocolate loaf cake and cut slices about ½ inch thick. Top each slice with a slice of brick ice cream and cover with additional slice of loaf cake.

Hot Luncheon Sandwich

Remove crust from fresh bread slices, spread with butter and deviled ham mixed with a little evaporated milk. Put together in sandwich form. Beat 1 egg, add 1 cup evaporated milk. Pour over sandwiches in a shallow pan. Brown sandwiches in frying pan and garnish with parsley.

Why People of District of Columbia Do Not Vote
Article 1, Section 8, of the Constitution provides that congress shall have power "to exercise exclusive legislation in all cases whatsoever," in a district which may become "the seat of government of the United States." Since congress has the exclusive right to legislate on the local affairs of Washington, and since the Constitution does not confer the privilege of voting—even for President—upon the citizens of the United States—this privilege is conferred by states—the residents of the District of Columbia are completely disenfranchised. Many maintain a legal residence in the state of their origin, and vote from there, or by mail. There is nothing to prevent a resident of Washington from holding a federal office.

Why Men Tip Hats to Women
The custom of raising hats to women is just a survival from the time when hats were made of metal and called helmets. In those days the gallant knights uncovered their heads as a sign that the protection of a helmet was no longer needed in the presence of a lady. In just the same way gloves were removed when shaking hands to show that no weapon was concealed and that the person removing his glove realized he was among friends.

"My advice to you, colonel, is to go through the movements of driving without using the ball," said the golf instructor.

"My dear fellow," answered the colonel, "that's precisely the trouble I'm wanting to overcome."—Vancouver Province.

To Build Three More Dams At Holton Park
Three more dams, one south of Eureka avenue, and two north of the thorofare, will be constructed in conjunction with the WPA work now in progress there, it was learned this week.
The new dams, it was explained, will keep a fresh supply of water in the stream throughout the summer months and thus keep mosquito breeding at a minimum.

OBITUARIES

Raymond W. Horn, of near Mt. Sterling, former Hilltop resident, died Thursday morning at the age of 21, in Mt. Carmel hospital. Survivors are his parents, Mr. and Mrs. William Horn; two sisters, Mrs. Lillian Todd, 288 Columbian Ave., and Mrs. Esther Clark, 388 W. 4th Ave. He was a graduate of West High, class '32. Services were held Saturday afternoon from the C. J. Kohn funeral home, and interment was made in Memorial Burial Park.

How to Can Fruit Without Sugar
Prepare jars, rubber rings and tops as usual for any canning process. Select and prepare the fruit as usual, taking care to select firm fruit. Fill the jars with equal weights of fruit and water. Screw on the tops tightly. Sterilize the fruit and jars by placing them in a kettle or boiler of hot water. There should be a rack in the bottom of the kettle to prevent the jars from touching it. Bring the water in the boiler to the boiling point and boil for 30 minutes. Remove the jars from the boiling water, take off the tops and add boiling water to fill the jars to overflowing. Put on the clean rubber ring, then put on the tops, seal and turn upside down until cold.

DRIVE CAREFULLY

Paving work now in progress on West Broad street, and the installation of sewers in other thorofares of the community have created traffic hazards which call for extreme caution while driving.

The opening of school, bringing with it a great number of children making their way back and forth over Hilltop streets, call for watchful driving, even with normal conditions prevailing.

It is not too much to ask of motorists in requesting slow and careful operation of vehicles, with 7000 Hilltop children en route to and from school as much as four times a day.

And it might be well for traffic policemen to "bear down" on the careless motorist — the type who simply will not heed warnings.

WEST HIGH FOOTBALL

At the present writing, West High's 1935 football outlook gives no indication of the squad placing higher than third and probably fourth, or lower.

I am not passing out pre-season alibies or bear stories. I merely state, for the first time in six years, that the Cowboys will ultimately land in second division.

The facts: South, with much material and a winning coach at the helm, will top the Hilltoppers. This stuff that it takes time to install a system—in high school—is bla-bla. Battin's system—the so-called Notre Dame type of play—has been used by the Bulldogs for years.

East's champions, with few losses and powerful reserves from last year—and the winning habit—should run 1-2.

North, with the largest squad in the city and many veterans back, will be as tough as usual—which is too tough for the Cowpunchers.

Aquinas will be stronger than has been the case since 1929-6; Central may be an unknown quantity now, but Dave Parks' teams always grow with competition.

And at West, four good men and true in persons of Dave Randall, Russ Focht, Bill Barr and Dick Francis, will be gone. They were the bulk of the weight on last year's pitifully light squad. And last year's eleven had the weakest reserves in the city—as far as varsity play was concerned.

What the sophomore class will produce is a question. But even if [illegible] third place is high for the Wisemen.

Funeral Today For 'Uncle Nic' Lambert

Funeral services for Nicholas Lambert, 85, who succumbed at the home of his adopted daughter, Mrs. V. E. Wolfe, 205 N. Warren Ave., Tuesday evening, will be held from the St. Mathew Lutheran church in Logan, O., where he was a member, this afternoon at 2 o'clock. Interment will be at Logan by Jerry Spears.

Known to his Hilltop friends as "Uncle Nic," he is survived by one sister, Mrs. Barbara Beeler of Shawnee, O., and many nephews and nieces. He made his home, since the death of his wife 12 years ago, with Mr. and Mrs. Wolfe and their sons, John and Robert.

Mr. Lambert, a retired railroader, worked for the C. & O. for 40 years.

First Rehearsal

Mothersingers of West Broad school will have the first rehearsal on Wednesday afternoon, Sept. 11, in the school auditorium, at 2 o'clock. All members are requested to attend and those interested in the organization are invited to join. Mrs. Robert L. Gilliam directs the chorus.

Plans Completed For West Alumni Outing

Plans have been completed for the annual West High Alumni association picnic scheduled for Sunday afternoon, Sept. 8, at Broad Acres, General Chairman Joe Briggs announced this week.

The affair will get under way at 1 o'clock, and entertainment has been planned for children and adults. Prizes will be awarded winners in a number of contests and golf, baseball, croquet and other events are on the program. Members and families will attend. The affair will be a basket picnic.

See page five for complete plans.

Westgate Playground, Paving Approval Up

Decision to Be Announced In Two Weeks; Ball Diamonds, Tennis Courts, Other Features to Be Provided For Hilltoppers.

Works Progress Administration projects, including the improvement of Westgate Park and the paving of Westgate avenue, from Palmetto to Sullivant, loomed as probabilities this week, although final approval had not been forthcoming from Washington.

Final approval or rejection will be made in about two weeks, W. L. Beeson, engineer of the WPA district office, said Tuesday.

Plans Discussed

If the Westgate paving project is approved, work will get under way immediately and soil taken from that project will be utilized in filling in at Westgate Park where five ball diamonds will be constructed and from four to eight tennis courts installed. According to the plans discussed by Recreation Director Charles Sedlon Tuesday, Glenwood and Holton parks will also undergo some improvement. Sedlon expressed hope of being able to install a ball diamond at Glenwood.

Other work at Westgate includes the control of the creek which drains the area by installing a wall along its banks and filling in the surrounding area; trimming and labeling trees in the grove; and other minor jobs.

Rejected Once

The Westgate avenue paving project was rejected by the WPA when it was

Myron Gessaman Slated to Speak

Republican Candidate for Mayor to Address Eleventh Ward Club at W. Broad School.

Firing of the opening gun along the western front in the municipal campaign is set for Tuesday evening, Sept. 10, at 8 o'clock, in West Broad Street school auditorium, according to Mose M. Williams, Republican committeeman of the eleventh ward.

With the co-operation of the eleventh ward Republican club, Mr. Williams has arranged a meeting at which all municipal candidates will be present, with Myron B. Gessaman, organization candidate for mayor, making the principal address.

Realizing the importance of the issues in the campaign the eleventh ward club is extending an invitation to all residents of the ward, regardless of party affiliation, to attend this rally and familiarize themselves with the candidates.

All representatives to the expanded committee meeting held at Memorial Hall, and all booth workers are urged to be present as this is the only meeting to be held before the primaries.

Motor Cop Recovering From Crash Injuries

Motorcycle Policeman Fred I. Williams, 596 S. Hague Ave., severely injured last Thursday afternoon when he crashed into the open door of an auto driven by S. F. Mattox, 16 W. Norwich Ave., in Sullivant near Woodbury avenue.

He sustained bruises about the chest and a sprained left wrist. He was taken to his home where he is recovering under the care of Police Surgeon Woodrow C. Pickering.

Opens Restaurant

The Colonna Food Shoppe was opened last week at 3105 W. Broad St., by Marino Colonna, 3103½ W. Broad St. The restaurant serves American and Italian dishes and specializes in Italian spaghetti. Colonna has been in the restaurant business for a number of years.

Win Contest

Paul Kaufman, 427 S. Eureka Ave., and Dorothy Tomlinson, 234 N. Harris Ave., won scholarships in the Hilltop School of Music at a contest held at the school last week. They play the violin and piano respectively.

A large enrollment was reported on opening day at the local school.

Democratic Club

The Tenth Ward Democratic club will hold its meeting next Thursday, Sept. 12, at 8 p. m. at the home of Mrs. Wilkins, 1556 W. Broad St.

Pool Office Looted

The office of the Hilltop Swimming Pool was burglarized of $25 Sunday night, Charles A. Cruea, manager, reported to police Monday.

61 Candidates Report to Coach For Initial Drill

Scrimmage Marks Second Day's Activity; Hard Sessions In Store for Cowboy Hopefuls.

A very meager crowd of potential gridiron warriors, in comparison to other years, greeted Coach Harold E. Wise last Saturday afternoon when the first session of the year was held for West High football candidates.

A half-hour lecture and the distribution of 54 uniforms rounded out the first meeting, but the Cowboy foreman got down to real work Monday when two rehearsals were held. A 45-minute scrimmage capped activities in the afternoon, and on Tuesday, another hour of real football concluded the day's workout.

The squad was increased by 17 Tuesday, when school opened, but a cut of 13 in the morning kept the number about even.

New Offense

At Tuesday evening's session Wise's constant admonitions to "watch for a lateral," "get rid of the ball," and "where's that lateral pass?" gave testimony to the fact that Cowboy grid fans will see a wide open game this fall.

In addition, the usual offensive setup has been modified slightly,—Wise hopes, for the best.

Ballenger, a line-man from last year, is the only letterman of the meager four who has not yet reported. He underwent a tonsilectomy just prior to the opening of school and will be out a week yet.

The first set-back of the season was also recorded this week when it was announced that Willis Ballard, stalwart guard on last year's eleven, and one of the four returning lettermen, would be out of action for the remainder of the season. He sustained a head jolt in Monday's rehearsal, which, although not serious, will not tolerate a thumping a season of play would produce.

Hilltoppers Elected At Galloway Monday

Bertha Peters Wilcox, 31 Columbia Ave., and Ada Watson Buey, 60 S. Roys Ave., were elected president and vice-president respectively at the annual Galloway Homecoming held Labor Day Monday.

Mary Courtwright Felton of Galloway was named secretary and treasurer. About 200 attended the celebration.

Begin Fall Meetings

The St. John Lutheran brotherhood will open its fall meetings on Tuesday, Sept. 10, with a corn roast at the Theodore Grener home on West Broad street. Members and families will attend.

At the regular October meeting, Supt. F. B. Harris of the Greenfield schools, recently returned from an 18,000-mile air tour of South America, will talk.

Hilltop Dealers Urge Repair, Improvement

Hilltop lumbermen, painters, plumbers, hardware dealers and the Hilltop Record indorse the Better Housing Week in one accord. They have all co-operated this week and page four has been devoted to repairing and improving in and about the home. This page should be of interest to all who desire their home to be as modern, beautiful and convenient to live in as possible.

Better Housing Week Sept. 9-14; FHA In Charge

Lectures and Exhibits to Be Sponsored By Women's Groups, Builders, etc.

All over Ohio the week of Sept. 9-13 has been set aside as Better Housing Week. The entire local program is sponsored by the various women's groups in the city and the architects, decorators, real estate board, chamber of commerce and building supply organizations. The field representatives of the FHA will have charge of the program as a whole.

Exhibits and Model Homes

The auditorium of the F. & R. Lazarus Co. will be the scene of the lectures and exhibits. The exhibits will demonstrate ways and means of making the home more beautiful and will show all the latest improvements and methods a better American home.

The program calls for inspection of model homes now under construction in and around Columbus on Sunday, Sept. 8, with architects and contractors on hand to give first hand information on all the latest developments in house building.

Tentative Program

Each day during the week there will be lectures in the auditorium many of which will be illustrated. Sessions start each day at 10:30 a. m. and at 2 p. m. with night sessions not definitely planned. The week's program is as follows:

Monday — "Introduction to Better Housing—National and Local."

Tuesday—"What Kind of a House

Funds Sought for West High Stadium; 6348 Registered As Fall Classes Begin

Board Asks For Stadia At 3 Schools

Federal Money Also Requested For Auditorium At Highland Avenue Elementary School.

A request has been made of the Federal Progress Administration by the Columbus Public School officials for a grant of $143,000 for the erection of three high school stadia, including one at West High, and the creation of 28 elementary school auditoriums, including one at Highland Avenue, it was announced late Wednesday evening of this week by J. G. Collicott, superintendent of Columbus Public schools.

The three stadia, slated for West, South and Central, will be constructed at a cost of approximately $45,000, if the projects are approved by WPA officials. Officials estimated that almost $100,000 would be required to create auditoriums at 28 elementary schools by removing walls, and installing folding doors between class rooms.

In addition, 25 buildings would undergo cleaning and rehabilitation by WPA workers under the proposed plan. Highland, John Burroughs, West Broad and Starling would probably be listed in this class.

Plans for the West High stadium were not revealed in detail, but it is thought that additions would be made to the present steel stands at the north and south ends, equipped with storage and locker rooms for the home and visiting teams. No official information has been forthcoming, however, and Athletic Director Harold E. Wise had no knowledge of the proposed plan, he said Thursday morning.

Wise had placed a request with the board 18 months ago for funds for the construction of a track and four tennis courts at the school. West is the only high school in the city without track facilities. The request was tabled.

Stuart R. Bolen On Dem. Program

Arthur P. Lamneck to Preside at Monthly Meeting of Tenth Ward Democratic Club.

Stuart R. Bolin will be the principle speaker at the regular monthly meeting of the Tenth Ward Men's and Women's Democratic club at its regular monthly session slated for Wednesday evening, Sept. 11, at the Glenwood shelter house. Congressman Arthur P. Lamneck will preside.

There will be vocal and instrumental music by Lucille Powell and Grace Weins and all candidates present will speak briefly.

Charles Middleton, tenth ward committeeman, is general chairman of the affair. Others on the committee completing arrangements are: Edward Mantle, Fred Lively, George Cosgray, John Mast, Lawrence O'Dea, Wilbur Larrick, Paul O'Hearn, Charles Link, Gladys Mantle, Mrs. Fred Lively, Elisabeth Cosgray, Ada Mast, Nora B. Murphy, Bessie Peffers, Virginia Law, Cora Gordon, Sarah Davis, M. M. Forrest and Clara Middleton.

SUNDAY SCHOOL PICNIC

The Hilltop Church of God, Wayne and Olive streets, will hold its annual Sunday school picnic Sunday, Sept. 8, at Glenwood Park immediately after Sunday school.

Otto Magly Begins 28th Year At West

Otto H. Magly, who just a few months ago watched the 25th graduating class receive diplomas from West High, began his 28th year as principal of the local high school as classes opened Tuesday.

Church Officers In Annual Retreat

Young People's Conference At Camp Henderson Beginning Friday for Glenwood Group.

The annual retreat for the new officers of Glenwood Young People will be held this week-end at Camp Henderson, Sept. 6-8. Rev. Lester Norris, conference director of religious education will be on the program to speak several times. During these two days, the program for the coming year will be planned.

On Sunday, the officers' conference will be held. The officers of every organization of the church are invited to this meeting.

The autumn communion service will be held at the church at 10:30. Following this the officers will go to Camp Henderson for a picnic dinner, where the young people will act as hosts.

The afternoon program will be taken up with consideration of objectives for the coming year. Dr. Isaac E. Miller, superintendent of Columbus district, will bring a challenge of the task in the church. Definite conferences will give opportunity for definite planing of the year's work. In the evening the entire group will meet at the church for the installation of the young people's officers. This will be a candle-light communion service.

The sermon on "Are Ye Able" will be by Rev. Glen Copeland, student pastor from Asbury college. At the close, the adult officers of every organization will join with the young people in a dedication service at the altars of the church.

Vorys to Speak

John M. Vorys will be the principle speaker at a political rally of the ninth and tenth wards which will be held at the Sunshine Park shelter house on Friday evening, Sept. 13. Candidates will be introduced by William Schneider. Music will be furnished by the Republican Glee club.

Henry A. Koontz, Mrs. Blanche A. Soegard, Edward Hathaway and Mrs. Virginia Meier are in charge of arrangements.

Harper to Leave

Second Lieutenant Ralph S. Harper, U. S. A., will depart Monday for Des Moines, Ia., where he will be in charge of a regimental cavalry post.

Why Pay More?—

When just a few cents spent on a Record Want Ad will do the same thing a more expensive message will do.

These are facts:

There is no more economical means of reaching as many people as a Record Want Ad.

No other paper in Columbus reaches as many Hilltop people with Want Ad news.

If it's Hilltop people you wish to reach, the Record will carry the message better than any other medium.

Try a Record Want Ad—and see for yourself.

Rain Keeps School Attendance Down

Few Changes In Faculties On Hilltop; St. Mary to Open Classes Monday Morning.

A drenching downpour of rain and the fact that classes were opened a few days earlier than usual accounted for a pronounced decrease in opening day attendance at Hilltop schools this week.

Anticipating approximately 7000 students, the number fell short by almost 1000, according to reports of the various principals Tuesday noon.

Latest attendance figures submitted early Thursday morning brought the totals to 6348, with St. Mary Magdalene classes not yet started and others expecting more pupils by Monday.

The following were the totals for the local schools: West Broad, 737; Mound, 75; St. Aloysius, 390; John Burroughs, 1080; West Senior, 1068; West Junior, 1280; Starling, 1159, and Highland Elementary, 553.

West Sr. High recorded the biggest drop, the 937 present there Tuesday being more than 150 less than last year when classes got under way. There was a deficiency of 100 at John Burroughs and 50 at West Broad while the Starling attendance dropped about 35 as did also the Highland Jr. High attendance, where the highest enrollment was recorded, 1235.

Clearing skies Tuesday afternoon started the influx of delinquents which was expected to continue throughout the week. Although attendance at local schools last year set a new record at 6871, the 7000 mark was expected to be reached this year.

Few New Teachers

Two new teachers were added to the West Jr. High faculty with the opening of schools. They are: Kenneth Bradford, science instructor; and Miss Pauline Starrow, mathematics instructor. Mr. Charles Vance, former teacher at West Jr., has been promoted to principal of the Fourth Street school.

At John Burroughs, one new teacher will be added to the present staff, although the faculty numbers two less than that of last year. Miss Dorothy King was promoted to the principalship of the Chicago Avenue school and Miss Jane Noble was transferred to Highland Avenue, where she will have the 2-A, 3-B grades.

Other new teachers at Highland include: Miss Rita Van Meter, Marion, O., who will teach the 2-A and 2-B classes and Miss Iva Murry, Youngstown, who will be in charge of the 1-B grade. Miss Margaret Blackstone, regular teacher there, is on an indefinite leave of absence.

Unless attendance increases to that of last year at West Broad, the faculty there will be decreased, Miss Harriett Judd said. At present, there are no changes in the teaching staff from that of last fall.

The same faculty will again be at West High, where Otto H. Magly is beginning is 28th year as principal.

Miss Hortens Mohr is the new music teacher at Starling Jr. High, replacing Miss Oakes who was retired this year.

The senior high boys won 13 firsts, 10 seconds, and 17 thirds out of a possible 37 to walk away with the Kroger trophy while a similar award was made to West Jr. High students who copped eight firsts, 10 seconds and nine thirds out of 11 events. So wide was the West Jr. margin over competitors that combined schools against the local artists could score but 26 points while the Hilltoppers were marking up 84.

The seniors won 120 points out of a possible 370. Cash awards were made by the junior fair committee of $1.00, 75 cents and 50 cents for first, second and third places respectively.

So sweeping was the West High victory that none of the 207 entrants from the local schools placed lower than

How Patent Is Secured In The United States

Patents are granted chiefly for new inventions or improvements in machinery and apparatus or processes upon proper application and payment of the fees. The term of a patent is 17 years for inventions. To obtain a patent in the United States it is necessary to file an application with the United States patent office in Washington. A complete drawing must be filed (sometimes models are required also) together with complete specifications which set forth the claim or claims for the part, improvement or combination on which the applicant claims his invention or discovery. These specifications must so describe the article that one reasonably skilled in the art with which it is connected could make it from the specifications as set forth in the application. Hence, the specifications and claims are the most important part of the application and should be drawn up by an expert patent attorney.

A LITTLE NEW SOUL

By ANNE CAMPBELL

A LITTLE new soul came down today
On a senlit cloud, from far away.
She stole the blue from the morning skies,
And a star for each of her pretty eyes.
She grasped at the dawn, and in her fingers
The rosy glow of the morning lingers.

A little new soul came down to lift
Our weary hearts with her hopeful gift.
She brushed by the sun and plucked its gold,
And she brought God's love for our arms to hold.
A little new baby, with dreams in her eyes,
Came to show us the pathway to Paradise!

How Studios Are Soundproof

The studios in Radio City have "floating" walls, floors and ceilings, which are separated and installed from the framework of the skyscraper. They are like suspended boxes and each is surrounded by tons of rock-wool covered by cork and textile. Eleven carloads of rock-wool and 153,600 square feet of perforated transite were used in the soundproofing. Transite is a specially woven and treated textile. Every point of contact between the studio and the building is heavily padded. To aid the acoustical effect, several of the studios have sliding panels in the walls which may be operated from the control rooms.

We are often consulted about puzzling questions relating to funeral service. Ingenious One-Wheeled Motorcycle

FLAUNTING laws of balance and engineering, Walter Nilsson, Los Angeles inventor, has built a one-wheeled motorcycle at a cost of $5,000. The unicycle is a wheel within a wheel, with a one-cylinder motor driving the outer wheel forward. In a test Nilsson rode the cycle 15 miles an hour with the motor in second gear. He believes that with the addition of a pneumatic tire the wheel can make 100 miles an hour. Sitting in a cushioned seat, he operates the wheel very much like a motorcycle, except that he rides inside the wheel which is steered by a secret device that causes the wheel to lean and thereby turn while at the same time allowing the rider to keep an upright balance.

"Why People Live Longer"

There are many factors which contribute to prolong the span of human life. Among the more important are improved living conditions; pure food, cleaner milk, pure drinking water, proper disposal of refuse and specific action of the public health services toward various diseases.

The Nature Trail

By JOHN WOLFE

"Limits"—whether they be city, speed, or natural limits, are forever fascinating. When limits of certain phenomena are passed, then we have something totally different and when we find something different, we become immediately interested and conditions become strangely interesting.

It was my good fortune recently to accompany C. C. Hartley of the Greenfield (Ohio) Times into the wild forests of northern Canada, beyond the limits of our familiar deciduous timberland. The new horizons, with the spires of spruce rising jaggedly against the sky-line, the different landscape, with its eternal rock-bound hills and myriad lakes, and the lake shores, lined with the glistening white-barked paper birch and the darker aspens, all produced a thrill not matched in many a ramble.

The center of the great northern evergreen forest is near Hudson Bay and extends into central Alaska, and is bounded on the north by arctic tundra, wild and desolate waste-lands, and on the south by our familiar deciduous forest composed of oak, hickory, chestnut, maple and beech.

The forest reached its best development in the region of the St. Lawrence drainage, where trees once attained a height of 75 to 90 feet and locally 125 to 150 feet. The luxuriance diminishes to the west and north, especially the latter, where tree growth ranges from four to 10 feet in height.

Spruce and pine are the dominant trees, and it was less than a quarter of a century ago that much of the fine Canadian evergreen forest was still virgin timberlands. The White pine, the finest tree of northeastern America, was just removed from the area which we visited just a year or so ago. It was this tree, with its fine, soft needles, five emerging from a single dwarf branch, that Longfellow referred to in classic "Evangeline"—the murmuring pines and the hemlocks, bearded with moss (I suspect the moss was a foliaceous lichen) and in garments green, indistinct in the twilight.

Proceeding north from Lake Ontario, the landscape gradually assumes a different character, with the oaks and maples gradually diminishing and Arbor Vitae (in the limestone areas) occupying highland sites. Birch and poplar and wild cherry, the latter a different species than that common in Ohio, among the broad-leafed trees, and spruce, tamarack, white pine, arbor vitae and occasionally a hemlock, make more abundant appearance as we continue northward.

In protected glades, groves of sugar maple are noted. These proved invaluable to the pioneers entering the wilderness only 65 years ago. Now and then, and with greater frequency to the north, we encounter swamp lands, forested with arbor vitae. We could shut our eyes for a moment and open them to imagine ourselves back in Ohio's long cedar swamp at Urbana, in Champaign county.

Now and then an area from where the forest has been removed is seen. Here blueberries and huckleberries abound. Even in the original forest, many such patches could be found, for the soil throughout Canada is sterile and thin. The underlying rocks are igneous—i. e., rocks consolidated from a molten state, and extremely hard and durable and difficult to erode. Consequently, soil formation from underlying rock has been slow and little has been formed.

Temperatures reach 35 and 40 degrees below zero in the region which we visited, and elsewhere they are much lower. Snowfall is enormous, ranging from nine feet at the Gulf of St. Lawrence to four feet and less to the west. There is a tendancy, because of these temperatures, for plant remains to accumulate, although conifer needles do not readily decay.

Bear, deer and wolf inhabit the timberlands and the waters of the many lakes and streams abound with pike, pickerel, black bass and other game fish. In contrast to our own the waters of the northern lakes are clear and clean. One can see to a depth of 10 feet or more, which probably accounts for the fact that the submerged water plants such as potomogeto and Hippurus, a small plant, with leaves whorled at the nodes, occur in 12 feet of water at a good distance from the shore-line.

Closer in, water lilies familiar to us here are found, and at the shore, the cat-tails and bull rushes prevail, much like the conditions at Buckeye Lake. Here the similarity ends, however, for the forest begins at the water's edge with arbor vitae, birch and poplar, fading back into spruce and pine forest of majestic proportions. I saw no sycamore.

Occasionally, great areas of bare-faced rock are exposed, and here the vegetation consists entirely of lichens and mosses, all of which I have found in Hocking county, but never in such luxuriance. The cedar swamps, too, provide an excellent habitat for lichens, and there I picked up several specimens found only at the cedar bog at Urbana—further evidence that once a huge ice sheet extended over Ohio, re-

THROUGH A Woman's Eyes

By JEAN NEWTON

THE BANDITS WASTE THEIR TIME

A YOUNG "bandit" describing a criminal career which will put him behind bars probably for the best part of his life, announced that his whole "career," which included a number of robberies and hold-ups, had netted him only $50.

The stigma of crime, a medium of harm to his fellow men, big life ruined—for $50!

The comment is obvious that a similar amount of interest, enthusiasm and effort expended on constructive work would have brought this deluded young man at least a good living, peace, security, respect. And it might have brought him a good deal more. It might have brought him success, leadership, distinction.

It is the age-old story of trying to get something for nothing. And it is not only in the pursuit of crime that we find constant evidence that this does not pay, that it leads always to tragic failure. There are ways beside crime in which people try to get something for nothing. There are petty little ways of attempting to get something for nothing. These are exemplified perhaps more by women than by men, for men are more businesslike and it is unbusiness-like to start to get something for nothing.

It is always a waste of time and energy. It never pays—this trying to get something for nothing. And in addition there is the unpleasant feeling of dissatisfaction which every normal person must feel with the consciousness of "trying to get away with something."

Money Available Under FHA Plan

Money for Improvements and Repairing Available Under National Housing Act.

Under the provisions of the National Housing Act, the individual and the prospective home owner is given the simplest and cheapest financing that has ever been available. The purpose of the first phase (Title I) of the National Housing Act is to make credit available for modernization and repair. The second phase (Title II) of the Act is making credit available to build new dwellings.

In either case the money is not furnished by the government but by any financial institution that is approved by the Federal Housing Administration."

Repair and Modernization Loans

Any individual with a regular income may apply for a loan to repair or make improvements under the provisions of Title I. Application can be made at any financial institution approved by the Federal Housing Administration or any contractor, building supply dealer or equipment manufacturer or retailer. Loans can be made from $100 to $2,000 on any one property, depending on the individual's income. The loans are payable for any number of months from one to five years, the length of time depending on the loan and the discretion of the bank making the loan.

Replacing Walls

Gloomy, chipped walls will spoil the interior appearance of any home. It is possible today to very economically repair, replace or cover over these walls, adding both to the durability and beauty of your home. Panelling with wall board or plywood in the living rooms, wainscoting in the dining room, kitchen or bathroom; plaster or wallboard in the bedrooms; will make the home look years younger. In the attic or cellar new rooms may be added by a few partitions and by applying new materials over the unfinished or unattractive wall surfaces.

Book Sheives

Books are frequently misplaced if adequate shelf space is not provided for them. Available space on each side of a fireplace provides a natural location for built-in book cases. Cost of such an installation is low, and adds materially to room atmosphere.

Cellars Made Into Recreation Rooms

The dismal depths of the old-fashioned cellar have given place to a new American institution—the recreation room. People are taking advantage of the opportunities for obtaining loans made easy by the Better Housing Program to have their cellar walls and ceiling lined with insulating board. This attractive material is pleasing in appearance and sturdy in character. It costs little to install, and makes a perfect background for the informal furniture and decoration of the recreation room.

Call in your favorite carpenter and let him give you an estimate on what it would cost to do that work for you.

Sink Requisites

The sink that meets the maximum requirements of comfort is exactly the right height for the woman who will use it. Its surface is acid resisting and it will have a swinging central spout. There will be a good light over it.

Insulate Attic

The torture of sleepless or restless summer nights may be minimized by insulating the attic of a home. Such improvement retards the heat of the sun and prevents its rays from penetrating and collecting under the roof. Insulation keeps a home noticeably cooler in the summer. During the winter it retards the heat loss and the infiltration of cold.

Paint Under Porch

The under side of a porch floor should be included in every exterior painting job. Moisture and dampness will then be prevented from coming through and blistering the paint on top. Boards can be painted before laying in the case of new homes.

Tools—
Paints—
Roofing—

No matter what the job is or how small it is, it is worth doing right. To begin with the materials must be of the best quality and able to stand the wear and tear that is inevitable.

The Broad-Hague Hardware always keeps that fact in mind when selecting their stock of paints, tools and other building materials. The quality of their tools and building materials is upheld by the fact a good share of their stock is used by carpenters and painters continually.

Broad Hague Hardware stocks a complete line of Dean & Barry paints, long known for its quality in richness of color and durability in all kinds of weather. A complete line of insulating paper and roofing is also kept on hand at all times.

They are fully equipped to give estimates on repair jobs and new construction work and advise as to type of construction and materials that should be used on the job.

When you start to think about repairing and improving your home come to the Broad-Hague Hardware, 2708 W. Broad St., and you can be assured of the proper advice and best prices on any materials or supplies that you will need.

Fall Improvements Should Begin Now

Repairing and Improving Help to Preserve Construction and Make Better Home Comfort.

Now is the time to begin looking around the home, inside and out, for the repairing and improving that will be necessary before winter sets in.

Repairs, alterations or replacements can make your home more beautiful, more convenient, more livable and contribute to "a more abundant life" for your entire family.

For several years past, homes all over America have been steadily going down hill. Many property owners have been unable to pay for normal upkeep and repairs. A far greater number have delayed the larger improvements which mean better housing and better living.

You, yourself, are the best judge of whether your home would be more desirable with a new coat of paint, a new roof, additional plumbing, lighting fixtures or heating equipment. You know what would improve the appearance, rentability and efficiency of your own business property.

Wise building improvement increases the selling value of your property. Timely repairs forestall more costly repairs later on. Now—while manufacturers, contractors, supply dealers, banks and other financial institutions are cooperating in the Better Housing Program—protection and improvement

Why Lindsey Was Barred

Judge Lindsey was barred from the Colorado bench on account of an accusation that he had been guilty of unprofessional, unethical conduct, embracing acceptance of fees while he was judge. The case cited was acceptance of fees in the case of the W. E. D. Stokes estate. Judge Lindsey's defense was that his connection with the Stokes case was "disinterested from the work of the Juvenile court in which he was judge, and that he acted merely as arbitrator and mediator."

CONVENIENT PAYMENT PLAN

Money Avaisble Under FHA Plan

Continued From Page Four

The only security that is required is that the borrower have a regular income and a good credit record in the community. Only the signature of the borrower is required.

The cost of this credit plan is very low. The bank may not collect more than 5 per cent interest, payable in monthly installments. There are no other charges whatsoever.

Home Furnishings and Equipment

Under a recent ruling Title I has been extended to include certain furnishings for the home and equipment to make repairs and improvements about the home. A few items under this heading are washing machines, ironers, refrigerators, kitchen sinks, stoves, plumbing materials, roofing and many other items. A complete list can be obtained in most retail stores or banks. To receive credit under this FHA plan the purchase must be $100 or over and the cost of the plan is 5 per cent interest as in the repair and improvement provision of Title I.

New Home Loans

Loans to new home builders are regulated under Title II of the National Housing Act and is called the Insured Mortgage Plan.

The maximum amount of a loan of this type is not more than 80 per cent of the appraised value of the property, land and dwelling included and not more than $16,000 in any case. The loans are payable in 20 years or less in equal monthly installments. The monthly installments include interest and principle of the loans agreed for, and the estimated monthly proportion of insurance premiums and annual taxes on the property and mortgage.

Under Title III a property owner may refinance his present mortgage under the Insured Mortgage Plan thereby eliminating a maturity date and make monthly payments as explained above.

Further and more detailed information may be obtained at the Federal Administration offices, 708 Hartmann Building.

Wall Switch Important

The location of electric wall switches is a minor but important detail which often receives insufficient consideration in remodeling an existing structure or building a new home.

The location of the switch with reference to the habit of reaching for it in a dark room involves three important factors, namely, its distance from the trim, height from the floor, and the side of the door opening on which it is placed.

Where Uncle Sam Will Bury Billions of Gold.

IN PREPARATION for another major transfer of the government's huge gold reserve, secret orders have been issued in Washington for the rush construction of a subterranean vault in the center of Fort Knox (shown here from the air), an army post 31 miles from Louisville. Into the vault will be transferred a good portion of the billions in gold now held by the government in New York and Philadelphia. The structure will be built in continuation of the policy of moving precious monetary reserves away from vulnerable cities on the coast to more isolated inland territory.

Fall Improvements Should Begin Now

Continued From Page Four

of your buildings means money in your pocket.

Improvement of your property indirectly benefits the whole community by employing men and creating a demand for materials. When you improve your home or business property, others are inspired to do likewise. When neighborhood standards are raised—your own property naturally becomes more valuable.

Now is the time to make those improvements. The National Housing Act was designed to help you improve your property and increase its value and usefulness. Through one of the easiest and most reasonable systems of financing ever devised, the Act makes it possible for you to make delayed repairs and provide better surroundings for your family.

If you have cash for property improvements, cash payment is, of course, the best method. The favorable time is now. If it seems more convenient to pay for such work out of your regular income, now is the prudent time to borrow—either directly from your bank, building and loan association or other institution cooperating with the Federal Housing Administration, or through your contractor or building supply dealer.

Painting Eliminates Household Vermin

Paint minimizes the danger of damage by insects and vermin. A fresh coat of light colored paint in clothes closets, linen closets and other poorly lighted parts of the home deter moths, ants, spiders, mice and other household vermin from emerging from dark places; and putty, paint and varnish fill up their hiding places. Surface protection should also be given floors and all portions of the home where cracks and crevices occur. This modernizing may be done by loans insured through the Federal Housing Administration

QUESTION BOX
By ED WYNN . . . The Perfect Fool

Dear Mr. Wynn:
I am a coed at a well known college, and am crazy about a boy my own age who goes to the same college. He gave me a lovely cigarette holder for my birthday and his birthday is next Saturday. I saw a whisky flask, in a shop window, which was made to look like the seven of spades. Don't you think that is a cute present to buy him?
Sincerely,
LILY KUPPS.

Answer: The present is all right, but he's liable to leave it on a table in some fraternity house, and some other student might come along with the eight of spades and take it.

Dear Mr. Wynn:
I have been engaged to a young man for nearly six months and we were to be married in June, but last night he confessed to me that he had a wooden leg. What shall I do?
Yours truly,
DORA KNOB.

Answer: Break it off.

Dear Mr. Wynn:
My wife and I had an argument last night about the army. My wife says, in order for a man to be buried with "military honors" he must be a captain, while I say he must be a general. Which if us is right?
Yours truly,
LEW TENANT.

Answer: You are both wrong. In order for a man in the army to be buried with full military honors he must be dead.

One futile occupation is trying to save money by auditing the checks at night clubs.

ORIGIN OF NAME

The House of Rothschild was founded by Bauer, Mayer Anselm Bauer (1734-1812) who set up a money lending shop at the sign of the Red Shield (Rothschild). It was from this sign that the family took the name of Rothschild.

Refinishing Woodwork

Unpainted woodwork may be successfully changed to ivory or other light colors if it is first given a coat of ordinary aluminum paint.

The aluminum, like tiny flat plates, "seals" the old stain in.

Recipes for Left-overs

Sweet Potato and Spinach Croquettes

2 cups mashed sweet potatoes
2 tablespoons melted butter
4 tablespoons bottled milk, undiluted or 2 tablespoons evaporated milk and 2 tablespoons water, scalded
Speck of pepper
½ teaspoon salt
1 cup cooked fresh or canned spinach
2 eggs, slightly beaten
2 tablespoons cold water

Put the left-over baked or baked

Fine cracker crumbs or corn flakes; sweet potatoes through a sieve or ricer and measure 2 cups. Melt the butter in the scalded milk and add to the potatoes with the pepper and ½ teaspoon of salt; mix well. Make croquettes cylindrical in shape, filling the center of each with a little minced spinach seasoned with ½ teaspoon salt. Roll each in cracker crumbs, then in the beaten eggs, to which the water has been added. Then roll again in cracker crumbs; set aside to chill if you have the time. Fry in deep, hot fat at 390 degrees F. for 2 minutes. Drain on absorbent paper. Makes 8 croquettes 2½ inches long. To make 4 croquettes, make half this recipe.

Following is a menu to plan when serving these croquettes:

Tomato Soup
Cold Sliced Brisket
Sweet Potato and Spinach Croquettes
Chopped Savory Beets
Bread Butter
Pineapple and Cheese Salad and
Beverage

Creamed Potato Soup

2 cups mashed potatoes
1 sliced, peeled small onion
2 tablespoons butter or margarine
2 cups bottled milk or 2 cups evaporated milk and 2 cups water
2 tablespoons minced celery
1 teaspoon salt
Speck pepper
1 teaspoon minced parsley

If you don't have left-over mashed potatoes, put sufficient boiled, baked, or creamed potatoes through a sieve to make the necessary amount. Saute the onion in the butter until tender. Then drain off the butter into the milk, which has been scalded in a double boiler. Add the mashed potatoes and stir until smooth. Then add the remaining ingredients and heat thoroughly. Serves 6. To serve 2 or 3, make half this recipe.

Creamed potato soup is particularly appropriate in a meal where you serve only green vegetables with meat or fish. For example:

Creamed Potato Soup
Broiled Steak String Beans
Mixed Tomatoes
Bread Butter
Lemon Pie Coffee

Olive Cheese Roll

Ten soda crackers, ½ teaspoon salt, ½ cup hot milk, 1 package cream cheese, ¼ pound cottage cheese, 1 tablespoon minced onion, and ½ cup stuffed olives, sliced. Blend cream cheese and cottage cheese; crumble crackers fine, and salt and pour hot milk over them. Toss and mix with cheese and onion. Fold in sliced olives. Pour in mold and chill. Unmold on platter and garnish with watercress.

Chocolate Chiffon Pie

Six eggs, 1 teaspoon salt, 1½ tablespoons plain gelatin, 2 cups sugar, ¾ cup bitter chocolate (grated), 3 tablespoons cold water, 1 tablespoon vanilla.

Meringue Mixture

Put six whites, 1½ cups sugar, dash of salt and 6 tablespoons of cold water into upper part of double boiler. Beat until thoroughly mixed. Place over rapidly boiling water and beat one minute; then remove from fire and continue beating for 2 minutes longer, or until mixture will stand in peaks. Add flavor and beat well.

Chocolate Mixture

Put six egg yolks in a mixing bowl and beat light, pouring the remaining sugar in slowly. Then add ¾ cup of bitter chocolate, stirring slowly. Add the remaining 3 tablespoons of water and vanilla (mixed together before putting in first mixture).

Add gelatin that has been dissolved in 1 tablespoon cold water and heated until at boiling point. The mixture should be beaten rapidly while adding gelatine. Fold in the three-minute meringue and pour into a cold cooked pie crust shell. Top with whipped cream—about two cups.

2 tablespoons milk or cream or 2 tablespoons evaporated milk and 2 tablespoons water
4 tablespoons butter
½ teaspoon powdered or prepared mustard
1 teaspoon chili powder
1 teaspoon Worcestershire or similar sauce
Buttered toast

Saute the onion and the pepper with the bacon until they are tender and the bacon is browned. Add the tomatoes, mushrooms, sugar, pepper, and ½ teaspoon of the salt. Beat the eggs with the milk or cream; then scramble them in the following mixture: Melt the butter in a skillet and add the lemon juice, mustard, chili powder, ½ teaspoon of salt and the Worcestershire sauce. Add the eggs and cook as if creamy in consistency, constantly stirring and scraping from the bottom and sides of the skillet. When done, place on thin squares of buttered toast, and cover each with some of the tomato mixture.

½ cup cold water
1 cup hot water
¼ cup mild vinegar

2 tablespoonfuls chopped parsley or raw spinach
2 teaspoonfuls onion juice

Pour cold water in bowl and sprinkle gelatine on top of water. Add sugar, salt and hot water and stir until dissolved. Add vinegar, lemon juice and onion juice. Cool and when mixture begins to stiffen add remaining ingredients. Turn into mold that has been rinsed in cold water and chill. To serve, remove from mold to bed of lettuce leaves or endive and garnish with mayonnaise dressing.

OUTDOOR MEALS

As picnic days are here again, we turn to our lists of good things which we have enjoyed and plan a picnic lunch. Those who find some food hard to digest will enjoy them and have no discomfort when eaten out of doors after a brisk hike, or even a stroll through the woods.

When packing a lunch, remember to put some of the goods that add zest such as green onions, fresh radishes, cucumbers and a few pickles, sweet and sour. Pickled beets, onions, chow, are all relishes which are enjoyed with the other food.

The sandwiches may be cut and made just before serving, with lettuce, a slice of cucumber and onion, as filling. Baked bean sandwiches are always enjoyed for a hearty meal. Serve them with sliced sour pickle.

Most picnic lunches are made up of starchy and sugar foods. Some of these are needed but the alkaline foods will be needed or headaches and indigestion will result.

Fruits, green vegetables, celery, tomatoes, are all good to combine with the sandwiches, rolls and cakes. Meats are best forming foods and should be used sparingly.

With the cream pitcher carried in a towel, well wrapped, add sliced oranges or tomatoes or apples and serve with a french dressing all prepared and shaken in a tight jar or bottle.

With all the advantages which transportation affords you, there is no reason why you should not have delicious and appetizing meals.

Where there is a stream of clear water or a spring, all the green things may be kept cool and fresh as if taken from a refrigerator at home. Much can be said of the luscious, the glorious out of doors, green trees, grass and flowers, and bathing, swimming, games and just loafing when you please. They all outweigh the discomforts, which upset stomachs and disturb the regular routine.

Franklin Univ. Reports Increase

Classes Get Under Way Sept. 16 at Y. M. C. A. School.

With the opening of the thirty-fourth school year at Franklin university of the Columbus Y. M. C. A. officials are reporting an increase in the number of inquiries for work in the evening colleges of law, liberal arts, and commerce. Also there is an increased demand for commercial training in both the day and evening schools according to B. A. Wilcher, director of the university.

The Columbus college of law was first organized in 1904. Since that time it has served hundreds of men and women who have desired legal training. The college of law is a member of the League of Ohio law schools, and awards the LL.B. degree. The faculty is composed of a number of prominent judges and practicing attorneys who present the legal training from the practitioner's point of view. Sixty hours of liberal arts credit are required for admission to the law school. Classes are held on Monday, Wednesday and Friday evenings.

In the field of business administration, courses in marketing, salesmanship, corporate organization, and management are offered for those who wish to advance to more responsible executive positions. Also business administration courses provide an opportunity for the individual to gain an understanding of the social and economic changes which are daily affecting the business structure of this nation.

For those who wish to specialize in accounting, a complete program of study is offered. The work is arranged in a four-year curriculum leading to the title of associate in commerce. This course includes accounting in all its phases, business law and economics.

Franklin university also offers in the evening those courses which are usually found in the first two years of a day liberal arts college. Liberal arts and science courses are now regarded as prerequisite to many professional courses. Thus those students who plan a professional career should carefully consider the curriculum of arts and science courses.

Both day and evening classes are offered in the field of secretarial and stenographic training. Competent instruction, and a large degree of individual attention are factors which make the courses popular among business students.

The Evening High school of the university provides an opportunity for those who wish to complete high school training. Such training is given by men experienced in education for adults and is almost entirely on the individual plan. The high school is recognized as a high school of the first grade in Ohio and offers an academic course which prepares for college entrance.

In addition to its curricular courses Franklin university offers special courses in public speaking, commercial art, show card writing, salesmanship advertising and welding each year.

Why We Call Cut "Pens"

Our words are arrived at in all sorts of ways. This particular one belongs to the imitative class, and is most probably based upon the noise a cat makes when "spitting." It appears in several languages in addition to our own—in Dutch, Germany, Irish and Gaelic.—Answers Magazine.

Why Gold Seems Cold

The layman of minor days that gold is not cold. It is merely a good conductor of heat. Therefore, when the temperature is lower than the temperature of your body, it appears cold, and when the temperature is higher, then its body appears hot.

How St. Jo, Mo., Got Name

In 1826 Joseph Robidoux, a French half-breed from St. Louis, established an Indian trading post on this site, known as Blacksnake Hills. After the Platte Purchase in 1836 other settlers came in and in 1843 Robidoux laid out a town, which he named in honor of his patron saint. It became the county seat in 1840 and an incorporated city in 1851.

Tailless Fighter of the Air

HERE, flying above Yeovil, England, is the new tailless British military airplane called the Pterodactyle Mark V. It is a two-seated fighter with a tractor airscrew driven by a Rolls Royce Goshawk engine of 600 horse power. The gunner sits just behind the pilot and a little below him, at the extreme rear of the queer, truncated body, which has a rounded stern.

Bears "Roll In Wealth" In Streams of Yukon

Despite world money standards, Ursus horribilis, the Alaskan grizzly bear, sticks to the gold standard, or rather, the gold standard sticks to him. When a University of Michigan forestry professor went prospecting in bear hides brought from the Yukon region, looking for new types of animal parasites, he found the expected fleas and unexpected flakes of gold scattered throughout the fur.

When the professor hunts for parasites he carefully combs out the suspected fur and then "pans" the dust in a small dish with water, much as gold is panned by prospectors. Panning his bear dust, the professor was pleased to find fleas, dead and dried up. Looking more closely he saw yellow flakes. Examined under the microscope, with the surrounding organic material stained, the yellow metal gleamed out characteristically and unmistakably.

How the bears collected the gold flakes in their thick fur is a mystery. Small amounts of gold are found in many Alaskan stream beds and the metal may have been caught under the animal's claws, later to be transferred to the fur in scratching operations, or the bears might have "rolled in wealth" on the short of some quiet Yukon stream, picking up stray flakes of the mineral that old sourdoughs have sought ever since the great strikes of the '90s.

Quartz Is Slow to Melt Even In Hottest Flames

Quartz is one of the most difficult to melt of all materials, says Canada News Bulletin. It softens and forms a glass only in the hottest of flames. Yet it is used to make the spiral springs used as delicate balances in certain laboratory research.

Such quartz spiral balances are used at the Forest Products Laboratories of Canada, Department of the Interior, by workers in the Pulp and Paper division, Montreal, for the investigation of the relationship between water and paper-making pulps. The quartz is melted into a flame of oxygen and acetylene and drawn into long threads about the thickness of a hair. By the aid of a somewhat less intense flame, these threads are coiled into delicate springs about half an inch in diameter.

Enclosed in glass apparatus from which air is removed, they make possible the weighing to extreme accuracy of small samples of pulp. The extension of the quartz spring, read by a small telescope to an accuracy of a thousandth of an inch, indicates the weight of the sample suspended on it.

Westgate Improvement Up For Approval Soon

submitted the first time several weeks ago because the city was unable to pay the necessary $8700. Federal funds for the project amounted to $6000.

But it was re-submitted last week and along with the park improvement, will probably receive the government's official sanction this month.

"We have made every effort to present a worth-while project," Mr. Beeson said Tuesday. Both were turned over to state officials for approval. They are then sent to Washington for final decision.

According to Seddon's plan, present No. 1 diamond will be abandoned and of the present one, and southwest of new diamond will be placed just south four tennis courts installed there. A the grove, four diamonds will be constructed. The present three will be re-located and a fourth constructed in the southeast corner of the athletic field.

Airedale Terrier Knows No Fear of Wild Animals

The Airedale Terrier is endowed with inherent qualifications for training. In his native England he serves in all those roles credited to the Shepherd strains in Germany. His war record as sentry and message bearer is a matter of record; widely heralded have been his Red Cross activities.

But his "bag of tricks" extends in scope far beyond these publicized acts of heroism. Without fear of anything that walks or crawls, he is constantly employed in far-off Africa in the courageous task of hunting the lion. In the mountainous regions of America, the bear and wild cat know well the ferocity of the Airedale. Lithe, compact and fast, he handles these tasks with a decided matter-of-fact playful attitude.

His classification, "Terrier," has been challenged often because he does not go to earth—there being no animal habitating the underground worthy of his mettle. Largest of the terrier group, he weighs 45 pounds and stands 23 inches at the shoulder. However, above ground he performs every task of the terrier in a very excellent manner. As a water dog, he is in his element, and properly trained, a perfect gun-dog. His grizzle-badger coat, waterproof, is of two-tone hair, the lower portion gray, the top, black.—Los Angeles Times.

Canned Goods Labels

In a recent investigation of the results of 16 years of grade labeling in Canada it was found that only one housewife out of eight buys with the ring of grades and only two out of eight know that cans are labeled. The Industrial Advisory Board suggested that American canners use such descriptive words as "Fancy," "Choice," and "Standard" instead of such symbols as "A," "B," and "C."

BITS O' BABBLE:

They're looking for a bell for the Hillcrest church. . . . Francis Farley is the name of that ardent ball fan. He always has a pink flower in his lapel. . . . Distinctive odors: Print shop, shoe shop. . . . They tell me Max Newhouse is married. And Phil Koontz. . . . Miriam Bachman, a former Hilltopper, spent much of the summer in Missouri. She'll wed next year. . . . Add memories: Cracking morning glory buds on the back porch vines. . . . The John Lawlers (Louise Hoon) are living on the north side. . . . Whatever became of Lucille Keilar? (The married moniker slips me). . . . Olive is having a heck of a time keeping that huge fish-head Jim Matheny had mounted—off of the mantle.

The slower Sunday rags will announce Marie Kent's marriage to Howard Bennington, Dayton, on July 17, 1934. It was issues and issues ago, you know, that this pillar reported Howard's excellent progress in this community. Congrats & blessings. . . . Harian Paschal will wed in October. . . . Max McCarty and Roody Baesman are still single. . . . Betty Jordan and Dorothy Kimmell, the copper's dotter, take their dawgs for a stroll nightly and get them an ice cream cone. Of all things. . . . The Westerman bulldog is named Minnie. Goodness. . . . Edwin C. Hill and F. D. R. sound alike over the radio. . . . Never saw a printer who didn't smoke a pipe. . . . Fat (Ralph to you underprivileged) Harper's next assignment following his Des Moines, Ia., job will be in California. . . . Russ Focht, former star gridder at West High, is working at Moores and Ross.

FRESH SPAGHETTI

If you order spaghetti at Colonna Food Shop, they make it from fresh dough kept in the refrigerator. . . . The Persons' doggie is named Geraldine. . . . Mrs. Buell is building a circus: Besides her bantam hen, she has a fresh dawg—the cutest little feller—named Ritzy. . . . Note to Marie Buell: You should hear our advertising man's description of you. Atta girl, get'im.

That earth tremor west of here you heard last week was the result of what happened when Rudy Lurz tried to reach out too far from the top of a ladder at Kent's store. . . . Rudy, incidentally, is wearing peach-colored pajamas his wife bot him tother day. . . . I know of one blessed event of this year which will be named after this columnist! What a boy that'll be—if it's a boy. . . . Here's a note from out the community which'll make you snort! A motorist passing through Mt. Vernon, O., drew up to the curb to park in a "no parking" space. "Hey thar!" haythard a copper—or THE copper, "Whar you from?" Politely the motorist informed the fuming cop that he was from Pittsburgh. "Wal, then," and the flat-foot's eyes gleamed like those of an animal which has prey at bay—"Whatcha doin' with them there Pennsylvania license plates on?"

BANTAMWEIGHTS

Make Ready For Defense of Championship; To Have Good Team.

Practicing each week-day evening, the Hilltop Bantamweight football entry in the Columbus Bantamweight League, of which it was champion last year, is fast rounding into shape, according to Coach Woody Owens.

The backfield, with Cruise and Moyer gone, will have Blesch, 1934 captain, Watts, Waldo, Wilson, Ryan, Sweeny and Woods, the latter a star on Birkenbach's Sports eleven.

The line has not yet been determined. Players wanting to try out for the team should report at John Burrough's school each evening at 3:30 o'clock.

Mt. Sterling Reunion

The annual reunion of former residents of Mt. Sterling and vicinity will be held at Schiller Park, on Sunday, Sept. 22. All who have at some time lived at or near Mt. Sterling are invited to be present with their families.

A basket dinner will be held at 12:30 o'clock.

Cowboys to Open Gridiron Season At Zanesville

To Play Nocturnal Tilt With Lash High Tonight At 8 o'Clock.

With a bare two weeks of practice, and a squad composed largely of first-year men, West High's 1935 Cowboys will inaugurate the grid campaign at Zanesville tonight, with the Blue Devils furnishing the opposition.

Little is known of the strength of the Zanesville team, but win or lose, the 1935 cowpunchers cannot be judged by the showing made this evening. Given another two weeks of strenuous drill, a completely eligible squad, and no injuries, and the Wisemen may surprise.

To Dayton Steele

Another night game is on tap next Friday evening when the Hilltoppers trek to Dayton for a tilt with Steele High. By the time the Cowboys visit North for an almost sure defeat the following week, Coach Wise will about know who's who and what's what about the calibre of ball to be played this fall by his proteges.

Coach Harold Wise is not yet ready to make first team assignments, but if you can take the word of the reporter, Charles Ditrick will be one of the spark plugs. Handicapped by a slight illness this week, he has not yet hit his stride. But he can pass, and kick, and is not the worst ball toter on the local lot.

Decrease Noted In Attendance At Local Schools

200 Short of Last Year Despite Increase of 600 Pupils During Past Week; Total 6739.

Despite an increase of some 600 students at nine Hilltop schools during the past week, total attendance for the community has fallen almost 200 short of last year's record figure of 6900, reports show Wednesday.

Slight decreases were noted at all schools except West Jr. High and St. Mary Magdalene. West Jr., with the largest enrollment in history, reported 1323 registered on Tuesday. St. Mary classes were opened Monday morning with an enrollment of 165, an increase of 25 over last year.

Local principals thought this week that the registration had reached its peak, although not reaching the height expected prior to the opening of school. No teachers will be transferred from Hilltop schools, the decrease not being sufficient to warrant a smaller teaching staff. Crowded conditions prevailed at most schools last year while larger classes are in vogue at West Jr. this fall.

The following are the attendance figures for the nine local schools: West Jr. High, 1323; Starling Jr. High, 1219; West Sr. High, 1140; John Burroughs Elementary, 1101; West Broad Elementary, 757; Highland Elementary, 557; St. Aloysius, 400; St. Mary Magdalene, 165; and Mound Elementary, 77.

Mrs. B. F. Cline, president, will be in charge of a short business session at which time standing committees for the coming year will be announced.

A tea for the purpose of getting acquainted follows the business meeting and the session is scheduled to be concluded at 3:30 p. m.

All members who can possibly attend are invited to be present.

The executive board of the P.-T. A. meets Friday (today) in the school at 1:30 o'clock.

The senior class of last June will meet at 8:30 while the junior class of last semester will meet at 10:00 o'clock. All new scholars will attend at 10 o'clock in order to be enrolled and classified.

Open Fall Meetings Tuesday Night; Plan For Dance and Hallowe'en Party This Fall.

The Hilltop Business Men's association, opening its fall season, went on record favoring owl car service on Sullivant avenue and laid tentative plans for two parties at the first meeting held at the Matsonia restaurant Tuesday evening.

Myron Gessaman, Republican candidate for mayor, was the principle speaker. A quartet composed of Haydn Jones, Bob Nichols, E. H. Gildersleeve and Henry Jones entertained.

Ask For Service

L. E. Saunders, secretary, was instructed to send a copy of the association's request for owl service on Sullivant avenue to the Rail-Light company for action.

Herbert G. Deems was named chairman of a committee which will plan a Hallowe'en party. Others on the committee include Saunders, Metzmaier, Jack Shank, Ray Coffman and Ray Haunts.

Another social function was planned which will be in the form of a dance for members and families. The affair will be held in the early fall and Dr. W. L. Durflinger is chairman of the committee. Others aiding in the plans include Edith Robbins and George Painter.

Next month's "booster committee" which will plan the October meeting scheduled for Tuesday, Oct. 8, will be composed of George Painter, Fred Raether and Don Smith.

500 Attend GOP Rally Tuesday

Gessaman and Other State Candidates Speak at West Broad School In Lone Meeting.

More than 500 Hilltop residents turned out to the Eleventh Ward Republican rally held at West Broad Street school, Tuesday evening. It was the only rally slated for the eleventh ward prior to the primaries this year and was presided over by Mose Williams, committeeman. Floyd Green introduced the speakers.

Myron Gessaman, Republican choice for mayor, was the principal speaker, with other slate candidates for council, including Koontz, Gregg, Hartman, and Gordon also speaking. Paul Bowen was also introduced.

Judge Joseph M. Clifford, unopposed candidate for municipal judge, and John Davies, aspirant to the city auditorship, were also on the program.

Miss Edith L. Robbins and Miss Ethel Greiner of the Hilltop School of Music have announced their intentions of organizing a Hilltop orchestra and have called a meeting of local musicians for Friday evening, Sept. 20, at 7 o'clock, at the school to consider plans.

Instruments used in symphony work will be required and those interested are asked to attend the session next week. Detailed plans will be announced later.

Hilltonia Pastor Re-named District Superintendent

Burgess, Avondale and Hilltonia Churches Have Pastors Reassigned at Conference.

Rev. J. H. Harris, pastor of the Hilltonia U. B. church, was renamed to that post and also re-assigned to the position of district superintendent at the annual session of the Southeast Ohio Conference of the United Brethren Church held last week, Sept. 4 to 8.

Rev. White, a former pastor at the local church, was returned last year at the Circleville conference after serving a Newark, O., congregation. Rev. Harris was also assigned to the Hilltop church for the first time last year. He is a former president of the Bonebrake theological seminary at Dayton, Ohio.

All three of the returned pastors will conduct services at their respective churches this Sunday.

Five Hilltop Candidates Await Primaries Tuesday

Koontz, Millikin Seek Councilmanic Nomination; Willis Seeks City Auditor Post; Gutkind to Try for Clerk of Court Post; Fagan Unopposed.

Fates of five of the six Hilltop candidates for public offices hoping to appear on the November ballots, will be known late Tuesday evening following primary voting throughout the city. Ray G. Haunts, whose petition for the school board was filed late last week, will not appear on the ballots until November.

Wyatt L. Millikin, Democratic councilman, serving his second term in office, and Henry Koontz, tenth ward Republican committeeman, are Hilltoppers listed among the 17 candidates for councilmanic nomination.

Sam Willis, present city auditor, is seeking nomination for that office and Max Gutkind is opposing Ethel George for nomination to clerk of the municipal courts.

Only Henry P. Fagan is certain of appearing before the people in November, he running unopposed on the Democratic ticket for municipal judge. This is the only partisan ballot to be cast, all others being non-partisan.

Fagan resides at 574 S. Eureka Ave., with his wife and one child. He graduated from Franklin university and was admitted to the bar in 1927. Since that time he has been practicing law. He is a member of the Barrister's Club, the Y. M. C. A., Iota Lambda Pi law fraternity and the Franklin County Young Men's Democratic club.

Favored to Lead Ticket

Wyatt Millikin, who has operated the Millikin Hardware store at Eureka and Broad for more than 30 years, is one of the favorites to lead the entire array of candidates for city council. He served his first term from 1920-24 and is completing his second term this year. He was a candidate for mayor in 1923 and during the past four years has been chairman of the service committee and a member of the finance committee.

Millikin is married and has one son, Arthur. They reside at 53 S. Warren Ave.

Henry Koontz, a graduate of West High school and the Ohio State university, is also a Hilltop resident, residing with his wife and two children on Hilltonia avenue. He has been Tenth Ward Republican Committeeman for the past two terms and now aspires to a seat in city council.

He is a pharmacist and has managed a west side drug store for the past 18 years. He is active in Parent-Teacher work and the West High Alumni association and is a member of the Columbus Lodge of Masons and Scottish Rite, the West Side Board of Trade and Phi Delta Chi fraternity at Ohio State university.

City Auditor Willis was appointed to his position in 1934 following the resignation of Walter E. Otto. The present campaign is for a two-year term.

Prior to his appointment as auditor he was city clerk for five years and for 16 years he was democratic committeeman of the eleventh ward. Before he took over the duties of city clerk in 1930 he was a train dispatcher for the C. H. and D. Railroad.

Willis is married and has one daughter, Ruth. They live at 145 S. Roys Ave.

Advertising . . .
Some firms have chosen to advertise furnishings and service in the lowest price bracket to attract the public mind. But when the family came to make the selection, the pressure of salesmanship pushed them to the higher priced furnishings. The truth was discovered, but too late.
There are casket manufacturers who make sub-standard caskets that cost very little because they are worth very little. The thoughtful Funeral Director prefers to tell the whole truth to the public about caskets.

As a member of the board she has sought the elimination of the two-year experience rule for Columbus teachers and sponsored the movement for Columbus labor on Columbus school building projects.

Support In City Finals Appreciated

To the Editor:

As a member of the Tri Mu Softball team, I wish to express my appreciation of the support accorded us in the city elimination game at McKinley. Several members of the various teams were there rooting for us to win, and especially active were George Hardy and other players of Hope. Under the circumstances the support of these fixed-in-wool fans, was doubly appreciated. We are looking forward to next year's season with much pleasure.

Yours for clean sport,
A Tri Mu'er.

A Variety of Salads Offered for Approval

Jewel Salad
Hot Lemon Aspic
1½ tablespoons unflavored gelatin
¼ cup cold water
1-3 teaspoon salt
1½ cups boiling water
¼ cup mild vinegar
¼ cup lemon juice
1 tablespoon sugar

Soften gelatin in cold water, then dissolve it in boiling water. Add to remaining ingredients after gelatin is dissolved. Chill in shallow pan of unbeaten egg white before adding the following solid ingredients:
2 cups diced white meat of chicken
1 tablespoon minced pimento
1 tablespoon shredded green pepper
1½ cups cooked mixed vegetables
½ teaspoon onion juice (optional)
½ teaspoon salt
¼ teaspoon paprika

Use any cooked vegetable you like in this—peas, diced string beans, tiny lima beans, asparagus tips or diced carrots. Combine these with chicken, pimento, green pepper and seasonings. Fold into lemon aspic as directed above. Turn into molds first dipped into cold water. Chill, unmold and garnish.

Frozen Tomato and Chicken Salad
1 tablespoon gelatin
2 tablespoons cold water
2-3 cup mayonnaise or cooked salad dressing
2-3 cup cream, whipped
¾ cup diced cooked chicken
½ cup diced string beans
½ cup cold cooked rice
2 tablespoons minced green pepper
½ cup diced celery
1 tablespoon minced parsley
2-3 teaspoon salt
1-8 teaspoon paprika
Tomato ice
Lettuce

Soften gelatin in cold water for five minutes, then dissolve over hot water. Cool and add to combined mayonnaise or cooked salad dressing cream. Fold this mixture into the remaining ingredients—chicken, beans, rice, pepper, celery, parsley, and seasonings, all of which have been thoroughly blended. Line a refrigerator tray with waxed paper and pour into it a layer of tomato ice previously frozen to a mush. Arrange chicken salad over this and freeze. Cut into slices or cubes for individual service on crisp lettuce. Serves 6 to 8.

Frozen Fruit Salad
1 tablespoon butter
1 egg yolk
1 tablespoon cornstarch
2 tablespoons sugar
Pinch of salt
½ cup milk, scant
2 tablespoons lemon juice
2 cups mixed fresh or canned fruits diced
½ cup cream, whipped

Melt butter in upper part of double boiler, add cornstarch and, when smoothly blended, the egg yolk, sugar, salt, and milk. Cook over hot water until quite thick, stirring constantly. Cool slightly; add lemon juice slowly and beat well. Chill. Then fold in fruit with cream, whipped until very light but not too stiff. Turn into refrigerator tray and freeze, or pack into a mold, cover, seal, and bury in equal parts ice and salt for at least 4 hours. Serve diced, on lettuce, as a dessert salad. Whipped cream mayonnaise may be passed separately but is not really needed. Serves 6.

Molded Vegetable Ring
1 package lemon-flavored gelatin
1 pint water
1 teaspoon salt
½ teaspoon paprika
½ teaspoon celery salt
¼ cup vinegar
½ cup mayonnaise
2-3 cup cooked cauliflower
2-3 cup cooked peas
2-3 cup cooked carrots, sliced
Lettuce

Dissolve gelatin in water according to directions on package, add seasonings and vinegar, and chill. When slightly thickened, combine one-half cup of this jelly with the mayonnaise and beat with rotary egg beater until thoroughly blended. Turn into a ring mold (previously dipped into cold water), allowing it to run evenly over the bottom. When firm, arrange on it small groups of the vegetables, covering gently with gelatin mixture which should be just at the point of setting. Chill again and repeat the layers, this time using all remaining gelatin mixture. Chill and unmold, garnishing with crisp lettuce. Serves 6.

Chicken Almond Salad
3 cups diced cooked chicken
2 cups diced celery
1 cup shredded salted almonds
1 can mushrooms, drained and quartered
½ teaspoon salt
¼ teaspoon paprika
1-3 cup French dressing
Lettuce
Mayonnaise

Combine chicken, celery, almonds, mushrooms, and seasonings. Marinate with French dressing and chill. Serve on lettuce, garnishing with mayonnaise and sprinkling a few additional shredded almonds over all. Serves 6.

Mixed Vegetable Salad
1 cup diced cooked string beans
1 cup cooked lima beans, fresh or dried
2-3 cup cooked diced carrots
2-3 cup cooked peas
1 cup diced cooked asparagus
2-3 cup diced cooked beets
2-3 cup diced crisp celery
Salt and pepper
Vinaigrette dressing
Shredded cabbage

Combine all vegetables, season and add dressing. Chill. Serve on a bed of shredded cabbage to which a little dressing may also be added. Serves 6.

"Creation Hymn"

The hymn known as the "Creation Hymn," is David Bispham's translation of "Die Gottes Aur Der Natur," by Christian Furchtegott Gellert, a German poet, who wrote the words in 1757. Beethoven wrote the music. Gellert is known for his sacred songs and fables, which have become classics.

Cowboys Open Gridiron Season At Zanesville

Continued From Page One

Larkins, Maxwell and others, candidates who will be heard from. At the ends, Wylie and Creamp have been seeing action in scrimmage, with Kimmel and Kimbrell frequently at the tackle posts. Cooley and Rose, the latter a back from last year's reserves, have been doing well at the guards with Brandenburg at the snapper-back position.

Just who will be in tonight's starting line-up remains a question. Besides the line-men already mentioned there remain Underwood, a guard; Hatton and Blaine, tackles; Gibson, center; and Russel and Richardson, ends, all of whom have a chance to start.

Other backfielders who may see action include Moyer, Mead and Redman.

A squad of 28 will take the trip, the bus leaving the school this afternoon at 3 o'clock. The game is scheduled for eight bells.

Countries On the Globe

The number of countries on the globe depends on whether self-government is considered or whether one means political and geographic divisions. If the former, there are 77 countries which may be called nations, including small, independent countries like Monaco. If the latter, there are of course many more—approximately 710.

Eat Snakes and Lizards

The Australian and African bushmen think nothing of eating most kinds of snakes and lizards that occur in their native countries. Large snakes, iguanas, lizards and turtles are relished by Indians living in the American tropics, while the Seminoles in Florida and many other peoples eat small alligators and crocodiles.

PISH-POSH

Purely personals pish-posh: I look up one word daily in the dictionary. . . . I never know what a gerundive is, and don't you tell me. . . . I get the triple-jitters until the first ball smacks in my mitt in a ball game. . . . I never met a man named Phineas. . . . Things learned over the week-end: Detroit is pronounced DeTROIT, not DEEtroit. . . . Model clocks and watches always show the time to be 8:17, 'tis said, because Lincoln died at that hour. . . . There are only three words in the English language to rhyme with love. Shove, above and dove. Which is why so many swains spend long hour sleepless in an effort to bombard the lady with sweet verbiage. . . . If I were the mudjemuck of the Hilltop, I'd have a record made of that loud-mouthed Sunday morning paper seller, and then place him in solitary confinement for a week—with the record running. . . . A sudden thought, written down and stored away, looks terrible a week later.

ON WOMEN

Never can quite understand why women, when crawling off a street car with a batch of bundles, insist upon grabbing the left hand rod with their right mitts. . . . Or why, waiting upon a street car, they must stand in the middle of the street just as soon as the vehicle moves from the end of the line. . . . And worry, worry, worry, why should they worry about whether or not the hero guy in the movies will get out of the gun battle safe and sound? . . . One can predict his safety with the same accuracy one would name the preacher's or W. C. T. U.'s points while they look at one "of life's vital problems from all angles." Do we not know beforehand what conclusions they will draw while looking from all angles? . . . Then too, dern it, what do I care what kind of a hat Jean Harlow is wearing, or Loretta Young? In fact, I never really knew they wore hats, until it was hammered into my head a dozen shows in a row while I was trying to enjoy the pictoor. . . . But the heterogeneity of their conversation socks me down! Mrs. Ecks will start on something, and about the third adjective will put an idea in Mrs. Dubbiyous' head, and she, fearful of forgetting that idea, will blurt it right out. And so what? Her second sentence reminds Mrs. Ecks of something else, and away she goes into an entirely diferent realm of thought—no just into an entirely different realm. Etcetera ad infinitum. . . . And late! (This objection from a fellow research worker). Call on her, and ready or not, she'll be upstairs, where she'll wait awhile, and at the proper moment (which only she knows) she'll come flouting down in a breathless flutter of artificiality, muttering some cheerful nonentity, but ready to roar and snort if you don't jump up and hie away instead of remaining and finishing an interesting conversation on the chances of Cards and Cubs. . . .

Men, take a sliced peach and cover it with a liberal portion of crisp, crunchy. . . . I mean, you fetched nothing into this world, and it. . . . What I'm driving at is this. It was a 100-100 chance you took when you first started on this worldly journey, and over there on the corner, wearing that crooked, bent, useless and stylish hat, but for the Grace o God, go you! Pax vobiscum, selah, and Abbysinia.

Gracebelle Day, with "The California Red-Heads" on tour of Europe and Asia, left Spain last week, bound for India. She attended a bull fight in the former country. . . . Note to J. Munyan: It won't work out. Think up another. . . . There are 250 Hilltop lads, lassies and others seeking a higher education at OSU & Cap. . . . There is no truth to the rumor that George Heitz and Arthur Miller will be the next assistant supts. of Col's. schools (Hooray, the Lookout first, as ever, with the dope). . . . Al Creuglow & Harold Crosby continue their tonsorial practice 2 numbers west on Broad. . . . Bimbo is the name of the Miles canine. . . . Charlie Houx dad was a newspaperman. . . . Laura Galloway Mason picked up several pounds during the summer.

Chinese Pastor Talks At Highland Avenue

Rev. Samuel W. S. Chen, pastor of the Friends church in Lubo, China, gave an interesting talk on China to the boys and girls in the fifth and sixth grades at Highland Avenue school Tuesday afternoon.

Mr. Chen told of the manners and customs of his people and of schools in China.

Bloodpoisoning From Infected Hangnail Almost Fatal To Hilltop Girl, Aged 11

Eleven-year-old Milah Webb, daughter of Mr. and Mrs. Ray Webb, 25 N. Burgess Ave., was improving very slowly at Mt. Carmel hospital early Thursday, after a 10-day illness from which doctors thought she would never recover.

More than a week ago, Milah pulled a hang-nail in her finger, and thought nothing of it, even after it became sore. The next day she was down with a head-cold, and the day following that, Tuesday, Sept. 10, she was in the hospital, hovering between life and death, with a very bad case of blood-poisoning.

Myron, her older brother, who will graduate from West High school next spring, gave blood for two transfusions. Her mother has been constantly at her bedside. Day after day Milah lay ill, doctors working, but giving no hope. But yesterday (Thursday) she took a turn for the better, and was able to partake of some orange juice. They look for her to make the grade now.

She is a student at West Broad Street school, and has another brother, Mendel and one sister, Mona. Her father, Ray Webb, is a travelling salesman.

"Twin Distinguisher" Wanted; Nine Sets At Starling Jr.

Plenty of work lies ahead of Starling Jr. High school teachers this year, where nine sets of twins are registered. Although this is not a record for Hilltop schools, 12 sets having been in attendance at West Jr. two years ago, some sort of a "twin distinguisher" would come in handy.

The nine pairs at Starling include: Jean and Jane Landenberger, Charles and James Simmons, Paul and Pauline Cornell, Adda Belle and Asa Ruhl, Margaret and Marion Fenner, Irene and Eileen Price, Robert and Richard Mauch, Jeanne and Janice King and Bonna and Dorris Shipe.

Cowboys Guilty Of Breaking Training; Wise Gives Warning

Hard Workouts Held All Week Preparatoy to Battle Tonight At Dayton; Team In Doubt.

Concluding a gruelling week of practice preparatory to the battle tonight with Dayton Steele at the Gem City, Coach Wise of the local Cowboy forces remained dissatisfied this week with results obtained from a squad hopelessly mied in a siege of lawlessness as far as training rules are concerned.

No less than 10 members of the varsity, perhaps more, have flagrantly violated all rules, and tonight's starting line-up may reflect that fact conspicuously.

"If they haven't the desire to train," the Coach said this week, "they haven't the proper attitude to play on this team. We're going to have a team on the field, every member of which, wants to play football, if we have to start a squad of sophomores. And if they WANT to play, they'll WANT to train."

What is now a raw, green, excited, unbelievably awkward and gawky sort of an aggregation can cut some fancy capers before very much frost gathers on the "punkins," however.

The Cowpunchers were soundly trounced last week. To top that off, they looked miserable for 45 of the 60 minutes of combat. They tackled high and sometimes didn't tackle. They ran hard and fast—but into the wrong

Four Hilltoppers Successful In Primaries

Elections may come and elections may go, but the Hilltop and vicinity will continue Republican as far as politics are concerned.

This was evidenced again at Tuesday's primaries, when, despite the use of a non-partisan ballot, party demarcations became pronounced.

Regardless of the fact that local Democratic candidates, Willis and Millikin, seeking nomination for city auditor and city councilman respectively, were successful, the tenth and eleventh wards were Republican-minded by a small margin.

Myron Gessaman, one of the nominees for mayor, carried the eleventh ward by 300 votes, while John M. Lewis, a west side resident, barely carried his own ward, the ninth, and held a slight edge over Gessaman in the tenth. Worley placed a poor third in both wards.

Henry Koontz, Republican, was named one of the eight council nominees and, Henry P. Fagan, unopposed Democrat for municipal judge, were the other successful Hilltop candidates.

Sam Chick, former city policeman and candidate for mayor, ran last, polling a total of 543 votes. He received 36 in his home ward, where he also ran last, and 27 in the tenth ward.

Max Gutkind, Democratic candidate for nomination to clerk of the municipal court, also was unsuccessful, running last in a field of seven candidates.

Sam Willis, who was opposed for the city auditor nomination by two other Democrats and one Republican, placed second in the race with 14,683 votes, 8000 behind the top candidate, John Davies, Republican. The two losing Democrats polled 15,000 between them.

Wyatt Millikin, one of the favorites to lead the councilmanic race, placed a poor fourth, 4000 behind second place Howard C. Hartman and 5000 behind Frank Karns, in first place.

Almost 7000 votes were cast in the tenth and eleventh wards, with the three Republican mayorality candidates polling practically as many as the other five Democratic aspirants, this in spite of the fact that one of the strong candidates, John M. Lewis, is a west side resident.

Local Resident Claimant Of "Best-Trained Dog In State"

There are dogs, and then, there are dogs. And Buster is the champion of them all, a tower of strength on the canine intellectual horizon.

You've seen Buster on the street, dressed up in an Uncle Sam, cowboy, or half dozen other uniforms, made by his owner and trainer, M. B. Walter, of 21 S. Wheatland Ave. Mr. Walter, who will be 79 years old next Apr. 12, has made a dozen uniforms for Buster, and taught him a score of tricks.

And the four-year-old cross between an English pointer and a fox terrier, the runt of a litter of seven puppies, went through some of his paces for a Record reporter Monday.

At the request of his master, who speaks gently and so quietly as to be scarcely audible, Buster sits up, stands up, rolls over, speaks, sneezes, balances a cane on his nose, smokes a pipe, wears glasses, climbs into his uniforms, prays, plays the piano, fetches Mr. Walter's slippers at bed time, goes for his comb, ball, cane or what-not, catches pennies and lots of other things.

To top it off, he's a financier. He'll take a penny and go to the store by himself for a sucker. He'll readily drop the penny for a nickle, and that

May Use Buses for Owl Car Service On Hilltop---Karns

Council President Outlines Tentative Plans; Service to Be Routed Over Sullivant.

Gasoline buses, travelling over a route which would take care of residents in the southwest section of the Hilltop, may be used for owl car service on the Hilltop, it was reported by President of City Council Frank C. Karns, Wednesday of this week.

The plan, which has not yet been presented to council, will be put into operation just as soon as the Leonard avenue car problem is settled at a meeting of the city fathers next Monday evening.

According to the plans, the buses would leave Gay and High, travelling south to Broad and west on Broad to Hague. From this point, service would be operated on Hague to Sullivant and east to Central and back to Broad and to the original starting point.

Approval of the new Leonard avenue car route will be taken before council Monday evening. The owl car proposition will be brought up at a later date, according to Karns.

It was pointed out that the new service would be much better in several ways, the lighter, rubber-tired vehicles operating with less noise and still being capable of handling the small number of people requiring midnight service.

Gets to the People You Want It To!

In an actual telephone conversation with an agent of another advertising medium in Columbus, soliciting want ads, a Hilltop housewife said: "No thanks, The Hilltop Record reaches all I want to get it."

That housewife was correct. There are no exceptions. The Hilltop Record Want Ads are read by more Hilltop people than any other want ad columns in Columbus.

You'll find Record Want Ads more economical, and if results are to be obtained, you'll get them more frequently and quicker through your own community newspaper.

For a few cents your message will go into 3550 Hilltop homes, which is more than you'll get elsewhere, at twice the price.

Miss Distelhorst Becomes Bride Of Charles Siegfried

Miss Laura Catherine Distelhorst, daughter of Mr. and Mrs. Herbert J. Distelhorst, 537 Hillcrest Ave., became the bride of Mr. Charles Siegfried, Monday evening, Sept. 16.

The ceremony was performed by candle-light in the living room of the bride's parents' home which was decorated with garden flowers, before an improvised altar of ferns, palms and dahlias. Rev. D. S. Mills, pastor of the Avondale United Brethren church officiated.

The bride chose for her wedding a floor-length gown of dark blue velvet with a high neckline and long, tight-fitting sleeves. A twisted rope of pearls edging the neckline was the only trimming on the gown. She wore a matching velvet hat and carried a bouquet of white gardenias and roses.

Mrs. Tom Van Schuyck, 2326 W. Broad St., who attended the bride as maid of honor, chose a tailored dinner frock of dark purple moire for the occasion. A hat of matching fabric, and red slippers completed her ensemble, and she carried red roses. Both the gown of the bride and that of her attendant were fashioned with short trains. Mr. Tom Van Schuyck served as best man for Mr. Siegfried.

Following the ceremony Mr. and Mrs. Distelhorst were hosts at a reception for the 50 guests present at the wedding, after which Mr. and Mrs. Siegfried left for a short wedding trip. For traveling Mrs. Siegfried wore a dark green dress, brown hat, shoes and gloves. Upon their return the couple will reside at 2427 W. Broad St.

Cowboys Violate Training Rules

hole. They charged with a fury of champions, but when they got into the opposition backfield, it, like Mother Hubbard's cupboard, was quite bare. They became excited. They forgot their plays. They lost, 19-0.

Coach Surprises

But the startling line-up contained but a single player—Ditrick—who had ever seen action in a regulation game up until then. Wylie and Creasap started at the flanks, as was expected, but elsewhere, almost exclusively, surprise candidates were trotted out.

Kefauver, a short but broad lad, threw a good account of himself at tackle, as did Slane across the line at the other post. Underwood and acting Captain Reese were the guards, with Gibson at center. Ditrick, Redman, Simmons and Larkin starred in the ball-toting department, with the former rolling the numbers.

The remainder of the varsity squad, practically all of whom had never started before, got into the fracas. Coach Wise's comment after the game was: "The squad has possibilities, but we have plenty of work ahead of us. No one has made the team."

That statement was clarified even more by following his lecture on Monday evening—especially the cryptic "the squad has possibilities," and "no one has made the team."

Lush scored its first marker in the opening minutes of play, smashing through from its own 40 with a series of power-house plays. Two more were registered in the third period, after McEwen, stellar Zanesville fullback, had smashed the right side of the Cowboy line to shreds.

West had no chance to score, but the defensive game played following the initial marker in the first half, was good to see. Only twice during the game did the Hilltoppers get off ground gaining plays. As the first half closed, Richardson snagged a pass hurled by Wolfe for a net gain of 30 yards and in the fourth frame, a lateral netted the team a 40-yard gain but the play was called back and the lemlat penalized five yards for off-side play.

Buster Is Best Trained Ohio Dog

Continued From Page One

cain in turn for a dollar bill. Then just try and give him the nickle back for the dollar!

"Just like a child," Mr. Walter said, as he quietly gave Buster orders—"only he minds better."

Dressed up and walking along the street with Mr. Walter, smoking a pipe and wearing glasses on occasion, he won't cross a thoroughfare until the order to go is given. And no one but his master can call him.

At home, however, he is friendly with many who stop in marvel at his abilities. He's a grand dog, and can't possibly be bought. Gentry Brothers, with a score of trained dogs, once offered Mr. Walters two of theirs for his. But he wouldn't listen. "Buster is the best trained dog in the state, and I make no exceptions," he says. For every trick another dog can do, Buster will go him one better. And watching the fellow perform gives you a slight premonition that Mr. Walter is right in his claims.

Mr. Walter has lived on the Hilltop for the past two years, with his daughter, Mrs. Leverine Kerns and her husband. He was born in Mt. Vernon, and for 30 years was a dentist. Then he went into the jewelry business, but after 15 years the loss of his sight in his right eye caused him to cease that. Dogs have been his hobby throughout life, and he told of several that he had owned and trained. But Buster is his favorite.

CAMP FIRE GIRLS

Winonapeg Camp Fire Girls held their weekly meeting Tuesday after school at the General Baking Company plant.

Many Home Craft Honors are won by the girls in Camp Fire work, by preparing and serving meals, and such tours and demonstrations as these are very beneficial to the girls working for these honors.

WHY THEY'LL LOSE

Tonight, on the Polar Bear field, West High's football team will inaugurate its city league campaign.

Mechanically, perhaps, the Wise-coached team will be approaching the peak of its season's form. Also, it will be equipped with a full array of plays, which, in the first two games were not available due to lack of time for preparation. Four weeks of practice, however, has enabled the Cowboy coach to round the team into a more definite unit.

There are those who will criticise the West High mentor on his choice of players. In fact, the wolves are howling more viciously than for five years past.

I do not share the griefs of these critics. I have watched the local squad develop through the past month, and the slovenly exhibitions thus far displayed can be traced to the squad itself.

When you hear, from the players themselves, that numerous candidates will not train; that this boy is better than that one and should start a ball game—when you watch the squad on the bench, while the team is on the field, just sit idly, while a mate in the game makes a spectacular play; when you hear a squad, almost unanimously, "beef" about this and that—you can feel sure that that squad doesn't care whether it wins or loses.

And that's why the Cowboys will come out on the short end tonight, when all indications would normally point to a victory.

They don't care and they haven't the "guts" to quit the squad and get out of the way. They'd rather go out to practice each afternoon, so when they loaf on the corner at night, they can be soothed by the poisonous and thoughtless flattery of a bunch of loafers—who not so long ago, grew into what they are because of similar desires and attitudes.

CHUG-A-RUM-M-M

I won't vouch for its truth, but the story is going the rounds that Dr. T. S. Fox went fishing about 2 o'clock tother morning, using live frogs for bait.

It was two hours before daylight when he cast his first line in the water. A long series of tedious minutes flew by—120 of them. Then the first streak of gray in the east, and in the dim light, Doc looked out over the water to his bobber. And on that gadget, sitting quietly and not batting an eye, was his frog.

Margaret Voss and Harold Ruder, the detective's son, were married in Covington, Ky., a fortnight back. . . . Some say that the reason model clocks are timed at 8:17, is to make them look good, balanced as they are. . . . Note to Pat Shrock," loveable sports editor of the Greenfield Times: Check up on Ohio State's "mediocre" seasons of the past few yrs., not including last year. . . . And those snake stories. Goodness, Pat!

HYAR & THAR

Mrs. C. F. Shell was a yr. older last Friday, and her 13th birthday came on Fri.-13th, and she's the oldest of a family of 13 children. . . . Esther Owens walked home from Olentangy Park tother eventide, when her bicycle broke down. . . . Chet Henery is selling Ralston scales. . . . Mr. Kromer, the former West Jr. (Highland Jr. Hi) teacher, is head of some sort of a nerve clinic in Chicago. . . . It took Oscar Stauch three days to construct that roof-like gadget over the side entrance to his house. . . . Wowie! The Tri Mu Crutchmen have gone cradle roll, taking in another 25-year feller, Russ Ruth. . . . Carlie Scheidt, a Rev. from Sweet Air, Md., spent three days in the city last wk. He formerly lived on the Hilltop.

THE MORNING MAIL

From a woman, no doubt, who only half-read last week's pillar, and who wrote three pages anonymously, we quote the following: "It don't show you up none too oright, trying to knock an organization as old and one that has done as much good as the W. C. T. U.'s. Shows you write things you don't know a thing about. W stands for Women! Have you a mother?"

I can't prove it lady, but Mrs. Wolfe, up on North Warren, will vouch for the fact, I think.

Installation of New Legion Officers Slated for Oct. 18

William H. Rogers, 673 Chestershire Rd., Chosen to Succeed J. F. Hurd As Commander.

Installation of newly elected officers of the Camp Chase Post No. 98, American Legion, will be held on Friday, Oct. 18, with Dr. A. C. Myes in charge of the committee making arangements it was announced this week.

William H. Rogers, 673 Chestershire Rd., was chosen to succeed James F. Hurd as commander of the local American Legion Post at the annual election held at the post headquarters last Friday evening.

Other officers chosen were D. C. Finueran, 720 N. Wayne Ave., first vice commander; Ernest H. Brown, 299 N. Burgess Ave., second vice commander; finance officer; Milton P. Hain, 113 Whitethorne Ave., adjutant; Vernon C. Fiscus, 610 S. Terrace Ave., chaplain; John L. Amicon, 115 N. Ogden Ave., sergeant at arms; Dr. A. C. Myers, 153 S. Wayne Ave., county council executive committee. The following were

Cowboys to Open City Campaign At North Tonight

Polar Bears Regarded Slight Favorites, But Cowboys Held Capable of Spilling Dope.

Tonight, at 8 o'clock, on the North High field, West High's mysterious Cowboys, fresh from two trouncings at the hands of Zanesville and Dayton Steele, will meet the Polar Bears in the local scholastic opener.

The Maroons, winners on five occasions out of six starts, from Wise-coached aggregations, will be out for blood, smarting as they are under the whipping dished out to them by Bexley last Friday night.

West Loses At Dayton

Last Friday, at Dayton, Steele High lashed out furiously in a second half attack and swept on to a 27 to 3 victory. But, in the words of one observer: "One would think by the score that West was lousy. Actually it wasn't quite that bad."

Steele scored in the opening minutes after recovering Redman's kick-off fumble. Tuffy Brooks, who rambled high, wide and handsome all evening to score the three other touchdowns himself, threw the pass for the initial marker. The try for point was wide.

West came back, then, and after Larkins had booted a beautiful 65-yard kick to the Dayton five-yard line, Redman received the return punt and lateralled to Ditrick who was downed in mid-field.

Under flawless direction of the latter, and featuring smashing off-tackle drives by Paschal, Ditrick and Larkin, and a 20-yard pass, Paschal to Creasap, the Cowboys marched to the Steele one-yard stripe, where, after Redman had been repulsed, Ditrick went over guard to score. He was downed when he attempted to circle end for the point.

Score Safety

A splendid kick by Larkin plus a 15-yard penalty paved the way for the Cowboy's other score, early in the second half. With the ball on their own five-yard line, Tuffy Brooks fumbled and was downed behind goal.

Have The Record Sent To Students Away To College

Are your sons and daughters attending college away from home? Why not send them the home-town news, in detail each week, by subscribing to the Hilltop Record for them.

As a service to residents of the community, the Record will offer special rates to college students during the school term.

For 65 cents, the Hilltop Record will be mailed each week anywhere in the United States through next May. Just stop at the office, 14 S. Oakley Ave., and leave the name and address.

Regular subscription rates are $1.25 per year and 65 cents for six months. The 65-cent rate applies only to college students.

Vorys To Speak

John M. Vorys

Ready for the final drive in the fall election to make Myron B. Gessaman mayor of Columbus, the Eleventh Ward Republican club's regular meeting Thursday night, Oct. 3, will be addressed by Attorney John M. Vorys.

The Eleventh Ward gave Gessaman a handsome plurality at the primary election.

"This ward is traditionally Republican," said Mose M. Williams, ward committeeman, in announcing the meeting. "The Hilltop is composed of men and women who have a pride in their community. We are tired of pig killing, potato crop regulating, alphabetical soup remedies and all other sorts of boondoggling. The Eleventh Ward has joined other sections of the country in demanding a return to common sense government and we will begin by playing a prominent part in electing Myron B. Gessaman, a Republican, as mayor of the most American city in the country."

Candidates have been asked to the meeting at which time plans will be made for a joint rally with other Hilltop wards.

No Passes To Be Given For Games

Ticket Selling For High School Grid Games to Be Supervised By Dr. Shuter.

There will be no passes issued for West High football games this fall, it was announced this week, except through Dr. L. D. Shuter from the board of education offices.

Adult admission charges will be 50 cents, according to Athletic Director Harold E. Wise, with student prices set at a quarter.

Associate members of the "W" association, who have paid their dues, will be admitted at student rates, however. Dues are to be paid to Walter Highland, treasurer, and game tickets obtained from C. B. Marquand, chemistry instructor at the school.

No passes can be obtained from school officials, and all official passes issued from the up-town offices must be exchanged for a regular ticket at the school.

Funeral Held Monday For Miss Flo Petrie

Funeral services for Miss Flo Petrie, aged 51, 506 S. Warren Ave., who succumbed at her office in the city hall Friday, Sept. 20, of heart disease, were held Monday afternoon from the Westgate Evangelical church. Interment was in Green Lawn cemetery.

Miss Petrie, supervisor of Columbus district nurses, had been in the department for 15 years. She served in many army camps during the world war and graduated from the Mt. Carmel school of ursing in 1915.

She is survived by her father, Newton Petrie; one brother, Floyd; a sister, Margaret, with whom she resided, and four sisters, Mrs. George Neal, San Mateo, Calif; Mrs. Howard Fleming, Vesper, Wis.; Mrs. Alberta Stimmel, Cincinnati, O.; and Mrs. Charles H. Gemeinhardt, 1400 Inglis Ave.

Ritz Remodeled

African Pictures

African pictures in color will be shown at the Hillcrest Baptist church Sunday evening in conjunction with the pastor's sermon on "When This War Trumpet Sounds."

West Gate Lodge to Re-dedicate Re-finished Temple Monday Eve.

A special meeting has been called by officials of the West Gate Lodge for next Monday evening, Sept. 30, at which time the temple, damaged extensively by fire last June, will be re-dedicated.

Humboldt Chorus will appear on the short program and Past Master L. B. Turner will read a history of the organization. Invitations have been sent to the Grand Lodge officers and some are expected to be on hand.

The temple has been completely refinished and will be open for inspection to members and visiting brethren at that time.

The early morning fire of June 14, caused by defective wiring, caused wide-spread damage throughout the interior of the structure and two firemen sustained injuries while fighting the blaze. The loss, estimated at approximately $10,000, was covered by insurance.

To Set Date Today For Trial of Case of City vs C. & L. E.

City Attorney John L. Davies to Make Trip to Dayton; Victory For Columbus Not Unlikely.

Trial of the case of the City of Columbus versus the Cincinnati and Lake Erie Traction Co., scheduled for this month, will be set for a definite date sometime today, it was learned from authoritative sources this week. City Attorney John L. Davies will make the trip to Dayton today where the date will be set by the federal court.

The case, involving the right of the traction company to operate on city streets, will be heard by Judge E. T. Navin. The franchise of the C. & L. E. to operate on city streets expired in July 1933, at which time city council ordered the cars off the streets.

The company, however, obtained an injunction against this ordinance, and have been operating since. Another ordinance, limiting the company to one car on their traction trains, was likewise evaded by obtaining an injunction.

Await Decision

Meanwhile hundreds of Hilltop residents await the court's decision, especially members and officials of the Southwest League and the Camp Chase Civic association. The former group is seeking the elimination of the Sullivant avenue car tracks while the Camp Chase organization is endeavoring to have the Columbus Railway Power and Light Co. extend the West Broad car line west to the city limits from Hague avenue, the present terminal.

L. B. Kaiser, attorney and president of the latter group, said this week that the Light Company officials had intimated that the extension would be made if the decision of the court ordered the C. & L. E. off the city streets.

A similar case, however, was won by a traction company in Springfield several years ago. It was Kaiser's opinion, however, that the city's case had some merit, and that the possibility of winning it was not totally hopeless.

Others Are Good, But Try The Best!

There are other good advertising media in Columbus, but Hilltop people who want the best results, are using the Hilltop Record Want Ads.

Can you think of any other want ads that get into 8450 Hilltop homes?

Can you find any other want ads that cost less?

Do you know of any other want ads which are read by more Hilltop people?

The answer to those questions is "No!" Naturally, then, you'll stop putting off the placing of that ad for a lady to do the washing. Think it over, when you have a message for want ad spaces. You'll do much better in the Hilltop Record.

Cowboys To Open City Campaign

Continued From Page One

placing the Cowpunchers in the lead, 8 to 6.

From that time on, the tide turned. The locals showed a complete reversal of form. If they had improved 100 per cent over play at Zanesville, then they were 100 per cent worse than their Zanesville's worst from this point on—which, in fewer words, is terrible.

A blocked kick gave Dayton the ball in mid-field. A lateral pass gained 20, and with ease and dispatch, the Gem City lads smashed center, off tackle and around the ends at will, to score a moment later. Two more were added in the fourth canto, with Tuffy Brooks doing much of the damage.

Unfathomable

The Cowboy downfall is hard to explain. Sensational and consistant play suddenly turned into just the opposite. Was it from lack of training? Were they over-confident (with a two-point lead)? Did the Dayton boys become inspired? Perhaps the Hilltoppers had ants in their pants. At any rate, they looked poor on defense, and not much better on offensive.

In those last two quarters, passes might have blasted Dayton into another county, but they were not forthcoming.

For the losers, Paschal exhibited some fancy cavorting, especially off the tackles during the first half; Larkin's kicking was good to see and his line smashing better than any witnessed at the Cowboy stronghold in a long spell. Ditrick's direction of the play, at times, was perfect.

On the line, Underwood was the highlight, although Gibson looked well also. Wylie, at the left flank, needs rehearsal in snagging passes.

North the Favorite

Despite the fact that the Wisemen showed some improvement, it is doubtful whether they will round into form sufficient to master the Polar Bear tonight. Play during the first half at Dayton, and during the second quarter, at Zanesville, if reproduced for four frames this evening, will be quite enough to win.

But right now the Cowboys are playing football like I play par golf—which, if you don't know, is not very often, even for one hole.

Child's Breakfast Always Necessary

Regularity of Eating Breakfast Is Essential to Health of Child Says Columbus Milk Council.

Does your child get a good breakfast? Studies have been made in many of our cities showing that too many children come to school without an adequate breakfast. There are several reasons why your child should eat before he starts out his day. Boys and girls of school age are growing fast, and are exercising a great deal. This growth and exercise require much energy. Our energy is supplied by the food we eat. Children are burning up this energy and it must be replaced by food. Besides our food supplying energy it also furnishes us with body-building and regulating material—not only the quantity of food we eat is important but also, the quality.

The following combination of foods make a good breakfast:

Fruit	1 piece or dish
Cereal	½ cup
Milk	1 cup
Toast	2 slices
Butter	1 Pat

If a child omits his breakfast regularly or eats a very light one, it is very doubtful that he ever makes up the deficiency during the day since one third of the days requirements is provided for by the breakfast. At the same time the child may even become over-hungry and over-tired and eat less than if he had had a good breakfast.

A leading nutritionist in this country has said "One such day is, of course, not a serious matter, but repeated day after day, the no-breakfast habit may become a direct cause of undernutrition and its resulting ills."

—Columbus Milk Council.

BOYS, BOYS, WATCH THE ROUGH STUFF

The St. John Shufflers have challenged the Tri Mu Crutchmen to a game of shuffle-board. . . . Frank Allen owns a set of sleigh bells. . . . Mr. and Mrs. Gene Moore (Helen Hartley) were in town Sunday. . . . And while we're at it, what copper ran over a little boy, who died at White Cross Saturday? The news was suppressed by other sheets, because of that traffic drive. . . . A local minister complains about a local school teacher making an alleged wise-crack about God losing his false teeth. Frost-bitten thistle blossoms to the teacher. Roses to the pastor (Rev. H. E. Koch) for his righteous objection. . . . 25 per cent of the 1932 class at West High are married. . . . And 80 per cent of them are golfs. . . . George Ruder went back to work Oct. 1.

BITS OF BABBLE

Keith Brenot and Nina Shank will wed this fall, 'tis said. . . . "He's coming back," sighs Marthy Brown, but soon it'll be the Antioch blues again, where he goes to collich. . . . Ruth Pearch has purchased a new pi-anner. . . . Dick Anthony was named prexy of his S. S. class a fortnite back. . . . Frank Ruder (one of the original scoofers) will finish his higher education in Pasadena, Calif., this year. . . . That small lad at choich last Sunday, his fingernails tipped with crimson. . . . Sue Barrell, & parents, are in Zanesville. . . . Impossible to start the day off right without the morning paper.

Picked up since the last time we plucked off a list of stuff you never knew (or cared about): The glass industry has been one of the few at which a nobleman could work at and not lose cast. . . . That the world's largest manufacturer of stoves puts out more of the coal and wood variety than of gas. . . . That Frank Allen insists that he'll not give up hope until women actually build a battleship. . . . Mr. and Mrs. George Williams are saving all coins with a 1935 date, the yr. they did wed. . . . Rick Francis will be one of the supervisors over the guys that sell you programs at OSU this fall. . . . Joe Briggs and Ed. Ferguson have bet a steak dinner. Ed. says Joe can't get as many new members to the Alumni Ass'n. as Ed. did last yr., and of course, Joe says he can. . . . Paul Bricker is the dern good drum major at West Hi, and he's a sophomore. . . . A can of peaches is the only "prize" Miss Edith Robbins ever won in her life.

NOTES

Mary(e) Krejci is already planning a trip to China. . . . Carlton Hartley was operated on last week—C. C.'s boy. . . . They use more than a mile of adhesive tape on ankles at the Cowboy grid camp in a season—and that's not counting the yardage used for injuries. . . . Took my first lesson in spaghetti-winding from Marino Collura Saturday nite. Nice place he has. . . . Flash: Esther Owen's bicycle is fixed. She was lamped Sunday morning on Olive, between Richardson and Terrace.

West High Cowboys to Open Home Season This Afternoon

Larkin and Redman Declared Ineligible For Today's Fracas; Cowboys Held As Potentially Powerful Team; Tie City Inaugural.

West High's hopeful gridders, about ready to move into high gear after a more or less unsuccessful foreign campaign during the past three weeks, will show their wares to Hilltop folks this afternoon on the local field, meeting the Coshocton Redskins at 8:15 o'clock.

It will be the first afternoon fracas of the season for the Wisemen, Zanesville, Dayton, and North, last Monday evening, having been played under the incandescants. Not much is known concerning the Indian aggregation, but sufficient knowledge of the team is available to indicate a victory for the home forces. A loss to the up-state lads will probably mean curtains for the present starting eleven.

Larkin, Redman Out

Charles Larkin, punter and passer de luxe for the Cowboys, and Ray Redman, masterful ball handler, will not be in today's starting line-up when West meets Coshocton, it was learned Wednesday. Scholastic deficiency in two subjects caused the ineligibility, which means that the two will not be able to play before next week, at the earliest.

Loss To North

Monday evening, West High's peculiar Cowboys lost a chance to win and had to be content with a tie over the North High Polar Bears, a team that the locals could have beaten by some five touchdowns without much extra head-work. But as predicted, they did not win.

The Hilltoppers scored two touchdowns on drives and passes, Paschal and Ditrick crossing the final chalk mark after some more or less spectacular, but dumb, play. North's two markers came when a West kick was blocked and when Claypool returned a kickoff for 72 yards.

It is no attempt on the writer's part to work the local lads up by pointing out the following facts, obvious to all in the stands, but a little too profound for the type of thinking displayed by the players themselves Monday night. So this is just between you and I—they'll never guess what we're talking about.

Band To Play

Led by Paul Bricker and directed by Herbert E. Hutchinson, West High's band, bigger and better than ever, will furnish music and between half parading at the game today.

A 10-minute football game, between the Alley Rats and the Popeyes, sponsored by the "W" association, will also be held between halves.

West scored 13 first downs to North's two, and defensively, constantly forced the Maroons to punt. Yet, in spite of the fact that Larkins could out-kick his opponent 30 yards to the boot, no attempt was made to gain yardage in this manner.

Once, with 40 seconds to play, a Cowboy batted down a Bear pass, instead of catching it, with a clear field ahead. Time after time, poor judgment was used in selection of plays, while only once during the fracas did the locals call upon a much-drilled scoring play, and then at the wrong place in the field.

On Claypool's touchdown scamper, West had no safety man back, and tragedy of tragedies, regardless of all the other ways the Cowboys could have won, no extra points were kicked.

In the fourth period, the Cowboys had first down on the Polar Bear four yard line (they penetrated deep into North territory five other times to no avail), and failed to score because of two things—poor selections of plays and lack of fight.

Not So Dismal

But there were other encouraging features which makes this reporter believe that the Cowboys could go on through, now, without a city league loss. The pass receiving of Wylie and Ditrick, especially the former, was splendid at times. Larkins' kicking is the best ever done during the Wise regime at West, and comparable with some of the circuit's best. His pass

Greenfield's "Bachelor Ambassador" Speaks

On the wings of words, furnished by Prof. F. R. Harris, Greenfield's "Bachelor Ambassador," St. John Brotherhood and 25 guests from Grove City, went flying down the Andes of South American Tuesday evening.

High above this fascinating continent to the south of us, an audience of 75 looked down on "mighty mountain masses piled on mighty mountain masses; on craters large enough to hold the entire human race; and mountains—at once grim and terrible, yet beautiful shimmering in the sunlight; on deserts, pampas, savannahs, tropical forests, green fields; on races of people who are moving from the ox-cart age into the aeroplane age with an amazing nonchalance—on scenes an amazing nonchalance"—on scenes, and civilizations and savagry and a progress that is "impossible, stupefying, preposterous—but true."

Mr. Harris, principal of the nationally known McClain High school in Greenfield for 18 years, and superintendent of schools since 1923, is a graduate of Ohio Wesleyan and took his work for a master's degree at Harvard and Chicago universities.

Known throughout southern Ohio as Greenfield's Globe-trotting Ambassador, he fills an average of three speaking engagements per week during the school year. He will speak on three other occasions in Columbus this month.

His summers are spent in travel, and according to Pat Shrock of the Greenfield Times staff, his first trip abroad was taken during his summer vacation while a student at Ohio Wesleyan. He was a valet to a herd of cattle on a cattle boat.

Last summer, he visited South America via Pan-American Airways, an 18,000-mile air tour. In 1934, another air tour took him to Mexico and Central America, while on previous trips he has visited Japan, China, India, Soviet Russia, South Sea Islands and practically every country in Europe. He has also spent time in Canada, the West Indies and interesting points in the United States.

He is a bachelor, and lives at Hotel

The Nature Trail

By JOHN WOLFE

PIKE COUNTY RAMBLE

There is nothing which quite matches a jaunt into new country, at least to a rambler, and when the opportunity presented itself recently, we made our way into the rugged hill country of Pike county, with the farm of J. W. Sword our particular destination.

Prior to our arrival, some doubt as to the character of the country lingered in our mind, for old farms are generally all that the name implies.

But this one, happily, was different, for stretching back from the flood plain of a creek and into the hills, was a magnificent beech-maple forest. Up the valley was an old orchard, these many years abandoned, apparently, and just the place for lichens, of which none had been taken from the county since botanists have botanized in Ohio.

So, with young Jack Sword as official specimen carrier, we struck back through the woods, hopes high for contributing some valuable data to the lichen flora knowledge of the state.

The day was warm, but the colorful landscape soon took our minds from the uncomfortable weather as we enjoyed the purple bush-clover, now at its height, and the brilliant yellows of a variety of sunflowers and the early goldenrod. Berries of the dogwood and clusters of Jack-in-the-pulpit fruits, bright crimson in color, gave added variety. At the edge of the woods, the deep blue of the tall bellflower greeted our eyes, while occasionally, from a tall gum tree, burnished orange leaves fluttered earthward.

In the meadows just below us, the yellow goldfinches fed on the drying seeds of many field plants. From deep in the woods came the plaintive call of the wood pewee. Other sounds were few and from late summer insects, whose lazy hum and drone just suited our mood of the day.

Across our path at every step, shining and shimmering in the sunlight every hue of the rainbow, were the woven cables of the so-called "balloon spider," a gorgeous yellow and black creature, common in the woods and fields everywhere in the early fall.

Now down through the woods, past the ancient orchard, long since past the fruitful stage, and into the creek bottoms below. Then off the main channel, up a rocky gorge, cool and moist, and carpeted by the green of mosses and ferns.

Here were mycological rarities without number. Against a background of freshest green were mushrooms of the brightest red, but deadly as they were pretty. Brown, lavendar, pink, purest white, yellow and velvety black plants, abounding in the moisture of the gorge, where recent rains had left a bountiful supply of water. Would that I knew more of this fascinating flora.

Slowly the water in the little stream trickles its way over its rocky course, standing here and there in tiny, crystal pools, flanked with Christmas ferns and mosses, and occasional patches of the shining leaves of hepatica. What a sight this gorge must present in early spring, with its trilliums and anemones and dutchman's breeches and scores of other spring blossoms.

But our great finds were yet to come. Down along the larger stream, but high and dry on the sandy banks, grew great clumps of the familiar pincushion moss, a common thing in itself, but rarely known to bear fruit in Ohio.

But here, in the greatest abundance, was clump after clump of the moss, with small capsules, born on slender stems, protruding from the "cushion" like so many pins and needles. You can be sure we collected a supply for use in OSU botany classes this fall.

Further along, and under a mighty beech, in the shaded forest, five ghostly white plants, each with a single flower, were found. Strange plants these, parasitic and consequently without a bit of green color in them. The flower, shaped much like the bowl of a pipe, gave it its name of Indian Pipe, and strange as it may seem, the plant is a member of the same family as the huckleberry and the blueberry. It is far from common, but widely distributed throughout the state.

The trip, even had we gathered no lichen specimens for the Ohio State University Herbarium would have been well worth the while. But the lichens were not forgotten, and they were present in abundance.

Much the same as the types found in Hocking county, the various communities served further to substantiate certain pet theories of ours regarding their succession in nature. Taken from a county never before botanized for this particular flora, the findings were the more gratifying.

All in all, it was a grand trip, from the excellent noon repast prepared by Mrs. John Sword; on down to the lowliest plant life, everything was as we hoped to find it—and more.

Building Resumes Activity In City

Gain of $10,800 Over August, 1934, Revealed By FHA Officials.

Building permit figures in the Columbus district of the Federal Housing Administration point to continued expansion of construction activities paralleling the trend noted throughout the nation, A. L. Guckert, district director, reports.

While August permits for residential construction in 37 eastern states were mounting to $40,528,300 as compared with a total of $18,634,000 for August 1934, Upper Arlington was setting the best record for the Columbus FHA district. Its new residence permits for August 1935 totaled $82,140 as against $35,500 for the same month last year, an increase of $46,640.

Columbus residence permits for August totaled 300,300, a gain of $10,800 over August 1934. New homes for which permits were issued in Bexley during the month represented expenditure of $21,000, an increase of $13,500 over the same month a year ago.

Building permits for new residences, repairs, alterations and other construction in eight major communities in the Columbus FHA district in August of this year totaled $416,675, an increase of $240,040 over August of 1934.

Included in the gains were: Columbus $354,000, Upper Arlington $68,910, Dayton $286,517, Bexley $16,000, Portsmouth $13,252, Troy $10,500.

"That the housing administration's activities are playing a considerable part in the expansion is evident in the fact that of the new houses completed or under way in the Columbus district, more than 100 are being financed through FHA mortgages which permit borrowing up to 80 per cent of the appraised value of a property, with loans extending over periods as long as 20 years," Director Guckert pointed out.

Enjoy a good Chicken Supper with homemade pie at Hoge Memorial Presbyterian church Saturday evening, Oct. 5, from 5 to 8 p. m.—40 cents.

Plan of Operation

1—Old fashioned HONESTY—not lip service—but life service.

2—Our home will be nice and homey—not extravagant.

3—I have no partners, silent or active.

4—Overhead determines prices—I like to work and my prices tell the story. You will always find a nice saving here.

5—I own my own equipment which is the latest obtainable.

6—You will get exactly what you select, without substitution.

My Motto

"Honesty, Honor and Quality Merchandise—at a price you can pay—whatever your problem." I have spent my life on the Hilltop and twenty-two years in the ministry of the church. For nearly three years I have served as teacher of the Men's Baracca Sunday school class of Glenwood M. E.

I have spent five and one-half years in active funeral and ambulance work.

I assure you that no night is too dark or any day too stormy for me to come to your assistance. You will always find a true friend in

FLOYD BORN.

Service

AMBULANCE—

I have spared nothing to bring to the Hilltop and city the finest ambulance and service obtainable.

The car is a thing of beauty inside and out—a wonderful interior of drapes with candle lights.

It is equipped with medicine cabinet and first aid equipment, thermos bottles of iced water — electric fan — radio — dual heating system—attendant seats—speaking tube between patient and driver—fire extinguishers —siren horn for emergency calls.

A cot of the latest design with bed pans—towels—extra bed linens—rubber cushioned mattress—areoplane pneumatic balloon tires —canopy top for bad weather—positively no dead bodies will be carried on this cot.

The comfort and refinement of our ambulance is unexcelled for a trip across the country or a square in the city. Doctors and nurses are asked to call for inspection of the car and for prices.

You can ride in the BEST as cheaply as the poorest ambulance in the city.

Those who are handicapped for funds and need this service will be served FREE. Have your doctor, nurse or member of family call.

A NEW AMBULANCE SERVICE—

Did you ever think it would be nice to take that aged or shut-in person out for a little drive? My ambulance has a chair cot which enables one to see out the windows. I will as a contribution of good will take a goodly group, between times, on such a little outing. Call RA. 5627.

HEARSE—

Our hearse is built deluxe style with beauty excelling. We will use the newest type litter cot to convey our dead. This cot is built for this purpose only. It is sanitary and humane.

BUILDING—

The building is so laid out that the entire first floor can be thrown into a chapel. There is no extra charge for its use. We expect to build on to the present building a nice show room, preparation room and garage. All unloading will be done inside.

OUR RESIDENCE—

We shall live on the second and third floors and shall always appreciate a call from any who wish to see us.

PREPARATION ROOM—

Here you will find new fixtures and equipment with sanitary methods prevailing.

The embalmer in charge will not only be licensed but one with years of training and experience. Strict privacy—no loafing—no outsiders—a place of quiet and reverence as in your own home.

We have a nice selection of chairs for loaning to parties, churches or lodges—call early.

I also hold a Notary Public commission of which I will gladly give my service.

Finally: I pledge to you the finest in service, the best in merchandise, the lowest price consistent to good will and a friendship not for today but always.

I am prepared to do work anywhere in the state or out of the state. "You determine the cost."

West Cowboys To Open Home Season Today

Continued From Page One

hurling, too, leaves nothing to be desired.

The defensive play of Cramp II and, and Gibson—there's a man for you—at center and Conley at guard, and Underwood at the other guard, has improved greatly, and at times Monday night, their work was spectacular. Paschal did some fancy running through the tackles and Redman's ball handling kept the fans in the bleachers doubtful as to when and where the ball carrier would emerge—if he emerged.

With such abilities, all that seems to be lacking is a desire to win. But alackaday—the Cowboys were completely satisfied with Monday's performance.

North has nothing this year, and the goddess of luck must grin broadly at the Haglymen if they again come as close to a city league victory. But they out-fought a team that out-played them, five to one—and were sufficiently rewarded.

BIRTHS

Mr. and Mrs. Harold Jones, 1625 Sullivant Ave., a daughter, Friday, Sept. 27, in Mt. Carmel hospital.

Mr. and Mrs. John Waldo, 320 Lechner Ave., a son, Thursday, Sept. 26, in Mt. Carmel hospital.

Exhibition In Library

In the West Junior-Senior High school library, there is an exhibit this week on Mexico. Some of the things on exhibit are: linens, jewels, Mexican matches made of wax, lacquered gourd bowls, a hand-tooled leather purse, a grass plate, a cane, vases, fleas dressed by prisoners, a bullfight stick, which is used to corrage bulls, and a candelabrum of tin from the Sporting Show at Taxco Mines, which has been producing since and before Columbus was born, are all included in the exhibition. These articles were loaned by Dorothy Haunts, a pupil of West Senior High school, and Miss Burns, a teacher of West Senior High school.

No Tardiness

The pupils of West Mound Street Elementary school either have good alarm clocks or their mothers are on the job to see that they get to school on time because there was not one tardy pupil at the school since school started this fall.

Attendance at the school has been exceptionally good this year also.

Try For Scholarship

An art contest was recently held among eighth and ninth graders at Starling Junior High school. The winners were: Annabelle Cunningham, Herman Davis, Arthur Newland, and acting as substitute Paul Neas.

The winners are eligible to try for an art scholarship awarded by the Columbus Art Gallery.

Choose Nature Clubs

A new departure from the usual nature study work was initiated in the fifth and sixth grades at Highland Avenue school this term. From a group of 15 nature study subjects which the children had suggested that they would like to study, the children made a choice of five. These five became the names of five nature study clubs and each child joined the group of which he desired to be a member. The teachers, too, made a choice of the club which she preferred to direct. The clubs are: Prehistoric Animal, Wild Animal, Birds, Flowers, and Stars and Planets. We anticipate an interesting year in this club work.

New Teacher Added

Miss Merrit, a substitute, and a graduate of Ohio State university, is now teaching at West Junior High school. Miss Merrit has a master degree from Ohio State university, and is teaching math and science.

Glee Club Elects

Officers for the Girls' Glee club at West Junior High school were elected last week. They were: Virginia Boss, president; Charlotte Reimler, secretary; Peggy Rector and Mary Matheny, librarians.

Boys Chorus Organized

Forty-four boys have been selected from a group of 109 Starling students who tried out for Boys' Chorus at Starling Junior High school, recently. Miss Hortense Mohr, the music teacher at Starling Junior High school, supervises the group.

Wins Prize

Mrs. L. M. Graham, 237 N. Ogden Ave., was awarded tenth prize in the nation-wide Sisters of the Skillet Limerick radio contest last week.

Ass't. Professor

Dr. Warren W. Hicks

Dr. Hicks began his new duties as assistant professor at the college of medicine, Ohio State university, Tuesday of this week. He will maintain his offices at 2650 W. Broad St.

Work Starts Monday On Westgate Project

Parkside Road, Westgate Avenue To Be Improved

Service Director Wm. J. Lucks Announces O. K. of $15,133 Work Project Thursday.

It was learned by the Hilltop Record early Thursday morning of this week that the Works Progress Administration project calling for the improvement of Westgate avenue and Parkside drive, had been approved by federal authorities.

According to William J. Lucks, service director, final plans were completed this week and work will get under way Monday morning on the project. Workers from the county relief rolls will be employed, the information stated.

The contract calls for improvement of the two streets and removal of the excavated earth to Westgate Park, where further W. P. A. activities will

INTERESTING PEOPLE, No. 4

Few people attain a commanding self-assurance that is Clara E. Earnest's, the West High teacher. Sure she's right before she starts, she never gives a quarter, in any controversy. Cold as an iceberg in her efforts to reach the truth, she's merciless in her questioning—utterly and frankly devastating in her statements.

She has roused the wrath of some, perhaps the enmity of a few, but she is respected by all. Yet, there is a mellow friendliness about her, once reached, that grows richer and more pleasant with the passing years.

We were in history class while the gymnasium at the old West was being razed. Midst rising clouds of dust, they were shoveling old plaster from the second floor to the ground. Miss Earnest stepped to the window, and explained to those workmen that a city ordinance required that the debris be sprinkled before being moved. It was sprinkled.

Once, when a trio of West High lads were held at police station, after a traffic offense, for want of bail, she called for them at 8 o'clock in the morning, furnishing their bond. Another time, when her car was struck by a fire truck which is alleged to have run a red light returning from a fire, she is reputed to have sued, and won. Such stories are legion, and if legendary, reflect her nature mightily.

I chuckle frequently over an excuse for an absence which she never received. I had been absent from school but twice in 10 years, but this day Dad took me squirrel hunting. Miss Earnest demanded a written excuse, although I had told her where I had been. Dad, in a hilarious moment, inscribed the following:

"Dear Miss Earnest: John went hunting with me yesterday. We got two squirrels and one fiddler (his name for a red squirrel). If this is not satisfactory, we will go again tomorrow. Respectfully, etc."

I think she would have enjoyed that, but Mom didn't hold the same opinion.

Anne Wilcox Haroldc, '17, is the farthest distant member of the West Hi Alumni Ass'n. Hollywood, Calif., is the station. . . . My informant last week, regarding an alleged traffic death, failed to check records, unavailable to me. Your correspondent is the goat. . . . Word is out that the Tri Mu Crutchmen have gobbled up the St. John Lutheran challenge to a game of shuffle-board. Several of the more feeble ones have been selected to do battle. . . . John Fesler, wondered about here some time ago, is house physician at the Greenville General Hospital in S. Carolina. He visited here a fortnite back. . . . Esther Owen is in California, reports say.

Cowboys Picked to Beat Bulldogs This Afternoon

Record Sports Writer Says Hour At Hand; Lose Tough Game to Coshocton, 14 to 7.

The hour draweth nigh for the West High Cowboys to enter into the win column, and it is believed to be no further away than 5 o'clock this afternoon when West and South will be completing their grid battle on the local field.

Three losses and a tie compose the Cowboy record to date, and although South's season is not much more spectacular, the Wisemen are due, and today's the day.

New Spirit

West lost a tough decision to Coshocton last week, but the Redskins were a courageous lot of lads, who, even when outplayed, came back when two opportunities presented themselves and scored two touchdowns. But the better spirit shown by the West squad is the most indicative of improvement.

Throughout last Friday's conflict there came a constant chirping and chatter from the bench, a machine-gun fire of encouragement. With the cowpunchers on the one-yard line, a glance down along the bench showed craning necks and focused eyes toward the play. That has not happened this year before Friday. I pick the Cowboys.

Just Didn't Click

Whether it was the absence of Redman and Larkins, is not known, but the Cowboys didn't quite click last Friday, although displaying some splendid football. Thrice during the first half they opened deceptive drives for the Indian goal, but were thwarted shy of the promised land, once when a pass was intercepted and two other times when held for downs. The Hilltoppers counted nine first downs in the first half to Coshocton's none.

After two plays in the third canto, Mead fumbled and Coshocton recovered on the 35-yard line, finally kicking out of bounds on the one-yard stripe. Schlosser's return boot was short, and with Anderson lugging the oval, the Indians drove goalward and over. A fake kick which turned into a pass made the extra point.

West came back immediately, and on drives by Paschal, Schlosser and Ditrick, intermingled with some lateral passes, made its way to the 2-inch line, from where Ditrick went over. Paschal knotted the count by skirting the end for the point.

Intercept Pass

Coshocton intercepted a pass near its own 40-yard line in the final quart-

Political Guns Begin to Boom As Candidates Prepare For Election

With election day still more than three weeks away, local candidates began their respective campaigns this week, with hopes high of being "tops" with the voters on Tuesday, Nov. 5.

Samuel J. Willis is seeking the city auditorship, and he is given a 50-50 chance of winning, provided the votes of his Democratic opponents in the primaries don't swing to the Republican side.

Ray G. Hauntz, president of the school board, is running for re-election, and the experts say he'll win.

Henry P. Fagan, who was unopposed for the Democratic nomination to judge of the municipal court, looks for heavy competition from the present Republican incumbent.

Wyatt Millikin, running fourth in the primaries for council, is expected to be again placed among the city fathers, while Henry Koontz, Republican nominee, is also expected to give a good account of himself, backed as he is, by the Republican endorsement.

City Attorney To Seek Removal Of Cars From Streets

Favorable Decision May Mean Many Improvements For Hilltop and Vicinity.

The long-discussed and much anticipated case, featuring the City of Columbus and the receivers for the Cincinnati and Lake Erie Traction Co., will reach a climax on Thursday morning, Nov. 7, at 10 o'clock, when it comes up in federal court at Dayton, O., before Judge Robert T. Navin.

Barring the barest possibility of a settlement immediately, decision may not be forthcoming before the first of the year, it was thought by Leslie B. Keyser, president of the Camp Chase Civic association.

The case may be decided from the bench, or the court may take the case under consideration, which is more probable, thus delaying the final decision. If the latter course is pursued, then each party will file briefs of the case, Judge Navin rendering his decision from the evidence and opinions presented by them.

City Has Chance

The Cincinnati and Lake Erie company is operating under a federal receivership, Keyser explained, which means that the creditors, not the old C. & L. E. are being represented. The receivers have all the power of the former operators, plus the power to save the assets of the organization.

If the company is operating with a loss, the decision will in all probability favor the city, according to Keyser, who explained that the decision will be rendered on the basis of what the company is doing for its creditors as well as the citizens of Columbus.

Seek Removal

City Attorney Davies said Tuesday that the city will seek the complete removal of the cars from Columbus streets. If this is obtained, then the Hilltop may expect two major improvements immediately, namely, the extension of the West Broad car line westward to the city limits and the removal of the car tracks on Sullivant avenue.

The Southwest League, and the Camp Chase Civic association, which are backing these improvements, will not have representatives at the trial, inasmuch as they represent only a part of the people of Columbus and the matter will be decided entirely on a basis of law, already established.

Free Monograms For Seiller's Patrons During Twenty-sixth Anniversary Sale

Seiller's Department Store, celebrating its 26th anniversary on the Hilltop, opened for business more than a quarter of a century ago under the management of L. N. Seiller with one clerk, had 25 on duty Wednesday as the annual sale got under way.

This week, during the aniversary sale, expert monogramming is being done for customers. Initials will be placed on shirts, sheets and towels at no expense to the customer.

Next to the fact that his store is the largest of its kind in suburban Columbus, M. W. is proudest of his slogan, which he figured out, and which caught on almost immediately with the public. "You'll Do Better At Seiller's After All" is known throughout the city.

Mr. Seiller was born in Circleville and went into the selling business immediately after his graduation from school.

West Broad Pupils Operate Bank Each Week

A new system of banking, with pupils as tellers and regular hours prevailing, is in vogue at West Broad Street school. Each Tuesday morning, between 8:30 and 9 o'clock, half an hour before school opens, incidentally, more than 300 children bring their pennies, nickels and dimes to the school auditorium, line up according to their grade, and deposit their money with the tellers.

All of the tellers are sixth grade children and their work is supervised and checked by teachers. Mistakes have been surprisingly few and of a minor nature, Miss Harriett Judd, principal, reported.

The new system, used in other schools of the state, proves a valuable lesson in responsibility, Miss Judd said this week, and also serves to save class-room time of teachers and pupils.

Formerly, it required 45 minutes to an hour in each room for the teachers to complete the banking work each Tuesday.

Under the new system the entire school banks in less than 30 minutes and a dozen or more children are obtaining valuable experience.

Plans to erect a model bank, with windows and fixtures, are being made, according to Miss Judd, who also pointed out that banking, although not increased, remains on a level with the number who practiced the habit last year, in spite of the early hour of banking.

Battleships And White Elephants

Of course, a Hilltop Record Want Ad won't sell a battleship, but there are great numbers of white elephants, just as cumbersome and about as useless to some folks, but which might be just the thing for somebody else.

That old kitchen cabinet, for instance, or that chest of drawers, or a dining room table—might be what someone is looking for at a bargain price.

Try advertising in the want ad columns of the Hilltop Record. None better, none more read, none which enter more Hilltop homes. See for yourself that Record Want Ads Pay.

Cowboys Picked To Beat Bulldogs

Continued From Page One

er, and aided by one ill-planned but successful lateral pass, and a long forward aerial, scored its second touchdown. A pass again scored the extra point.

There were numerous minor flaws in the Cowboy play, to be sure, but for the first game this year, good features out-numbered the bad. Tackling, for the first three quarters at least, was hard and sure, especially that turned in by Dittrick, Kimberl, Wylie and Cooley.

Lateral passes flew more accurately, but Lardig's sure arm was missed perceptibly on the forwards, and his powerful toe was also conspicuous by its absence. Parshal and Mead, and Robinson, produced some nice jaunts off the tackles and through the middle of the line, while Underwood and Gibson gave an gamit, quite reliable defensively. Twice Brewer, at safety, came up with good tackles and once with an enemy pass.

West had 14 first downs to Coshocton's five.

Work Starts Monday On Westgate Project

Continued From Page One

eventually complete the construction of several baseball diamonds and eight new tennis courts. The present work does not include these, however.

According to attaches of the city engineer's office, the project will cost $15,138.

This is the beginning of a series of projects long sought after by those interested in Westgate Park. Charles E. Seddon, director of recreation, has sought the improvement of the athletic field there for two years, but depleted city finances has prohibited the hauling in of sufficient earth to fill in low areas. The Westgate and Parkside street excavation will settle this problem and work on the park proper is expected to get under way yet this month.

Although Seddon could not be reached this week, he is co-operating with W. P. A. officials in an effort to get the park project approved. The present road improvement was once turned down by federal officials.

To Resume Meetings

Three groups of young people at Hillcrest will resume fall meetings this Sunday at 6:30 o'clock. Willis Ballard, Hampton Cruise and Mrs. Howard Bennington are the leaders.

Sermon Series

On Sunday night, Oct. 13, at 7:30, Rev. Charles E. Haworth, pastor of the Highland Avenue Friends church, will begin a series of Sunday evening sermons on the theme of "God's Visiting the Earth With His Judgments."

Youth Conference

The annual Ohio State Youth Conference will be held at Dayton, O., Oct. 18, 19 and 20. Several local people are planning to attend. "I Will Show You a Far Better Way" is the theme of the meetings.

BIRTHS

Mr. and Mrs. Albert Allemach, 1446 Lorette Ave., a son, Monday, Oct. 7, in St. Ann's hospital.

Mr. and Mrs. Thomas Wintz, 1054 Fairmont Ave., a son, James Newton, Monday, Oct. 7, at the residence.

BUTTER

Butter, rich in vitamin "A" affords one of the most practical methods of promoting vigorous health and preventing disease. The lack of butter in the diet has a direct bearing on children suffering from respiratory and eye infections. In families where there is a very low butter consumption the children are very susceptible to mastoid.

If butter, for economical reason, is left from the diet, green vegetables and other foods, costing considerably more must be supplied in order to secure the necessary vitamins. Butter is the cheapest and best source of vitamin "A" and at least two ounces per day is necessary to promote health and vigor and help prevent disease.

In surveys made in numerous stores it was found that butter substitute sales far exceeded those of butter. We save five, 10 or 15 cents per pound in cash but we lose much more than that in health and general well-being because of the lack of necessary vitamin "A." Substituting a butter substitute for butter is an expensive economy.

NOTES

Neglected bits from my notebook: I haven't the name—I think it was at the Frank Allen's—but there's a turpentine bottle on the Hilltop somewhere labelled "Mouth Wash." . . . Which reminds me of the time Phil Koontz came back from Nicaragua and they gave him a drink of some awful bootleg stuff. "Gosh, but that's good," said Phil. "Can't even taste the turpentine in it." . . . Marvin Clark is a co-strutter for the West High band. Paul Bricker, as mentioned before, also twiddles the baton. . . . Chet Henery took his small lad out to teach him the art of shooting. Little Jim had a rifle, Chet had a shot-gun—one of these kind that blast all over the landscape. They returned, and Jim had one squirrel, Chet none. Raw, Raw, Raw. . . . Somewhere I mentioned that Glen Hamilton sold some other kinda gas. Boys and girls, it's City Service stuff you get there. . . . Personal nominations for Ohio State's best performers last week against Drake: the honorable whatsisname Davey. . . . Lucille Kanable, the Fostoria, O., school nurse, was a visitor at the Raether domicile this past wk. end. . . . H. R. Line is convalescing after an operation at University hospital. . . . Morgan L. Hughes likewise, at University. . . . The first issue of the West High Occident is out today.

RAMBLE

Things learned over the week end: No woman has been inside the doors of the Cincinnati Press Club in 65 years. . . . E. H. Matheny dropped a nickle in a slot machine there a month back, and lo, 6 bucks rolled out. . . . Never knew Ed. Bradfute was the Kroger manager at Columbian and Sullivant. . . . Dave Ballard in over the week end. He'll coach jr. high basketball at Kenton this winter. . . . Claude Chrisman was lamped reading the society page of the Record a fortnite back. Mrs. Claude C. corrects ye olde pillariste for using "you and I" in print. (Listen at 'em, Mrs. Chrisman, "well,' what's wrong with that?") . . . Mrs. Bert Cochrane is improving at Grant Hosp., after a major operation. . . . and Harry Anthony lies ill at Mt. Carmel. . . . Henry Melragon seen Saturday nite, and he told me that he had been thrice changed, in the past year, from one CCC camp to another. . . . Leo Phillips wonders, if you can write 5% without the % sign, what 500% would look like sans the sign. . . . And I'm told that the only sure way to prevent traffic mishaps is ot watch carefully the driver of the car in back of the one ahead of you.

RAMBLE

V. E. Wolfe and Del Howard are in Michigan on a hunting trip. . . . Sam Toy has a debit for the Prudential Ins. Co. on the east side. . . . Maxine Hockman is the athletic office secy. at West High. . . . The seal on the electric meter at Reese's barber shop was broken last week. . . . Mrs. J. W. Miles visited Hocking Co. for the first time Sunday, I'm informed. . . . What's become of Glen Markins? . . . And no word of argument from O. H. (Hoover Hah) Craft in a long spell. (Boy, that'll git 'im!)

John Schenz is now with the Hercules Paper Box Co. . . . Ed. Sheets lamped at Front and Broad Sts. . . . Wonder whatever became of his sister, Marjorie. . . . Bill Weigel's band will play for the W. High homecoming hop. . . . First impression of the new Concordia pastor: Okie-doke. . . . The clerks at the Economy Variety store are constantly burning their fingers . . . on Fred's cigars he lays down and forgets. . . . Fine time reported at B.-M. dance Tuesday. . . . Mrs. H. J. gets terribly burned up when a stranger sits with her at the restaurant when 12 unoccupied tables languish unused. . . . Cliff Hice is a crack dancer . . . Mrs. Smith of the Sullivant Ave. Smiths has lopped the numbers 16 times during the past month. . . . Here's a tip: Try a combination of three of the following numbers for next week: 3467. . . . Then there's the colored gentleman who bowed 111.

Completion Of W. Broad Paving Project Delayed

Rain At Outset of Work Causes Month's Delay; Traffic Conditions Bad.

The West Broad paving project, scheduled for completion on Oct. 15, will be delayed approximately a month it was indicated by engineers this week who said that wet weather at the outset of the job had hampered progress materially.

Work was also delayed by inability to get certain materials on time, it was said, although the project is now moving rapidly again.

Meanwhile, merchants on the north side of Broad street were beginning to take on more cheerful countenances after several months of glumness as traffic again was able to move—and stop, in front of their establishments. Prior to the paving work, the WPA sewer project blocked traffic for a stretch of several blocks on Broad street.

The north side of the highway is now completed and curbing has been laid as far as Burgess from Hague on the south side.

Traffic conditions continued to be bad as a result of work, especially during school hours. Motorists are cautioned to be exceedingly careful throughout the area.

Engineers expressed the opinion this week that the asphalt would be laid as far as Eldon by Oct. 31, at which time the Hilltop Business Men's association is planning a huge Hallowe'en party, to be held on Broad street from Hague to Eldon.

Auxiliary, Post to Install Tonight

Mrs. Edna Bellar and W. H. Rogers to Head Groups For Coming Year.

Mrs. Edna C. Bellar, 326 Algonquin Ave., will be installed as president of the Camp Chase Post No. 80 Auxiliary of the American Legion at a ceremony to be conducted by the post and its auxiliary, to be held tonight in the Hillcrest Baptist church. William H. Rogers, 670 Chestershire Rd., will be installed as commander of the post.
